

## Godly Choice 4301

Chapter 4301: My husband decides

Fox Xiaomeng: "Xiangberry? What a cute girl's name, is it cute?"

Shangguan Lingxian returned to her: "Well, sister Xiang Berry is very cute. She has been by my side. She is only fifteen or six years old this year. Should she be allowed to go to school?"

Gong Qingyu: "Children raised by traditional sects may not be used to the school outside...but you have to be careful with Li Yun."

"what?"

"Prevent that guy from attacking Fragrant Berry!"

"..."

Shangguan Lingxian tilted her head and looked at Xiang Berry. Does she like Li Yun?

"Sister Lingxian..."

Xiang Berry, who had been entangled for a long time, finally approached her and summoned the courage to express her thoughts: "I'm going to go to Zhonghai City with my sister and not stay at Tiandanmen!"

"Don't you want to be with Li Yun?" Shangguan Lingxian blurted out, making both of them look at her in surprise.

"Uh, I mean...probably, that is, that."

Shangguan Lingxian hurriedly said: "Did your parents agree? Ah, what am I talking about, Xiang Berry, I'm sorry!"

".....It's fine."

Xiang Berry bulged his mouth and explained to Li Yun: "I had no parents since I was a child. I grew up in Tiandanmen... After sister Lingxian worshipped at Tiandanmen, I followed her all the time, so ...I want to continue to follow my sister!"

The two are actually sisters, but Xiang Berry is used to calling her sister Lingxian.

Shangguan Lingxian hesitated, Xiang Berry immediately showed a crying face, a posture that Lingxian sister disagrees with me and cried out.

"No, it's not."

Shangguan Lingxian quickly hugged Xiang Berry and explained: "Sister, of course also hopes Xiang Berry will help me, but I also have to get the consent of the elders in the door, right?"

Xiang Berry burst into laughter, and said coquettishly: "As long as my sister proposes, the elders will definitely agree."

She didn't lie. With Li Yun's relationship, Shangguan Lingxian's position in Tiandanmen was getting higher and higher, and it was more effective than the head.

Therefore, after obtaining the consent of Sister Lingxian, Xiang Berry occasionally looked at Li Yun's eyes and became more shy, because...In the future, she will be the same as Sister Lingxian. She often sees him and will visit him. Eat at home.

Thus.....

"what."

Shangguan Lingxian looked at the phone and screamed again: "Li Yun, the people from the government have sent the lease contract to sister Lianyi!"

"so fast?"

Li Yun was also a little surprised. After only half an hour, Liao Hua got things done, enough to show how much he valued the pill.

"The hospital's contract has a 50-year lease, and it has the priority to renew it. It can be rented for 100 years... It's great. The rent is still very cheap."

Shangguan Lingxian looked at the contract issued by Gong Lianyi in the group, feeling a little restless, and looked at Li Yun: "Should we talk about Danfang to that person? Otherwise, we will be favored by others. Sorry."

"Okay, I'll call him again."

Negotiations were quick, and Liao Hua repeatedly promised that Li Yun's girlfriend would not lose money, and initially decided on the content of the contract. After Shangguan Lingxian went to Zhonghai City, he could sign it, or Liao Hua would come to Tiandanmen himself. Consult with her.

"I have to ask my fiancée about these things."

Li Yun smiled and handed the phone to Shangguan Lingxian and motioned her to talk to Liao Hua.

Shangguan Lingxian refused. He refused without hesitation, and said apologetically to Liao Hua in the microphone: "I am not good at business matters. These matters are decided by me and my husband."

Chapter 4302: Yun Ling Dan

Liao Hua could only envy, but he quickly negotiated with Li Yun about a preliminary cooperation plan, and jointly launched this pill as soon as possible.

"By the way, what is the name of this pill?"

Liao Hua intends to submit a report, but he still doesn't know the name of the pill made from this common fire, so he asked.

Li Yun looked at Shangguan Lingxian.

"Your name... is it Yun Lingdan?"

Shangguan Lingxian smiled crookedly, looked at Li Yun and suggested.

"Why not Yunxian Pill?"

"Don't dare to call yourself an elixir, just called Yunling Pill!"

"Success, just call my name and the name of the fairy doctor fairy as the name of the new pill, Yun Ling Pill!"

"Whee."

Shangguan Lingxian covered his small mouth and laughed, and Li Yun's heart was moved by the faintly revealing coquettish beauty.

After the name was reported, Liao Hua quickly ended the call with interest. For follow-up matters, he only needs to talk to the person from the palace family, and there is no need to bother Li Yun.

The palace in the No. 3 Mansion in Zhonghai City has become Li Yun's palace, so you can find it there.

"It's over? Are you done talking?"

Xiang Berry asked expectantly, she was more and more looking forward to the day when she left Tiandanmen with sister Lingxian and headed to Zhonghai City.

However, she also knows that transforming a mountain to build a hospital is not a small project. It will take at least half a year, maybe even a year, before they can live in Zhonghai City.

"I'm not going to talk about it?" Li Yun said confidently, making the two women laugh, Xiang Berry also complained that it was all so smooth with Lingxian sister's medicine, where are you~.

The three were chatting under the moonlight. The herbal garden not far away did not know how Shangguan Lingxian was planted and managed. There was always a quiet and elegant fragrance, instead of the unpleasant smell of some herbs.

Sniffing the fragrance of herbs and chatting with two beautiful girls under the moonlight is really a rare treat.

Before they knew it, the time passed. Li Yun made them another supper. After they were full and drunk, and rested for a while, he said, "Let's be here tonight, go back to take a bath and sleep... Lingxian, I will live with you tonight?"

Shangguan Lingxian's face blushed, this villain really has no scruples!

Xiang Berry also blushed, but after some previous things, she knew that Ling Xian sister did not avoid him when she changed her clothes. She wore a bellyband up and down, and changed her clothes shyly in front of him. After knowing these things, Xiang Berry was to the spirit. The fact that Sister Xian and Li Yun sleep on the same bed at night is not so surprised.

However, she didn't want to let Sister Lingxian out casually.

"no!"

Xiang Berry was guarding her sister Lingxian, staring at Li Yun vigilantly: "Sister Lingxian will sleep with me at night, you, you go find a guest room, and you are not allowed to go with sister Lingxian...None of you have paid a court visit and got married. !"

The little girl's cute face was red, and people couldn't help but want to tease her.

She was covered by the blushing Shangguan Lingxian.

Shangguan Lingxian knew that Li Yun, the big villain, would definitely want to ask whether she had a special relationship with Xiang Berry.

Sure enough, she glanced at Li Yun, this guy's eyes were shining, it was necrotic.

"Ignore you!"

Shangguan Lingxian took Xiang Berry's hand and walked towards the house, but before entering the door, he glanced back at him and whispered to Xiang Berry, "Let's go to the bath room at the back of the house to take a bath, no, no, Ignore him so much..."

God knows how courage she took to say this.

This is equivalent to telling Li Yun that they are together...washing.

"I promise not to peek!"

Li Yun swears solemnly, Shangguan Lingxian glanced at his raised hand, bit his lip and smiled, and pulled in Xiang Berry.

"Don't peek at me and sister Lingxian, you big pervert!"

Xiang Berry shouted from inside the house.

It's just that, the more they talked, the more itchy Li Yun's heart became, especially when they only needed to scan their spiritual thoughts to see what they were doing, and they didn't know at all.

If you do bad things, you will definitely not be discovered. If such stimulation can be tolerated, Li Yun feels that he is a gentleman, cough cough.

Fortunately, after all, Xiang Berry and him are not close, and Li Yun did not shamelessly go to see her, so he insisted on his morals, sitting in front of the house alone, drinking tea in the moonlight.

However, the listener heard from behind the wooden house from time to time, the little girl Xiang Berry giggled, and Li Yun's mood also became happy, as if he had seen the beautiful and graceful pictures of them playing in the bath room in his mind.

Chapter 4304: sorry

On the second day, Li Yun woke up in the living room, not because she woke up naturally, but because someone was earlier than her.

After he opened his eyes, he saw the Shangguan Lingxian in a white dress at first glance. He had already crept forward to him, seeming to want to see how he slept.

As a result, the eyes of the two collided, and for an instant, Shangguan Lingxian's eyes were filled with surprise.

".....what!"

Frightened, she was so frightened that she stepped back several steps, Li Yun quickly turned over and hugged her slender waist to avoid the ending of Shangguan Lingxian's buttocks hitting the wooden table.

Fortunately, because it was Li Yun, Shangguan Lingxian quickly calmed down, showing an aggrieved look. As Li Yun embraced her, she sat back on the chair, her hands naturally wrapped around Li Yun's neck, with a look in her eyes. Full of grievances.

"Let you scare me!"

Li Yun couldn't laugh or cry, and squeezed the face of the beautiful and kind spiritual doctor fairy to make her feel more wronged.

"I... just want to see if you wake up and sleep well, but you suddenly opened your eyes and scared me to death."

"Really scared to death?"

"Yeah, that's right~"

"Then let me see how my little spirit heart is scared."

"Huh? Heart? Don't...hmm."

Shangguan Lingxian struggled for a while, and quickly obeyed, put his arms around his neck in response to this morning's kiss, and let him feel her heartbeat.

As we all know, the human heart grows on the left side of the chest, and only a small number of people are on the right side.

However, with a scientific and rigorous attitude, Li Yun still gave Shangguan Lingxian a good confirmation on both the left and right sides. Finally, after fifteen minutes of repeated research and experimentation, he came to the most correct conclusion:

Shangguan Lingxian's heart is also growing on the left.

"...Li Yun, you are necrotic~"

When Li Yun made a solemn announcement, Shangguan Lingxian's face blushed so much that he could drip blood, biting his ruddy lips, but he was reluctant to look away from him.

In those eyes, full of tenderness and honey.

"I'm necrotic? Do you mean that the conclusion I reached is incorrect? Then do it again!"

Li Yun hugged her and kissed her. This time, Shangguan Lingxian barely refused, and responded softly to him.

...

I don't know how long the intimacy between the two of them stopped, and after they said some love words, Shangguan Lingxian was finally satisfied, let go of his arm around his neck, and prepared to come down.

But from the corner of his eyes, he suddenly saw that a gap had been opened in the door of his room, and a pair of \*\*\*\* eyes were looking over shyly.

"what!"

"what!"

Both inside and outside the house screamed at the same time.

Shangguan Lingxian panicked and pulled up the dress that fell to his waist, the Fragrantberry inside the room also slammed the door closed, and the sound of closing the door was very loud, in other words, she had already seen it.

And after watching it for a long time, seeing her heart sprouting, these two talents are over.

When Shangguan Lingxian concealed her exquisite body, her pretty face was already full of crimson, and she didn't know who to blame, so she could only look at Li Yun in a vengeful manner.

"fine."

Li Yun comforted her, "We are in love and forget about it. Besides, Fragrant Berry is not an outsider, right?"

He deliberately shouted to the Fragrant Berry in the house with a loud voice.

Fragrant Berry, blushing, hesitated, opened the door, lowered his head, blushed, and walked out, shaking with a very low voice: "Sister Lingxian, I...I'm sorry!!"

Chapter 4305: Pill problem

Shangguan Lingxian's temperament is gentle and watery, and he can't look down on others being wronged. What's more, what about the fragrant berry like his sister who has been with him for many years?

Immediately, despite the shyness and blushing, he stepped forward to hug her and comforted her softly.

"Sister Lingxian..."

Xiang Berry quickly calmed down. After taking a peek at Li Yun, he blushed and secretly smiled: "I just... saw it, hehe, my sister and that guy have a very good kiss, I don't dare to bother, um, My feet are sore, my sister is not over yet... and, my sister, I have been feeling the heart...beating for that guy."

What is the so-called heartbeat, Shangguan Lingxian still don't understand?

Her face flushed again, she couldn't help twisting the small cheek of Fragrant Berry, and sighed: "Don't say it! You, you forget what you just said!"

"...I can't forget it."

Xiang Berry tilted his head, seeing Shangguan Lingxian stomping his feet in a hurry, he laughed out loud, "Okay, okay, sister, people won't tell me about it, I know about this, killing me, Will never tell anyone anything related!"

Shangguan Lingxian covered her mouth and said, "Killing to death...it's unlucky, as long as you remember."

She was relieved a lot. After all, she and Xiang Berry also took a bath and slept together. They belonged to a very close relationship. Seeing her feeling the heart of Li Yun, I was a little bit ashamed, but it was okay.

She was actually afraid that Xiang Berry would not be able to stand it, and now she saw her ghostly appearance, and her heart relaxed a lot.

"Whee."

Xiang Berry covered her mouth and snickered and ran outside.

Shangguan Lingxian blushed and didn't know what he was thinking. After he recovered, he groaned at Li Yunjiao, who was still feeling the taste of his hand, "Hurry up and make breakfast. It's so much cheaper for me..."

"Yes, Lord Spirit Doctor Fairy."

"You're going to die, call me the nickname again!"

During the noisiness, the three of them ate breakfast. Xiang Berry and Shangguan Lingxian almost ate their stomachs. Fortunately, Shangguan Lingxian decided to go to the head elder to talk about going out, otherwise they could still eat. .

"Wait when I see your head," Li Yun said to Shangguan Lingxian: "I guess he knows about the pill queen you refined, and he will talk about the ownership and benefits of the pill."

Shangguan Lingxian opened her mouth, Xiang Berry's mouth quickly, and said what she wanted to say: "How do you know? Don't you think that the head will...want the formula of the pill? The head is very good, you shouldn't guess. !"

Shangguan Lingxian nodded fiercely.

Li Yun shook his head and said, "Even if your head does not mention it, other elders will mention it, and if the elder does not mention it, someone will raise it on their behalf. This is natural, and wealth is touching, not to mention billions and tens of billions. What about the market? No one is willing to let it go."

Xiang Berry has nothing to say, and Shangguan Lingxian's aura also sinks, and said anxiously:

"What should I do? It seems that I... did something wrong?"

She sold the pill to others without authorization. Did she make a mistake?

Li Yun smiled and said, "Just do it according to the rules. You Tiandanmen, there will always be people who have worked out some medicines and formulas before, how do they do it?"

"have!"

Xiang Berry replied: "I remember that the third elder had a prescription for medicine. He didn't seem to hand it to the sect. It was secretly passed on by him..."

Li Yun looked at Shangguan Lingxian and got an affirmative answer. He smiled and said, "Isn't this easier? You wait and see me winking, let's go, the big deal is to divide them, it's nothing more than money. "

## Chapter 4306: Fragrant Berry

What can be solved with money is nothing to Li Yun and Shangguan Lingxian now.

With his identity as Li Yun, and the official Lingxian took the initiative to give up half of the benefits to the Tiandanmen, the elder hall masters were very satisfied, not only allowed Shangguan Lingxian to leave the Tiandanmen, but also let Xiang Berry went together to help her take root in Zhonghai City. Moreover, Tiandanmen decided to send some disciples to Zhonghai City from time to time to assist Shangguan Lingxian in making alchemy, planting spiritual grass or treating people there.

Or as long as Shangguan Lingxian is in need, more people can be called.

It is equivalent to the Tiandanmen opening up another division in Zhonghai City. The above official Lingxian is headed. They probably know that in the future Tiandanmen will be Shangguan Lingxian's "maiden family". It is impossible to keep her in the martial arts for the rest of her life, but to release people .

"Huh, it's pretty simple."

After having lunch there, after bidding farewell to the head elder, Shangguan Lingxian's face burst into a smile: "Master is still very good at talking, it's not as good as Li Yun you think...that way." She was embarrassed to comment on her master. That is, the head of Tiandan Sect.

"It's fine if you can solve it properly." Li Yun smiled slightly, not wanting to say more about it.

For example, in the simplest case, if Shangguan Lingxian refuses to hand over the benefits of the Dan Fang, will any elders get angry on the spot?

Even if they don't get angry, will they have a thorn in their hearts?

No one can say for sure. When there is no conflict of interest, everyone is peaceful and polite, but when it comes to a conflict of interest... brothers and sisters will have to turn their faces into enemies.

What Li Yun has to do is to never let people around him get involved in these indifferent disputes.

To do this, he needs to have a strong force to frighten those people, plus he is willing to give up a little bit of interest to satisfy them, so that everyone is smiling.

For example, Fang Xue's Fang family, don't they also flatter him and Fang Xue now?

"What are we going to do now?"

The troubles and things to do in my heart are done, and the person I like is around again, Shangguan Lingxian is more happy than ever, and now I want to have a good time with Li Yun, wherever I can.

"Go... wherever you want, go around, go around Tiandanmen." Li Yun smiled.

"Okay, then... go to the place where alchemy is first? The alchemy hall, formerly called Yaoshitang, was later changed to alchemy."

"Um."

Seeing the happy two people, Xiang Berry suddenly realized something, feeling a little disappointed, but quickly cheered up, and smiled at the two of them: "I won't bother you, sister Lingxian, I'm leaving now~! "

"Hey? Xiang Berry, don't go. Once you are gone, this guy..." Shangguan Lingxian's face reddened again.

Xiang Berry was also a little shy, thinking of the closeness of the two she saw this morning, if she left, Sister Lingxian would definitely be "tragically murdered" again?

He is a big pervert.

Humph.

After giving Li Yun a look, Xiang Berry still left, but when she was about to turn, she looked back again, feeling very disappointed in her heart.

She has only a few friends in Tiandanmen.

But it's just friends, it's okay to play with them or chat, but if you want to be close to them, you can't talk about it, but Xiang Berry can't do it.

She doesn't have a master, only Lingxian sister can be called a relative.

Compared to yesterday, when I heard Lingxian's sister leaving, a stronger sense of loneliness came up, making Xiang Berry's heart more uncomfortable.

Chapter 4307: The most suitable words

"Little Fragrant Berry!"

Just when Xiang Berry was confused and uncomfortable, she didn't know where to go, when she heard his voice behind her.

Xiang Berry looked back and saw the sunny smile on Li Yun's handsome face, as if it could warm her heart.

Let her warm up too.

However, his words are what really makes her happy.

"what?"

"Remember to come back tonight and have dinner together!"

"what?"

"I'm cooking with you, don't forget."

"Ah good!"

After subconsciously agreeing, Xiang Berry's expression fell into a trance. It was not until Li Yun and sister Lingxian left that she recovered.

After a long time, she left with a lot of ease.

Before, she seemed to be an outsider and was rejected by Sister Lingxian and him. In fact, she was not. She could go back anytime and live with Sister Lingxian, and she could also eat the food he cooked at any time.

The current departure is only temporary, and she will be able to meet Lingxian sister and him at night.

Li Yun just said a word, but it seemed that in an instant, Xiang Berry felt that she had a sense of belonging. She was also a member of that "home", not a light bulb.

"Huh~"

Xiang Berry kicked the pebble under her feet, smiled lightly, turned around and walked towards the place where her friends were, intending to reminisce with them. After all, she was going to Zhonghai City. I don't know how many days to come back. I have been in Zhonghai City, so I have to say goodbye to them.

...

"Well... Li Yun, you are doing very well!"

After Xiang Berry left, Shangguan Lingxian was dragged by Li Yun and walked away, watching him suddenly say a word.

"What are you talking about?" Li Yun took her silky little hand and walked with her inside Tiandanmen.

Tiandan Gate is located in a valley. Not far away is a lake and a river. It is surrounded by lush woods, and there are many herbs planted. The buildings where the disciples live are distributed in and out of the valley, and light smoke comes out in many places. , It can be seen that they are boiling medicine or researching some medicine.

However, in the age of aura, many Tiandanmen disciples are trying to refine new things with things with aura, and the days of billowing smoke may last for many years until the research is completed.

Tiandan Gate has been in this valley for hundreds of years. The scenery everywhere is beautiful. Stone tablets and calligraphy left by the predecessors can be seen everywhere. It is very suitable for couples to take a walk and make people feel happy.

"It's fragrant berries."

Shangguan Lingxian shook Li Yun's hand. There was no one around. She could play coquettishly with him as much as she wanted. Li Yun could tolerate her. Whether she was stupid, naive, or stupid, Li Yun could Don't laugh at her.

"What happened to Fragrantberry?"

"Huh, play stupid again."

Shangguan Lingxian wrinkled her little nose, but still said: "Xiang Berry took the initiative to leave just now. Although she didn't say anything, but I can tell that she is still very lost, but I don't know how to comfort her. ..."

"After all, you and I are unmarried couples, and we always need private time and space, right?"

".....Um."

Shangguan Lingxian's face was reddened, and he continued: "Xiang Berry is very disappointed, I see the way she walks when she leaves...Her back reveals a sad look."

Li Yun said: "Probably."

"Then." Shangguan Lingxian looked at him, "When I didn't know how to comfort her, I always felt that it was inappropriate to say anything, and it was not convenient to say anything, but you said the most appropriate thing!"

Chapter 4308: Could not bear

Li Yun smiled slightly, "I don't dare to say the most appropriate thing. I just watched her go alone, so I called her and told her to go to dinner at night. After all, I think you usually eat the food I made with her. Happy, I want to be happy even at night."

Shangguan Lingxian wrinkled her little nose, and expressed dissatisfaction with the fact that she was said to be a snack food, but she did not say it. She was really happy when she ate at night...

"So you did the right thing, Xiaoxiangberry is very happy! It's just..."

Shangguan Lingxian hesitated, and Li Yun asked, "It's just what?"

"It's just...do you think," Shangguan Lingxian Qiqi Ai Ai, but still couldn't help but say: "She likes you very much...?"

"Like what I cook?"

"No, it's someone who likes you!"

"..."

Li Yun looked at her, Shangguan Lingxian also looked over, after a while, she turned her head away again, a blush appeared on her face, and whispered: "It's true, I can see that Xiao Xiang Berry has feelings for you... She keeps looking at you, her eyes are full of... admiration, really, I can see it."

Li Yun held her hand, Shangguan Lingxian's heart slowly calmed down, and turned his head to look at him again, waiting for his answer.

"Lingxian." Li Yun said softly.

"Um."

"It's enough to have you by my side!"

"I know... I know, Li Yun, you are also very hard. There are so many people, and you are so kind. You can't bear to see us alone or left out. You always take time to stay with us, just like... this time. Same."

Shangguan Lingxian said moved.

She had been in Tiandanmen for a long time, but she didn't call Li Yun, because she felt so sorry for him and couldn't bear to make him worry so much.

Li Yun sighed: "Besides, I have promised you that I won't find anyone anymore, just you, this way, that's enough! With you by my side, my future is already happy and fulfilling."

Happiness has two meanings.

They are all charming girls, each with its own characteristics, Fang Xue, Li Feng, Gong Qingyu, Xiao Mingzhu, Liu Xianxian, Hu Xiaomeng...

From loli to royal sister, from genius to a little stupid, from petite to tall, with different temperaments and great figures, can Li Yun be happy?

He is already very happy, so there is no need for anyone else.

Shangguan Lingxian was at a loss and apologized in a low voice.

Li Yun held her slender waist, hugged her, and whispered softly: "Go ahead, don't hold your words in your heart, just say anything!"

"Uh, but..."

"Um?"

"Okay, I said...but," Shangguan Lingxian raised his head and said seriously: "I can't put down Fragrantberry, this child is...too lonely."

"She will meet the right person in the future!"

"But, I can't bear to refuse her begging to go with me. I can see that her eyes are very scared, and she has been begging me to agree. She has been with me since she was a child, and I can't bear to throw it away. Next she will be in Tiandanmen alone."

Shangguan Lingxian said aggrievedly.

Li Yun couldn't laugh or cry, "Now you have decided to take her with you? Then just take it, take Xiaoxiangberry to Zhonghai City, and live in your medical clinic or live with you. She is old again. Xiao, it's okay to find someone to marry after another ten years!"

He feels a little regretful, he still likes Xiaoxiangberry, but like it doesn't mean love.

Chapter 4309: inform

Shangguan Lingxian looked at him full of resentment. Li Yun was inexplicable, "What's the matter?"

"You, do you really don't understand or fake?"

Shangguan Lingxian puffed up a small mouth and complained: "You are also a very good man anyway, otherwise how come there are so many... girls like you?" She was embarrassed to continue.

"Haha, I shamelessly admit this!"

"Humph."

After snorting, Shangguan Lingxian said again: "Since you are so handsome and so good, and Xiang Berry lives with me in your house...next to our house," she changed her mouth and called Li

Yun's house her own. After all, she There was already a room in that big villa, just waiting for her to move in.

"She has been with us...does you not like you when she is dealing with you? Xiaoxiangberry looks at you now, and the food you cook is still so delicious... Wait ten years, uh, it doesn't take ten years. , Maybe in one or two years, she can't help but fall in love with you, right?"

Li Yun was stunned. Who said Shangguan Lingxian was stupid and cute? Isn't this very smart?

Although still silly and smart.

"What's the matter? Am I wrong?" Shangguan Lingxian puffed up his ruddy little mouth again.

Li Yun smiled, fingers provoked her clean and beautiful chin, and kissed her first. His celestial being is so cute and beautiful, but he kept her cold here for so long. It takes three days to kiss her well. Okay. Make up for her.

Shangguan Lingxian did not refuse, nor struggle, and there was no one around. She obediently followed Li Yun's will.

After the kiss, Shangguan Lingxian's eyes were blurred, and he had forgotten what he was going to say before. He leaned against Li Yun's chest and was wrapped around his waist. His body was soft and weak. He closed his eyes and panted lazily, recalling the intimacy with him just now. .

After a long while, Li Yun said: "It's too early to think about the fragrant raspberry. I'll talk about it later. The girl's mind is ever-changing. Who knows the future?"

".....Um."

After reluctantly thinking about it, Shangguan Lingxian agreed, but thought of something, took out his mobile phone and looked at Li Yun and said: "Then I have to tell the sisters in the group, they all make me wary of you..."

Li Yun is very innocent: "Obviously I am the victim!"

"The victim? Uh...it seems to be too."

Shangguan Lingxian was stunned for a moment, and finally couldn't think of any countermeasures, so he could only touch his finger on the phone screen and carefully tell them about it.

In the lively group, it seemed to be much quieter, making Shangguan Lingxian more and more uneasy.

"Xiangberry is your junior sister?" Gong Qingyu asked.

"Uh, yes, she has been by my side all the time. She is a very well-behaved junior, who is equivalent to one of my sisters, but...maybe her age is just the beginning of her love, so she...to Li Yun, uh ."

The more Shangguan Lingxian talked, the more guilty he was, and he seemed to be a matchmaker for his younger sister, pulling her into the big family.

"In other words, the personality is very good and well-behaved? Very cute?" Fang Xue asked.

"Ah, is your sister Lingxian? That's okay!" Hu Xiaomeng also spoke.

"What's okay?"

"That little fragrant berry, very cute?" Gong Qingyu asked again, "Are there any photos? Oh, I remember, those live photos you took yesterday, the little girl wearing a pink skirt with two \*\*\*\* on the head girl?"

Chapter 4310: Well-behaved and cute fragrant berries

"Yeah, very cute and well-behaved. She usually helps me build fires and make alchemy, washes and cooks for me, and is busy with the plantation... So she offered to come to Zhonghai City with me, but I couldn't bear to refuse. ....sorry."

Shangguan Lingxian apologized somewhat inexplicably, but most of the people in the group understood it.

"I also think it's okay, very cute little girl." Jin Liuli sent a smiley expression, "Well, sister Lingxian, you will take it to Zhonghai City and show you everyone."

"Okay, okay, Sister Fengfeng and I will also fly to Zhonghai City~" Hu Xiaomeng said again.

The sisters in the group expressed their opinions one by one, which greatly relieved Shangguan Lingxian, but made her feel more guilty.

But she suddenly thought of another thing.

"Ah, that's right!" Shangguan Lingxian hurriedly typed and said, "This morning... I was with Li Yun, that is, when I hugged and hugged, she saw it and watched it for a long time... I'm sorry!"

"Why Sister Lingxian said I'm sorry again? The one who should say I'm sorry, it should be the big pervert and big villain, who spoiled him again early in the morning!"

"The three of you slept together?!"

"No, no, just..."

"That's it, then there's nothing to say, and bring that cute girl back!"

"what?"

"Whee."

What the people in the group said, Shangguan Lingxian was dazzled, but he still had no bottom in his heart.

Until Gong Qingyu said: "Then bring it back, @灵医仙子, there is no shortage of chopsticks in the house. She sleeps with you again at night, and there is no need to arrange the room for her. Lingxian, you and Does she mind?"

"Uh, I..."

"What did that guy say?" Wan Nishang also bubbled up, and she was already watching the chat.

"Well, that guy, it must be evasive and let it go!" Concubine Wan Qing followed with a word, and the mother and daughter together gave Li Yun a clear and thorough guess.

Gong Qingyu sent a dynamic expression of beating, and then said: "He is more emotionally evasive than anyone else, and he is getting more and more timid. Except for Fang Xue and Li Feng, at the beginning, he treated everyone else. How about this?"

Gong Qingyu recalled his and his bit by bit, if it weren't for her to take the initiative, Li Yun still didn't know when he would dare to hold her hand.

The women also recalled, thinking of the more and more girls in the house, but he was getting tired, their hearts softened.

"Bring her back!" Fang Xue clapped and said, there was no objection in the group, and almost unanimously agreed to let Shangguan Lingxian bring the lovely little fragrant berry back to Zhonghai City and live in the big family.

"Thank you, I, I really don't know how to say it, anyway, thank you all, thank you sisters, thank you sisters~[拜谢]"

Shangguan Lingxian's excitement slowly calmed down, and he had a little more yearning for the future, after all, Xiang Berry would live with her in the future.

Gong Lianyi: "By the way, Sister Lingxian, the contract for that mountain has come down, what do you plan to build?"

When it comes to the back mountain, the people in the group suddenly become excited. They are also looking forward to Shangguan Lingxian transforming that mountain into a plantation, so that they can go to play from time to time, which must be very interesting.

And even though the mountain is a little smaller than Huangting Mountain, the whole mountain belongs to them, so they can play with confidence.

It's not impossible to go play with Li Yun and go crazy. In short, they are all very interested.
