Chapter 831: Liu Ye's ambition

Tang Anxi is very beautiful, her gloomy temperament looks pitiful, and he feels a little distressed, but now is not the time to consider these, let's talk about it later.

Starting the jeep and going back, Liu Ye said with a smile: "Boy, it's quite leisurely, beautiful women give you a hug, and you still pretend to refuse."

"Hehe, what if you?"

"Me? Of course, the old man went straight, there is so much nonsense!" Liu Ye sitting in the back seat imagined the appearance of Princess An Xi throwing her arms at him, and couldn't help but laugh.

The reason why he lived so long is not to enjoy more beautiful women?

"This is probably the difference between a good guy and a bad guy." Li Yun said lightly, ignoring him, and drove back to Mansion 3.

"Auntie is back!"

"Good evening, uncle!"

"Auntie, miss and grandma are waiting for you in the living room."

As soon as he entered the door, the guards at the door saluted Li Yun's car respectfully, completely treating Li Yun as the future male owner of Mansion Three.

Sitting on the two beauties, Gong Qingyu and Gong Lianyi, Li Yun is of course the future male host!

"Hehe, boy, your beautiful blessings are not shallow!"

Liu Ye's eyes were still lacklustre, but there was a strange smile on the corner of his mouth.

Li Yun drove to the main entrance of the mansion, did not notice his abnormality, and replied: "This has nothing to do with you. After you honestly explain the matter, there is still a way to survive, otherwise, you will definitely die!"

"Jie Jie Jie, yes, I will definitely explain, but I like beautiful women in my life." Liu Ye laughed, "I only confess in front of beautiful women, never talk nonsense to men!"

Li Yun smiled faintly, "You have a personality similar to that of Young Master Kongse. No wonder you will take him in."

"Jie Jie Jie, Master Kongse has been caught by you, right?"

"certainly."

"good very good!"

Liu Ye got out of the car and gloomily looked at the mansion that exuded the aristocratic atmosphere in front of him, feeling quite upset.

He still had to control a gang to live a life full of wine and wine, and Li Yun, a kid who relied on a beautiful woman, could easily live in such a luxurious bungalow!

"Hehehe, today the old man makes you cry too late!"

Liu Ye showed a weird smile again, and followed Li Yun into the door.

The next moment, Liu Ye's thoughts changed a little, because he saw two beauties sitting in the luxuriously decorated, bright and spacious living room!

These two beauties, one is reclining on the sofa reading a book, wearing a light blue dress, elegant and gentle, but Liu Ye, who has seen countless women, can tell at a glance, this elegant lady-like woman In fact, she looks extremely seductive, just a little bit of hair, she can completely reveal her charm!

And another young beauty is sitting next to Hu Meimei, holding a paintbrush intently to paint. Although she is still a little immature in age, the breath of classical beauty on her body can be greatly attracted. Huang Xuanguo's man's eyes!

There is an old saying: "Slim ladies, gentlemen are so beautiful."

Liu Ye has lived for so long, and he is even more salivating for such a ladylike classical beauty!

"Unexpectedly, there is such a beauty in this place!"

Liu Ye looked excited. Each of these two beauties was many times better than the previous Princess Anxi. Coupled with their pampering, they are much more honorable than the bar princess, and they have a more sense of accomplishment in conquering!

Chapter 832: Meeting is a sword

"These two beauties, it's a pity to die here!"

Liu Ye hesitated, and then glanced at the lying fox beauty. She was wrapped in a light blue dress, her plump body without the slightest amount of fat, which made her eyes angry!

"Qingyu, Lianyi, I'm back!"

Li Yun smiled and said hello to his two confidantes. When the two women heard the sound, they immediately turned their heads in surprise. The classical beauty directly dropped the paintbrush and rushed towards Li Yun with a cheer. All of a sudden he plunged into his shame.

"Li Yun, you are finally back!"

Li Yun hugged the soft and warm body of the classical beauty, and his heart was full of touch. There is such a, no, two confidantes, they love themselves so much, and Li Yun's heart is full of happiness. at this time.

"Ding, trigger the option event, please choose from the host:

Option 1: Push Gong Qingyu away, destroy Liu Ye, reward experience value +500,000, all attributes +1000, justice value +500, purple gift bag*1.

Option 2: Ignore, no reward. "

Li Yun was taken aback, what exactly did the system prompt mean?

"Bad Li Yun, you finally came back!"

Hearing the beautiful voice of a young girl, Liu Ye raised his head, and after seeing the person walking down clearly, there was a buzz in his mind.

What a nice view!

The two beauties in the living room were already stunning beauties, but compared with the fairies who walked down with a calm expression, they were instantly dwarfed, and their temperament was firmly held down by the fairies!

"This kid actually has four beauties by his side. It doesn't count whether he hugs the left and the right. This is simply three thousand beauties in the harem!"

Liu Ye was jealous and hated, and for a while, he forgot his main purpose of coming here, and stared at the two people walking downstairs with squinting eyes.

"Huh!" Qing Zhujiao snorted, pointing to his nose and cursing: "You mortal, dare to be so rude...Huh?"

She didn't speak a word, but Fan Qingsheng didn't hesitate and slapped the front.

boom!

A flat palm hit Liu Ye's abdomen directly, making a loud noise, and a turbulent wave of air erupted.

Liu Ye's thin body was like a broken kite, flying towards the door like a parabola.

"What, what?"

Everyone was dumbfounded, including Li Yun, Qingzhu, the two golden flowers of the Gong family, and the four maidservants in the spring, summer, autumn and winter standing by the side, all stunned.

When did Van Qingsheng's temper become so violent? Actually, he was just squinted at by Liu Ye, and launched a thunderous attack, directly knocking Liu Ye away!

But the violent temper of Van Qingsheng is not over yet!

"Chang!"

Sage Fanqing stretched out his hand and pointed at the peach wood sword placed on the table by Gong Lianyi, and suddenly, a crisp sound of the sword sounded, and the peach wood sword came out of its sheath, turned into a streamer and flew out, cutting off the head of Liu Ye in midair. .

"Whoo!"

In the horrified eyes of the guards, Liu Ye's head flew dozens of meters away, hit the wall of the mansion, and then rebounded and fell to the ground.

And his headless corpse fell into the rockery pool, making a thumping sound.

"..."

Everyone was completely stunned.

The peach wood sword returned to its sheath, and the Sage Fanqing said lightly, "It's okay."

"??"

While everyone was shocked, they looked at her with deep awe.

They knew that the Saint Vatican was powerful, but they did not expect that this saint could cut down the head of a person with a sword dozens of meters away. The sword light of the flying sword was as fast as lightning, and they only saw a white horse flashing. After that, Liu Ye in midair was cut off his head without resistance!

Chapter 833: Flying sword to cut puppets

Sage Fanqing glanced at Li Yun and walked towards the door. Li Yun realized something and quickly followed in her footsteps. Gong Qingyu and others followed.

When I came to the rockery pool and looked inside, everyone gasped!

There is a headless corpse floating in the rockery pool, but the pool water is clean and clear, and there is no trace of bright red blood.

"This!"

Everyone looked at each other. It was obvious that Liu Ye was not an ordinary human being. Otherwise, there would be no trace of blood flowing out, and even no blood could be seen at the neck. This is very abnormal!

Only then did they think that when Fei Jian cut off Liu Ye's head, he didn't see the blood spurting out.

"Li Yun, what you brought back is a puppet corpse." Fan Qingsheng glanced at Li Yun again and explained why he suddenly shot it.

"Ah! Saintess, is this a puppet corpse?"

Qingzhu exclaimed and looked at the headless corpse with a hint of horror. He explained: "This kind of spell is to suffocate a living person, drain the blood of the corpse, and then pour it into a special solution. The created puppet can be controlled by the creator's spirit, and it is difficult for outsiders to see the difference.

This is also the most dangerous place for this kind of puppet corpse. He can pretend to be an ordinary person and approach you quietly, and then explode! "

"explode!!"

Gong Qingyu and Gong Lianyi glanced at each other, and both felt a little bit afraid. Just now Liu Ye was very close to them. If they were bombed, they would definitely be dead.

"My fault!" Li Yun clenched his fists, his eyes flashed with extremely angry expressions, if Liu Ye was not shocked by the beauty of Qing Yulian's two daughters, and he exploded as soon as he entered the door, the two women would be absolute Unstoppable!

No, maybe Gong Qingyu can, because she has amulets, but Gong Lianyi can't. She only has a Wufu Peach Wood Sword.

At this moment, Li Yun became more eager for the equipment rewarded by the system.

"do not blame you."

Gong Lian comforted him with a soft voice, and Sage Fan Qing said calmly: "The method of making a puppet corpse is very troublesome. It is not worth the gain if you detonate it at will. It should be the other party being controlled by you to make a desperate move."

"Master Saint, it's weird." The little maid said in confusion: "This puppet corpse is very weak. The book says that the puppet corpse is the second clone. Shouldn't it be very strong?"

"Maybe this puppet corpse is just something the enemy uses to enjoy!"

Li Yun quickly figured out that, after all, Liu Ye was to entertain KTV for fun.

It's just that he still blames himself, the system has reminded him twice, to destroy, not to kill.

In addition, Liu Ye's eyes were dull and his skin was cold. Li Yun noticed these abnormalities, but didn't think much about it, because the spirit of God told him that Liu Ye was not abnormal.

"It seems that divine consciousness is not omnipotent, just like radar, it has both advantages and disadvantages!"

Li Yun took a deep breath, he must avenge this grudge!

"Ding, the host did nothing, no reward."

"Ding, trigger the option event, please choose from the host:

Option 1: Track the puppet Taoist, reward experience value +500,000, all attributes +1000, purple gift bag*2.

Option 2: Give up, no reward. "

The system once again gave a simple and rude two-choice event. This time Li Yun didn't dare to take it lightly, and carefully looked at every word prompted by the system.

The puppet Taoist should be the person behind the six magic gates behind the puppet corpse. Li Yun thought of something he had encountered before.

Chapter 834: Took the saint away

"Qing Sheng, in Longyang County before, didn't you catch a man-controlled corpse in the crowd? These two spells are the same?"

Li Yun looked towards the Vatican Sage. Fortunately, there was this hidden sacred valley sage who was proficient in spells, otherwise he would be really helpless.

"It's not the same." Sage Fanqing shook his head slightly, "Before it was just a method of manipulating corpses. Anyone in the Divine Soul Realm can use it."

"That's it... That is to say, the key is not here."

Li Yun murmured to himself, the system just prompted him to follow it at this time, but did not give him any information, how could he follow it?

Seeing that Li Yun was lost in thought, Gong Lianyi was not good to bother him, so she ordered, "Xiaochun, let someone go and carry this corpse away, temporarily store it in the warehouse, and change the water in the pool."

"Yes, grandma!"

Spring Flower asked people to carry the headless corpse away, and the guards were not afraid. After all, the saint and the uncle were watching, and they were not afraid of the corpse being poisonous.

As the headless corpse was lifted out, Qingzhu glanced at the thing contemptuously, and said, "This guy is controlling the puppet corpse with a squint look. You can imagine how colorful he is, huh!"

Everyone was amused by the charming words of the little maid, but Li Yun suddenly woke up.

"By the way! The puppet Taoist is a pervert, how can I not think of it!"

Li Yun slapped his head in annoyance, turned and trot to the side of the jeep that hadn't driven into the garage, and said at the same time: "You stay here, don't wait for me to come back, be careful, don't let people come in. , I will chase the puppet Taoist!"

"Uh?"

Gong Qingyu couldn't react, Li Yun knew where the enemy was?

"I'll go together too."

Sage Fanqing followed Li Yun, but Qingzhu was stunned, and the two drove away.

"Damn, damn! The big bad guy actually abducted Master Saintess!"

The little maid puffed up her mouth with anger, but she didn't worry about the safety of Lady Saint, but she couldn't wait on her side, which made her feel a little uneasy.

Fortunately, she can trust Li Yun a little bit, he can take good care of the Lord Saint.

"Let's go back."

Gong Lianyi watched Li Yun's car leave and smiled slightly: "I believe Li Yun can catch the enemy, so we don't have to worry about it."

Gong Qingyu glanced at her and couldn't help saying: "Aunt Lian is so gentle."

"what?"

"Ah, what? Aunt Lian, when you looked at Li Yun just now, your eyes were so soft~"

"Why don't you talk nonsense, Xiaoyuyu!"

Gong Lianyi flushed with shame, and quickly walked upstairs carrying her skirt, not staying in the living room.

"Aunt Lian is so shy and beautiful~" Gong Qingyu smiled, and took Sister Qingzhu's little hand and followed up to the third floor.

...

Li Yun also didn't expect Fan Qingsheng to come along, but since he was already in the car, he had no reason to refuse.

The jeep drove on the streets of Zhonghai City at ten o'clock in the evening, and the road was still busy. Perhaps the lack of the pistachio, the little maid, caused the atmosphere to be a bit wrong.

"Qing Sheng, have you been cultivating in the hidden sacred valley?" Li Yun wanted to find a topic, but he blurted out but asked her about the hidden sacred valley.

"Sorry, it's okay if you don't answer this question."

Li Yun hurriedly changed his words. From the word "Yin" in the Hidden Sacred Valley, it can be seen that this sect seldom comes out for activities, and this time it is only for the Six Demon Sects.

Li Yun does not know the historical origin of the two schools, but it is estimated that the relationship between them is not small.

Chapter 835: Goodbye Tang Anxi (Part 1)

"Um."

Fan Qingsheng answered Li Yun's question, using her beautiful voice to tell: "I grew up in the Hidden Sacred Valley since I was a child. Except for three years ago and this time, I have never been out of the valley before."

"Hidden Sacred Valley..." Fan Qingsheng's words paused, "In fact, it's nothing, it's just a place for practice."

She didn't go on, and didn't know if it was really nothing, or she didn't want to go on.

Li Yun didn't ask about this topic anymore, but talked about his own business.

"...I started a company, and recently I am preparing for a press conference to release a game that should sell well."

The game Li Yun mentioned refers to the game that the system judges to be highly probable, and free to build cubes. Li Yun saw in the work group that this game has been officially named "Xiao Ming's World", which will be next On sale at the weekend.

Xiao Ming refers to the protagonist of the game, and is also a name that Huang Xuanguo students are very familiar with. After all, Xiao Ming and Xiao Hong are a natural pair in the composition.

"Game... I have played it too."

Fan Qingsheng unexpectedly took the topic, "How about your game for me to play at that time?"

"it is good!"

Some words were not expressive in her words, Li Yun smiled lightly, presumably because Fan Qingsheng didn't know what the press conference meant.

The car came to the gate of a community. This is when Tang Anxi and Li Yun talked about their own affairs, and roughly mentioned the place where they are now renting.

Fortunately, Tang Anxi mentioned this place, otherwise Li Yun would not find it!

"Do you think the enemy will come here to find her?"

After listening to Li Yun's explanation, Sage Fan Qing asked, looking at him with clear eyes, a little strange in his heart.

It's only a small probability, is it worth it?

"There is a 80% probability that it will come!"

Li Yun said confidently.

If you simply speculate that the puppet Taoist will come here to capture Tang Anxi because of his good looks, there may be less than a 10% chance, but with the system's prompts, the chance is greatly improved!

Sage Fanqing stopped speaking, looking at the door of the community, sitting in the car and waiting.

The car was quiet again, but the atmosphere was not too bad this time, and the two got along very happily, although neither spoke.

Soon after.

"Tang Anxi is back."

Li Yun saw Tang Anxi, who was wearing a simple skirt and very thin, walked into the community.

She left KTV in a hurry, before she had time to take her coat, now she was only wearing a thin coat and a long skirt, looking a little helpless and cold.

The temperature on the night in May was very low. Li Yun couldn't help but feel a little uncomfortable as she watched her tender body trembling slightly. He still couldn't see women suffering, especially women who liked him and had a good impression of 100 points.

From Tang Anxi's previous narration, Li Yun learned that she now has no relatives, and no friends, alone.

"Ding, trigger the option event, please choose from the host:

Option 1: Take out a women's jacket, catch up to Tang Anxi, reward a white gift bag*3, and get a kiss from Tang Anxi's excitement with a high probability.

Option 2: Do nothing, no reward. "

Seeing this, Li Yun no longer hesitated, took out a women's jacket from the gift bag from the inventory, and said to Sage Fan Qing: "I'll go out, Sage Qing, you are waiting in the car."

Sage Fanqing watched him leave with his clothes, and then turned his gaze to the woman who walked into the community, and suddenly understood in his heart.

"No wonder there are so many girls around him."

Chapter 836: Goodbye Tang Anxi (Part 2)

"An Xi!"

When she heard this voice that made her feel extremely surprised, Tang Anxi was walking into the community quickly, wanting to return to her home to review her homework as soon as possible.

She used to hate going back to her rental house because there was nothing there, and although it was even more hate in KTV, at least there was liveliness that could dilute the desertedness in her heart.

But now, with Li Yun's guarantee, Tang Anxi can't wait to review the knowledge points of high school, and then take the college entrance examination, and strive to be admitted to the same school as Li Yun.

When she came back from the taxi, she had found Li Yun's information on the Internet, and she would definitely know which school he was going to.

Just when Tang Anxi thought that he would not be able to see Li Yun in the next three months, suddenly, his voice came from behind him, and then, a warm cloth was draped over her.

"Is it cold? Come on, put on this one!"

Tang Anxi turned around and looked at Li Yun blankly. After a while, she suddenly rushed over. With tears, Tang Anxi hugged him tightly with excitement.

"Li Yun, really? Me, am I not dreaming, am I?"

"Ahem!"

Li Yun was a little embarrassed. He said an hour ago that he would have a chance to see each other again, but he didn't expect that because of the puppet Taoist, the two immediately met again.

There is a feeling of lifting a rock and hitting one's own foot. The feet hurt and the eggs hurt.

"Hee hee~" Tang Anxi showed a shy smile like a girl, staring at Li Yun's eyes, expecting and saying shyly: "Do you want to be with me tonight... and me? Okay, I still Chu Neo, even the first kiss is still there. When I was working in ktv, I took good care of myself, not to those messy people..."

"An Hee!!"

Li Yun nodded her smooth forehead dumbly, Tang Anxi closed her mouth obediently, staring at him, waiting for his words.

"I have something to do this time." Li Yun lowered his voice, "Remember Liu Ye?"

"Well, what happened to him?"

"Let's talk about it when we enter the community."

Li Yun was worried that the Taoist puppet came to the community and would not dare to appear after seeing him, so he went in first and waited for the Taoist puppet to appear before subduing him with thunder!

"it is good!"

Tang Anxi agreed, but she still stared at Li Yun shinningly, and suddenly asked: "Li Yun, don't you hate me? Will you dislike me as a princess KTV?"

"What do you think, no!" Li Yun said with certainty: "I know that you can protect yourself by being clean."

"That....."

Tang Anxi's voice trembled slightly, and an intoxicating blush appeared on her sweet face again. She stood on her tiptoes and put her arms around Li Yun's neck, making him lower her head. Then, Tang Anxi quickly touched Li Yun's mouth. Got a kiss.

The little cherry mouth of the girl smeared lipstick, sweet and touching, revealing a scent of fragrance, Li Yun couldn't help but feel stunned.

"This...this is my first kiss."

Tang Anxi only kissed, and then separated, biting her blushing lips, her eyes filled with tenderness, as if she was drunk, and said: "We didn't say that before, I will definitely make you like it when we meet again. Me, do I want to be one of your girlfriends? So... Li Yun, I like you very much!"

The confession again was not because of Tang Anxi's boldness and enthusiasm, but because she was already full of excitement after seeing Li Yun again, and she couldn't help saying this.

Chapter 837: Calm the soul

Li Yun was moved in his heart and stretched out his fingers to gently stroke Tang Anxi's red lips, and this princess Anxi, who was coveted by countless people, stood blushing in front of him, accepting Li Yun's slightly darker lips. action.

"Ahem!" Li Yun came back to his senses and said with a serious face: "It's not the time to talk about this, let's advance to the community."

"Ding, the host makes a choice and rewards the white gift bag*3. Congratulations to the host for getting Tang Anxi's first kiss and her strong emotions. The host can do intimate things at will."

Li Yun: "..."

The hint of the cheating system is superfluous. He believes that Tang Anxi's just kiss was the first kiss.

"Well, listen to you~."

Tang Anxi took the initiative to hold Li Yun's hand and jumped into the community. She had never been so happy.

The old security guard in the security booth looked at her in surprise. This Tang Anxi also knew that when she went to school every morning, she was wearing a plain school uniform with a cold and gloomy expression, which seemed to have a lingering shadow.

But when she comes back from school at night, she will put on a beautiful and fashionable dress and take a taxi to leave.

Tang Anxi is beautiful, and she is also a small celebrity in the community. The residents who have seen me remember this beautiful girl.

The contrast between the two dresses makes people wonder. Over time, rumors swarmed.

The aunts, grandpas and aunts in the small area secretly talked behind their backs during small chats. Tang Anxi might do that kind of work.

Or it was simply being taken care of by others, but they didn't see the godfather behind them, and everyone was not sure.

"strangeness."

The old security guard looked at Li Yun, then looked back at the jeep in front of the community, "This young man drove a good car, did he fall in love with Tang Anxi? Tsk tsk, this young man is afraid he was cheated!"

Just as the old security guard felt sorry for Li Yun, an old man with a thin body and a slightly obscene look came over and asked him in a low voice, "Which building is Tang Anxi's residence?"

This sentence was not polite, the old security guard's face sank, and he was about to get angry, but suddenly met his eyes.

For an instant, the old security guard was struck by lightning and involuntarily pointed to the distant road: "She just left, walking with a man."

"Batch!!"

Hearing this, the thin old man cursed fiercely and quickly stepped into the community.

The old security guard was stunned for a long time before he came over to wipe the cold sweat on his forehead, but he felt trembling all over, as if a rabbit had encountered a beast, and he was born with a sense of fear.

Sudden.

"Soothe the nerves and calm the soul."

A beautiful sound, like heavenly music, entered the old security guard's ears, instantly dispelling the coldness of his whole body, and his body was as warm as a stove, and extremely comfortable.

"This....."

The old security guard looked at the woman who walked into the community in a white dress in surprise. What did she say?

"Is she... a fairy?"

The old security guard looked at her back, more and more surprised.

He has worked as a security guard for 30 years, and Tang Anxi is already the most beautiful woman he has ever seen, more beautiful than the star on TV.

But the woman in the white dress who walked into the community was only a back figure, and her long black hair hanging behind her, that kind of fluttering temperament, made the old security guard dare to conclude that this fairy must be better than Tang Anxi. Many times beautiful!

"he came."

Li Yun entered the small garden in the community, and received a message from Fanqing Sheng before he went far.

Chapter 838: Puppet Taoist

Divine Sense unfolded in an instant. After sensing the people behind him, Li Yun led Tang Anxi into the garden of the community, where it was blocked by a few big trees.

There are no street lights here, and the eyes of the people upstairs are blocked by leaves, just for the fight!

"Anxi, wait for you to stay away."

Li Yun whispered to Tang Anxi, he always called her An Xi unconsciously, and the pronunciation was the same as An Xi, and it was estimated that Tang Anxi would not be able to hear it.

"Um."

Realizing that the danger was approaching, Tang Anxi nodded obediently and hid behind Li Yun.

"Hehe, it really is your kid!!"

As the people approached slowly, Li Yun looked at him with a stern look. The man in front of him was probably in his fifties, with gray hair and a small moustache, which looked like an ancient master's dress.

"Ding, the host makes a choice, traces the puppet Taoist real body, rewards experience value +500,000, all attributes +1000, purple gift bag*2."

The system gives a reward for the previously selected event, and then prompts another selected event equivalent to a free gift.

"Ding, trigger the option event, please choose from the host:

Option 1: Kill the puppet Taoist, reward justice value + 15,000, experience value + 1 million, all attributes + 2000, golden gift bag*1.

Option 2: Do nothing, no reward. "

There are only two choices, and only one reward, and fools know which one to choose.

"Are you a puppet Taoist?" Li Yun asked calmly, the old man in front of him has become a golden lottery machine in his eyes!

The visitor was taken aback for a moment, and then burst into laughter: "Jie Jie Jie, your kid actually knows the name of the old man? It seems that the saint of the Hidden Sacred Valley is not entirely an idiot!"

As the Taoist puppet said, he stretched out his dark red tongue and licked his lips. He seemed to think of the beauty of the saint in the white dress at the time, and looked disgusting that he wanted to make her surrender.

"No." Li Yun shook his head, "You are an idiot!"

"Huh! I'm an idiot? Do you think your little boy is the real opponent of the old man? Or do you want to say that the saint is behind me? What a joke!"

The Taoist puppet snorted coldly. Before he appeared, he had carefully searched the surroundings with his divine mind, and there was no figure of the saint.

In fact, there is no need to search at all. The holy woman of the Hidden Sacred Valley has a noble status, so how can she come out with this kid to ambush?

Thinking that he was winning, the puppet Taoist stared at Tang Anxi with wicked eyes, and had already lewd her inwardly for countless times.

"Li Yun."

Tang Anxi, who was hiding behind him, was very nervous. The conversation between the two made her confused. What kind of saint, what kind of puppet Taoist, this kind of strange conversation made her very uneasy.

"It's okay, let's see how I deal with him!"

Li Yun smiled faintly, stretched out two fingers, and said: "I want to correct you two things. First, you are not my opponent. Second, the saint of the Hidden Sacred Valley is really behind you!"

"what!?"

Although the puppet Taoist is fully sure that the honorable saint will not follow Li Yun, he can't help but turn his head when he hears this sentence. After all, from the strength of the saint of the six demon gates, plus beheading him with the sword of the puppet corpse, it can be inferred that the strength of the saint of the Hidden Sacred Valley is definitely not bad!

The back is empty.

"Huh!" The Taoist puppet only felt cold sweat oozing out of his forehead, which showed the great pressure that the saint had put on him.

"Boy, hand over the woman behind you!"

The Taoist puppet decided to make a quick battle, pinched his hands and noticed, and muttered a word in his mouth, a yin wind whistled suddenly.

at this time.

Chapter 839: Tie the fairy rope

A rope flew over abruptly, and when everyone couldn't respond, it quickly circled the Taoist puppet three times.

The picture seems to be still at this moment.

The spell that the Taoist puppet had just issued was forcibly terminated, and the howling wind subsided, and his whole body was stunned.

"This is the immortal rope?"

A magic weapon name flashed in the puppet Taoist's mind that was enough to shock him.

It is said that the immortal binding rope of the Hidden Sacred Valley is a peerless immortal tool handed down from ancient times. You only need to chant a spell and the immortal rope can lock the target. No matter how strong the opponent is, you can't get out of the shackles of the immortal rope!

"escape!"

Now the puppet Taoist has only one thought in his mind. He has summed up his whole body of mana and is bound by the immortal rope. He can no longer cast any spells, and can only use brute force to fight against the ***** of the rope.

"Om!"

A powerful wave of air erupted from the puppet Taoist, blowing the leaves around it, and Li Yun squinted his eyes to see a bright yellow radiance from the immortal rope, which tied the puppet Taoist tighter and tighter. In the end, the puppet Taoist muscles Exhausted, sat down on the ground, panting and cursing:

"The ***** of the Hidden Sacred Valley, you must die!!"

Tang Anxi was stupid.

What did she see?

A luminous rope flew over and silently bound the old ghost in front of her. Such a mysterious scene completely broke her previous view of the world.

"Snapped!"

Li Yun slapped it unceremoniously, and the puppet Taoist face blossomed. What made him even more desperate was that there was a rope tied to his body and his hands were bound. It was completely impossible to fight back. He could only wait to die!

"If your mouth is not clean, be careful I will knock out your teeth!"

Li Yun was cold, the puppet Taoist in front of him killed at least two people, one was a passerby in Longyang County and the other was Liu Ye.

These are only the two that Li Yun knows. I don't know how many people killed by the puppet Taoist secretly. He still has the face to scold the Sage Fan Qing?

"Li Yun."

Saint Fanqing walked out from behind a tree, still maintaining a calm expression on his beautiful face, without the slightest wave of waves.

Tang Anxi turned her head to look, her mind was struck by lightning in an instant, and her whole person was frozen in place.

She saw a fairy walking down from above the nine heavens!

"What a nice view!"

The white skirt wins the snow, and the temperament is like a fairy, noble and cold, without a trace of world dust.

Tang Anxi believed that her appearance was not bad. From a young age, countless people praised her for her beauty. When she grew up, she was looked at with coveted eyes by countless men.

All of this gave her a kind of pride that belongs to a beautiful woman. She felt that if she could enter the entertainment circle, she could win the title of a young lady just by virtue of her appearance.

But her proud appearance was completely vulnerable to this fairy, no matter what it was, the other party completely crushed her!

Body, dress, temperament, looks, even the voice she spoke just now was countless times more beautiful than her!

The fairy in front of you is perfect!

"Master Saint is really amazing!"

Li Yun jokingly gave a thumbs up to Fan Qingsheng, and he was indeed shocked just now.

There is no fancy light and shadow special effects, no thunder and lightning, no sword light overflowing, and no spell competition of overwhelming.

Quietly, the immortal rope tied the puppet Taoist neatly, leaving him with no resistance!

Perhaps, the real fairy law is like this.

Chapter 840: Just you want to use the radical method

The saint nodded reservedly and explained: "The immortal rope is in a sneak attack, and it works well when the opponent is weaker than me. If the opponent is prepared, it will be very difficult to achieve results."

"Tie the fairy rope? Isn't it to tie the fairy rope?" Li Yun smiled, but she was a little moved in her heart. She told him the secret of her magic weapon, which was tantamount to trusting Li Yun incomparably.

In addition, Li Yun naturally heard about the immortal ropes in myths and legends. Legends say they are powerful magic weapons that even immortals can bind.

"No, it's called bound immortal rope."

"Oh, maybe it was forged by later generations."

Li Yun was not surprised. The magic weapon in myths and legends is vast, and it is normal for future generations to copy them.

Besides, he also opened a counterfeit in the gift bag of the system. The counterfeit of Pluto's weapon in Western legend, called the golden double-stranded fork, was given to Princess Alice.

"Puppet Taoist, what else do you want to say?"

Li Yun looked at the tied puppet Taoist. This guy had been staring at Fan Qingsheng with wicked eyes, as if he knew that he could not escape, so he broke the jar and had an addiction before he died.

"Say? Say what?"

The puppet Taoist laughed lasciviously, "How did the old man kill your disciples in the Hidden Sacred Valley, or how many beautiful women did the old man play with? Oh, yes, seventy years ago, the old man used to play Zhonghai City's celebrity at the time, called What little fairy, there is a singer who played in the brothel ninety years ago, named Qinghehua, tusk, these are first-class beauties, not much worse than your Princess Anxi! Hehe!"

Tang Anxi had a shocked expression on her face.

Ninety years ago? How old is this person this year?

Snapped!

Li Yun slapped calmly, and the puppet Taoist rolled around on the spot, his mouth full of blood.

"Dare to talk nonsense and break your leg!"

Li Yun said in a deep voice, "What we want to ask is Concubine Wan Qing, or the recent activities of the Six Demon Gates in Zhonghai City, what is their purpose?!"

"

"Haha." The Taoist puppet spit out a ***** tooth that had been destroyed, and sneered at Saint Fan Qing: "You are the saint of the Hidden Sacred Valley? My demon door knew that you came out for activities three years ago, and knows that you are so cheap. People must..."

boom!

Li Yun shot again, slammed his hand off with one foot, and said calmly: "No more disrespect to Lord Saint, be careful of your dog's life."

Killing decisively and vigorously.

Tang Anxi was breathing quickly, and she felt that she had seen another side of the world that was not well known. She knew too little about Li Yun.

"Humph!"

The Taoist puppet was full of blood, and smiled grimly: "How about a bitch? The old man scolded you. If you have the ability, you can go with me to the saint of my magic door, and let the saint and your ***** face-to-face confrontation!"

Sage Fanqing glanced at him and refused: "No, I won't meet with Concubine Wan Qing yet."

"so it is."

Li Yun nodded, raised his foot unceremoniously, and stepped off one of the puppet Taoist's thighs. At the same time, he said: "Puppet Taoist, you are full of women in your head, so you can also use the radical method? Advise you to be honest. Point, don't mess with tricks!"

Being spotted face-to-face with his own strategy, the sneer that the Taoist puppet had always maintained before finally couldn't hold up, and he began to beg for mercy.

"Master Saint, I surrender, I am willing to return to the hidden valley, as long as you don't kill me, you can say anything!"

"I practice only for women, as long as you give me beautiful women, I can be your dog as a saint! There is no betrayal!"
