

Godly Choice 1081

Chapter 1081: Another one

"Come to visit the head?"

The fifth elders had a very yin and yang tone, and sarcastically said: "What are you? How dare you speak out to visit the head!"

The atmosphere suddenly became tense.

"Ding, trigger the option event, please choose from the host:

Choice 1: Furious with him, reward experience value + 1 million, all attributes + 800, purple gift bag * 2, random martial arts skill level upgrade.

Option 2: Ignore, no reward.

Option three: a humble apology, reward skill: forbearance. "

Kneeling? There is no such word in his dictionary!

Li Yun smiled, "I don't know what I am, but I think you are getting older and recuperating is not so good. I don't know what your old man is?"

"hiss!"

Everyone took a breath and looked at him dumbfounded.

Someone dared to attack the five elders of the penalty hall and call him disrespectful, not a thing!

This is simply... so cool!

Many people who had been punished by the five elders were trembling with excitement, but felt sorry for Qing Lei Valley, and turned to glaring at Li Yun.

"Sharp teeth, disrespect elders, you should fight!"

The Fifth Elder was expressionless and waved his right palm, and the strong wind roared in a moment, and his surroundings were like muffled thunder rolling, slamming towards Li Yun's chest.

Li Yun was prepared long ago, facing his pitch-black palm, slowly extending the thumb of his right hand.

"Boom!"

Everyone was not surprised by the strong wind.

The five elders practiced black thunder palms. They had large hands immersed in iron sand for decades. After entering the innate realm, they used a special potion to polish them for ten years, tempering the palms of both hands to be as hard as meteorite iron. Catch, no Qingleigu disciple can stand it!

However, Li Yun's Diamond Finger is an expert in this way, the strength is concentrated on the finger, and it is specially used to break this kind of hard qigong.

It can be said that the King Kong Finger restrained the five thunder fingers, and the five elders could not get the slightest advantage from Li Yun!

Sure enough, the two sides quickly fought, Li Yun pointed it out and snorted, there was a faint trace on the palm of the fifth elder Black Rumo, the figure retreated violently, and a blood red appeared on the face of the vulture, and his eyes were dead. Stared at him.

"Admit it."

After defeating a strong man of the Innate Late Stage, Li Yun was not proud of it, and only smiled faintly: "Now I am qualified to see your leader?"

"Ding, the host makes a choice, rewards experience value +1 million, all attributes +800, purple gift bag*2, and Qianjun's leg technique is upgraded to advanced."

He entered the Qinglei Valley, and first attacked a group of outside disciples. After crushing, there was another elder Zhou. After the attack, another second senior came.

It can be said that Li Yun made repeated moves, defeating the enemy, and entering and leaving Qinglei Valley as if there was no one!

For a time, Qing Lei Valley went up and down, including the elders and disciples, senior sisters and brothers were all shocked by Li Yun's aura.

too strong.

Is he really a young man under twenty? This kind of power has far surpassed the category of genius and entered the realm of evildoers!

"The hero is a boy, but the old man is late!"

There was a hearty voice in the distance, and Li Yun turned his eyes to see that an imposing middle-aged man walked up with four or five old men.

The heroic man walked like a thunderous sound. He came to Li Yun violently, glanced at him up and down, slapped him on the shoulder fiercely, and said in a loud voice: "Is that your kid who wants to be my son-in-law?!"

Chapter 1082: Old man

Xia Zhenghe, the father of Xia Feiyao, the head of Qinglei Valley, known as the Sword Saint of Qinglei, had a congenital perfect cultivation base!

Taking a shot of his palm, the ordinary congenital realm might be slightly injured, and he grinned in pain.

However, Li Yun has a strong body, with a physique close to 90,000 points, and a balanced development of all attributes. His hard strength is no less than in his mid-innate period, so it is naturally easy to resist this shot.

"dad!!"

Xia Feiyao glared at her father, although Li Yun resisted it, but seeing the floor under his feet cracked, she knew that the force was not easy.

"Hey, if you want to be my son-in-law, naturally you have to have extraordinary achievements."

Xia Zhenghe patted heartily again, squinting his eyes, and said: "Especially a man who is drunk with flowers and wants to marry a few wives, Li Yun boy, are you right?"

Hearing this, Qingleigu disciples were dumbfounded.

Li Yun only got Xia Feiyao's love, he still wanted to hug left and right, and get together with other women? !

"Brother Li, what's going on?" Xia Feiyao's brother, Xia Hao immediately looked at him with interrogative eyes.

Originally, Xia Hao was already somewhat satisfied with his brother-in-law, strong, and would make his sister happy, plus Yao'er really liked him, Xia Hao gritted his teeth and agreed.

But Li Yun actually has other girlfriends? !

Including Yao Shuangxiang, the senior sister of Xia Feiyao, also glared at Li Yun at this moment.

Xia Feiyao bit her lip, feeling a bit sour in her heart. As expected, her husband is liked by other girls. He is so good and it is normal for girls to like him.

However, Xia Feiyao still...

"Ahem!"

Li Yun sternly said: "The so-called extraordinary people do extraordinary things, I think I can bring happiness to Yao'er!"

"I believe you a ghost!"

Xia Hao was furious, so he drew his sword and cut it.

Li Yun's helplessness, facing his brother-in-law, he can't do the same cruelty to other people. Fortunately, he has done so lightly. After the god-level misty footwork is deployed, his body turns into a light smoke, swift and agile.

"Uncle, just sit down and listen to me slowly. I promise, you won't be sorry to Yao'er!"

"You **, stop me if you have the ability!"

Everyone was dumbfounded. The big brother of Qingleigu, the rising star of the new generation of Jianghu, the big brother of Haotianjian, can't even touch Li Yun's side, how strong is he? !

With this light effort, the entire Qing Lei Valley had no choice but to stare at Li Yun!

"The innate genius with strong physical body, dissatisfied with double ten, light work, palm, fingering, and swordsmanship, can't do it on May 1st, and all are fine!"

Xia Zhenghe was in a complicated mood. Naturally, these enchanting evildoers were more than enough to be his son-in-law, but this **** just got in touch with flowers and had a relationship with the two women of the palace family and a pair of nephews and nephews. Ambiguous.

"Stop it, don't fight!"

Xia Zhenghe impatiently stopped his son, hating iron and steel, and said: "Look at you, you can't even touch the corners of other people's clothes. If someone else makes a move, you **** won't be able to take any tricks, and I will do it for you. Ashamed!"

Don't mention that Xia Hao is depressed, he is really not weak, but Li Yun, the **** brother-in-law is too strong!

"And you!"

Xia Zhenghe turned his head and scolded many Qingleigu disciples: "A large group of people can't stop a kid. It's really embarrassing. What are you doing in a daze? Go back to practice! Don't leave the gate if you don't break through the innate realm!"

A group of disciples suddenly became scattered about birds and beasts.

Fortunately, it was Qingleigu's 'quasi' son-in-law who defeated them, otherwise he would be even more embarrassed.

Chapter 1083: Great Elder Wei Yiwu

"Whee."

Xia Feiyao hid her mouth and snickered, her husband, apart from the many girls around her, was the best she had ever seen, both in character and strength.

He would say good things to coax her again, and miss her again, and it was a proof of his strength by many people who defeated Qingleigu.

Xia Feiyao even felt that it was only natural that her husband was so popular. After all, he was very good. As long as the girls who met him were not blind, they would fall in love with her husband.

What she has to do is to stop those shameless women from sticking to it!

"Let's go in and talk about it!"

Xia Zhenghe glanced at Li Yun and walked towards a house first. Li Yun followed Xia Feiyao. The Fifth Elder and Wei Qianfan who had previously embarrassed him also went with him, not knowing what the purpose was.

Entering a conference hall, Li Yun found out that he had been sitting there for about forty years old, but he had white hair and white beard, and his temperament was like a deep pool of water, and he looked extremely cold.

"Hello, uncle."

Xia Feiyao and Xia Xiahao saluted him respectfully, while Wei Qianfan called his father.

Only then did Li Yun wake up, this person is the Great Elder of Qinglei Valley, Wei Yiwu.

"Your name is Li Yun?"

Before Li Yun could speak, Wei Yiwu looked at him with a faint smile: "Sure enough, it is a hero who was born as a boy. He can fight against Elder Zhou at the gate of Qinglei Valley without losing the wind, and he will surely get a resounding when he spreads to the rivers and lakes Name!"

Name is not something you have strong, but you are famous enough, others will know who it is when they hear your name, otherwise it will be unknown, and it will not work if you have a name.

The comer is not good.

From the words with a knife in his smile, Li Yun can see that Wei Yiwu's relationship with the boss is not good, otherwise he would not take the initiative to expose the ugliness, and save Qing Leigu's face by himself!

Wei Yiwu's words are actually a joke that the head of Xia Zhenghe was too unsuccessful, and he could not even stop a hairy boy, so he asked him to come over for talks. It was really shameful!

Li Yun smiled slightly, just about to speak, but the system prompt sounded.

"Ding, trigger the option event, please choose from the host:

Choice 1: Swearing: What are you, reward justice value +100, experience value +100,000, white gift bag*3.

Option two: cynicism, provoke him, reward justice value +50, white gift bag*3.

Option 3: Directly shoot, kill it on the spot, reward justice value +2000, experience value +2 million, all attributes +2000, golden gift bag*1, it is very likely to cause the anger of Qing Leigu. "

Li Yun was amazed, and criticizing Wei Yiwu has justice value? Killing him is rewarded with a golden gift bag? !

It seems that something is abnormal.

"I still heard." When Wei Yiwu saw Li Yun not speaking, he sneered again: "You want to marry the daughter of the head of Qinglei Valley, but you are still mingling with the daughter of the head of the palace, and even the same. Eat and live together? Hehe, head, I have to admire you. The good son-in-law I found fascinates all the daughters of the palace family, but I don't know if Qinglei Valley is bigger or smaller?"

If Xia Feiyao and the daughter of the Gong family married Li Yun together, it would be equivalent to the two first-class martial arts surrendering to Li Yun!

——Isn't it just surrender that even the daughter-in-law of the head is given to others to be a little wife.

The atmosphere in the living room instantly stiffened.

All of you present here are the elders of Qinglei Valley. They were called to discuss things, but what they encountered was this kind of thing.

Chapter 1084: Qinglei Valley still has dogs

"Yao'er."

Li Yun sat down calmly and asked casually, "Do you still have dogs in Qinglei Valley?"

When Xia Feiyao heard this sudden sentence, her face was dumbfounded: "Very few people raise them. Generally, there are dogs on the periphery and few in the center of the valley."

"Then why did I hear the dog barking?"

"Dog barking, no, why didn't I..."

Suddenly, Xia Feiyao woke up, the dog in her husband's mouth was referring to...

"Bastard!"

Wei Yiwu slapped the table abruptly, his beard was furious, and he shouted: "What a son-in-law of Qingleigu, this mouth is so different, how did the elders in your family teach you?!"

"Elder, this son is so uneducated." The fifth elder also echoed: "I have ridiculed and ridiculed me before. I can't imagine that this son is so unobtrusive now in front of many elders!"

Li Yun's expression remained unmoved, and said: "I have always been polite, but I treat him as others treat me. The so-called respect for elders is also worthy of respect for the other party. To some people who are disrespectful and reliant on the old and sell the old. Old and stubborn, I've always been upright and stubborn, and I don't bother to make false claims!"

A speech contains multiple idioms, cynicism, and swearing in person.

Wei Yiwu and the Fifth Elder were so angry that they trembled and their old faces flushed. If it weren't for the leader to be standing here, plus knowing that Li Yun's strength was not low, they had shot out in anger!

"Ding, the host made a choice and cursed Wei Yiwu face-to-face, rewarding justice value +100, experience value +100,000, white gift bag*3, extra reward: medium detoxification pill*1."

Li Yun felt very comfortable. Not only was he cursing, but there were also system rewards. Wei Yiwu and Wei Yiwu probably wouldn't think of this in their dreams.

"Shut up."

Headmaster Xia Zhenghe said that he had already taken the trouble in Qinglei Valley's dispute, because the true spirit of the practice was of the violent and mighty type, which caused the disciples in the sect to be very grumpy and start fighting whenever they didn't agree with each other. This was just a small scene. That's it.

The maid served tea, and the atmosphere of the crowd eased a little.

However, Li Yun saw the eyebrows between Wei Yiwu and the fifth elders, and did not know what opinion had been reached, the eyes of the two became more and more indifferent.

It's weird, are the elders all on the side of the elder?

Li Yun observed that, except for the five elders, the other elders are undoubtedly facing the head, and are not too cold towards the big elders.

"Li Yun's matter."

As soon as Xia Zhenghe spoke, Wei Yiwu interrupted him roughly: "Master, I have one thing I can't vomit!"

Xia Zhenghe frowned. Wei Yiwu fought with him for the position and lost with a slight advantage, but he has been at odds with him over the years, and confronted him everywhere.

Xia Zhenghe has always tolerated for the sake of Qinglei Valley, as long as he can't do it well.

But for nearly a month, Wei Yiwu didn't know what medicine he had taken, and furiously angered him. The two of them almost never smiled in public, and there was a strange tension in the whole school.

"Elder, what do you want to say?"

Xia Zhenghe's tone was flat, completely different from the loud voice he used to deal with Li Yun before.

"I think!" Wei Yiwu looked at him with an indifferent gaze: "You are not a good leader. It's time to take the blame and abdicate!"

In an instant, the temperature in the chamber dropped to freezing point.

The elders have long known that the relationship between the chief and the chief elder is not good, and the two have been fighting for the right, but it is the first time that the chief elder has really insisted on letting the chief abdicate!

Chapter 1085: Seize the position (part 1)

This is equivalent to completely tearing the face, and there is no possibility of reconciliation between the two!

"Um?"

Li Yun discovered one thing, Wei Yiwu's son, Wei Qianfan's expression was equally surprised, as if he didn't know why his father made such a decision.

Xia Zhenghe's tone was flat: "Why do you see that I am not qualified to be the head?"

"Isn't it obvious? Or are you thick-skinned enough that you don't even need a bit of face?"

Wei Yiwu sneered and stretched out his fingers to point at Li Yun and Xia Feiyao: "Your daughter is shameless to be this kid's little wife. Where do you put my face in Qing Lei Valley?"

Xia Feiyao bit her vermilion lips tightly, and the mountains on her chest were undulating.

Li Yun opened his mouth and said: "I want to correct you. Yaoer is one of my wives, not a little wife. I treat all the confidantes around me the same, even if the other party is a saint. They all have the same existence in my mind!"

"joke."

Wei Yiwu's eyes were cold: "Don't you think you are the emperor, and you still want the Sangongsixyuan to fail?!"

Li Yun shrugged: "I just expressed this. The confidante by my side has absolutely no distinction between high and low. I like Yao'er, and she also likes me. It's that simple."

If you don't have the strength to ignore everything, it is absolutely impossible to have so many noble and beautiful women at the same time!

The faces of the elders were weird. Except for the Fifth Elder on Wei Yiwu's side, the others didn't understand at all, and they were very puzzled as to why Wei Yiwu said such words.

The head did nothing wrong, and it was almost impossible to take him down with Xia Feiyao.

Even if Li Yun is a little **** who can do nothing, even if Xia Feiyao is a **** of her husband, who shamelessly ran to be Li Yun's little wife, it was always Xia Feiyao's fault, not her father.

Not to mention that Li Yun's talent is amazing now, and his future achievements are limitless. It is nothing to have a few confidantes.

Don't you see many powerful men, will there be a group of women around you? Even for women, it is not news to pack a few cream niches if they have money, it is too common.

"Wei Yiwu."

Xia Zhenghe called him by name and took a deep look at him: "If you want to target me, just say it, don't turn around and curse Huai. As a father, I will say something now: As long as Yao'er really likes this kid, Li Yun This **** also treated her sincerely, did not conceal that he had other women, and treated my daughter sincerely, treating her as the most important wife for the rest of his life, then I would agree to her marriage!"

"Dad! Me!"

Tears burst into Xia Feiyao's eyes, and she felt that she could no longer hide it, and she could not let Li Yun suffer those accusations.

"I actually...it was my fault."

Xia Feiyao lowered her head to tell the story. It was because of Li Yun's appearance that she was rescued. At that time, the situation was urgent, so Xia Feiyao regarded Li Yun as a person to accompany her for a lifetime.

Everyone looked at each other, it turned out that so many things had happened to the people who chased the Lie Demon Sect.

Yao Shuangxiang came to understand why it was only after one night that the little junior sister had a husband, so it turned out to be the case!

"Hus... Li Yun," Xia Feiyao said blushing: "He is actually a very good person. I said let him be my husband. He agreed to come down to comfort me. Later I found out that my husband has the ability to help. I relieved the medicine and said that the previous agreement did not count, but I..."

Chapter 1086: Seize the position (part 1)

"But I think," Xia Feiyao said, lowering her head, clasping her hands, "Since I have already said it, I can't go back on the appointment, so I promised to meet again in the future. I didn't expect..."

"Unexpectedly, I would hit the door today!"

Li Yun smiled and accepted Xia Feiyao's words, making the little girl even more shy.

Li Yun's approach is like going to the door to grab relatives. Xia Feiyao still feels that she is in a dream. When did her husband become so powerful?

"So to say....."

Xia Zhenghe stroked his beard: "Did your kid get my daughter through the three-indiscriminate trick of Chun Yao?"

"Cough cough cough!"

Li Yun coughed for a while, choked with these words.

It depends on what you always said, it seems that Li Yun has gotten something from your daughter, and the words are not rigorous at all!

Xia Feiyao raised her head to look at Li Yun, smiling at the corners of her mouth, with tenderness in her eyes: "Dad, my husband is very powerful. At that time, he was only in the body tempering state, not as good as me, but within three months, he broke through directly to Xiantian Environment, don't you say it's amazing?"

"what?!"

"impossible!!"

"Yao'er, what are you talking about in your dreams?"

"Three months to the congenital state?"

"how is this possible!"

Everyone blasted the pot, and even the five elders and Wei Yiwu had their eyelids jumped.

For Jianghu people, the first important thing is always the improvement of cultivation level, and other bad styles, or lowly, cruel, and vicious are all second.

As long as you are strong enough, you can gain the respect of people.

Now that Song Yuan's strength has soared, many people in the rivers and lakes are envious, and they have inquired about his deeds.

"really!"

Xia Feiyao said earnestly: "My husband will not lie to me. Besides, didn't Song Yuan break through to congenital consummation within a month?"

Everyone was thinking, Wei Yiwu no longer doubted this, because he thought of a possibility!

"This kid has also won fairy fate!"

Wei Yiwu resented and looked at Li Yun enviously, his desire for immortality became more and more fierce.

Li Yun smiled and said: "I was able to come to Innate because of various coincidences and cannot be copied, but I can guarantee that no one has had any dealings with me. This does not come from the power of the six magic gates!"

Six magic doors!

These four characters seemed to have magical powers, making the head and several elders' expressions solidified, but the rest, including Wei Yiwu, were very unfamiliar with this school.

The matter at the Zhonghai City auction has not yet spread. Naturally, Xia Feiyao and others do not know the six magic gates, but Xia Zhenghe has a solemn expression.

"Stop talking about that."

Wei Yiwu interrupted Li Yun's words: "I don't care who you want to marry, but you want to marry the daughter-in-chief as a little wife. As the elder of Qinglei Valley, I absolutely disagree. If you insist on doing this, so good. Xia Feiyao, you quit the teacher's gate and cut off all relations with Qinglei Valley. It's up to you to do what you want!"

Xia Feiyao's face was pale, she was shocked by these words.

"Ding, trigger the option event, please choose from the host:

Option 1: Shelter Yaoer's wife from the wind and rain, rewards experience value +500,000, free attribute points +1000, blue gift bag*1, the host's reputation in Qinglei Valley increases, and it is recognized by a small number of people.

Option 2: Ignore, no reward. "

Li Yun raised his eyebrows. Does this still need to be selected? It's not hesitating to go up and down the pan for his wife!

"How about this."

Li Yun looked at Wei Yiwu with an indifferent gaze: "You said you want to be the head, so simply, my head son-in-law will come forward for you. As long as you can defeat me, I will let the head give you the position, how about?"

Chapter 1087: It makes sense

"it is good!"

Wei Yiwu was overjoyed, and that was what he was waiting for.

Immediately, Wei Yiwu stood up suddenly and laughed: "Head, this sentence was said by your good son-in-law, but not by me. The day after tomorrow, if your good son-in-law can't beat me, then you Xia Zhenghe will give up. The head of twenty years!"

After speaking, he couldn't even wait for Xia Zhenghe to speak, and left directly.

Everyone looked at each other, watching Wei Yiwu, the fifth elder and his son leaving, without a reaction for a long time.

This is ridiculous!

Simply unreasonable!

Li Yun has not yet been recognized, but he directly made the decision on behalf of the head, and the position of the head of the dignified Blue Thunder Valley is determined by a game of Maotou Boys?
!

It's a great joke in the world!

"Ding, the host makes a choice, rewards experience value +500,000, free attribute points +1000, blue gift bag*1, host's reputation in Qinglei Valley increases!"

"Boy, you!"

Xia Zhenghe was furious and slapped the table fiercely, but Li Yun said first: "Father-in-law, haven't you noticed one thing yet?"

".....What's up?"

Xia Zhenghe was led by Li Yun. He didn't even object to the title father-in-law. Now he looked at him with confusion.

"There is someone behind your chief elder."

The meeting hall was suddenly silent.

All of you here are human spirits, so how can you not see the anomaly of Wei Yiwu who was suddenly attacked.

With the cultivation base of the later stage of the innate, dare to challenge the head of the innate consummation face to face, it can explain the problem in itself.

Li Yun smiled slightly: "I think the grand elder's demeanor is that you must give up your father-in-law's position, and there will be a battle between you, so instead of letting him take the initiative, it is better for us to control the situation.

Besides," he glanced at Xia Feiyao, and Li Yun continued: "I am your son-in-law, and you will leave the trivial matter of defeating the elder to me. You can always watch it with peace of mind! "

Everyone was speechless, and they felt that Li Yun's words were so reasonable that they were speechless.

Xia Zhenghe's expression changed, and finally stood up abruptly and slapped Li Yun on the shoulder: "Smelly boy, who is your father-in-law?!"

"Also, the old man is not old at all!"

"Uh ha ha, yes, you are not old at all."

"Fuck you, go go, you three little ones, get out of here, and the old ones of us have a discussion."

Li Yun shrugged: "Okay, my son-in-law will leave now, oh yes, let me remind you that the six magic gates exist, and so do immortals."

"Haha!" Xia Zhenghe smiled proudly: "Even if Wei Yiwu can master the immortal technique, he can't overcome any big storms, how easy is Qing Lei Gu to fall?"

Li Yun stopped talking, and went out with Xia Feiyao brothers and sisters, and let them discuss slowly.

"Li Yun..."

Xia Feiyao wanted to say something but stopped, and the worried expression on her tender and lovely face was especially pitiful, she was born with a baby face.

"Don't worry! I have a way to deal with your husband!"

Li Yun waved his hand and squeezed Xia Feiyao's cute face again, making her brother stare.

"correct."

Li Yun took out two pills from his pocket, packed them in a small box, and handed them to Xia Hao: "If you don't mind, brother-in-law, just accept these two pills. You are guaranteed to break through your current realm within a month! "

Xia Hao's eyes widened suddenly.

Chapter 1088: Be alone

It has been more than two years since he broke through innate, but it will take at least one year to reach the mid-innate period.

Now his brother-in-law...no, Li Yun said that he can break through in a month? !

"Don't you want to buy me!"

Xia Haoyi spoke righteously, but his hand grabbed the pill, and while walking away, he said: "At most I will tell you a good thing, but if you want to marry my sister, you still have to look at your sincerity. Is it good to my sister? Okay, sister, follow him and try to recognize this guy's true face as soon as possible. Brother, I won't accompany you!"

Xia Feiyao: "..."

I have never seen a brother like this. He sold his younger sister for two pills! !

"Yao'er's also."

Li Yun smiled and held her little hand, and stuffed several pills into her hand, so that Xia Feiyao almost couldn't finish it.

"Husband, these are...?"

"Intermediate Zhuji Dan, Peiyuan Dan, as well as beauty skin care Dan, can make your skin better, whiter and tender."

As Li Yun said, he looked at Yao'er's small face again. His child-like wife actually has very good skin, especially a twelve or thirteen-year-old baby face with a creamy baby fat, which is even more imaginative. To be bullied.

Xia Feiyao's cute face was full of shyness. Seeing many people passing by, she blushed and pulled Li Yun to the other side of the valley.

There are about 3,000 disciples in Qinglei Valley. There are many pavilions in the entire valley and the foot of the mountain, and there are many trails that few people pass by during the day.

Therefore, Li Yun and Xia Feiyao soon came to the foot of a mountain surrounded by flowers and plants. They sat behind the grass, and were blocked by tall shrubs on three sides. Outsiders could hardly see the scenery here.

"This, this is the place where I often come to sit alone." Xia Feiyao seemed to be aware of this, and her face became more blushing.

It's too far from the center of the valley, and there are trees all around, there is no way anyone else will come except her.

She used to come here to relax and be alone, but now that she is accompanied by Li Yun, Xia Feiyao has a different feeling.

Warmth, happiness, joy, etc. all ranged. At this moment, she really wanted time to stay forever.

"Yao'er brought me here, do you want to chat with her husband alone?"

Li Yun gave a chuckle, and took the initiative to rush Xia Feiyao sitting next to him into the shade. Xia Feiyao was shy and sweet in her heart, and she leaned in his arms and didn't speak any more.

The two embraced quietly, looking at the scenery of the valley below their feet, surrounded by birds and flowers, and the crisp chirping of birds made it easy to relax.

"Husband, are you a fairy?"

Xia Feiyao hugged Li Yun's waist, feeling his solid and reliable chest, and the warmth in his heart.

But she wanted to know more about Li Yun. Although she talked with him all night last time, she still didn't seem to know him well.

"No, um, not yet, maybe in the future."

Li Yun knew what she wanted to know, so he told her what happened recently. Xia Feiyao snuggled in Li Yun's sorrow, listening to his magnetic voice and looking at his handsome face, she fell into dementia for a while.

"... The Six Demon Sects and the Hidden Sacred Valley are two sects of cultivating immortals. They are now reappearing, and they are likely to bring huge changes to the world!"

"But don't be afraid, if you have your husband and I will be able to protect my little Yaoer!"

Chapter 1089: Wait until the engagement

Xia Feiyao was very moved, her teary appearance was particularly lovely and moving.

In the empty environment, the two emotionally moved, and the two months apart, how could Li Yun let go of the delicious food in front of him.

As a result, Xia Feiyao once again felt the taste of a kiss between a couple. After being kissed by her husband for a long time, her consciousness was almost blurred, and she panted and separated, leaning against him to rest.

"Husband, husband."

Feeling that the atmosphere is getting more and more dangerous, Xia Feiyao is a little nervous and more shy: "You, do you want Yao'er?"

She knew that she was in good shape, and was ridiculed by the senior sister that her future husband would love her, and she couldn't hold back wanting her at all.

In the past, Xia Feiyao thought this was very boring, and was annoyed by her figure. After all, it was too big to behave badly, affecting her to become a heroine.

But now, for the sake of her husband, she thinks it would be nice to grow up.

"Ahem, no!"

Li Yun sternly said: "This kind of thing is still reserved for our wedding night. Even if we don't get married, it should be after the formal engagement, becoming a real unmarried couple and being recognized by everyone, we can continue to the next step!"

"Um."

Xia Feiyao blushed and lowered her head in response, but soon she felt something strange.

"Husband, husband."

Xia Feiyao blushed so much that it dripped water, blinking and blinking, she didn't dare to look at Li Yun at all. She held his clothes weakly with her little hands, and asked with a trembling voice, "Bad husband, you, didn't you say you want the wedding night? ?"

"uh-huh!"

Li Yun hugged her tightly and tasted her little mouth again, "Yes, the last step is reserved for the wedding night, but we can do all the previous steps."

"Bad guy! Big bad guy! Ah!"

...

Xia Feiyao is not the kind of innocent woman who knows nothing. She thinks she has learned a lot of things between husband and wife from some boudoir books that she got accidentally, but when she really put it into practice, she still opened her eyes.

How come there are so many things that make you tremble all over and make your blushing heartbeat?

As a result, Xia Feiyao relied on Li Yunqi, rested for a full half an hour, and only had the strength to stand up after nightfall.

"Let's go back, and have dinner with father-in-law and brother-in-law."

Li Yun pulled her up and stretched out comfortably.

He only feels comfortable all over now. I have to say that Yao'er's wife is really not young. She is 18 years old, and what's more frightening is that it's bigger than what she actually sees.

Anyway, Li Yun couldn't cover the sky with only one hand, and it was even impossible to control the whole situation with one hand. The hearts of the people were too big.

"Bad husband!"

Xia Feiyao twisted Li Yun's waist angrily, and walked forward with a little strange footsteps!

Now she still feels cold in some places, who is so uncomfortable, she has to change clothes before she can eat when she goes back.

Li Yun smiled and chased him up: "Yao'er don't get too far away, maybe there will be zombies jumping out of the flowers. Although your husband gave you equipment, you must be careful."

"I don't believe you, huh~, I don't see it as a zombie, it's a big satyr, no, the big satyr jumped out!!"

Hearing him talk about giving away equipment, Xia Feiyao's face turned even redder. The thin piece of the black tights was more revealing than those worn by women outside on the beach. She was ashamed to see it. .

However, since Li Yun sent her to her, Xia Feiyao would of course put it on well, except that she had to add an extra white jacket to cover it.

Her bad husband also said that she wanted her to show him in private...

Chapter 1090: Visit Zhou's house

the next day.

After Li Yun got up, he obviously felt the atmosphere of Qinglei Valley changed.

When I saw him yesterday, many Qingleigu disciples glared at him, but today Li Yun appeared in front of everyone again, and many people looked at him with strange eyes.

"Little Li Yun, are you sure to defeat the Great Elder tomorrow?"

"It should be possible to defeat the five elders, right?"

"The Fifth Elder is the Black Thunder Palm and is restrained by his Diamond Finger, but the Great Elder is proficient in swordsmanship, and he is very close to the head!"

"What to do? Is Qinglei Valley going to fall apart?"

"You're worried about a fart, even if Li Yun can't beat the elder, doesn't he still have a head?"

"I heard that the great elder went out before dawn today, I'm afraid it's not going to invite..."

In the face of everyone's discussion, Li Yun frowned slightly and said loudly, "Everyone, I will fight with all my strength in tomorrow's battle. I will be confident that enemies under the realm of the master will not fall under the wind, please don't worry!"

Everyone was shocked, and there was innate consummation below the master level. Didn't he say that he was capable of fighting against the master? !

Li Yun didn't explain too much and went directly to Xia Feiyao.

He and her family had dinner last night, and also met with Madam Xia and Grandma Xia, except that he didn't see Grandpa Xia, that is, Xia Feiyao's grandfather did not show up.

I heard that I was in retreat and would not be able to get out for a while.

The meal process went smoothly. Li Yun offered some medicine pills. Grandma Xia's health was a little bad. She was refreshed after using the medium-sized recovery Tango, and she eased a lot of Li Yun's original strict attitude.

But they still didn't agree with Li Yun's relationship with Xia Feiyao, saying that they would wait until Grandpa Xia left the customs.

"Yao'er."

The Xia family lives in a courtyard in the valley. After Li Yun found Xia Feiyao, he said directly to her: "I plan to go to the Zhou's house nearby. Do you want to go together?"

"Zhou's family? Is it the home of Zhanfengdao Zhou Daxia?" Xia Feiyao looked at him suspiciously.

"Wind-cutting knife?"

Li Yun showed a weird smile. He has a sword technique called Zhanfeng Sword Technique, and he doesn't know how it compares with this Zhou Daxia.

"It's Zhou Minghui's house." Li Yun explained: "In addition to visiting you, I also want to visit Zhou's house and discuss something with him."

"Zhou Minghui?"

Xia Feiyao still didn't know about Song Yuan. After learning about the cause and effect from Li Yun, she suddenly became a little excited: "I'm going to go, I want to go together! Go go, husband, let's go, go to Zhou's house! "

Li Yun couldn't laugh or cry, Xia Feiyao changed from yesterday's cute little girlfriend to a violent heroine, wishing that Song Yuan would be arrested and brought to justice immediately with a sword!

From her performance, Li Yun can see that it is estimated that this girl will have to be brought along for the meeting with Song Yuan in ten days.

Without further ado, after deciding to go to Zhou's house, Xia Feiyao quickly ate breakfast with Li Yun, found a car, and asked Li Yun to drive her to Zhou's house.

Zhou's family is not far from Qinglei Valley, and they are all in Xingning, only a half-hour drive away.

"The Zhou family has a good relationship with Qingleigu."

On the way, Xia Feiyao briefed Li Yun: "Daxia Zhou made a big name when he was young. He was brave and bold. My dad gave him a high evaluation."

"But the Zhou family is not strong, except for Big Brother Zhou, there are only two innate realms, ah, here, turn in from this road."
