

## Godly Choice 2311

Chapter 2311: Being Alone with Xiao Mingzhu (Part 1)

Li Yun hurried out of the elevator, "Our Miss Pearl made money today, and I will bring coffee for supper tonight. It is all her treats!"

"I will earn you tens of billions, so don't worry about me, right?"

"Hey, I remember someone said he was Bai Fumei, and he still cares about the money?"

"Then I also remember that someone has 500 billion, and the chips are not enough!"

"I'll please!"

Jin Liuli said loudly, and directly took out the golden bargaining chip in her pocket, one worth tens of thousands, can you always treat you?

"Don't keep it as a memorial?"

"I still have a few more, anyway, I'll invite it tonight!"

Jin Liuli came up again awkwardly, making Xiao Mingzhu amused. This girl is so cute, I really don't know where Li Yun turned from.

Jin Liuli blushed when she saw her, and finally reduced her jealousy.

The four of them entered the open-air coffee shop. It was about nine o'clock in the evening. The night was just right, and the moonlight was just right. It was sprinkled dimly on the sea. The cruise ship seemed to be still on the sea, and the sea was extremely calm and covered with moonlight. The boundless scenery of the world, everything looks so beautiful.

There is a bumper car rental shop on the next deck. Several seven or eight-year-old children had fun. After seeing Jin Liuli, she couldn't help but pull Xia Feiyao to rent two bumper cars together, and drove the bumper car happily. , Seems to be preparing to make a lap around the cruise ship.

Xiao Mingzhu kept watching them. After Jin Liuli finally rode a small bumper car happily, she couldn't help but smile and said, "Xiao Liuli's figure is very suitable for bumper car riding. Feiyao is a little worse, she has developed so well! "

As she said, she looked at Li Yun with teasing eyes, and said something that shocked Li Yun: "You guy is enjoying the blessing, right?"

"What?!"

Li Yun was so shocked that the coffee cup almost fell out.

Is 98-point favorability so exaggerated? Even Xiao Mingzhu dared to say such things!

"Huh, pretending to be stupid!"

Xiao Mingzhu's expression was complicated, jealous, but also resentful. There was even a trace of girlish emotion mixed in, which made Li Yun feel very guilty.

"Pretend to be stupid?" Obviously nothing happened to him and Xiao Mingzhu, but Li Yun actually had a sense of guilt for stealing food, as if she was the main palace, and Xia Feiyao's three daughters were small.

I have to say that Xiao Mingzhu's aura is too strong. If she and Concubine Wan Qing are also cultivating immortals, then she will definitely become the opposite extremes of the Lord Saintess.

A bright and generous, a cold and holy, both are the same beauty.

Xiao Mingzhu rolled his eyes, and the spoon in his hand slowly stirred the coffee in the cup, and said, "Don't admit it yet? What are you playing for more than six days, when I can't guess?"

This atmosphere now has a very subtle feeling.

Obviously there is no definite relationship between her and Li Yun, but because of an illusion that is close to heart, she has the initiative and can speak these things openly.

Li Yun can only look embarrassed.

He knew that Xiao Mingzhu had already liked him, and in the same way, Xiao Mingzhu also knew that Li Yun liked him.

She is so beautiful after all, isn't she?

"Whee."

Xiao Mingzhu chuckled softly, pressed her rosy lips against the coffee cup, and took a sip. A simple action was very elegant, which was pleasing to the eye.

Xiao Mingzhu let him watch and didn't ask about six days of affairs, but his face was slightly red, and he said, "Sometimes I think I am quite contradictory."

"Oh? Why contradictory?"

Chapter 2312: Being alone with Xiao Mingzhu (Part 2)

Xiao Mingzhu glanced at him, "You are so smart and helped me make so much money. Guess why I am contradictory?"

"...Don't guess."

"Huh~, no coward."

Xiao Mingzhu murmured, again choosing not to ask, holding the coffee cup in her slender and white hands, looking at the calm sea: "Li Yun."

After calling his name, he didn't speak any more.

"What?" Li Yun smiled: "Are you planning to confess to me?"

"!!!"

Xiao Mingzhu turned his head and widened his eyes, and stared at Li Yun's playful eyes for a long time, before suddenly reaching out and hitting him, and said angrily: "Go to hell, come tease me again! Xiao Liuli is right, you are one. Big bastard!"

Li Yun laughed, but Xiao Mingzhu was kicked with her high heels.

I have to say that the noble and elegant, peerless beauty with a bright smile on weekdays is especially moving when she is coquettish and coquettish, and can make the world's men fall under her skirt.

Xiao Mingzhu blushed more and more, feeling a little restless.

"Actually." Li Yun said: "There is nothing to entangle, don't pursue vigorously, don't yearn for each other, don't depend on life and death, just make decisions according to your heart, isn't it all right?"

Xiao Mingzhu fell silent, and the spoon in his hand was turning in the cup.

She is so smart, of course she understands what Li Yun means.

He was telling her that there was no need to struggle with emotional matters.

This sentence is regarded as a response, but also as a rejection.

"You..." Xiao Mingzhu's voice trembled slightly, "I don't have any heartbeat. You want to pursue me passionately?"

She was still a little unwilling.

I seem to like Li Yun for some reason, and the two of them are dull, and it can even be said that she is chasing Li Yun!

As Xiao Mingzhu imagined, a prince charming appeared and expressed his feelings to her. He also admired him very much. The two experienced a lot of things and understood each other's feelings. Finally, a lover finally became married.

But now...

I figured it out, but it was not vigorous at all. Xiao Mingzhu couldn't even feel Li Yun's affection for her!

This guy has seen many beautiful women, so don't you care?

Li Yun also fell silent and began to reflect on his own problems.

Xiao Mingzhu is an extremely smart girl with high emotional intelligence. What she said actually hit Li Yun's pain point:

In feelings, he is always on the passive side!

Even if they made the feat of robbing relatives (snatching Jin Liuli), they didn't have that kind of passion to share life and death. They simply grabbed Jin Liuli in their hands.

"Have a heart!" Li Yun said honestly.

He admits that he is just a \*\*\*\*\* embryo!

"Humph."

Xiao Mingzhu turned her head, but a blush appeared quietly at the base of her ears.

"only....."

Li Yun didn't know what expression to do, so he could only helplessly say: "There are already many confidantes around me who can't live up to this life. It is no longer possible for me to take the initiative to pursue others."

"Don't you want to say that you are not the kind of person who is very possessive?" Xiao Mingzhu still doesn't look at him, otherwise Li Yun will definitely see the red clouds on her face, which will put her in a very disadvantageous position. .

She didn't want to lose the relationship before it started, and let Li Yun rub it.

"perhaps."

"Ah!"

Xiao Mingzhu didn't believe him, and said: "Then if I turn my head and fall in love with Shangguanming, what will happen to you?!"

Chapter 2313: I like you

"What will happen?"

When I think of Xiao Mingzhu and Shangguanming together, they eat together, feed each other, laugh and play, date together, meet each other...

"I will \*\*\*\*\* you back!"

Sweeping away the distracting thoughts in his mind, Li Yun's eyes were like hungry wolves in the dark night, staring firmly on Xiao Mingzhu's face.

next moment.

Li Yun directly held her little hand.

Xiao Mingzhu's hands shook, her body stiffened, she forgot to breathe, and she sat on the chair as if electrocuted.

When she turned her head back, she saw Li Yun's aggressive gaze, which made her blushing face more and more brilliant.

This is definitely the most ashamed moment in her life.

Being held by a man of the same age in such an ambiguous way, it turned out to be like this.

My heart beats so fast, my mind is blank, and he is the only one who thinks and thinks!

"Mingzhu, I like you!"

Li Yun didn't procrastinate, since she likes her, she also likes herself, so confess it.

The two fell in love with each other, so it wouldn't be considered as proactively chasing her, and they didn't violate the previous agreement with Fang Xue.

Xiao Mingzhu's hands trembled a few more times, her breathing became more rapid, her blushing lips were bitten by her white teeth, as if she was trying to suppress what she wanted to say.

After a long while, she recovered from her first love touch.

"real?"

Xiao Mingzhu gradually adapted to the feeling of being held by Li Yun, and even enjoyed this warm touch. His mood has gone from extremely nervous to now full of joy.

Having confirmed her own mind, and Li Yun's mind, she has gained unprecedented initiative!

"Say it again! Just now someone suddenly took my hand and almost made me scream."

Xiao Mingzhu's bright and energetic eyes were full of smiles, and the corners of her mouth raised, and said briskly: "So I don't quite understand what you are talking about. By the way, someone already has many confidantes, right?"

When it comes to this, Li Yun's "status" is getting lower, and he can only laugh and cry: "Mingzhu, don't tease... Uh, okay, well, let me say it again: Mingzhu, I like you!"

"Humph~"

Xiao Mingzhu squinted her eyes, as satisfied as a little girl who had eaten ice cream, with one hand propped on her smooth chin, the other hand was naturally still covered by Li Yun's big hand and was firmly held by him.

"There are many people who like me." Xiao Mingzhu vaguely grasped the psychology of love, and became more and more integrated into the role of "Li Yun's girlfriend", no, rather, this role has gradually become a part of her!

"Shangguanming, my parents, my cousin and cousin, my uncle, my little niece, my girlfriend, even my subordinates and bosses in the company, many high-class social figures in Zhonghai City."

Xiao Mingzhu listed them one by one, and finally pointed to himself, and said with satisfaction and pride: "They all like me!"

She is absolutely white and rich and beautiful, with good background, good looks, noble temperament, fair skin, and super personality. Xiao Mingzhu is satisfied with everything about her. Before meeting Li Yun, she even had the confidence to say that she was almost perfect. Become a child of someone else's family, do everything your parents want to do the best!

So if someone likes her, she doesn't feel happy at all! !

real!

Unless that person is what the \*\*\*\* in front of him said.

"I like this between men and women!" Li Yun solemnly emphasized.

"Yes, I am a female, and you are a male. Of course it is a favorite between men and women. Is it possible that you are a female?"

Xiao Mingzhu looked surprised. If she ignores the little hand he is holding, she is as perfect as a shadow queen.

Li Yun: "..."

Chapter 2314: Xiao Mingzhu

Sure enough, falling in love with girls with high IQ and EQ is troublesome.

Super troublesome.

Please \*\*\*\* open the door for trouble, trouble gets home!

If you don't pay attention, you will be at a disadvantage in your relationship, and you will be forced to accept the Queen's rule.

Therefore, Li Yun decided to become the domineering president!

He directly held Xiao Mingzhu's small hands with both hands, rubbed back and forth repeatedly, drawing circles in her white palms, and finally held her small hands with both hands, looking at her straightforwardly:

"This kind of like, do you understand?"

".....satyr!"

Xiao Mingzhu gave a light spit, and the feeling from her little hand had already made her feel ashamed, and she would no longer take the initiative to attack before.

So she wants to get back the initiative.

"I remember."

Xiao Mingzhu stretched out her hand to close the hair that was blown away by the sea breeze, showing the beauty of the girl, and said with a smile: "The love between men and women has a very special word. I wonder if someone means that?"

Li Yun smiled slightly and shook her fingers: "Love is heavier than liking."

"Not so heavy?"

"In that case, Miss Xiao Mingzhu wouldn't like to hear it?"

"No, I like to listen!"

Seeing her serious face, Li Yun couldn't laugh or cry. Girls who are in love love to act like a baby like this? Even Xiao Mingzhu, who is usually sunny, is like this.

Only his Lord Saint is as cold and holy as ever.

"Are you willing to say that word?" Xiao Mingzhu asked, keeping his eyes on Li Yun.

If this man speaks out, she... will definitely agree!

Xiao Mingzhu believes in what he is.

To love her is to love her forever.

"Ding, trigger the option event, please choose from the host:

Option 1: Say: I love you, reward Xiao Mingzhu's favorability degree +2.

Option 2: Say: I don't love you, I just greet your body, and reward Xiao Mingzhu with a degree of -10.

Option 3: Refuse to speak, reward to be determined. "

The options were simple, but Li Yun fell silent.

"Humph!"

Seeing this, Xiao Mingzhu directly withdrew the little hand he was holding, a feeling of grievance and sorrow suddenly surged in his heart, and the delicate face was covered with frost: "Don't say it, I'm not happy to listen!"

"Pearl!"

"Don't call me this name."

"Pearl!"

"I do not want to hear!!"

Li Yun was helpless. Didn't he think that a wise person like Xiao Mingzhu would still make trouble unreasonably now?

"Okay."

But Li Yun had a magic weapon to win. He went straight up to hug the beautiful girl who was angry, and made her hard body gradually soft.

Just still angry.

"Like and love are not the same."

After releasing her, Li Yun explained: "In my opinion, most of the interactions between men and women only stay at the point where they like, and are far from reaching the level of love. Only to truly understand each other, appreciate each other's points, and accept each other. You can say frankly: I love you!"

Although this sentence was not addressed to her, it still made Xiao Mingzhu's heart tremble.

"I appreciate all your advantages of Mingzhu, and I also see your shortcomings-just the unreasonable making trouble." Li Yun said with a smile, making Xiao Mingzhu's face full of blush again.

But she quickly replied and glanced at Li Yun: "You have many advantages, and your shortcomings are also obvious: not specific!"

"Correct!"

"Then can I say that word now?" Xiao Mingzhu was still reluctant.

But Li Yun looked at her eyes and knew that she had recovered her calm.

Chapter 2315: Like, not love

"Sorry." Xiao Mingzhu lowered her eyes, took a sip of coffee, expressionless on her delicate face.

She felt defeated by her performance just now.

It turns out that she is not perfect at all, trying to master love, but she is not sensible at all, getting angry inexplicably, falling into a state of suffering.

Such Xiao Mingzhu...a failure!

"No apology is needed between couples."

Li Yun held her hand again and melted the ice wall that Xiao Mingzhu had cast to conceal her heart, leaving her beautiful face with an expression that she wanted to cry, her white teeth kept biting her lip, and tears were brewing in her eyes. .

"It's better to say, I'm very happy!" Li Yun smiled: "You are angry for me and ask me whether I love you or not. This proves that you like me, and you like me very much. I'm too happy to have time, how come Are you angry?"

"Be less affectionate."

Xiao Mingzhu burst into laughter, wiped her tears with the back of her white hand, and felt embarrassed, and finally said, "Anyway, I've made a fool of myself tonight. Just laugh if you want to."

"Hahaha."

"Are you really smiling?!!!"

"I will cooperate with you."

"Go to hell!" Then he added angrily: "You dude!"

She finally said what she wanted to say! ! !

Li Yun made an innocent expression, "I've known you for so long and touched your little hand. How come you are a Playboy? If you say Playboy, it should be like this—"

Li Yun stretched out his hand and wiped away the tear marks on her beautiful cheeks, feeling Xiao Mingzhu's smooth and delicate skin, as tender as a freshly peeled hard-boiled egg, and the hand feels really good.

Xiao Mingzhu blushed and didn't know what to do, how to react, and she didn't want to refuse, so she turned her head away.

"Ding, the host made a choice, refused to say the word of love, rewarded Xiao Mingzhu's favorability +1, exclusive pill pack\*1."

Although the favorability level did not reach 100 points, Li Yun chose this option without any regrets. It was an option from his heart, not just to get Xiao Mingzhu, to lie to her and say that she loves her directly.

Like, not love.

He and Xiao Mingzhu still need some time to get to know each other, especially for a girl with high emotional intelligence like Xiao Mingzhu, it takes more time.

However, the system gave Xiao Mingzhu a very generous reward. Before she got 100 points, she had an exclusive pill pack.

Li Yun chose to open it directly to see what was inside.

"Ding, the host opens the exclusive pill gift package, and obtains four intermediate pill\*2, skin care and beauty pill\*1, and top-grade immortal demon pill\*1."

Li Yun's spirit was lifted, and he unexpectedly rewarded a top-grade fairy pill!

He still has a few immortal demon pills with no quality in his hand, allowing ordinary people to directly break through to the acquired realm, and also obtain a perfect quality immortal pill, allowing Li Feng to directly break into the innate realm.

The high-grade fairy demon pill is estimated to be able to break through to the innate realm with a high probability, and for people who are in the innate realm, after taking it, there is a high probability that they can improve a small realm!

"Why don't you speak anymore?" Xiao Mingzhu saw Li Yun stunned, thinking that after the \*\*\*\* touched her face, she was attracted by her beauty.

Not only was she not angry, but rather happy.

"I'm thinking....."

"Thinking I am beautiful?"

Xiao Mingzhu laughed "shamelessly".

"No, how to make you more beautiful!"

"Impossible~, I am the most beautiful existence in the world~, hum~."

"Don't believe me? Look, what is this."

Chapter 2316: Your medicine

"what?"

Xiao Mingzhu looked at the pill in Li Yun's hand in surprise, and first accepted it unceremoniously before asking, "These pill are...the legendary elixir?!"

When she met Li Yun for the second time, she had seen that crazy Taoist use the "Pill" to restore youth to an old man, so she was very curious about the pill in the hands of the practitioner.

Li Yun also had an elixir in her hand, which did not surprise her.

However, the more you accept Li Yun's benefits, the faster she will fall...

"Correct."

Li Yun explained to her the effects of several elixir, and finally smiled: "My elixir is not the kind of inferior product, please feel free to use it."

Xiao Mingzhu was deeply shocked!

"Only the first-level elixir can cure people's pain, restore physical strength and true energy, and..."  
Xiao Mingzhu carefully held the top-grade immortal demon pill, even more incredible: "One pill

can be It allows people to break through to the innate realm, and it can also increase the innate realm to a small level. This...is the cultivator that powerful? How many innate subordinates should they have?"

Li Yun said amusedly: "Mingzhu, don't get me wrong. Your boyfriend, I am a big figure in the circle of cultivators. There are countless treasures in my hands. You think there are a lot of medicines, but actually very few.

In addition, if the ice sword I gave you is seen by practitioners, they will \*\*\*\*\* it desperately, so you must use it carefully! "

"...So you are pretty good, don't worry, I know."

Xiao Mingzhu stored these pills in the space ring he wore on the \*\*\*\*\* (the finger that indicated that he was already in love), and once again showed her peerless smile to Li Yun.

The difference is that the bright smile in the past is different. At this moment, in her smiling eyes, there is an inexplicable affection for Li Yun.

Li Yun held her little hand again, Xiao Mingzhu's face turned red, and said with a sigh: "So are you my boyfriend? Don't just hold someone else's hand!"

"Didn't you just deny it?"

"...No denial does not mean affirmation, anyway...I want you to tell it yourself!"

"I'm a scumbag, I won't tell you."

"You bastard! Go to \*\*\*\*\* dude! Get touched by me!"

"Hey, Feiyao and the others are coming back soon."

"Are you still afraid of exposure?"

"You are afraid."

Xiao Mingzhu, who was said to be the main thing, was speechless, and could only let him hold his little hand and enjoy the last time before the two women came back.

"Hello." Xiao Mingzhu shouted to Li Yun.

"what?"

"Before you, why did you let me make a choice?"

What she asked was what Li Yun asked her to gamble with God.

"I just want to give you the right to choose. After all, I don't know what my cards are like."

In fact, Li Yun's meaning is very simple. He gave Xiao Mingzhu the right to choose option one and option two given by the system. In the end she won, representative.

"Really? How do I feel that even if you don't look at the cards, you can still use spells to perceive what the cards are?" Xiao Mingzhu said all the questions. Now her relationship with Li Yun has reached a delicate state. Asked very generously!

"Yes, but I didn't watch it, I won't lie to you."

Xiao Mingzhu stared at him for a long while, then suddenly laughed: "I believe you, I never lie in front of you..."

The redder her face is, this is almost another way... confession, right?

Chapter 2317: Go to death

"Pearl!"

Li Yun squeezed her little hand. This time, Xiao Mingzhu took the initiative to respond, and the two clasped their fingers again. Although they didn't speak any more, there was already a sweet feeling brewing.

"Hehe ha ha, Feiyao, come and chase me!"

Jin Liuli's joyous romp was heard in the distance. This girl had a good time with a few foreign children. She didn't know how she communicated, and Feiyao didn't understand English.

Xiao Mingzhu took the initiative to get rid of Li Yun's hand and lowered his head to drink coffee. This cup of coffee has been drunk too long for too long.

The voices of Jin Liuli and Xia Feiyao were getting closer, they were already returning the bumper cars, and they might be back here soon.

"Li Yun, I am very upset!" Xiao Mingzhu said suddenly when they were about to return.

Li Yun froze for a moment, turned his head and glanced at Jin Liuli who was chatting in the distance, only to understand what her uneasiness meant.

"Pearl."

The two looked at each other, and Li Yun smiled and said, "You are my girlfriend, but I am not your boyfriend."

Xiao Mingzhu tilted his head, before he had time to think, Jin Liuli and Xia Feiyao had already returned.

"Sister Mingzhu, this big pervert didn't do anything to you, right?"

As soon as Jin Liuli came back, she said something maddeningly, making Xiao Mingzhu almost show a frightened expression.

Fortunately, she is definitely a capable actress!

"No, we're just chatting~"

Well, chatting is just the content of the chat, but it is about the topic of "fucking".

Xiao Mingzhu was inexplicably delighted. She and Li Yun already had something, but the two women didn't know yet. Although I'm sorry for them, but she is not Li Yun's girlfriend now, so it doesn't matter?

Suddenly, Xiao Mingzhu understood the meaning of Li Yun's words just now and looked at him in surprise, who smiled and nodded.

It turned out to be so.

Li Yun, you \*\*\*\*\* playboy, why are you so gentle...

At 10:30 in the evening, Xiao Mingzhu deliberately visited the suite of Li Yun and the third daughter, and she knew clearly that the four of them were living together at night.

"Hee hee~"

Su Muxin, who had already rested enough, showed a shy and expectant expression after seeing Xiao Mingzhu as a guest, and secretly said to Xiao Mingzhu: "Mingzhu, do you want to join us too?"

If it were placed a few days ago, Xiao Mingzhu would definitely be very surprised and shocked, and looked at her friend Su Muxin in disbelief.

But now, she was able to smile completely calmly and said:

"how is this possible."

As if thinking that this might expose herself, Xiao Mingzhu added: "I'm not as foolish as you are."

"Although we are crazy, but we had a great time~"

Su Muxin smiled and wanted to describe what they had played these days, but in the end she was a little bit ashamed and didn't speak.

"I'm leaving now, let's play."

Xiao Mingzhu stood up calmly and left with a graceful step. Li Yun went to send her off. They looked at each other in front of the door.

"Huh! Playboy, you know to enjoy!" Xiao Mingzhu cursed in a voice that only two of them could hear.

Li Yun looked embarrassed.

It's you who are going to be here as a guest, and it is also you who cannot accept it now, so it is said that girls who are in love can make trouble most unreasonably!

"Why... I will accompany you like this in the future?" Li Yun said brazenly. Since Xiao Mingzhu has already made such a bold move to visit here, he is not too polite, so he can just make fun of it. Girlfriend of girlfriend.

Now he can only enjoy his mouth addiction.

"Send you two words."

Xiao Mingzhu glanced at him proudly and left with graceful steps.

"Two words? Is it 'okay?', um, yes, look forward to it!" Li Yun touched his chin.

Xiao Mingzhu staggered, turned around and shouted at him: "Go to hell!"

Chapter 2318: Xiao Mingzhu in a good mood

"Humhhhhhhhhhhhhhh~::~~::~"

After leaving Li Yun's gaze, Xiao Mingzhu hummed and walked briskly in the dim corridor of the cruise ship cabin. On weekdays, she felt aggrieved in the cabin, but now she sees everything so beautiful.

The mood is unprecedentedly happy, and my heart is filled with a certain joy and happiness. I just feel that the heat is constantly flowing from the bottom of my heart, and my whole body becomes warm.

Back in the room, Xiao Mingzhu couldn't stop her excitement. She walked to the balcony and took a picture of the sea with her mobile phone.

Then I posted a circle of friends.

"Taiping. The night view over the ocean is beautiful, and this trip abroad... also perfect!"

A good friend of her quickly replied: The meaning is unclear. When did our Miss Pearl be so poetic? [Smiley]

"Because I'm in a good mood~"

Xiao Mingzhu replied to her, originally wanting to look forward to someone's reply, but after another thought, the \*\*\*\*\* might be messing around with Xia Feiyao and the others now, didn't he have time to watch Moments?

When she thought of this, she felt a little bad.

But unexpectedly, Weixin reminded her again, and someone replied to her.

"No matter how beautiful the scenery is, it can't be compared to our Miss Pearl!"

It's him!

In an instant, Xiao Mingzhu's mood became happy again, the change was so fast that she didn't even notice it, but couldn't help but replied, "Go to hell!"

This was already a bit flirting, and suddenly made her circle of friends become lively.

"Wow, who is this man?"

"Huh? I just noticed now that Pearl said that traveling is perfect! Focus on it! Traveling! Perfect!"

"Could it be that....."

"Oh my God, who has captured the hearts of Miss Pearl, who dazzled us and made the wealthy princes in Zhonghai City fascinated?"

"Envy! When will you introduce it to us?"

"real or fake?"

As Bai Fumei, plus the daughter of the richest man in Zhonghai City with extensive friends, the people in Xiao Mingzhu's circle of friends are naturally rich or expensive, and it is extremely difficult to pick up a family and family.

The point is that many of these people are rich second-generation sons who have a crush on Xiao Mingzhu.

Now I saw Xiao Mingzhu suspected of flirting with a man, and suddenly fry the pot.

Xiao Mingzhu chuckled and didn't explain too much. He threw the phone on the balcony table and went back to the bedroom to change clothes and take a shower.

As a result, she wore a silk pajamas and came out to blow the sea breeze. When she waited for her blue silk hair to dry naturally, she saw that there were 17 or 8 missed calls on the phone.

It's all from her mother!

"Mingzhu, did you have a boyfriend?" As soon as the phone was connected, her mother couldn't wait to ask, her tone even a little anxious: "Are you...are you with your boyfriend...?"

It is estimated that she is thinking that Xiao Mingzhu is traveling now. If her daughter came out with her boyfriend and the two stayed at sea for nearly ten days, it is almost certain that something will happen to the two!

How can a young couple who have just tasted love for the first time been able to bear it?

Maybe she will be a grandmother in ten months!

—The man enters the family.

"Mom, what do you think, I don't have a boyfriend!"

There are just people who like it.

Xiao Mingzhu said with certainty that he did not lie. The meaning of Li Yun's previous sentence was that he would treat Xiao Mingzhu as his girlfriend, but gave her a right: you don't have to treat him as a boyfriend.

Chapter 2319: Stupid

This means that before Xiao Mingzhu confirms his own mind, he can not tell others about the relationship between the two, and the two develop secretly. Until Xiao Mingzhu is satisfied, the relationship between the two will be announced to the public.

Xiao Mingzhu could probably guess why Li Yun did this.

One is to compensate her. After all, there are so many confidantes around that playboy, Xiao Mingzhu needs time to adapt.

Two, probably to give her a feeling of being pursued.

In summary, Xiao Mingzhu can hide this relationship for a long time in the future. She can enjoy the benefits of Li Yun being his boyfriend without paying anything.

This is undoubtedly a very feminine behavior, but Li Yun believes that she, based on Xiao Mingzhu's person, will not do anything that only asks for nothing in return.

Occasionally...will give that \*\*\*\* a little fortune, right?

Thinking of this, Xiao Mingzhu's face was a little red, and her first kiss was likely to be handed over, in the next few months.

Maybe less than a month? Even tomorrow...

"No?" Her mother's tone was suspicious, "but why do I think you are in love? Listening to your voice, it looks like you have someone you like!"

Xiao Mingzhu was taken aback and did not answer her mother's question.

"Mom knows, you, you must have met someone you like, right?"

"Mingzhu, my mother has always believed in you. Only in the aspect of love, my mother should tell you some precautions. Don't be led by a man, and learn to control your emotions!"

"..."

After chatting with her mother, Xiao Mingzhu lay on a chair on the balcony, closed her eyes and fell into deep thought. She had a pair of snow-white slender legs resting on the table. In her mind, she recalled the little things that had happened with Li Yun.

From the initial meeting at the airport, to seeing him show off at the auction, and just now, she cried and laughed in front of Li Yun.

"So...this is love."

The sour and sweet feelings have echoed in her heart so far, so clear and so intoxicating.

"I'm just an ordinary girl."

Xiao Mingzhu opened his eyes, with a helpless smile on the corner of his mouth.

In the past, she felt that she was such a smart person with high IQ. She would only like someone in love, enjoy the time with him, and be able to deal with the relationship between lovers very sensibly.

But I found out after I really liked someone.

That's not the case at all!

If you like a person, you are all in his heart, his mind is full of his shadow, and every move of the other person will firmly draw her mind.

Just like before, Xiao Mingzhu just couldn't get Li Yun's response, so he lost his temper, became awkward, and finally shed tears and made a big ugly directly in front of Li Yun.

At that time, even before her mother called, Xiao Mingzhu didn't feel that there was anything wrong, but now after reflecting on it, she realized that she was really stupid and stupid!

It was almost led by Li Yun!

What about her sanity?

What about the emotional intelligence she is proud of?

How does she handle things cleanly on weekdays? !

It's all lost!

When Li Yun was full of minds, Xiao Mingzhu found that it was impossible for her to think rationally. If the guy didn't follow her own mind, she would be angry!

"I'm so... stupid!"

In the sea-view suite that no one saw, facing the endless sea, Xiao Mingzhu hid his face and wept-covering her beautiful face with her hands, so ashamed that she dared not look at people.

However, she knew that the next time she faced this situation, she would still fall into a high probability...

Chapter 2320: Falling in love really reduces IQ

The next day, 6:50 in the morning.

Xiao Mingzhu wakes up on time. She has always been so on time. She wakes up in the morning and exercises first, such as stretching her body, pressing her legs, or doing some yoga exercises, etc., during which she will listen to some current affairs news.

After that, I will have a breakfast, and by the way, I will log on to WeChat and email to see who has sent messages.

Originally, she had another purpose when she travelled this time, which was to visit her family's overseas company, but now that this happens, she can only give up.

And today, Xiao Mingzhu has a lazy, lazy feeling of not wanting to get up at all.

She remembered what happened last night again.

"I don't know what the \*\*\*\* is doing now, probably holding Feiyao and Little Lolita, and Mu Xin, sleeping in comfort, right?"

Xiao Mingzhu thought she would be jealous, but her mood wasn't that bad at the moment, and she even had a faint joy.

—She has established a secret relationship with Li Yun now, but Xia Feiyao, Su Muxin and others don't know at all~.

There is a sense of secret joy with Li Yun.

"I do not really bitch, right?"

Even Xiao Mingzhu was taken aback. Finally, I thought about it, and blamed the many girls around Li Yun. She wasn't concealing it, but she wasn't sure whether she wanted to follow him or not.

"Hmph, he has so many anyway, there is no shortage of me!"

She can say with certainty that she will not—at least not now join Su Muxin's team and mess around with Li Yun. As for how long she can last, she is really not sure now.

After all, her performance last night can be said to be quite bad, and she was easily moved by Li Yun's emotions.

"Oh, what am I thinking about in a mess!"

Xiao Mingzhu scratched her hair in embarrassment, and the messy black and green silks were scattered on her fragrant shoulders, with a lazy expression. No one had the luck to see her like this.

Get up, wash up, order a breakfast, and read the morning paper while eating.

Xiao Mingzhu patted her head only when she accidentally saw a ring placed solemnly on the table, remembering several treasures that Li Yun gave her last night.

"I just remembered it when I didn't think of it!"

Xiao Mingzhu was surprised even by himself. Compared with the determination of emotion with Li Yun, these treasures, which are enough to make the world covet, have become extremely unimportant.

"Ah."

Xiao Mingzhu took out the Immortal Demon Pill from the ring, looked carefully in front of him, and laughed at himself: "If this reaches the ears of those crazy Wu, they are afraid they will come to Zhonghai City overnight to force me to hand it over."

The lunatic Wu refers to those people in the arena who are unscrupulous in order to break through the innate.

Without hesitation, Xiao Mingzhu put the fairy pill into her mouth, and a powerful force gushed out, but she didn't panic at all, sitting cross-legged on the sofa, guiding the movement of this force in her body.

I don't know how long it took, until the sun on the sea shone into the living room, and the stunning girl sitting on the sofa was shrouded in a holy light, that she slowly opened her eyes.

"Really... a breakthrough."

Xiao Mingzhu opened his eyes and muttered to himself, there was not much joy, as if it were just taken for granted.

In the mid-to-late congenital period, she originally planned to go to college and try to make a breakthrough in the summer vacation of her junior year.

As a result, Li Yun had a fairy pill, which directly saved her three years of hard training!

Moreover, Xiao Mingzhu could feel that he was very close to innate consummation, and he could break through again in one or two years!

This immortal demon pill gave her ten years of skill!
