

Godly Choice 2151

Chapter 2151: Gu Yuqing's decision

Gu Yuqing blushed and took the initiative to open his arms to Li Yun, making a hug gesture.

At this moment, Li Yun received a prompt from the system.

"Ding, trigger the option event, please choose from the host:

Option 1: Reject her, no reward, Gu Yuqing was hit hard and she couldn't afford it.

Option 2: Sit still, reward justice value +1000, blue gift bag*3, Gu Yuqing's favorability is greatly improved, and Jin Liuli's favorability is full.

Option 3: Stand up, take the initiative to hug her, and kiss each other under the eyes of the people in Jinsheng Pavilion, reward justice value +1000, Gu Yuqing's favorability reaches the limit, the host will reap a lover, reward a small red envelope*1, may make gold Liuli's favorability decreased. "

Favorability reached its limit? lover? Little red envelope?

Li Yun was shocked. Just kissing Gu Yuqing would make her feel good at 100?

Although Gu Yuqing is not an unmarried Bai Fumei, he will not have a specific favorability value, and will not reward red envelopes, but the characteristics that will not decline after the favorability degree is full should still be there.

In other words, Li Yun only needs to kiss each other now, and he will definitely get Gu Yuqing's heart, and let her and Jin Liuli follow him from now on!

"...It's really a difficult choice."

Li Yun smiled bitterly, Gu Yuqing is very beautiful, six or seven points similar to Jin Liuli, is an out-and-out beauty, it would be great if Gu Yuqing and Jin Liuli could be together!

The next moment, Li Yun was hugged by Gu Yuqing, and the tender embrace made people feel stunned.

and!

Gu Yuqing's figure hidden in the skirt is very good, graceful and slender, and very skinny, but the good points are not at all ambiguous.

"Madam...you don't have to do this."

Li Yun sat still, allowing her to hold herself, feeling the beautiful woman's tears slowly dripping down her shoulders, and Li Yun's inner heart was also extinguished by these tears.

After all, Gu Yuqing is still a poor woman with a sensitive personality and a sensitive heart after her husband has been dead for many years. She deserves his pity.

In the final analysis, although Li Yun likes to be drunk with flowers, he is still a good man who loves the girls around him.

"Li Yun, you..." Gu Yuqing's crying voice was trembling and deeply disturbed, "You can kiss me."

"..."

Li Yun sighed, and proactively stretched out his hand, hugging the tender body in his arms, but did not make the next move.

"that's it!"

".....Um."

Gu Yuqing let out a muffled snort from her nose, and her body gradually softened, as if she had done a great deal, and then she felt nervous and weak.

"Thank you..." Gu Yuqing who was in Li Yunqi muttered, her eyes gradually brightened, the corners of her mouth bend, and a joyful smile: "In this way, I can be with Lier forever."

"Ding, the host makes a choice, sits still, rewards justice value +1000, blue gift bag*3, Gu Yuqing's favorability is greatly improved, and Jin Liuli's favorability is full. Additional reward: sitting and carrying (passive). "

"Ding, congratulations to the host for successfully obtaining the full favorability of the tenth girl, and rewarding a red envelope!"

"Ding, because Jin Liuli's favorability degree is full, and Gu Yuqing's favorability to the host is very good, the host automatically gets Gu Yuqing's full favorability degree. As long as the host does not force Gu Yuqing to separate from her daughter, the other party's favorability degree will not decline. Reward small red envelope*1!"

Chapter 2152: Red envelope again

A big red envelope and a small red envelope.

While Li Yun was worried about how to deal with Gu Yuqing, he was still calm in his heart.

Although Gu Yuqing's favorability is very different from Jin Liuli's favorability, Gu Yuqing's favorability is entirely due to her female, but it is also full of favorability. Li Yun can treat this melancholic temperament at will. What the beautiful woman does, she should...never object!

"Madam, that's it."

Li Yun gently pushed Gu Yuqing in his arms. The latter blushed and hurriedly got up and sat back in position, holding the tea cup with his head down, without saying a word.

Li Yun knew that the reason why she hugged him so suddenly was entirely because there were many people from the Golden Saint Pavilion watching.

Only by doing this, putting the relationship between the two on the table, and she will go to her daughter's house to live in the future, will there be sufficient reasons!

This is what Gu Yuqing said, the reason why she can be with her daughter forever!

Sure enough, everyone in Jinsheng Pavilion on the shore couldn't help whispering after seeing this scene.

"Mr. Li actually gave all his wife..."

"Hey, who is so amazing? No one dares to say anything in the realm of a grandmaster who is under twenty years old!"

"I'm going, I can't bear it! What's wrong with Grandmaster Realm? Is it that our Golden Saint Pavilion is about to sell Madam for safety?"

"Why don't you go up and protest?"

"Little Junior Sister!! Damn it!!"

Being seen by the people on the shore like sitting on pins and needles, Li Yun quickly said to Gu Yuqing: "Madam, don't worry, Xiao Liuli will follow you from now on. You can also go to Zhonghai City at any time. It doesn't matter how long you live! But I think, Liuli, she may take on the responsibility of leading Jin Shengge in the future, and you will have to help her a lot in the future!"

Although Gu Yuqing is a little bit introverted and melancholic, she still has good vision and decision-making. She stopped Jin Jiuhua several times before.

"Okay." Gu Yuqing seemed to be in a much better mood, and nodded slightly, "Li'er is my daughter. I will naturally help her in the future, as will her grandma, Li Yun, the only thing I worry about right now is the so-called monsters. What do they... look like?"

Gu Yuqing looked over with a curious look, and after throwing her in her arms once, she was not as shy now.

"Youkai... it's a long story."

"Then say it this afternoon?"

"Okay, let's go to lunch first!"

Li Yun took out the Soothing Pills that the system had rewarded before, and gave her the spirit of conditioning, lest this beautiful woman who was always suspicious and unhappy would die.

Gu Yuqing did not refuse, holding the pill box in both hands, and nodded with a reddish face, indicating that she would take it later.

Li Yun opened her little red envelope again.

"Ding, the host gets a reward from the small red envelope: money*118.88 million, golden quality equipment: Demon Slashing Sword*1 (limited to Golden Saint Pavilion

Golden equipment!

Li Yun was quite surprised. He didn't think that the little red envelope could produce good things. He checked his attributes and gave it to Gu Yuqing for her or Jinjiuhua to use it as a treasure of the Jinsheng Pavilion. !

Then open Jin Liuli's big red envelope.

"Ding, the host opened the red envelope. Congratulations for receiving 18.88888 million monetary rewards and obtaining Jin Liuli's exclusive exercise: "Soft Water Magic Art""

Li Yun was even more pleasantly surprised. He didn't think that he didn't need to exchange the golden gift bag this time, and he would directly obtain a technique suitable for Xiao Liuli's cultivation!

Chapter 2153: Demon Slayer

Soft water magic: water control method, after practicing, you can make your body soft as boneless. After you enter the master realm and possess the spirit, you can use this method to absorb spiritual water, move clouds and rain, turn rivers and seas, and possess all kinds of incredible powers!

After reading the introduction of "Soft Water Magical Art", Li Yun was more surprised!

This is almost similar to his "Earth Sun and Fire Art", which can absorb external water and cremation for his own use. Li Yun can absorb the earth's evil fire, and Jin Liuli can absorb the spiritual water and let himself merge into the rain and dew of the river. Inferring from the method of cultivation, in the future, Jin Liuli will cultivate to the extreme, enough to teleport and kill in the rain, and every drop of rain can be controlled by her, and the heavy rain that flows down will turn into thousands of sharp swords in her hands!

Flames are rare, but water can be seen everywhere.

"Really strong!"

The more Li Yun watched, the more he expressed his admiration. Xiao Liuli's skill was the best skill he had developed. It was better than Hu Xiaomeng's demon fox skill and Gong Qingyu's "Alluring the Country".

Of course, the techniques of the two of them are not bad, and they are more suitable for their cultivation at this stage. Jin Liuli's Shui Rou magical technique is a late stage force.

It's not easy to say who is more suitable, after all, Li Yun may decide when he will perform another magical skill, so that both Hu Xiaomeng and Gong Qingyu will practice different methods.

"Li Yun?"

Gu Yuqing, who was walking side by side with him, looked over with a little doubt.

"Hey-hey!"

Li Yun patted her shoulder in surprise, making Gu Yuqing shrank in fright, but quickly stood up stiffly again-she just remembered that her relationship with Li Yun is not easy now. .

"I thought of a magic weapon, I will give you the Golden Sacred Pavilion as a big killer. If you encounter any monsters in the future, you can use this sword—"

Li Yun took out a sword out of thin air, and after it was pulled out with a clumsy sound, the pale red sword frightened Gu Yuqing.

Everyone around them also opened their eyes wide, and the blade exuded an unknown aura, as if it had to drink blood to escape the sheath, and the **** murderous momentum made people fearful.

"Slash the demon!"

Li Yun pulled a sword flower and stabbed a sword at the lake. In an instant, the surface of the lake boiled, and countless fish rushed to flee, stirring the lake water into turmoil.

At the same time, on the surface of the lake pointed by the sword's tip, wisps of blood-red smoke emerged, converging towards the sword.

Everyone looked at the lake in astonishment, and saw hundreds of fishes surfacing one after another with their belly turned. The corpses were dry and bloodless. They were completely absorbed by this weird blood-red Demon Slayer Sword!

"receive!"

Li Yun was also taken aback, and quickly took the sword into its sheath, thinking that the skill attached to this sword was actually to directly absorb the essence and blood of creatures!

However, the monster itself is a race full of energy and blood, and the characteristics of this sword are worthy of killing monsters!

Li Yun smiled slightly and handed the Demon Slashing Sword to Gu Yuqing.

"what?"

Gu Yuqing looked at the sword silly, and then took a step back in shock after a long while, and said in surprise: "Li, Li Yun, give this sword to me?!"

"Correct!"

"Cocoa, this sword..." Gu Yuqing held back for a long time before saying: "It's so precious, I can't take it!"

"Take it!"

Li Yun took Gu Yuqing's hand and put the Demon Slashing Sword directly into her hand. Only then did Gu Yuqing dare to hold this amazing sword!

"This sword is my betrothal gift," Li Yun blinked at her, Gu Yuqing's face was reddish, and she lowered her head shyly.

Was this sword a bride price or was it a special gift to her?

Chapter 2154: Come chat

The elders were very happy after learning that Jin Shengge had been given an Excalibur. The title changed from Mr. Li to a good nephew, and the relationship became much closer at once.

At noon, Jin Liuli, who had finished speaking, appeared, and accompanied Li Yun to lunch with her grandmother.

In the afternoon, Jin Liuli was not with Li Yun, but took her mother's hand and hid in the room and whispered. When she came out, she "viciously" gave Li Yun a few cold eyes, and she kept whispering in her small mouth. Classic discourse:

"Big pervert, big badass, big pervert, perverted hooligan, even the mother of the other person will not let go, let the family and mother together... necrosis, no more travel with you!"

Li Yun felt that he was wronged, he did nothing, even Gu Yuqing did not hold the hand!

Besides, he and Gu Yuqing have only known each other for a day. Even if the affection is full (pseudo), it is impossible to do anything. If that happens, he will really become a Qin Beast.

After dinner, Jin Liuli still arrogantly did not chat with Li Yun. She still hugged her mother's arm and wandered around in the Jinsheng Pavilion, chatting, chirping as happy as a bird.

However, this girl kept looking back, using threatening eyes to signal the "big satyr" to follow them and wait on her back!

The three of them walked to a corner of the Golden Saint Pavilion, and when they came to a dark place that no one had noticed, Gu Yuqing blushed, and the gentleness and shyness of her head down looked especially beautiful under the moonlight.

Especially when she was standing with her daughter Jin Liuli, the two mothers and daughters held hands in closeness. The heights of the two were one tall and the other low. They were tender and lovely, and gentle and full of maternal brilliance, just like sisters. Mother and daughter, the beautiful pictures can make people stunned.

"Big pervert, come and chat!"

After sitting down on a piece of grass, Jin Liuli finally gave orders and asked Li Yun to come and sit down.

When Li Yun walked over, he saw that the girl's cheeks were puffed up, her eyes were mixed with shyness, she was really cute.

"Call me to chat again, why do you keep your mouth open again?"

Li Yun laughed and stretched out his hand to pinch the girl's cheek with his thumb and index finger, gently pinched, and with a bang, Jin Liuli let out a sigh, and his little cheek became flushed directly:

"You, you, don't be proud, this is just a reward for obedient, if you dare to mess around, see if my mother and I don't beat you!"

Jin Liuli brightened her little fan fist and made a threatening expression, but she didn't know that she was so nervous and shy that she couldn't even speak.

"When did I mess up? Xiao Liuli, aren't you wronged!"

Li Yun sat down in front of the mother and daughter, almost no distance apart. It was a distance that Li Yun could hold both of them into his arms when he stretched out his hand.

"Huh, hum!"

Jin Liuli stammered even with a snort, this kind of atmosphere is really ambiguous.

Fortunately, Li Yun is indeed an upright gentleman with a justice value of three million, and he has no idea of reaching out to hold both of them.

After all, he and Gu Yuqing only met for one day, no matter how good the relationship is, should they give them some time?

"Xiao Liuli, I have a good thing for you."

Li Yun took out the "Soft Water Divine Art" and handed it to Jin Liuli. This lively and lovely little girl unceremoniously took it, and after a few glances, his eyes widened in surprise:

"This is the secret of practicing spells? I, I, I can practice?!"

Chapter 2155: I want to practice

Even Gu Yuqing looked at him in astonishment. Her daughter can also practice, so she can?

In this way, if even she becomes a "fairy", then... indeed, you don't need to care about the worldly vision anymore.

Before Li Yun could answer, Jin Liuli bulged his mouth again and complained with a small, bitter look in his eyes: "Really, you don't take it out sooner, you big-eyed ghost. You only take it out now. Do you want me to be moved? What can I do to my mother and me? Humph~!"

"..."

Li Yun could only admire her imagination, and said helplessly: "I want to take it out, but a certain little girl has been hiding from me, how can I take it?"

Jin Liuli's face blushed, and she hugged the secret book in her arms for a long time, and then moved forward slowly, until she threw herself into Li Yun's arms, she straightened up and gave him a flustered kiss on the cheek.

"This, this kind of reward is enough, isn't it? Brother Seli!"

Seeing this little girl lower her head shyly, Li Yun expressed satisfaction!

From Big Pervert, to Brother Li, to Brother Seli, Jin Liuli's name is really varied.

"Don't be too happy too early." Li Yun smiled: "Although this cheat book is very strong, first you have to cultivate to the Grandmaster Realm, second you have to cultivate spirituality, and finally you have to absorb water with spiritual energy. Be able to spread the clouds and rain, and the waves will be white!"

"Clouds and rain? White strips in the waves?"

Using the moonlight, Jin Liuli turned to the back of the secret book and looked at him carefully for a long time, then raised her head and glared at him: "You are a white stripe in the waves, you are crossing the river, and I can walk freely under the spray when I reach the final state. Much better than you, hehe~"

At the end, she couldn't help laughing herself.

Li Yun smiled without saying a word. He conservatively estimated that it would take at least two years for this girl to cultivate to the realm of absorbing spiritual water. This was due to the fact that he gave her pills or exercises from time to time. She practiced by herself, not a hundred. Can't practice in eighty years.

Jin Liuli looked through the secret book with delight, and quarreled with the big satyr from time to time, and was next to her mother. This kind of moment could not be more blissful for her.

Li Yun looked at Gu Yuqing and saw a slight gloom in her eyes, so he quietly reached out and took her little hand.

Gu Yuqing's delicate body stiffened, and it was found that Li Yun held her hand before it softened.

Head down, no resistance.

But he didn't take the initiative and let Li Yun hold it.

"Don't worry, there are some cheats!"

Li Yun gave Gu Yuqing a comforting look. The latter's face was full of blush, and he looked at the secret book in his daughter's hand, not daring to look at him.

Her hand... is still being held by Li Yun.

Moreover, it was by his daughter's side, being held by his little hand...

Li Yun didn't know what Gu Yuqing was thinking now, but this kind of secretly doing something beyond normal friendship without Jin Liuli's discovery was really...too exciting.

"satyr!"

Jin Liuli murmured, and glanced at Li Yun slantingly. The meaning was very obvious: I have already discovered the little actions of your big satyr!

"Hey-hey!"

Li Yun smiled at Jin Liuli, but she didn't expect that she found out that she didn't have much reaction. Has she already acquiesced to it?

It seems that in the afternoon, the mother and daughter talked a lot in the room. Of course, they also mentioned this matter, otherwise Jin Liuli would not acquiesce to it now.

"Me, me, or...!"

Gu Yuqing was ashamed, her weak and boneless hands tried to struggle a few times, but Li Yun never let go.

An inexplicable feeling began to flow into Gu Yuqing's heart, sweet, with a strange taste that made people suddenly bright...

Chapter 2156: Leave

the next day.

"Mom, I'm leaving, for as long as seven or eight days, as long as three or four days, I will definitely come back! I will never go to Zhonghai City with this bad guy!"

"Well, go, remember to call mom every day."

Gu Yuqing gently rubbed her daughter's head. The mother and daughter hugged each other, biting their ears and chatting for a while before Jin Liuli was carrying a small baggage, and followed Li Yun with her head back and forth one step at a time.

Li Yun took her little hand, turned around and waved to Gu Yuqing, left Jinsheng Pavilion with Jin Liuli, got in a car, and drove towards the airport.

On the way, Jin Liuli looked sullen, wearing the cap that Li Yun had when he first saw her, and looking out the window with a wrinkled face.

I almost puffed up my mouth and sulked.

"what happened?"

Li Yun took the initiative to hold her little hand and smiled: "My little Liuli is traveling with someone he likes, isn't it happy?"

"Who likes you!"

Jin Liuli pulled away from Li Yun, wrapped her hands around her chest, her small mouth slumped, and finally she couldn't help crying.

Li Yun panicked, and quickly hugged her in the blush, and comforted her warmly: "Okay, we are just going to travel, and we won't come back, right? You didn't leave your mother's side when you went out last time. ?"

"...It's different."

Nestled in Li Yunqi, with his face pressed against his broad chest, Jin Liuli said in a dull voice.

"Where is it different?"

"It's different everywhere!"

"So what's the difference? Is... Xiao Liuli grew up?"

Li Yun smiled, not big at all, it's still A+, not B, it's soft.

"Can't you miss your mother when you grow up?" Jin Liuli raised her head and threatened Li Yun with her two small tiger teeth, as if they would bite down if they didn't agree.

The pure girl did not understand Li Yun's nasty words!

"Of course I can miss my mother."

Li Yun hugged her, this girl is still very cleverly continuing to lean on his chest, like a good-looking kitten rubbing against the owner, without the usual fangs and claws at all.

"Huh~~" Jin Liuli now hummed with a three-pointed coquettish voice.

"It's just... when people grow up, they will gain something and lose some things. Childhood is carefree and youthful spirits, but as adults, they can do more things and have greater responsibilities. There will be more troubles too."

"...I just don't want to grow up!" Jin Liuli tossed his clothes with little hands and teeth like crazy, and the well-behaved kitten became a little wild cat with sharp teeth.

Li Yun probably guessed why she was in a low mood. He put his arm around her slender waist and stroked her small head with the other. Jin Liuli trembled at first, as if she was hiding, but soon softened again and blushed. Lying on his chest.

"Don't worry, your mother and I will help you, besides, your grandma can live for at least 30 years." Li Yun smiled lightly: "Xiao Liuli, you have at least three people you can rely on, even if you are now in charge. The patron of the Golden Saint Pavilion will not have any problems! So you don't need to worry at all!"

Jin Liuli's body softened a bit again, and she only felt warm in her heart. She was soothed by his words, her whole body seemed to have a backbone, very safe and reliable, so she couldn't help but hold Li Yun's clothes rubbed his cheek comfortably a few times.

"I, I'm not worried about this!"

Jin Liuli still refused to admit it.

Chapter 2157: Two women meet

"Then what is my little Liuli worried about? Mom's business?"

Li Yun chuckled, "Didn't you say it last night? You will always stay with your mother in the future. If you want to live in Jinsheng Pavilion, you will live in Jinsheng Pavilion. If you want to go to Zhonghai City, you will go to Zhonghai City. I have a house there, a big villa, Enough for you to live!"

Jin Liuli stared at him for a long while, then laughed out loud, knocked Li Yun with a small pink fist, rolled his eyes and said, "You big pervert, you must be thinking...Anyway, you didn't think of good things! This time! I'm definitely not going to live with you when I travel! Humph~!"

"In addition!" Jin Liuli said proudly, "My house is not much larger than your villa? I won't go to live in your house. If you want to see me in the future, you can only come to Jinsheng Pavilion, hehe~"

Li Yun laughed, hugged the girl and kissed fiercely. Jin Liuli screamed in fright, and another series of big pervert, big bad guys and hooligans shamelessly scolded.

The little girl's voice is clear and lovely, and Li Yun actually feels a little enjoyable.

When the two arrived at the airport, Li Yun chose to fly directly to Zhonghai City, but was speechless. After getting off the plane, he quickly found the target.

"Yao'er!"

Li Yun found the young lady of Qinglei Valley in the VIP lounge. She once went to the casino alone to go to the casino to fight for justice. She has a cute baby face and a very good body, Xia Feiyao!

"Husband!"

Xia Feiyao kept looking at the door, and almost saw Li Yun appearing at a glance. The cute baby immediately showed a surprise expression on her face, and immediately fell into Li Yun's sorrow.

The development of a very good figure made Li Yun's heart very moved, and finally he was not holding an airport like Jin Liuli.

"Yao'er, are you anxious?"

"Hehe, no, I just arrived, didn't you mean the two o'clock in the afternoon ship? So I didn't get on the plane until ten o'clock... Huh?"

Xia Feiyao finally saw Jin Liuli who stood behind Li Yun, with puffed cheeks, sour eyes, sour expression, and sour mouth!

"You, you, you, are you?"

Xia Feiyao was surprised at first, then hesitated, and finally realized that she clapped her hands and said happily: "You are the 16-year-old genius who broke through the innate realm from Jin Shengge, golden glass!"

Jin Liuli's little face turned red all of a sudden, her little hand grabbed the corner of her clothes, and said, "You, hello, I'm Jin Liuli, are you...?"

She was a little ashamed. The other party recognized her, but she didn't recognize the other party. After all, she had too little experience in Jianghu. After all, she had been staying in the Golden Saint Pavilion and only went out to play last year.

Xia Feiyao was also a little ashamed, with a reddish face, and said: "My name is Xia Feiyao, I was born in Qinglei Valley, and I just reached innateness not long ago, so it's normal for you not to know me, don't mind."

In fact, she was a rare genius when she was born at the age of eighteen, but Jin Liuli's achievements were so high that she seemed very inconspicuous.

"Qinglei Valley?"

Jin Liuli thoughtfully, "It seems that the head of Qinglei Valley is surnamed Xia, you also recently had a grandmaster whose surname is Xia?"

"The head is my father, and the new master is my grandfather." Xia Feiyao explained proudly, making Jin Liuli amazed.

In any case, Grandmaster Realm is always worthy of respect!

"Okay, the two heroines."

Li Yun smiled and said: "Let's go first, we won't be able to catch up with the ship anymore."

With a cry, Xia Feiyao glanced around in a panic, and after seeing that she was being watched by many people, she hurriedly lowered her head to follow Li Yun.

Chapter 2158: You call him husband

"I always think that you are called a female hero, and you are teasing us!" The golden female hero is very sensitive, and has reached a female hero front with Xia Feiyao.

And another female hero: Xia female hero, she blinked her big eyes, another confidante of her husband, who has a personality like a little pepper?

"Xiao Liuli, you wronged me again? Don't you always call women heroines and fairies in the arena?"

Li Yun kept walking, leading two little beauties through the terminal, attracting the attention of a large number of people, and found the driver Su Muxin sent to pick him up.

"I don't want to be a heroine!"

Jin Liuli raised her chin proudly, "I have broadened my horizons now. Female heroes are no longer my goal. I want to be a fairy, kill zombies, kill monsters, and spread rain for the world!"

After she obtained the soft water magic, it is now the time for her self-confidence to burst. Six months ago, she wanted to be a heroine with a gratitude and enmity, and the chic and comfortable Jin Liuli has long gone forever.

Xia Feiyao covered her mouth and smiled. She already knew what happened to Jin Liuli: Yongning City.

After all, the husband told her about this matter. Although the husband did not explicitly say that Jin Liuli was involved, it can be inferred now.

"Why, why are you laughing at me?" Jin Liuli was a little shy. She was not afraid of Li Yun, but was a little afraid of Xia Feiyao, who was super good in figure and also from the rivers and lakes, laughed.

Fortunately, she had a very close relationship with this "woman" and was a sister, so she dared to ask directly.

"No." Xia Feiyao waved her hand and said with a chuckle: "I just think Sister Liuli is cute. Well, sister Liuli is also very cute. No wonder your husband likes you."

"Husband?" Jin Liuli's eyes widened when he reacted: "You call him husband?"

"what?"

Xia Feiyao was surprised, and looked suspiciously at Li Yun: "Husband, don't you and this Liuli sister...?" Are you sure of the relationship?

On this trip to the island, aren't all the girls brought by the husband are sisters?

"She is shy." Li Yun answered perfectly.

"You're just shy, go to death, big pervert...!"

Jin Liuli replied with the classic three consecutive curses, Xia Feiyao finally understood that this Liuli sister was indeed shy, as if she had just determined the relationship with her husband.

Of course, Xia Feiyao also noticed that Sister Liuli didn't say anything, but she actually loved her husband very much. This is a bit weird, and she blames her husband and teacher for being troubled by the flowers~!

"Hee hee, husband, are we going to buy something?" Xia Feiyao was in a good mood. Although she was traveling with the other two sisters, as long as she could be with her husband~.

"what do you want to buy?"

After getting in the car, Li Yun held a cell phone in the front passenger seat to contact Su Muxin, so that the two heroines could sit together so that they could deepen their relationship.

"Swimsuit? Goggles? And sunscreen..." Xia Feiyao spit out her tongue cutely, "Although we are all born, we don't need sunscreen."

She can now proudly say that I am also innate!

Swimsuit?

Jin Liuli glanced at the "sister" sitting next to him with a weird look. Even though she was wearing a summer hollow knit gown, she concealed her figure tightly, but Jin Liuli, a tablet that only has A+, can still see it. Xia Feiyao is at least D+, or even higher!

Just looking at it, Jin Liuli burst into tears. She is a girl of seventeen or eighteen years old. How could she have such a good figure, **** big pervert. Where can I find a girl with such a good body? A big pervert is a big pervert!

Chapter 2159: Meet three women

In Jin Liuli's broken thoughts, the car drove all the way to the beach, in front of a high-end restaurant less than one kilometer from the port.

"Wow~~~Wow~~~!!!"

After getting out of the car, Jin Liuli stared at the beach with wide eyes, and after a sigh of emotion, she felt that it was not enough, so she added another cry!

Two consecutive wows can express her inner excitement at the moment!

On the sea, a giant ship is docking quietly in the port. The white hull is huge, like a prehistoric behemoth that has been quietly crawling in the sea, giving people a strong sense of shock!

"Really, really amazing!"

Xia Feiyao also said with emotion that this huge cruise ship on the sea is like a tall building, and it is an extended version of the building. It is placed on the sea, and it can be felt from a long distance!

"This cruise ship is called the Ocean Princess—" At this moment, a woman wearing a deep red evening dress and a dazzling necklace on her snow-white beautiful neck came over like a princess-like graceful woman.

In the surprised eyes of Xia Feiyao and Jin Liuli, the beautiful princess explained with a smile: "The cruise ship is 360.8 meters long, 65.3 meters wide, and 75 meters high above the water. It was once the world's largest and most expensive cruise ship. The classification is Oasis class means: on top of it, there is a small park!"

Both Xia Feiyao and Jin Liuli were a little shocked by the light of the woman in front of them. This princess-like elegant woman not only has a noble and elegant temperament, but also an extremely beautiful appearance. With a beautiful and dignified smile on her face, she is as reserved as a princess, but also faint. A touch of lively and cute.

The two temperaments are perfectly fused together, making her as dazzling as a real princess!

As a result, the two women who were born in the grass and wild have a little inferiority.

"Little Pepper!"

Li Yun said hello to the princess with a weird expression, "Unexpectedly, you changed into an evening gown, you really have the style of a young lady."

"Hee hee~"

The princess covered her mouth and snickered, and her noble temperament disappeared.

"How is it?" Su Muxin, wearing a crimson evening dress, with her skirt in both hands, turned happily in front of Li Yun, and said with a crisp smile: "Brother Li Yun, does this suit look good?"

Before Li Yun could answer, Su Muxin turned her head to apologize to Xia Feiyao and the two women: "He has been playing dumb puzzles before, so I don't know who will come, so I am afraid of being compared by the two sisters-or younger sisters? , So I put on good-looking clothes. It was my fault."

She could see that Xia Feiyao and Jin Liuli were not daughters, but people in martial arts circles.

Moreover, being scared by her dress, she felt a little inferior.

"I'm sorry." Su Muxin stepped forward to hold the hands of the two women, and said sincerely and enthusiastically: "Two sisters, I am afraid that I am only an acquired state and I am afraid that I will be compared with you, so I wear this dress, etc. I'll change it next time!"

"No, it doesn't matter." Xia Feiyao suffocated a sentence: "This lady looks good on you!"

"Hee hee~"

Su Muxin said to them intimately: "Do you want to wear it? I have prepared a lot of clothes, the model...should be right!"

Little Chili glanced at Xia Feiyao hesitantly. At the beginning, Li Yun's brother only mentioned two people. One girl was about the same size as her, but slightly shorter; the other was a very good figure, very good!

Now it seems that the one with a good figure is simply too good!

Su Muxin wondered if the model she prepared was a bit small?

Chapter 2160: Su Muxin's passion

Xia Feiyao was flushed by the look in her eyes. She had tried very hard to hide her figure, but when Li Yun went to Qinglei Valley last time, she told her that she should not be restrained anymore, so Now... it's useless for her to hide, but it's still possible to tell at a glance that she is in good shape!

So it was Su Muxin's turn to feel inferior, this figure is too foul!

"Go in and sit down and get ready for lunch."

Seeing that they were a little embarrassed, Li Yun introduced the three women to each other and asked them to go in first.

At the same time, Li Yun also deliberately made the relationship between the three women better, so as not to have fun waiting on the cruise ship. After all, they still have to get along for ten days and nights, and they are still with Li Yun...

"The two younger sisters seem to be younger than me?" Little Pepper Su Muxin took the initiative to provoke the conversation. Xia Feiyao quickly agreed that the two sisters should be commensurate, one is called the other sister Muxin, the other is called the other sister Feiyao. It can also be-Li Yun proposed.

As for Jin Liuli, although the little girl called out the names of the two girls, all three of them could see that she was not in a good mood and was a little gloomy.

"what happened?"

Going to the sea-view restaurant on the 8th floor, after sitting down, Li Yun smiled and scratched Jin Liuli's little nose: "The mouth is so small that it can hang soy sauce, who is irritating our little Liuli sister?"

After the four of them came to this high-end restaurant, they almost instantly attracted the attention of those who ate inside, especially in an evening dress with bright eyes and white teeth. Su Muxin was like a princess in a fashion ball. It was also frequently noticed by men. present.

Of course, Xia Feiyao's perfect figure has also received a lot of attention, but Jin Liuli is the most pitiful...

"...Huh, big **** ghost!"

Jin Liuli, who has no body, no temperament, and nothing, puffed up her mouth, and responded in a low voice, just refusing to say why.

Li Yun laughed, and took the initiative to hold the little girl's soft hands: "Xiao Liuli, are you afraid of making a fool of yourself when you wait? Don't worry, no one has experience on a cruise ship and just learns. No one is born to know how. !"

Jin Liuli's face blushed, and she overwhelmed: "No, it's because of...because."

It is indeed because of this!

Although she has a very good background, she has never entered such a modern and luxurious place. Now she is about to go on a cruise ship, and Su Muxin, who is sitting at the same table, wears a dark red evening dress. She is dazzling like a princess. It will inevitably make Jin Liuli feel The hands and feet are somewhat inferior.

—She almost didn't know how to buy a ticket when she went on a plane last time. She fiddled with the ticket machine for a long time! It is enough to see how insufficient her social experience is!

"You guys wait a minute!"

Su Muxin stood up, talked a few words with the waiter of this high-end restaurant, and quickly went to an empty room for rest.

When she came out, she had changed into ordinary short sleeves and jeans. Although the swan neck was still wearing an exquisite necklace (a spiritual jade necklace sent by Li Yun), her noble princess temperament had disappeared. Lively and cute.

Like a little girl, the temperament of the two girls is very similar to that of Jin Liuli and Xia Feiyao. They are both 17 or 18-year-old young girls.

"Whee."

Su Muxin took the initiative to hold Jin Liuli's little hand, first apologized, and then praised sister Liuli for her good figure, her waist is very thin and incredibly soft, she would be very beautiful if she dressed up!
