

Godly Choice 3341

Chapter 3341: Eat and drink

Shan Xiaoxiao her mother: "How many days are you going to play in Xueshan Village? Will you all go there then?"

Little Baixue: "Her mother, are you going to visit sister Ruqing too? Okay, okay, let's take Xiaoxiao, and then we will also bring the little princess and Caixia Caiwei together. Everyone is hot Have fun~!"

Shan Xiaoxiao's mother: "...why is the name of the remark, er, forget it, will Xiaoxiao go together? Will it be too cold in the north?"

"Didn't you live in the capital before?"

"There is still a distance between Beijing and Xueshan Village, just like the distance between Zhonghai City and Beijing."

"Don't worry, it's okay, isn't Xiaoxiao also starting to practice?"

The speeches in the group gradually became chaotic, but they also gradually moved closer to the fact that: come and play together in a few days!

Zhao Tianfeng sent a like-like emoticon, as a default decision made three days later, even Fang Xue was a little worried about whether he would be too rushed, Zhao Tianfeng also answered seriously, saying that three days would be three days, and you will be here after three days. Let's go skiing together!

Gong Qingyu conveyed the words of the little princess who was about to fall asleep: "Okay, okay, I saw skiing on the Internet, and I am looking forward to it~"

Hu Xiaomeng expressed wonder, why Princess Yongning will be with Gong Qingyu when she is about to fall asleep?

Although she had only seen the little princess two or three times, she had also heard about her.

Li Yun knew nothing about the whole process, and let these girls chat in full swing in the group, he couldn't even want to know.

Du Xingwang quietly posted a circle of friends with a text: "I have eaten two years of salary for a meal, the local tyrant is really awesome!"

Sure enough, there are countless comments below.

"This is the restaurant in Xueshan Village?"

"I have eaten this dish, more than five thousand."

"Hi! The local tyrant begs for cover."

"Brother Wang, are you developed?"

"Brother Wang worshipped a local boss?"

"Brother Wang, please take the flight!"

A group of relatives and friends all asked what was going on, where to eat, a meal cost more than 100,000? !

Du Xingwang's vanity has been greatly satisfied. I believe that when he takes the local tyrant to play around in the next few days, he will still stun his friends. He is definitely the top traffic darling in his circle of friends!

...

After eating, Hu Xiaomeng waved his hand to let Du Xingwang drive back by herself, while she pulled Li Yun and Fengfeng sister happily on the snow like a sled dog, running and running, and even rushed into the snow. The body is full of snow.

"What are you crazy about?"

After eating and drinking, Zhao Tianfeng also revealed a somewhat lazy look. She wanted to go back to Tianxueju just by walking around, but Hu Xiaomeng was unwilling to expect that, she just dragged her and Li Yun out to press the snow.

Zhao Tianfeng has become accustomed to whether Hu Xiaomeng's behavior is crazy, but this time it was a bit crazy. It is probably because of Li Yun's presence. No matter how crazy she is, her husband, who is also Zhao Tianfeng, will lift her up.

"It's great, it's great, it feels great~~!"

Hu Xiaomeng grabbed a ball of snow and threw it on Zhao Tianfeng's face. Of course it was impossible. How did Zhao Tianfeng say that he was also a person who was consummated by nature and was about to break through. She turned her head slightly and escaped. This group of snow attacked.

"Hu Xiaomeng!" Zhao Tianfeng raised his eyebrows.

"Look at me, the awesome snowball revolver attack~~!"

Hu Xiaomeng's two small hands danced like an electric fan, and they scabbled across the snow, bringing up clusters of snowflakes and threw them towards Li Yun and Zhao Tianfeng.

Zhao Tianfeng fought back decisively, and countless snowballs collided and fell in the air, just like it was snowing.

Li Yun was forced to join the battle group.

Chapter 3342: Come alive

"I shouldn't go crazy with you!!"

Zhao Tianfeng couldn't help complaining when he returned to Tianxueju in the wind and snow from the hotel.

Just now Hu Xiaomeng not only insisted on walking back outside and playing snowball fights, but also Li Yun and her must not use internal force to protect their bodies, and must use their bodies to fight the cold ice and snow.

Although the bodies of the three of them are now very strong, they were exposed to the winter in the north for half an hour, and they were still frozen like dogs, especially the initiator Hu Xiaomeng, whose teeth were trembling all the time, and finally even trot to the sky. The direction is rushing.

Fortunately, he could barely maintain his previous vow not to seek help from Li Yun, and finally returned to Tianxueju.

"Mr. Li, do you need any help?"

The waiter at the front desk was startled when he saw that Li Yun and the three were covered in snow and ice, shivering from the cold.

"No, we just go back to take a bath!"

Li Yun led the two women into the Tianxueju, walked in the Tianxueju like a villa, and returned to the Tianxue Palace.

"Bath?"

Several waitresses looked at each other and said that the rich would really play, and they would go back to the bath after being cold outside, for more comfort?

They can already imagine that Mr. Li took two beauties, one big and one small, into the big bath, enjoying the taste of the constant temperature bath comfortably.

And when they were in the bath, they didn't believe that nothing would happen to young men and women. Tonight, Mr. Li, no, it should be Miss Hu Xiaomeng and Miss Zhao Tianfeng, they must be able to enjoy it.

The waitress took a closer look at Mr. Li just now and found that he is really good in figure and handsome. It is definitely a rare thing to be able to take a bath with such a handsome guy and mess around with him at night. Enjoy?

It's a pity that their manager just took the initiative to go, and they looked down on them, let alone them.

Moreover, not everyone wants to talk to the rich, at least some of them are spineless, and they don't like Mr. Li at all.

When the waiters expressed their opinions on him, Li Yun took the two women back to Tianxue Palace. As soon as he entered the second floor where the heating was turned on, Hu Xiaomeng finally stretched his brows and said with emotion: "Finally come alive!"

"So why are you cold?" Seeing the frost on her eyebrows, Li Yun couldn't laugh or cry, reached out and wiped her face, "Forget it, let's go upstairs, the third floor is warmer than the downstairs, Let's take a bath when we go back!"

Like the waiter thought, Li Yun's first purpose in returning to the room was to take a bath.

Taking a bath in the winter in the north is an enjoyment. If you don't take a bath often, there is no condition. After all, many ordinary people don't have a bathtub at home. Even if they do, the water in the bathtub will cool down quickly, not a constant temperature bathtub.

The bath in Tianxue Palace is warm all the time, and when Li Yun leaves, someone will go in and change the water in the bath.

"Of course, in order to be more comfortable to wait~"

What Hu Xiaomeng said shiveringly made Zhao Tianfeng look at her for a while.

Is this girl saying that taking a bath is more comfortable, or is it for something, such as playing a game of Kings, to be more comfortable and happier?

"Brother Yun, think about it~"

Hu Xiaomeng jumped up the stairs in three steps and two steps, "We are almost invincible now. We are rich and powerful. Simple enjoyment can no longer satisfy your growing brother Yun, so you have to use some. Other things will suppress and create a sense of anticipation, so that when you do it in one breath, you will be happier!"

Chapter 3343: The battle of the two daughters

"What the **** is this?"

Li Yun couldn't laugh or cry, Hu Xiaomeng chuckled, and when he went up to the third floor, he pulled off the down jacket on his body, and then threw away other clothes in two and a half, and mischievously threw the things he was still wearing all over the floor. Yes, I usually run around the house when I am crazy.

"Wow, I'm finally saved~~"

Li Yun brows brows, and is startled by Hu Xiaomeng running barefoot and red.

This girl has such a hobby?

"Feng'er, let's ignore... her."

Li Yun couldn't finish what he said, because when he turned his head, he found that Zhao Tianfeng was just like Hu Xiaomeng, standing so slim in front of Li Yun. His graceful figure was very beautiful, like a jade blooming brilliance, illuminating the Tianxue Palace.

Li Yun is no stranger to the look inside Zhao Tianfeng's clothes.

Last time I was in A Duoshan Hot Spring, when I checked in the first night, Li Yun had seen her wearing a swimsuit.

In the next two days, at least half of the time was spent soaking in hot springs with her and Hu Xiaomeng.

As for the other half of the time, it was spent playing the game of the king and the concubine. Li Yun also became a real king a few times-referring to the kind that can spoil the concubine, but he didn't make the last step.

But even though he was familiar with it at first, looking at it now, Li Yun still feels amazed.

"Li, Li Yun, am I beautiful?"

Zhao Tianfeng stood barefoot with her legs close together in the clothes stacked in her place, and asked with a shy smile.

Then, before Li Yun could answer, Zhao Tianfeng had already raised his jade feet, walked out of the pile of clothes, and came to him, allowing Li Yun to appreciate her beauty carefully.

At this moment, Zhao Tianfeng felt extremely satisfied and happy.

It seems that the first nineteen years of her life were all for this moment.

Li Yun is everything to her!

"beautiful!"

Li Yun nodded very affirmatively, reached out, and wrapped her waist.

Zhao Tianfeng grabbed Li Yun's neck and looked at him with dark green eyes, whispering generally: "Kiss me, tonight... I and Xiaomeng are both yours!"

"Um."

Li Yun made a gentle print on her lips. When the two were about to kiss affectionately, Hu Xiaomeng screamed: "Wow!"

The two were forced to separate and smiled at each other, as if they had predicted that Hu Xiaomeng would come to sabotage.

"Really!"

Zhao Tianfeng loosened Li Yun's neck with both hands and hugged Hu Xiaomeng who had rushed to express his protest. He pinched her cheek fiercely, making a loud snap, and said helplessly: "If not For you little girl, tonight is the perfect night for me and my husband."

"Zhao Tianfeng, you want to be beautiful!"

Hu Xiaomeng began to struggle with her, and expressed serious protest: "Also, it is obviously my husband, what your husband, your little cousin wants to steal my husband? Impossible!"

"Oh?"

Zhao Tianfeng raised his eyebrows, and said with full fighting spirit: "Will you have a fight? See who can't help it first, who loses, he must give up his first fight with Li Yun."

With that, she glanced at Li Yun specifically.

This look is not to ask Li Yun's opinion, but to say: I know you want to see me fighting with Hu Xiaomeng, and you have to keep your eyes open and watch me carefully.

Li Yun really opened his eyes.

After all, the scene in front of me is really great, in Sakura Mandarin: Ah, Sballas, the lily is blooming.

Chapter 3344: Fisherman profit

the reason is simple.

Hu Xiaomeng's down jackets and other clothes inside and out were all thrown on the ground in a living room, because it was winter, so they wore a lot, so that all her things spread from the door to the fireplace, and hers was hung on the sofa. Little bear.

Zhao Tianfeng is the same as her.

So when the two women hug each other and compete with each other, Li Yun can enjoy the beautiful scene like spring lilies blooming.

The two women seemed to know his little hobby. Instead of telling the victory or defeat in shame, they fought harder, but in the end they were picked up one by one by Li Yun and took them to the bath room to soak in the bath.

Because there are only three people, there is no need to rush into the bath first, and just rush under the shower a few times. Hu Xiaomeng stepped barefoot on the patterned tiled floor, shouting and jumping into a room that could accommodate seven or eight people. In the bath, water splashed with a splash, spreading from the edge of the bath, and flowing to the feet of Zhao Tianfeng who was kissing Li Yun.

"Hu Xiaomeng!"

Zhao Tianfeng glared at her during his busy schedule: "I got all the water out, how can I soak later?"

"Hmm~, people are wrong~!" Hu Xiaomeng was half of his head in the water, and he blew his mouth to play with the hot water in the bath, and said pitifully, "People thought it was Brother Yun. My family's super large hot spring swimming pool, so I'm unscrupulous, Sister Fengfeng, don't be angry, Xiaomeng apologizes to you, wait for me to let you, okay?"

Zhao Tianfeng: "..."

This girl Hu Xiaomeng is really strange, it is difficult to know exactly what she thinks, sometimes laughing with arms akimbo, but proudly posing that I don't like you, and sometimes acting cute and acting like a coquettish.

It's totally out of shape.

Of course, when she was intimacy with Li Yun, she was very serious and greedy for being intimacy with Li Yun. At that time, she was the best behaved. Zhao Tianfeng could pinch her little face anyway, Hu Xiaomeng was confused. She didn't resist at all, she was especially fun at that time.

"Li Yun, take me in~"

Zhao Tianfeng ignored Hu Xiaomeng and sent an invitation to Li Yun.

Hu Xiaomeng suddenly opened his eyes: What happened to Sister Fengfeng tonight? It seemed that it was especially easy to take the initiative to take the initiative from the time when she entered the door to the shower just now. Sister Fengfeng clung to Li Yun, either to be intimate or to rub her face.

It's like a kitty that needs to be loved. Hu Xiaomeng thinks it's so cute. Brother Yun must also think it's so cute, right?

Sure enough, Brother Yun seemed to be attracted by Sister Fengfeng's acting like a baby. He hugged her and walked into the bath while kissing. The two entered the bath water together and leaned against the bath.

The bath of Tianxue Palace is embedded in the ground, slightly higher than the ground on the other side of the shower.

The bath is very spacious, so four or five people can soak in the bath comfortably.

Seven or eight people would not come in close to each other, just a little bit unable to swim, if more than a dozen people came in together, it would be very difficult to turn that way.

The height of the bath is not high. It is sloping. Hu Xiaomeng is deeper here, more than one meter. Standing up, the surface of the water just reaches her shoulders, while brother Li Yun is relatively short. When sitting on the steps just reach the waist and abdomen.

Hu Xiaomeng kept staring at Li Yun and Zhao Tianfeng, but the two of them came in to take a bath, and they were still in a state of falling in love.

And there is an increasingly exaggerated posture.

Chapter 3345: Jealous

"Ahhhhhhhhhhhhhh~"

Hu Xiaomeng wanted to scream, but couldn't bear to interrupt Fengfeng's rare interest. He could only continue to sink half of his head in the bath water, puff and puff the water in the bath, watching the two have been kissing there.

Dear, dear, Hu Xiaomeng was so sour to see, even the lemon drunk duck for dinner was not so sour.

Finally, I don't know how long it took before Hu Xiaomeng finally saw that Sister Fengfeng was better.

It is said that things are all right, but it is not right.

"Big Brother Yun, Sister Fengfeng, where's my phone?"

Hu Xiaomeng spoke deliberately, stood up and left and right to find where his mobile phone was placed, trying to use mobile phones to intimidate Brother Yun and Sister Fengfeng, so that the two would not be so arrogant.

If Hu Xiaomeng took a picture of the two of them and sent it to the group, she would definitely stun the little fairies in the group, right? Whee.

Because they met Zhao Tianfeng for a few occasions, Zhao Tianfeng's expression was indifferent, and his eyebrows were full of vague and heroic.

And what about Sister Fengfeng at this moment?

Seeing the two people "reconciled as ever", Li Yun couldn't help but breathe a sigh of relief, with a happy smile on his face, and with his arms around Zhao Tianfeng's willow waist, the two sat on the smooth staircase in the bath together.

The surface of the water just didn't reach Li Yun's waist up a little bit. Although the shoulders were submerged under the water, the temperature in the bath was already very high, so occasionally go to the deep water area to soak.

Zhao Tianfeng bit her vermilion lip with her teeth, turned to give Li Yun a blank look, but said nothing, silently enjoying the time in the bath with him.

Chapter 3346: Don't fight for three days.

Hu Xiaomeng couldn't stand the behavior of the two of them now. She left Zhao Tianfeng's shame, ran out of the bath barefoot, found her mobile phone, and ran back.

Li Yun clearly watched the little girl shivering from the cold, got into the bath and popped a burst of bubbles like a little mermaid. After rising up again, the girl exhaled and said lazily: "It's so cold outside~! Just like Brother Yun you refused to leave Sister Fengfeng."

Li Yun looked embarrassed, he did nothing, just quietly be a beautiful man in a bath.

Hu Xiaomeng kicked the water back to the bath and picked up her mobile phone to play.

And I posted a hand-drawn picture in the group, which I drew on the phone screen with my finger.

As for the content, while painting, Hu Xiaomeng explained to Li Yun and Zhao Tianfeng, two people who were still in love sitting together: "A long, long time ago, a hardworking bee was flying in the garden, flying and flying. Finally found a flower, the bee is very happy, ah, I can finally get honey, great~"

"Hu, Xiao, Meng!"

Zhao Tianfeng gritted his teeth and said, "If you don't fight for three days, you will go to the house to reveal the tiles, right?"

"What? What?" Hu Xiaomeng pointed to the place where Li Yun was sitting on the stone steps of the bath, and said innocently: "What's wrong with me, Xiaomeng? This is how Xiaomeng's former elementary school teacher taught Xiaomeng. Oh, the bee is a good friend of mankind, and a gardener in the garden. It works hard to gather flowers under the fence every day, and it is also very tired, okay?"

"Hu Xiao...cute."

Zhao Tianfeng is as beautiful as a flower, blooming with brilliant beauty.

And Li Yun is a hardworking gardener, very gentle to every girl around him.

Of course, occasionally he can be very aggressive.

"Hehehe~"

Hu Xiaomeng submerged half of his head under the water again, chuckling, and admiring the beauty of her sister Fengfeng blooming like flowers under the eastern fence.

Pour the country Mingyu: "..."

The Pearl of the Kingdom: "What do you mean by Xiao Mengfa's painting?"

"Your two names seem to be." The little maid, Fan Qingzhu, couldn't help but complain.

Qing Guomingyu: "...I am a genuine copy, and the name underneath just now is a pirated copy! And it is still a stupid pirated copy!"

The Pearl of the Kingdom: "???"

The Pearl of the Kingdom: "Gong Qingyu, don't think it's great to be the first. I have already figured out what Xiaomeng's paintings mean. You have also been taken down by the flower-picking east fence, right?"

Xiao Mingzhu used a very elegant term, Shangguan Lingxian who was elegant enough to dive didn't understand the meaning at all.

Of course, Shan Ruqing didn't understand. She was busy with company affairs now, and she had no time to come up and chat, and later she would pick Xiaoxiao home, and wait a few days before flying to Snow Mountain Village to play.

Shan Ruqing has decided that this year's Spring Festival, no, on New Year's Eve, she took Shan Xiaoxiao to Gong Qingyu's mansion... not right, she went to Li Yun's home to spend it together.

Not necessarily in the mansion. If Li Yun decides to go back to Longyang County or go to the Huangting Mountain Villa, Shan Ruqing will take Xiaoxiao with him.

In short, she will be with Li Yun this Spring Festival, and she will also watch the Spring Festival Gala on New Year's Eve with him.

Although she can imagine, there will be many people watching the party together, and they will all be beautiful girls together!

In the group, the two Qingguo were still fighting with each other, but the diving Shangguan Lingxian finally realized what it meant to pick flowers under the east fence, and she was so ashamed that she sent a bunch of little bits of it.

It's hard to accept it!

Chapter 3347: enjoy life

Over the night, both Hu Xiaomeng and Zhao Tianfeng grew a lot.

No, it should be that Zhao Tianfeng has grown a lot, and Hu Xiaomeng has only grown a little.

When he woke up the next day, Li Yun kissed the cheeks of two sleeping girls as usual, lay in bed for a while, played on the phone, chatted with the girls, and said good morning to the Lord Saint. Only then cautiously got up and went downstairs to make breakfast.

I have to say that the 168,000 is expensive, but the service is really attentive. Li Yun didn't elaborate on his requirements with the hotel manager, but when he went down to the first floor, he opened the double sliding door refrigerator and immediately saw that it was washed. The clean

vegetables, or the whole chicken and duck with the innards, of course, there are also cut chickens and ducks, so that Li Yun can use it at will, and he can cut it by himself. It is quite convenient.

All other ingredients are also complete, Li Yun gave full play to the skills of a good man, cooked a hearty breakfast for the two wives upstairs, and served them upstairs personally to wake up the two lazy girls. come over.

"Well."

Hu Xiaomeng opened his eyes tragically, clutching his little ***** with his right hand, and said, "Brother Yun, it hurts so much, I don't want to move today."

"Don't you just want to hug?"

I experienced the same thing as her last night, and experienced more Zhao Tianfeng. He flicked his forehead at Hu Xiaomeng in Yanli, and said calmly: "Get me up, don't act like a baby anymore! Who made you live and die last night? The concubine of a game of kings that you experience once?"

In the bath last night, after seeing her sister Fengfeng, Hu Xiaomeng entangled and had to experience it.

Li Yun and Zhao Tianfeng were very helpless. They had no choice but to return to the fireplace, and the three of them sat on the thick carpet together and played card games on the fire. They agreed that Hu Xiaomeng would win the most out of ten rounds, Li Yun let her experience Zhao Tianfeng's feelings at that time.

As a result, Hu Xiaomeng was won in ten rounds and nine rounds. In the end, if it weren't for Li Yun's luck to draw two kings + 4 2s, I'm afraid Hu Xiaomeng could win all!

Therefore, Li Yun could only abide by the agreement and go with Hu Xiaomeng to pick flowers under Dongli.

"So let you not mess around!"

Li Yun still hugged Hu Xiaomeng, the girl chuckled and threw into his arms, and made a triumphant face at Zhao Tianfeng.

The meaning is also very simple: Although you have a good figure and femininity, I also have an advantage you don't have! I can act like a baby to my heart's content, can't you sister Fengfeng? Slightly slightly~.

Zhao Tianfeng glanced at her again, got up with her legs bent, put on a silk nightgown, and gathered her messy hair, and said: "I'm too lazy to care for you, I'll get up for breakfast, and then go take a bath."

"Ah, I want too!"

"If you have the ability, you are not allowed to use Recovery Pill today."

"If you don't need it, you don't need it, then you don't allow it. Do you still hurt in front of you?"

"Humph, so so~."

The two women quarreled when they got up, and both grinned with pain.

Li Yun looked funny, one hurts in the front and the other hurts in the back. It's not honest!

After eating breakfast, the two women really took Li Yun to take a bath, and then sat in front of the fireplace to warm the fire.

But to be honest, although the fireplace is good, this thing still turns off the lights at night, and then nests in front of the fireplace to roast barbecue and roast sweet potatoes. It is a little weird to be so decadent during the day.

So after lunch, the three of them didn't go back to their nests. Instead, they wandered around in the Snow Mountain Village, making snowmen, playing snowball fights, or visiting a super beautiful mushroom tree that Hu Xiaomeng said. They returned at night. Arrived in Tianxue Palace.

Chapter 3348: All the girls get together

When he woke up the next day, Zhao Tianfeng, who had a sore waist and a sore throat, found his mobile phone immediately, picked it up, clicked on the chat software, and sent a message to the group of "badass fairies":

Everyone, come here for me before tonight!"

After a long while, someone in the group responded.

Little Pepper: "What's the matter? Erfeng, you can't stand it anymore? Say! What time did you play last night?"

If he was not ashamed or impatient, Zhao Tianfeng's face was blushed, "Wait, what is Erfeng's nickname? Because Li Feng is the number one?"

Li Feng: "Then I am Erfeng? Are you Dafeng? [sneer laugh]"

Both of them have phoenix in their names. They are immortals just like Shangguan Lingxian and Liu Xianxian. Although no one ridiculed before, the little fairies bubbled out one by one after Little Chili said it.

"Dafeng...same as a ship I built~" Gong Qingyu said, only Hu Xiaomeng can understand it. This is the name of a ship in a certain ship girl game.

"Er Feng seems weird, I suggest Xiaofeng, Lu Xiaofeng, how handsome ~ just like Sister Fengfeng!"

Hu Xiaomeng also expressed his opinion, and Zhao Tianfeng gave her a white look in reality. This girl has already got up. She still didn't make the final steps with Li Yun last night, so the big bull was almost held by Zhao Tianfeng alone. I woke up this morning with sore back and sore throat.

After a random chat in the group, Zhao Tianfeng finally turned the topic around again and asked Gong Qingyu and the others to come over quickly.

Qing Guo Mingyu: "I don't really want to go. After all, I have already played it last time. Go ahead."

Little Baixue: "Then I won't go, I will go back to Longyang County with Li Yun after the Spring Festival, thinking."

"Then you want to be beautiful, do you think he can go back with you? In this situation, you can't stay in Zhonghai City for the New Year?"

Gong Qingyu was the first to object.

She doesn't go back to her hometown during the New Year. If Li Yun is not in Zhonghai City, she doesn't know how to spend the Spring Festival. She still stays at home to watch anime for more than ten days as before.

That's too boring, if I was with him, it would be nice to say.

Little Baixue: "Oh."

"Wait!" Zhao Tianfeng hurriedly stopped their nonsense, "You have to come if you don't want to come, Qingyu, sister Lianyi, Xiaojiao, and those on Penglai Island, you all have to come, yes, then Where is Miss Shan Ruqing?"

"She's working, after all, she is the chief executive~"

"If she goes, Xiao Xiao must go too."

"Everyone is going, it's a rare winter vacation, so you should have fun! No one is allowed to be at home!"

".....Ok."

I don't know who issued the order, but in the end all the women agreed: Go!

Therefore, in the afternoon, Li Yun and Hu Xiaomeng, two daughters, and Du Xingwang each drove a Tianxueju bus to pick up people at the city airport.

"Dad~Dad~~Dad~~!"

Upon arriving at the airport, Li Yun heard the excitement screams of a familiar little girl as soon as his car stopped. Then the car door was opened, and a little loli got into him, hugging him happily and jumping again. Called again.

Li Yun: "...Little, how did you know that I was driving?"

"Dad is really stupid~" Shan Xiaoxiao wore thick clothes, wrapped like a zongzi, wrinkled her little nose and said: "If there are two cars, Dad will definitely drive, let's say we are early~~ early I'm here, I can see Dad in a small glance when I stand on the side of the road!"

Chapter 3349: Little Meng

"so it is."

Li Yun hugged the little Lolita in her arms, and kissed her flushed cheek fiercely, "It's my father who is late, and there was a small avalanche on the road, which was slow for half an hour."

This is still the result of him being forced to use his "powers" to open the way, otherwise it would be slower.

"Hee hee~" Shan Xiaoxiao kissed her father on the cheek happily, with a very satisfying expression on her little cheek.

In the next few days, she can play with her father and a group of beautiful little mothers~~!
very nice!

She can come out to ski with her father on vacation. Shan Xiaoxiao feels that she is the smartest and happiest daughter in the world~.

"Really."

Gong Qingyu complained when he came over, "The Northern Wasteland is too cold. I would have known that I wouldn't accompany you out to make a fool of myself. I was so stupid."

She wore a scarlet antique cloak, with a hat, and a circle of snow-white plush on the edge. The red antique cloak was very large and long, dragging it directly on the ground, just like those costume heroines in the movie. Attracted the stunning eyes of countless people passing by at the airport.

This kind of red ancient cloak is really beautiful, but most people absolutely dare not wear it like that. Without a tall figure and superb temperament, wearing such an expensive cloak would look like a monkey dressing.

But Gong Qingyu is so suitable to wear it. She is like a wealthy daughter who has really come out of ancient times, with a slightly reserved and indifferent temperament, and vividly interprets the appearance of luxury and grace.

Especially after going through a date with Li Yun, after becoming a woman, Gong Qingyu's young girly temperament was removed a lot, and she began to have some charming and charming amorous feelings. The combination of the two and forming the temptation can be called fatal.

"Yes~"

A girl also complained, "It's all to blame for you, the big bad guy, who just dragged the lady to come to this kind of place. If it's not fun... I will ask you to settle the account!"

The Saintess is here too?

Li Yun looked at the cold and immortal woman, even when surrounded by beautiful young girls like Gong Qingyu, Su Muxin, Fangxue and Li Feng, and young girls like Caixia Plucking Wei and Jin Liuli Xia Feiyao, Fan Qing The temperament and beauty of the saint is still the most outstanding of the women.

none of them.

After passing pedestrians looked at these girls with stunning gazes, their final gazes would stay on Saint Fanqing, shocked by her aunty-looking temperament.

The beauty of the Sanctuary of Brahma has surpassed the secular.

"Okay, okay, let's go!"

Su Muxin began to urge, "If you don't leave, Dad, you will be hacked to death by men passing by."

"what?"

Hu Xiaomeng looked at her in surprise: "Why is Sister Little Chili called Dad...Uh, I understand."

Caiwei and Caixia didn't understand either, but Shan Xiaoxiao blinked to indicate that she understood.

She looked at Hu Xiaomeng and asked curiously: "Are you the little Meng sister in Beijing? My mother and I also lived in Beijing before, but unfortunately I didn't meet my sister... Ah, no, do you want to call you, Xiao Mom cute?"

"Little Meng's mother?!"

Zhao Tianfeng, Hu Xiaomeng, and the people around them were all surprised by this name.

Hu Xiaomeng even began to doubt his age!

"This...Although it's okay to call Xiaomeng's mother, but!" Hu Xiaomeng came over, leaned over and pinched Shan Xiaoxiao's fat little face: "Little guy, you will still call me Xiaomeng sister in the future. Bar."

"Not the little mother?"

"Yes, it's the little mother, but... ah wait!"

Hu Xiaomeng realized something.

Chapter 3350: Showdown of geniuses

Hu Xiaomeng's eyes widened, she seemed to smell the breath of "the same kind"!

"Yes, you are a little mother and a little sister~"

Shan Xiaoxiao looked at Caixia and Caiwei, the beautiful and lovely twin sisters, and said innocently, "Just like Caixia Caixia, she is a little aunt, a little sister, and a little mother~"

The last name made Caixia and Caiwei, who had inexplicable thoughts about her brother Li Yun, blush, and bowed her head shyly not to see anyone.

Li Feng knew the thoughts of the two younger sisters. They wanted to be with Li Yun forever. They didn't want to marry forever, so they stayed with him.

It's just that she is very strange. Shan Xiaoxiao only met them a few times. How did she know this?

"Little, don't mess around!"

Shan Ruqing tapped her daughter's head lightly, and said to the girls: "Let's get in the car first, this is not a place to talk."

There are people coming and going at the airport, and everyone who passes by has to turn their heads and look at them with stunning eyes. After all, these girls around Li Yun are beautiful and lovely.

In one sentence, beautiful people have their own characteristics, while ugly people are almost as ugly.

Even if most of Li Yunhe thinks that girls like Qingyu in the Fanqing Palace are the most beautiful, there will be many people who think that girls like Jin Liuli and Hu Xiaomeng are more cute.

"Go, go."

Jin Liuli pulled Xia Feiyao into the car and drilled into the car. How can she now be a gang leader in charge of thousands of supernaturalists, how can she be a famous person? If a group of high-level fairies from the Fairy Society gathered in Xueshan Village, it would not be known what kind of sensation it would cause.

"Well, let's go to Xueshan Village to talk about it."

After deciding to leave the airport, Li Yun started to have a headache. A group of girls around him didn't know who was sitting with him. He didn't care, but if the girls had any idea of being close and close, it would be bad.

"Just sit down."

Gong Qingyu said casually, and took the initiative to walk to Du Xingwang's bus, and then Su Muxin's daughters followed.

And Hu Xiaomeng Caiwei Caixia got into Li Yun's car.

In this way, the problem of whose car is to be satisfactorily resolved.

Li Yun didn't have time to ask the other girls why they didn't come, so he could only ask after returning to Tianxueju at night.

In fact, most of them are here, except for Xiao Mingzhu, Liu Xianxian, Shangguan Lingxian, and Tang Anxi, the rest are here.

Of course, a certain Wan Qingya whom Li Yun had not seen so far still did not show up, and she didn't know what she was doing with her cousin Wan Qingya.

Sometimes, Li Yun missed Concubine Wan Qing.

...

Du Xingwang swears that this is definitely the most difficult car he has ever driven in his life!

It's not that the car is difficult to drive. The buses provided by Tianxueju are very high-end, worth hundreds of thousands, and it is not difficult to walk. The road from the airport to Xueshan Village is very spacious and there is no snow on the road.

It was the passengers he was carrying, which made him feel terrified!

Du Xingwang had been prepared for a long time, knowing that President Li would bring several women to play together, and he also knew that the women around President Li were all first-class beauties.

But when these girls gathered together, he was still dazzled and completely stunned!

The women around President Li are the most beautiful women or girls he has ever seen. Even the little Lolita is so cute that she will be a big beauty again when she grows up. .
