

## Goodnight 1311

### [Chapter 1311](#)

1311 Let's negotiate

The royal family was in a mess.

This morning, Rou city's Zhou Lao su was having his breakfast. He didn't expect to suddenly spit a mouthful of turbid blood on the face of the person opposite him. After that, he fell into a coma and still hadn't woken up.

The entire elite medical team of snow orchid was gathered in the royal family.

However, half an hour passed, and there was no effect at all!

"Trash! You're all a bunch of trash!"

Xue LAN SU's eyes were wide open in anger, and the others were silent, not even daring to breathe loudly, for fear of being implicated.

"Quickly go to the Li family and invite miss Lin over!"

The great wangfei was not angry, but she was mighty. It was not difficult to detect the majesty in her words.

"I'll see who dares!"

The second Princess Consort's voice was sharp and piercing. It was obvious that she was suppressing her anger.

"If something happens to old su when he's not around, will the second Princess Consort be responsible?"

The great wangfei coldly swept her gaze over, her eyes full of confidence.

"Su dan! Lin xiaojiu had said three days ago that nothing would happen to elder su, and today, he really did. How could there be such a coincidence in this world? I think it was Lin xiaojiu who poisoned it!"

The second Princess Consort's eyes were filled with tears as she looked at the Furious Su dan with tender affection.

"Poison? Didn't old su do many examinations in the past three days? If someone could really poison him under our eyes, I'm afraid that the entire security system of our royal family would have to be replaced!"

The first wangfei laughed coldly.

"Enough!"

Su Buyi was having a headache.

Now, the people around old su were insisting that it was their problem. If this news were to spread back to Rou City State ...

The consequences would be unimaginable!

Three days later, he would be in trouble.

So, why don't we settle today's matter three days later?

"Go to the Li family and bring him here!"

His eyes were dark as he finally spoke.

"No need!"

Zhan Nanheng's doll-like face, which was well-known in country G, appeared in front of everyone's eyes.

Second Prince farrick, who had been standing in the corner the entire time, subconsciously straightened his back when he saw this, as if he was afraid that he would be defeated by Zhan Nanheng.

However, everyone's eyes subconsciously looked behind Zhan Nanheng.

And over there, the main character who had caused the first and second wangfei to argue was looking at everything in front of him with an expression that was not a smile.

It was just like three days ago!

The second consort abruptly turned to look at the first consort. She was wondering why she didn't see Eric this morning. So it turned out that he had been waiting here since early in the morning!

'Damn it!'

"The second Princess Consort doesn't look too good."

Lin Hanxing, who had had a good night's sleep last night, looked very good in her ash-gray chiffon off-shoulder long dress. On the other hand, the second Princess Consort, who had not slept all night, looked aged and aged.

"You came to my house and made a scene yesterday. How can I look good?"

The second Princess Consort snorted coldly.

Looking at that porcelain white and clear face, she couldn't help but get angry.

If she had known that Lin xiaojiu was such a difficult person to deal with, she would never have agreed to go against her no matter what the people in the capital said. Now, even her family was implicated!

Lin Hanxing smiled without saying a word, his eyes full of ridicule.

Lin Hanxing did not continue to argue with the second Princess Consort and turned to look at su bu, who had a dark expression on his face.

Before he could say anything, the door was pushed open from the inside.

The eyes of old su bu's confidant, who had been guarding Rou city, lit up the moment he saw Lin Hanxing. He rushed towards her at an extremely fast speed, obviously waiting for a long time.

"Miss Lin ..."

Before he could finish, Lin Hanxing raised his hand to stop him.

“Su bu, please.”

Lin Hanxing opened his palm and looked at the half-closed door.

Her actions were beyond everyone’s expectations. Even su bu was a little confused.

“Me?”

Su bu raised her eyebrows.

before dealing with this matter, let’s make a negotiation first.

As soon as Lin Hanxing finished speaking, the atmosphere in the room suddenly changed, especially the confidants of old su bu in Rou city. The blood vessels on their foreheads began to expand at a speed visible to the naked eye.

“Miss Lin!”

Just as the other party was about to explode, Lin Hanxing turned to look in the direction of the person who spoke.

He slowly put a finger on his lips and whispered.

“I can hear you. You don’t have to be so loud.”

Her voice was as calm as ever, as if the person lying inside the door could not be moved no matter how noble his status was.

“I said, let’s negotiate first!”

“Hehe, what big words! And you said you didn’t poison old su? Otherwise, how can you be so sure that you can save her before you even see her?”

This time, even su bu narrowed his eyes at Lin Hanxing.

actually, there’s another person here who can handle old SU’s problem.

Lin Hanxing’s expression was relaxed.

vomiting blood and falling unconscious? doesn’t that sound familiar? ”

Lin Hanxing looked at the second Princess Consort and spoke unhurriedly. The second Princess Consort was stunned at first, then her pupils constricted.

However, he quickly returned to normal.

“Who is it? Who is it?”

Old SU’s confidant spoke at an obviously faster speed, and there was a sense of urgency between his brows.

Lin Hanxing retracted his gaze from the second Princess Consort’s face. He rubbed his fingers against her face and the corners of his mouth curled up slightly.

“Even if I tell them, they won’t admit it. Besides ...”

She had a hidden meaning in her words.

“It’s also not something you can touch!”

“Impudent!”

Second Prince farrick suddenly exploded, and he looked like he wanted to swallow this thorn in his side alive.

“Lin, we don’t even know if old su is Dead or Alive. How dare you use this to negotiate with Rou Cheng? Who are you risking your life for? Who is it ...”

Before second Prince farrick could finish his sentence, he felt a thunderous force kick his tailbone. He was caught off guard and fell to the ground.

“Who is it!”

Cold sweat broke out on his forehead. The moment he turned his head, the first thing he saw was Thunder valiant beast’s expressionless face!

It was cold and murderous.

“You’re too noisy!”

The Thunder valiant beast’s actions made the guards who were standing around him charge forward, but with a single look from the Thunder valiant beast, all of them stopped.

Su not only felt his forehead throbbing, but he also had a splitting headache.

don’t waste any more time. Once we’re done, you’ll get the result of everything you want.

Lin Hanxing did not hide his impatience. After he finished speaking, he took the lead and walked towards the room that he had pointed out.

It was only when she was about to reach the door that she seemed to have thought of something and stopped in her tracks.

He turned his head and looked at the second wangfei, who was preparing to follow su bu.

“Second Princess Consort, please wait.”

Lin Hanxing used his fingertips to tap on the floor in front of the second Princess Consort. The ridicule in his eyes made it seem as if he had only been joking, but the unquestionable tone in his cold words was obvious.

After su bu and old su bu’s confidants entered the room, the second Princess Consort suddenly swept the vase beside her to the ground!

With a “pa” sound, it shattered into pieces!

[Chapter 1312](#)

1312 There are some things that you and I both know

In the room.

The doctors who had been arguing with each other suddenly stopped, and they looked at the person who had just arrived at the door.

“Tell them to leave first.”

Lin Hanxing said coldly. He then ignored the bloody smell that filled the room and sat down lazily.

“Preposterous! Old su is in a critical situation right now. We can’t afford to waste any time!”

The leading doctor arrogantly refuted.

“You’ve been discussing for so long. What’s the result?”

With one hand supporting his chin, Lin Hanxing’s question was extremely impolite, causing the elites’ expressions to turn ugly.

Indeed.

From the time old SU’s illness didn’t act up until now, they were helpless!

They couldn’t even find the cause. Moreover, since three days ago, in order to prevent any accidents from happening today, they had been closely monitoring old SU’s physical indicators and reported them every day!

He did not expect that something would happen today!

“Get out!”

Xuelan province’s Su bu’s expression was stern, his voice unquestionable.

Soon, the suite was cleared and it became quiet.

“Miss Lin, can you tell us what’s wrong with old Su now?”

Su bu took a deep breath and suppressed his anger.

“Oh.”

Lin Hanxing casually pointed in the direction of sacred hands.

“Sacred hands.”

“Old su doesn’t have any other problems.”

Sacred hands said with a smile.

“Nonsense!”

Old SU’s trusted aide snorted coldly, his face full of disappointment.

“What’s the hurry? he hasn’t finished.”

Lin Hanxing saw the disappointment on the other party's face, but he remained silent.

"He's just poisoned."

As soon as sacred hands said this, the entire place fell silent.

this poison is originally from Thailand. There won't be any changes to the body at the beginning of the poison, but within three days, the person will vomit blood and fall into a deep coma. Then, they will die without any medicine!

The most important thing was that there was a gap of a few days between the poisoning and the onset of the illness. It would be extremely difficult to turn around and find out who the poisoner was.

"You have a way to detoxify it?"

Old SU's confidant took a few steps forward with an excited expression.

Sacred hands remained silent.

He turned to look in Lin Hanxing's direction.

The meaning was obvious.

"Su, what are you thinking about?"

Lin Hanxing temporarily ignored Rou Cheng, old su bu, and the other confidants. He still maintained his posture with one hand supporting his chin and looked at su bu.

She could vaguely see traces of Zhan Nanheng on his face.

"I'm thinking about your conditions."

Su bu finally understood. From the moment the three-day promise was confirmed, Lin xiaojiu had been playing a big game of chess. Before he could react, he had stepped into her game.

"Actually, my condition is very simple."

Lin Hanxing slowly extended two fingers to su bu.

"First, I want a person's life."

"Second, I want something from your royal family."

She said it so casually, but every sentence made the veins on su bu's forehead pop out.

He had to admit that it had been a long time since he had seen such a bold young man since he had been promoted to a high position. For a moment, su bu even felt a little regretful ...

This Lin xiaojiu was a woman!

If he was born as a man, if he was born in Xuelan, he would definitely be a pillar of support!

"Whose life do you want? What do you want?"

Su bu's voice was dark and gloomy.

“Can’t su guess whose life I want?”

The higher one’s position was, the more one knew how to play dumb.

“Can I take it as you are threatening me?”

“If I really wanted to threaten you, I would have used another thing.”

Lin Hanxing smiled.

of course, you can choose not to agree, and I can choose not to save them. After all, they are more prepared than anyone for this kind of thing to happen.

As she spoke, she pointed at Rou Cheng, old SU’s trusted aide. This action stunned the other party at first, and then his face was filled with anger. The next second, he exploded.

“You mean we poisoned him?”

Lin Hanxing turned to look at the person who spoke with a half-smile.

“What do you mean by this!”

The confidant was already filled with anger, and now he was even more furious.

“She means that old su didn’t swallow the poison himself.”

The Thunder valiant beast’s voice rang out when everyone was caught off guard.

This time, su bu’s gaze suddenly fell on the two of them. He narrowed his eyes slightly, as if trying to determine the truth of these words.

“Why did he do that?”

The relationship between Xuelan province and Rou city province was complicated. Although old su had already abdicated, there was no need for him to do something that would harm others without benefiting himself.

“Because from the very beginning, they were looking for someone who could cure the poison.”

The room was dead silent.

“You mean that old su didn’t come to me to swallow the poison because he wanted to find someone who could detoxify it? isn’t the risk a little too big? I can’t help but be suspicious!”

Hearing this, Lin Hanxing raised his head and met su bu’s gaze.

“There are some things that you and I both know.”

Why didn’t old su choose Xue LAN?

Because the second Princess Consort was here.

The second Princess Consort, shamajia, was the sister of the second Princess Consort of Rou city. Once old su was not in Xuelan, the entire Xuelan would be implicated, and the consequences would be unimaginable.

Therefore, su would definitely try his best to find talents in country G.

It would be fine if the poison could be cured, but if old su did not die in the snow orchid ...

Lin Hanxing's long eyelashes fluttered.

Old su must have already determined that the first Prince's matter was related to that person, or else he would not have used such a method to put himself in danger.

If he lived, the first Prince could live as well.

Otherwise, they might as well leave together.

The grandfather and grandson's relationship was so deep that it was presumably something that those people had not expected.

However, these words could not be said in the open.

"You really can ..."

At this moment, old SU's trusted aide had a cautious expression on his face.

I've already said that old SU's life is not guaranteed. It's related to his decision.

Lin Hanxing's intentions were clear.

if nothing happened to old su, do you really think you can leave this place alive? "

"You won't let me face such a situation."

Her ink-black hair cascaded down as she tilted her head. There was no emotion in her languid voice, but her eyes were clear and penetrating.

"What makes you think I'll agree to it?"

just Eric.

Between the question and answer, it was like an invisible push-and-pull game.

"Or rather, you don't have long to live."

It was as if a bomb had just exploded on the spot. This time, even old su bu's accompanying confidants couldn't help but turn to look at su bu of Xuelan province in shock. This matter ...

Was it true?

Everyone knew that the five year term of the Supreme ruler would end in half a year. A long time ago, snoworchid province's Su had already been designated as the next candidate, which was why the battle for the Crown Prince was so important!

However, no one had expected that Xue Lan's eldest Prince would die in such a way, and no one had expected ...

There was actually another hidden story behind it!

If others knew about this ...

### [Chapter 1313](#)

1313 Was it a coincidence, or was it the result of him secretly letting it go?

“Do you know what you’re saying?”

Su bu’s expression was strange and unfathomable as he stared at Lin Hanxing. Even Yuan Kang, who had been standing silently at the side, could feel the silent contest that was hidden in the air.

“If you’re worried that they’ll tell others, you don’t have to.”

If she didn’t have the confidence to control the situation, she wouldn’t have directly exposed this matter here.

Upon hearing this, old SU’s trusted aide held his breath.

Even if she was just a little girl in their eyes, the feeling of suffocation as if something invisible was stuck in their throats still made them feel uncomfortable.

“Now, it’s your turn to choose.”

Lin Hanxing threw the question back to Su bu.

The sound of rapid vomiting of blood came from the suite’s cubicle again, and the smell of blood gradually filled the air.

“Su bu!”

The accompanying confidant spoke anxiously, as if every minute and second wasted was old SU’s life.

“Save him!”

A moment later, su bu finally made a compromise.

Lin Hanxing’s lips slowly curved into a smile, and his eyes indicated to sacred hands.

“Don’t just stand there, come in with me and give me a hand.”

Sacred hands picked up Yuan Kang by the back of his collar and walked into the inner room. Old SU’s confidants followed him anxiously.

The space outside the cubicle became empty.

you said you wanted something from the royal family. What is it? ”

To Lin Hanxing’s surprise, su Buyi brought up another topic.

the bronze snake head of the twelve zodiacs.

“Only this?”

Hearing this, su bu’s expression was one of shock, and he even subconsciously looked in the direction of the Thunder valiant beast, as if to confirm.

He had thought that she would want more things after going through so much, but he had never thought that what she wanted was just something that was dispensable to him.

“What else?”

Lin Hanxing raised his eyebrows and asked.

Whatever she wanted, she could fight for it herself. If she couldn't, there was still ah Xiao.

But what did he have that was worth risking his life for?

I thought you would want to stay with Eric ...

Before he could finish his sentence, the air in the room seemed to freeze in an instant. Lei Xiao's face was cold and hard, and there was no expression on his ice-like face, but it was enough to make people feel his dissatisfaction.

you can be at ease. I'm only interested in my man!

Even though Lin Hanxing did not look at Lei Xiao, his raised hand still landed on the back of his hand precisely, comforting his fluctuating emotions.

Thunder valiant beast's expression finally stopped looking ugly.

I can give it to you. I can even help you with anything you want to do. However, there's one thing that I hope you can help me with.

Su bu quickly regained his usual calm, his eyes deep.

Lin Hanxing did not say anything and waited for the other party to continue.

I hope that the yuan Corporation behind you will stand on Eric's side!

Lin Hanxing laughed.

“I thought you knew nothing about the things that the second Princess Consort had done.”

Now, it seemed that it might not be the case.

“She's too ambitious.”

Su bu sneered.

“And your heart is ruthless enough.”

Since he knew what the second Princess Consort might do, he chose to turn a blind eye and let the first princess Consort be imprisoned, so he had no choice but to find Eric and keep him by his side ...

Was all of this a coincidence, or was it the result of him secretly allowing it to happen ...

Even Lin Hanxing found it hard to guess how ruthless this man could be!

[Chapter 1314](#)

1314 Yes, just do it!

Outside the door, everyone was staring at the door.

They all had different expressions.

The great wangfei sat gracefully on one side.

Since she turned the tables in the fight for the Crown Prince at the cabinet meeting, she had dealt with the traitors exposed by her side during the crisis in a short time and returned to the peak of power from a person who was about to die.

On the other hand, the second Princess Consort, who was sitting opposite her, seemed to be lost in her thoughts.

Her nails dug into the flesh between her fingers.

The second Prince, farrick, glared at Zhan Nanheng.

It was as if she wanted him to die on the spot before she was truly satisfied.

Suddenly, the door that had been tightly shut opened.

The second Princess Consort stood up reflexively and took a few steps in the direction of the open door. She came back to her senses and stopped.

“How’s the situation?”

“Su won’t let the people outside in!”

He didn’t waste any more words.

After the waiter finished speaking, he turned around and walked past these people to continue giving orders to the guards in a low voice.

However, the people who were walking in with their own ulterior motives did not notice his action. Naturally, they did not notice the surprised expression on the Guard’s face when he heard the order ...

.....

Twenty minutes later.

In the suite.

Old SU’s face was as pale as a sheet of paper, and he looked like he was about to die at any moment.

The second Princess Consort poked her head in without any manners.

When he saw the scene on the bed, he immediately sneered in Lin Hanxing’s direction.

I thought you had a lot of ability. It turns out that you’re just so-so!

His words were aggressive, but Lin Hanxing did not care. He was counting the time in his mind, but his eyes fell on Lei Xiao.

Ever since su bu had said those words, although he had temporarily suppressed his anger, the atmosphere around him was still gloomy.

The words 'Do Not Disturb' could be seen on his face.

While no one was paying attention, Lin Hanxing secretly squeezed Lei Xiao's palm. When he turned his gaze over, he pretended that nothing had happened and turned his head away.

The great wangfei's eyes swept over old su, deep in thought.

While everyone was harboring evil intentions, a strange smell suddenly spread in the air.

Soon, someone came in with a bowl of black soup. Everyone suddenly realized that it was the smell of Chinese medicine.

"Feed him."

Lin Hanxing ordered without even blinking.

The sacred hand stopped old SU's confidant. He took the bowl with one hand and supported old su with the other. With a skillful move, he poured the black medicinal soup into his mouth.

No one knew what method he used, but not a single drop was exposed.

The second Princess Consort snorted coldly in a bad mood.

Did Lin xiaojiu ask them to come in to see if old su was drinking his medicine?

Just as he was thinking about this, he saw old SU's chest churn, as if he was about to vomit.

Sacred hands jumped away with the bowl.

It happened to expose the second Princess Consort, who was standing beside him, and then she gave Yuan Kang a look.

There was a pfft sound ...

Old SU's mouth was filled with a mouthful of blood, and he spat it out in the direction of the second Princess Consort.

The latter didn't react in time and was sprayed with blood!

"No, old su!"

"Old su, no!"

"Ah ... Ah ah ah ah ..."

The second Princess Consort suddenly screamed and covered her face with her hands as if she couldn't believe it. However, this action pushed away the blood that had sprayed on her face and wiped it all over her face!

Lin xiaojiu, How dare you!

In the midst of the chaos, the second wangfei's exasperated voice was even more abrupt!

you actually dared to poison old su in public!!

The second Princess Consort glared at him.

In a split second, the words that she blurted out had already changed into another sentence.

Regardless of whether old su was poisoned or died here, he would have caused her a lot of trouble. However, things were different now that Lin xiaojiu had made a move.

Didn't she like to be in the limelight?

Didn't she say that she was confident that she could save old su?

Didn't she use this to threaten the royal family?

Now that elder su had really died here, all he had to do was push all the blame onto Lin xiaojiu, and all the problems would be solved!

The more she thought about it, the happier she was.

Right!

Just do this!

"What did you give old su to drink? Did you put poison in it?"

The second Princess Consort rushed forward and snatched the bowl of medicine from him. Her voice rose three times in an instant, and it was piercing to the ears.

Second Prince farrick also reacted and immediately signaled the guards to arrest Lin Hanxing and his group!

"I'll see who dares!"

Lei Xiao, who was already in a bad mood, seemed to have reached a critical point of coldness. His Hawk-like eyes looked around, and the first one who stepped forward was kicked to the ground by him!

It was simple and brutal!

plotting against the royal family is the same as disobedience. Why wouldn't I dare? "

The second Princess Consort was in a hurry to convict Lin xiaojiu of his crime, so she threw one high hat after another at the other party. It was as if she didn't even want the other party to say another word before she splattered her blood all over the place.

Suddenly ...

The crisp sound of "pa, pa, pa, pa" rang in everyone's ears.

Following the direction of the voice, they saw Lin Hanxing walking out from behind Lei min, clapping his hands as he walked!

"What a good" plotting against the royal family," equivalent to disobedience!"

As Lin Hanxing moved, the ash-gray chiffon dress fluttered by her feet.

“Now, I want to ask the second Princess Consort, if she really conspire against the royal family, what crime should she be punished for?”

Lin Hanxing’s cold face was emotionless, as if he did not care about the second Princess Consort’s slander.

“Death penalty!”

When the two words came out of the second Princess Consort’s bloody and ferocious mouth, no one noticed the trace of mockery and deep glint in Lin Hanxing’s eyes.

“There’s no room for discussion?”

Lin Hanxing asked again.

su bu, old su is still alive. Please give Rou Cheng an explanation!

Old SU’s confidant’s face was filled with hatred, and his expression made the second Princess Consort secretly happy. She thought that she could really use this opportunity to take Lin xiaojiu down!

If Lin xiaojiu were to fall, the Li family’s tin mine ...

And the yuan family, wouldn’t they all be within her reach?

“No, su, I think this matter ...”

“Great wangfei, don’t shield a sinner!”

Without waiting for the first wangfei to finish speaking, the second wangfei had already turned her head to look, and even her eyes were filled with viciousness!

“If that’s the case, then su, just give the order!”

Lin Hanxing’s lips curved up slightly and he shook his head.

“Arrest him!”

Su buwei, who had been standing at the side, narrowed her dangerous eyes and suddenly raised her hand to signal to the guards. Just as the second Princess Consort was secretly rejoicing in her heart, the door of the suite was pushed open from the outside!

The second Princess Consort’s brother-in-law was brought in by the guards just like that!

He was tied up like a dumpling!

The smug smile on the second Princess Consort’s face suddenly stopped!

### [Chapter 1315](#)

1315 How can everything go according to one’s wishes

She didn’t seem to react for a long time and just looked at him in a daze.

The brother-in-law was forced to kneel on the ground. When he saw the second Princess Consort writhing wildly, his eyes were filled with fear and pleading. The arrogance and domineering attitude he had when he first met Lin Hanxing were all gone.

“Su, what do you mean?”

The second Princess Consort finally found her voice.

She had already noticed that the situation seemed to have deviated from her plan and was developing in an inestimable direction.

Su didn't say anything and just looked at her.

His eyes were unfamiliar and cold, and it made the second Princess Consort shiver unconsciously.

“Second Princess Consort, have you forgotten what you said just now?”

Lin Hanxing's lazy voice rang out in the dead silence.

Everyone looked at her.

Lin Hanxing walked over and picked up the empty bowl, weighing it in his hand.

“Plotting against the royal family is the same as disobeying!”

As soon as he finished speaking, a light and indifferent gaze swept over, but it pierced the deepest part of the second Princess Consort's heart!

“I'm talking about you!”

Although her scalp was numb, the second wangfei still spoke sternly.

“Me?”

Lin Hanxing raised his eyebrows and looked at the second Princess Consort's well-maintained face.

“I'm afraid that the second Princess Consort doesn't know about this.”

Lin Hanxing chuckled and shook his head. He glanced at his second Princess Consort's brother-in-law, who was kneeling on the ground and trembling, with a sympathetic look.

“The relationship between me and the second Princess Consort is probably already known by everyone in Xuelan province. At such a critical moment when old su is not seriously ill, I am naturally afraid of causing more trouble.”

“I want to make things worse for old su. However, I don't want anyone to take advantage of this opportunity to make things difficult for me. So, with Su Dan's consent ... ”

Her voice was as indifferent as ever, but her eyes were shockingly deep.

“I thought of a compromise!”

The second Princess Consort's heart skipped a beat.

Ever since she married into the royal family, she had never been so flustered.

su Bufa will send someone to get the various herbs from the hundred herbs shop that was banned three days ago. He will personally decoct them.

Lin Hanxing spoke extremely slowly as if he wanted the second Princess Consort to hear him clearly.

It seemed to be a sentence.

When the second Princess Consort's brother-in-law heard that he could brew medicine for old su, he was ecstatic. He thought that the opportunity to make him rich was coming, but who would have thought ...

What welcomed him was not a reward, but a beheading hell!

"From the beginning to the end, my people didn't touch this medicine at all."

Lin Hanxing's hand slanted, and the empty bowl fell to the ground.

Along with a crisp sound ...

The dust settled.

The second Princess Consort felt as if she had been struck by lightning. She could not believe what she had just heard!

The first wangfei, who had been worried before, finally heaved a sigh of relief and truly relaxed.

However, the great consort seemed to have thought of something very quickly, and her eyes swept over Su dan.

"You're talking nonsense!"

The second Princess Consort said through gritted teeth. However, no matter how one listened to her voice, it sounded like she was struggling on her deathbed!

"Didn't su send people to watch the entire process?"

Lin Hanxing unhurriedly followed up with another attack, and it was really a white blade entering red blade coming out, without missing at all!

No one dared to speak.

On the other hand, sacred hands pouted.

This bunch of people wanted to plot against Lin xiaojiu, but how could that woman be moved by their little tricks?

Tsk tsk.

Of all the people the second Princess Consort could have offended, why did she have to offend that woman?

At this moment, the second Princess Consort's mind was completely blank.

Her usual sharp-tongued self couldn't even say half a word, as if someone had dug out her vocal cords!

She was weighing the pros and cons!

He had to weigh the situation and see if there was any possibility of turning the tables!

But in the end, her mind was in a mess.

“Take him away.”

Su bu finally opened his mouth, his voice incomparably majestic. There was no possibility of turning back.

When the second Princess Consort’s brother-in-law heard these three words, he obviously broke down. When the guards came forward to pull him away, he began to struggle madly. Because his mouth was gagged, only his wailing, which had changed his voice, could be heard.

The moment he opened the door, a gust of wind gushed in.

It was only now that the second Princess Consort realized that her back had turned cold.

She raised her head slowly and looked at Lin Hanxing, who was standing not far away.

The people around them were still looking at the second Princess Consort’s brother-in-law who was being dragged away and did not notice the undercurrent between the two women.

However, Lin Hanxing’s smile had disappeared.

He returned to his usual cold expression.

Then, without a word, he extended two fingers in the direction of the second Princess Consort.

The second one.

If hadier was the first, then this man was the second!

The second Princess Consort was terrified!

She took a step back. If it wasn’t for second Prince farrick supporting her, she would have collapsed on the ground!

This Lin xiaojiu ...

It was too terrifying!

.....

The farce ended just like that.

Soon, the room was cleared again, as if everything that had just happened was just a dream.

Lin Hanxing walked past Su dan and sat back down in his chair lazily.

On the bed, old su had opened his eyes again. His eyes were like torches, and there was no trace of fatigue.

“He easily killed a person, and he doesn’t even have the slightest change in expression.”

Old su did not speak.

Then, he turned his gaze back to the expressionless Thunder valiant beast.

“Mister Lei actually Pampers her like this?”

His tone could not hide his disapproval.

“Old su, you should be more worried about yourself.”

Lin Hanxing’s voice was calm, but his eyes were cold.

Obviously, she was unhappy that her man was being criticized by someone who had nothing to do with her.

“Don’t forget, you just used us.”

Old su did not mind her attitude.

“You’re wrong.”

Lin Hanxing replied indifferently.

“We’re just using each other.”

Only time would tell how reliable temporary allies were.

Rou city’s old su bu and Xue LAN su bu looked at each other. They could see the helplessness in each other’s eyes.

This girl was really ruthless.

“When can you leave for Rou city?”

Old SU’s expression turned serious. Even though his face was still pale, nothing was more important than his grandson’s life. He would never let the tragedy of Xue LAN repeat in Rou city!

The poison in his body had only been temporarily suppressed by sacred hands ‘medicine, and it had not been completely cured.

This was also Lin Hanxing’s backup plan.

“Temporarily not.”

Lin Hanxing replied directly.

“You ...”

Old SU’s confidant was furious and thought that Lin Hanxing was going back on his words!

“The time is not right!”

Lin Hanxing ignored old SU’s confidant, but his eyes looked past him and did not meet old SU’s.

Under such a gaze, old SU’s anger finally subsided.

Yes, it was still too early!

Even if he could save his grandson's life, there was no guarantee that there would not be a next time!

It was impossible to guard against!

"Is there no other way?"

With the current situation in Rou city, the second Princess Consort was practically dominating the entire city. Even he couldn't do anything about it.

"How can everything go according to one's wishes?"

Lin Hanxing chuckled and replied indifferently.

When she did things, even if she was 100% confident, she would be prepared for failure.

"Yeah, how can everything go according to one's wishes!"

Old su did not say.

"Oh, there's one more thing I want to ask of you, su."

Lin Hanxing seemed to have thought of something, and he turned to look at su bu.

"What?"

Su did not look at her.

"Don't kill that person for now."

That person was, of course, the second Princess Consort's brother-in-law.

"Why?"

Su didn't understand. Didn't he say he wanted that person's life?

"Release the news that he wants to personally explain some things to you in exchange for a chance to live."

Lin Hanxing said unhurriedly.

"When that time comes, someone will naturally make a move."

Su didn't say anything for a long time.

Su knew better than anyone else who this person in 'someone will do it' was.

In the past, that man had done many things for the second Princess Consort in private. If it was really exposed, not only the second Princess Consort ... But the entire senanda family might be in danger!

Therefore, for the sake of safety, the second Princess Consort would definitely make a move!

Using the enemy's hand to get rid of the enemy ...

She was really ruthless!

Yingluo, do you know what you're saying?

Yingluo, if you're worried that they'll tell others, you don't have to.

The scene just now appeared in his mind.

Now, it seemed like Lin xiaojiu was right. There was no need to worry that old SU's people would spread the news that he did not have long to live, because ...

She had never intended to help old su get rid of the poison from the beginning!

Su buzai sighed in his heart.

He was extremely glad that such a person was on Eric's side. Otherwise ...

.....

Lin Hanxing and the others walked out of the suite and came face to face with the second Princess Consort's men!

"Miss Lin, the second Princess Consort wants to talk to you in private."

The other party's voice was filled with fear. From the corner of his eyes, he sized up this woman who had gone crazy in the entire snowlan province in a short time. However, he did not dare to be too brazen.

"Alright," he said.

Just when the other party thought that Lin Hanxing would reject her, she did not expect Lin Hanxing to agree so readily.

Lin Hanxing gave Lei Qian a look, and the latter and Yuan kangsheng returned to the car.

"Miss Lin, this way please."

The second Princess Consort's people quickly gestured to the side and led the way.

Soon, Lin Hanxing saw the second Princess Consort.

"Get down."

It was not difficult to hear the tension in the second Princess Consort's voice.

When there were only the two of them left in the space, the second Princess Consort could no longer control her emotions. She took a few steps forward and stood in front of Lin Hanxing. Her eyes seemed to be on fire!

"What do you want? Lin xiaojiu, what do you want?"

She wished she could swallow her alive right now!

Lin Hanxing laughed and looked at the slightly ferocious face in front of him, his eyes full of sarcasm.

"The second Princess Consort's memory isn't that good!"

Before the second Princess Consort could reach out her hand, Lin Hanxing had already slapped it away.

“Didn’t I tell you before?”

With every word she said, Lin Hanxing took a step closer. The second Princess Consort was shocked by Lin Hanxing’s sudden aura and retreated.

“I’m going to make your house uneasy and never have a Day of Peace!”

Lin Hanxing smiled innocently, but the second Princess Consort knew that she was the most difficult person to deal with in the world ...

He did as he said!

“You clearly know that the one who really wants your life is that person!”

“Okay, then tell me who that person is.”

Lin Hanxing nonchalantly threw the question back at her!

### [Chapter 1316](#)

1316 That person is not someone you can afford to offend

The second consort’s breathing stagnated.

For a moment, she really wanted to just tell Lin xiaojiu to go to Beijing and torture that person!

But she couldn’t!

All these years, she had been too deeply involved with that person, and she couldn’t get out of it!

“That person is not someone you can afford to offend!”

The second Princess Consort said after a long time.

Lin Hanxing shrugged his shoulders. There was no disappointment on his face.

She had never expected the second Princess Consort to give her any useful information, so she was not disappointed.

“Then there’s no need for us to continue this discussion!”

Just as he finished speaking, the door that was originally tightly shut was kicked open from the outside. Zhan Nanheng’s baby face was cold and aggressive, which was a rare sight. He barged in expressionlessly.

“Impudent!”

The second Princess Consort was furious!

“Let’s go!”

Zhan Nanheng grabbed Lin Hanxing’s wrist and walked out, not even looking at the second Princess Consort.

“Wait a moment.”

To his surprise, Lin Hanxing skillfully pulled his hand away from Zhan Nanheng’s palm and said coldly, ”

The coolness and smoothness of a high-quality Jade artifact suddenly disappeared ...

Zhan Nanheng’s heart felt empty!

The door was violently kicked open, and a strong gust of wind was blowing outside, ruffling Lin Hanxing’s gray chiffon dress.

She just looked at the second Princess Consort.

“You’re wrong about one thing.”

Lin Hanxing’s cold voice came through the air.

“As long as I want to, there’s no one I can’t afford to offend!”

.....

Zhan Nanheng walked out with Lin Hanxing.

From time to time, he would look at his childhood friend, who was immersed in the sunlight shining in from the floor-to-ceiling windows in the corridor.

The sun seemed to have coated her with a layer of soft light.

Her skin, which was already as white as milk, was even more flawless. Her long eyelashes were elongated by the light and shadow and cast on her face.

Lin Hanxing’s expression was cold as he thought about something.

in a few days, the snow orchid gathering will have a regular charity banquet. Are you interested in attending? ”

Zhan Nanheng found a topic to break the silence.

Lin Hanxing came back to his senses.

“Song Chenxi has already invited me.”

Hearing song Chenxi’s name, Zhan Nanheng couldn’t help but raise his eyebrows.

“To be honest, I really don’t understand how the two of you became so familiar with each other!”

Even when Zhan Nanheng was a celebrity, the name song Chenxi was well-known, especially in the rumors about her. He didn’t think that song Chenxi was related to his childhood sweetheart.

Lin Hanxing stopped in his tracks when he heard this.

He turned his head sideways and looked at Zhan Nanheng with an unfathomable gaze.

The latter took a step back subconsciously, having an ominous feeling that he was being watched by a Hunter.

“Why are you looking at me like that?”

“In the eyes of you men, are women who cry more lovable?”

“.....”

For some reason, Zhan Nanheng felt that this was a question of life and death.

“You’re talking about song Zhiyun, right?”

Zhan Nanheng asked tentatively.

Lin Hanxing didn’t say anything, her high heels clacking against the marble floor.

“I don’t like this person anyway.”

Zhan Nanheng reached out to stroke his chin and threw out these words after a while.

Lin Hanxing laughed.

She originally thought that men would prefer women like song Zhiyun.

“And don’t you think Gong Chen is a strange person?”

Zhan Nanheng seemed to have thought of something and frowned.

“Strange?”

I can’t say for sure. I just feel that Gong Chen looks like a normal man when they’re in a normal relationship, but when he’s with song Chenxi, it’s like he’s possessed by something!

Lin Hanxing fell into deep thought when he heard this.

As they spoke, the two of them had already reached the door.

“I’ll go to the Li family’s house to find you tomorrow.”

Before Lin Hanxing got into the car, Zhan Nanheng suddenly lowered his voice and said this.

I suddenly thought of something about my mother. It’s not convenient right now. We’ll talk about it in detail at the Li family’s house tomorrow ...

.....

As soon as Lin Hanxing got into the car, he felt that his man’s mood was a little off.

“What’s wrong with you?”

Lin Hanxing reached out and poked Lei Xiao’s cold face.

The feeling of touching it was naturally excellent, so much so that she, who had completely relaxed, poked it again and again.

The Thunder valiant beast’s tensed facial features finally relaxed a little, but he still did not speak.

“Let me guess!”

Lin Hanxing raised his head like a proud kitten.

“You’re still angry at su bu’s words, aren’t you?”

At the mention of this, the temperature in the car, which had just returned to normal, dropped sharply.

Lei Xiao looked at her, his thin, knife-like lips subconsciously pursed into a straight line, piercingly cold.

hey, the daughter of the third Yuan family was secretly throwing flirtatious looks at you. I didn’t even show my displeasure on my face!

In other words, you can’t pull a long face anymore!

Hearing this, Lei Xiao’s tightly pursed lips seemed to have a rising trend.

At that time, his wife did not show her unhappiness on her face. She was just short of rushing up to kill that person.

At the thought of this, Thunder valiant beast’s expression finally turned better.

He glanced at her and then looked out of the window.

“I know of a place that has a nice night view.”

His low and rich voice was mixed with a little hoarseness.

Lin Hanxing just looked at him, his ivory white skin looked even more delicate under the light. His eyes curved into crescents as he smiled, even the mole at the corner of his eye was affected.

Feeling her gaze, the Thunder valiant beast’s ears were gradually dyed with other colors.

It was so obvious that Lin Hanxing could not even pretend that he did not see it!

Taking advantage of the red light, Lin Hanxing suddenly reached out his thumbs and index fingers and pinched his husband’s face, forcing him to turn his head and look at her.

“But I didn’t bring any change of clothes.”

Seeing that he was the only person in those deep, dark eyes, Lin Hanxing could not help but want to tease Lei Xiao.

The Thunder valiant beast’s eyes were burning with flames at the speed of light.

It gave her the illusion that she was the fire of a Prairie!

Lin Hanxing tried his best not to laugh out loud.

He was serious.

“Then I’ll accompany you, okay?”

Thunder valiant leaned his upper body forward slightly, his thin lips brushing past her small ears hidden under her slightly curly long hair.

It was soft and itchy.

Lin Hanxing could not help but want to Dodge.

“Just accompanying?”

There was a smile in her eyes, which were bright.

Damn it, he couldn't bear to look away!

The Thunder valiant beast's temples were throbbing, and even his eyes were getting darker.

“What?”

As long as one wasn't deaf, one could hear the danger in that tense voice.

Every word and sentence seemed to have dug a trap for his little fox to jump in by herself.

Lin Hanxing reached out and grabbed Lei Xiao's tie, raising his head arrogantly.

“Next, I will ask you a question, but ... I only want to hear a one-word answer from you!”

Lin Hanxing's voice was sweet, completely different from his usual cold tone.

“I want it! No! Want?”

It was so direct that he didn't even turn around!

The Thunder valiant beast's thin lips curved up slightly!

“I want it!”

### [Chapter 1317](#)

1317 The one wearing the Blue Diamond

The night was as cold as water.

The lights in the room were not on.

With the help of the silver moonlight that poured into the floor-to-ceiling window, she could clearly see the messy clothes that spread from the door to the side of the bed.

As the passion gradually dissipated, Lin Hanxing's body was weak as he laid on Lei Xiao's arm.

She had been trapped in bed by him since the afternoon.

The waves of love were like a tide, surging in wave after wave.

Every time she wanted to avoid him, the man would pull her back into his arms. That shameless look was completely different from the past. There was a wild beast in his bones, domineering and dominating.

Lin Hanxing closed his eyes and panted slightly.

However, the heat from the Thunder valiant beast's palm was transmitted to his forehead.

“I don't want to ...”

Lin Hanxing's voice was soft and sweet, and there was no trace of his usual coldness. He turned his head and buried his face in the man's neck, avoiding his touch.

A muffled laugh sounded above her head.

"Carry you to the shower?"

Lei Xiao's voice was hoarse and sexy, and Lin Hanxing's body reflexively went numb.

To be able to make people react just by his voice, this man was simply a demon ...

"Hug ..."

Lin Hanxing opened his arms to him, feeling wronged. His legs felt as soft as tofu.

In the darkness, there was a silent complaint in those watery eyes!

'Damn it!'

The moment the Thunder valiant beast saw that pitiful little face, it felt the fire that had just subsided start to burn again.

In the next second, Lei Xiao lifted Lin Hanxing in his arms and carried him to the bathroom ...

An hour later.

Lei Xiao looked at Lin Hanxing, who was sleeping soundly in his arms, the gentleness in his eyes melting his cold features.

He reached out to take a bath towel and wrapped it around her completely, carrying her back to the bed like a baby.

He hugged her again.

He couldn't bear to part with it.

From time to time, he would either pinch her here or touch her there, especially when he smelled the faint fragrance of sea salt shower gel on Lin Hanxing. He buried his head in the crook of her neck and refused to leave.

"Ah Xiao ..."

Lin Hanxing was only asleep, not dead. How could she not feel anything after being tormented by Lei Xiao?

"What?"

Lei Xiao raised his head slightly, his hair after the bath naturally falling in front of his eyes, making his originally cold features look a bit more youthful.

Even though Lin Hanxing did not open his eyes, he could feel the burning gaze from beside him.

"I'm sleeping."

She reached out and placed her hand on her husband's head, rubbing it back and forth in a fit of pique.

"I can't sleep."

Thunder owl spoke honestly, his eyes innocent.

He was very excited, just like a primary school student on their first outing, and there were only the two of them here.

you have to sleep even if you can't. Otherwise, I'll punish you to sleep in the study room from tomorrow onwards!

Lin Hanxing used his trump card.

Otherwise, they wouldn't be able to sleep tonight.

Lei Xiao immediately closed his eyes, but did not forget to extend his long arms to hold Lin Hanxing even tighter, as if he was afraid that she would run away.

"Thunder valiant beast!"

After a while, Lin Hanxing opened his eyes again in anger.

But she saw that Lei Xiao had also opened his eyes. His eyes were still looking at her with that innocent look.

"Take your things back!"

This beast!

How was she going to sleep if he kept holding her head?

"I can't take it back."

His wife was fragrant and soft, and he just wanted to party every night.

"Just let me sleep for five minutes, okay?"

Lin Hanxing put her hands together and made a pleading gesture. Her bright eyes were now filled with hope, making Lei Xiao want to immediately press her under his body, doing this and that!

"Alright," he said.

A dark glint flashed across Lei min's eyes as he obediently retracted his hand.

Lin Hanxing closed his eyes again, satisfied.

She fell asleep in a short while.

Hearing the breathing sounds coming from his side, Lei Xiao's originally pursed thin lips lifted, counting the time in his heart.

Five minutes ...

Lin Hanxing only felt that something was pressing down on him. It was heavy and stuffy, and even the flesh on both sides of his cheeks was pinched by something.

“Cold star ...”

A hoarse male voice sounded in her ears, making her heart tremble.

He didn't listen, he didn't listen, he just chanted.

Lin Hanxing pretended that he did not hear anything and chanted the clear heart and few desires curse with his eyes closed.

“Star ...”

??????,??!

“Honey ...”

Just shut up!

Looking at the frequency of her fluttering eyelashes, Lei Xiao decided to wake his wife up with perseverance.

The next second, he wanted to open his mouth, but Lin Hanxing had already covered it with his hand!

“Wu Fen, I'm pounding it again ...”

In plain words, it meant ‘five minutes is up’!

Lin Hanxing wanted to cry but had no tears.

“You don't want me to sleep tonight?”

She sighed in her heart and finally opened her eyes in compromise and dejection.

“Yes, I'll punish you.”

She knew it!

“Tell me, how did I offend you?”

Lin Hanxing blinked helplessly.

She saw Lei Xiao holding her wrist and lifting her hand up, his five thin fingers spread out in the darkness.

“A wedding ring.”

“.....”

She was wearing it!

As if he could see the breakdown in her eyes from the dark, Lei Chen paused and added.

“The one with the Blue Diamond!”

“.....”

Lin Hanxing could not help but roll his eyes in the dark.

The blue Winston diamond that he had used to propose to her was so big. If he wasn't afraid of people snatching it from him, she would be!

"Which one is different?"

"That one is big!"

"....."

"Anyone with eyes can tell that you're married."

"....."

So, he was still upset about what Su dan had said?

"Hey, don't tell me you're planning to post our marriage certificate on Weibo for the whole world to see?"

"....."

After Lin Hanxing finished speaking, it was Lei Xiao's turn to remain silent.

Lin Hanxing's heart skipped a beat in the silence.

This fool wouldn't take it seriously, right?

"I won't,"

Luckily, Thunder valiant spoke up quickly.

Just as Lin Hanxing heaved a sigh of relief, he heard Lei Xiao's voice again.

"The marriage certificate is in li garden. I didn't bring it with me. I'm waiting to go back."

"....."

"Ahhhhhhhhhhhhhhhhhhhh! You're not allowed!"

Lin Hanxing felt like his head was about to explode. Lei Xiao's Weibo was now managed by him and Anthony. Ever since he posted the photo of the proposal ring, Lei Xiao had not logged in or posted anything new.

But even so, his Weibo had not dropped from a Red V to a yellow V after such a long time, which was enough to show how much influence he had.

Lin Hanxing was completely woken up by his words. He turned over and sat on his body.

The thin blanket covered the part below the collarbones, and her long hair was scattered behind her.

"You're not allowed to post anything on Weibo!"

His exquisite collarbones were filled with marks he had left behind. Lei Xiao turned his eyes away, but the corners of his mouth unconsciously rose.

"Yes."

The man who was never 'well-behaved' in the past was now as well-behaved as he could be. He reached out to hold her thin waist as if he was afraid that Lin Hanxing would fall off his body.

"You're not allowed to stop me from sleeping!"

Lin Hanxing added angrily.

She was so sleepy!

"Alright," he said.

Lei Xiao agreed.

Lin Hanxing snorted, rolled over, and closed his eyes again. He felt that he could finally have a good sleep.

Five minutes later ...

"Honey ..."

"!!!!"

### [Chapter 1318](#)

#### 1318 A cold joke

The early morning sun shone through the floor-to-ceiling window into the room of the homestay, giving the person lying on the bed a layer of soft light.

The thin blanket slid over Lin Hanxing's waist, and his long, black, curly hair was scattered messily.

"Oh ..."

His long eyelashes fluttered like a butterfly's wings. The moment Lin Hanxing opened his eyes, the first thing he saw was a man leaning against the floor-to-ceiling window.

The neckless collar of his shirt faintly revealed his sexy collarbones.

Lei Xiao's entire body was bathed in light and shadow. The White curtains fluttered in the wind, and the outline of his handsome face could be vaguely seen.

As if hearing the movement from the bed, Thunder owl turned his head to look.

Seeing that she had woken up, the corners of his thin lips slowly curled up.

Lin Hanxing felt like his heart was about to jump out of his chest.

"Don't Smile at Me like that ..."

Lin Hanxing pulled the thin blanket over half of his face and conveniently covered the redness on his cheeks. She had thought that her man was attractive enough at night without any clothes on, but she did not expect him to be so sexy in the day ...

This was really ...

Beast!

Lei Xiao was obviously in a good mood as he walked towards Lin Hanxing.

He pulled her out of the thin blanket and leaned over to kiss her.

Lin Hanxing did not even think, he turned his palm out and put his hand in front of his lips.

“I haven’t ...”

Before she could finish her words, Lei Xiao had already kissed her palm with a smile.

“Honey ...”

Lin Hanxing felt the bed next to him sink in as he sat down, then a heavy head leaned over his shoulder and rubbed against it.

The way he spoke was really out of line!

It was a fatal foul!

Lin Hanxing decided to pretend that he had not heard anything.

However, Thunder valiant clearly saw through her thoughts at a glance, and rubbed his head against her neck again.

She even put her hand under the thin blanket and placed Lin Hanxing’s hand on her head.

He took the initiative to rub his head against her palm.

don’t think that I’ll forgive you just like that!!!

Lin Hanxing said in a bad mood.

Don’t think I’ve forgotten what happened last night!

She even ruffled Lei Xiao’s slightly stiff hair in a fit of pique.

Thunder owl did not refute.

He had indeed gone overboard last night.

She had clearly said that she didn’t want it.

However, he still couldn’t control himself and trapped her in his arms again and again.

He left his mark on her fair skin.

“I’m sorry,” she said.

The Thunder valiant beast admitted his mistake obediently.

“.....”

Lin Hanxing’s words were stuck in his mouth. He looked at his man’s dark and seductive eyes and gave way to the beauty in front of him.

“You ...” He said.

“That’s a foul!”

She couldn’t help but laugh. How could she still be angry when she met such a pair of eyes?

Thunder valiant wore an innocent expression.

Lin Hanxing reached out and pinched his cheek.

you know that I will give in to you unconditionally even if you poke a hole in the sky here, but you still come here and pretend to be innocent. Tell me, who taught you this? ”

Lei Xiao played dumb, only hiding the phone in his pocket to the side.

“.....”

There was one thing that Lin Hanxing had never been sure of.

Lei Xiao would probably never be able to lie in front of her again!

“Hey, outside the window ...”

Suddenly, Lin Hanxing pointed behind him, waiting for Lei Xiao to turn around and snatch it ...

But Thunder owl didn’t even turn his head, he just looked at her.

The look in his eyes was hard to describe.

“.....”

Lin Hanxing stretched out her hand and pushed Lei Xiao onto the bed. She wrapped herself in a thin blanket and sat on it, exposing her beautiful shoulders and neck. She was like a proud kitten, teasing her beloved little dried fish.

She ignored him and took out her phone from his pocket.

As soon as he opened his WeChat, he saw the chat between Lei Xiao and his father.

Lei Xiao, “I seem to have made my wife angry, what should I do?”

Papa Lei, “are you messing with my wife?”

Thunder valiant beast was speechless.

Thunder owl, ”

Daddy Lei said, “goodbye then.”

Thunder valiant beast was speechless.

If mom finds out about the money you’ve hidden in the attic ...

Daddy Lei: “ my good son, ” ” I really want to live another 500 years “.jpg

Thunder valiant beast was speechless.

Daddy Lei, do you know how to act pitiful?

Daddy Lei: " my daughter-in-law is the most soft-hearted towards you. Lean your head on her shoulder and act cute!!!

Thunder valiant beast was speechless.

There's one more thing ...

Papa Lei asked,"what?"

Thunder valiant beast,"I was just bluffing."

Papa Lei was speechless.

Seeing this, Lin Hanxing burst out laughing.

"Show me your cuteness."

Lin Hanxing stretched out her slender fingers and pinched Lei Xiao's chin. The thin morning light enveloped the two of them. She bent over slightly, and her slightly curly long hair fell down.

Her red lips and white teeth were extremely alluring.

"If you act cute, I'll forgive you for what you did to me last night!"

Lei Xiao didn't say a word, he just looked at her with an innocent expression.

"Ah, right! Mom told you before, you used to tell cold jokes to coax Lei Xiaosan and Lei Xiaosi! How about ... You tell me one now?"

"....."

He wasn't the best at talking, he was forced to do it ...

At that time, his mother loved to let him take care of little three and little four, while he and his father ran around the world ...

"Tell me, tell me ..."

"....."

What a headache.

"There's a person called little Ming in the weather Bureau."

Thunder valiant beast's voice was hoarse.

"One day, he angered an elephant in the zoo to death ..."

"....."

Lin Hanxing blinked and didn't say anything.

Seeing that she didn't say anything, Thunder owl thought that she wanted him to continue.

someone was on an IV drip in the hospital. As he was on the drip, he started to laugh. Someone asked him why he was laughing ...

“He said he was smiling ...”

“.....”

Lin Hanxing finally reacted this time. She took a deep breath and quickly covered her husband’s mouth with both hands, as if she was afraid that he would kill her if he said another word!

This time, it was the Thunder valiant beast who blinked.

No matter how you looked at it, she looked helpless and innocent.

She asked him to say it ...

Lin Hanxing couldn’t help but chuckle, even the mole at the corner of her eye was affected. Her delicate palm-sized face was even more brilliant in the morning light.

It’s really nice.

Thunder valiant beast thought.

He only wanted to hide his wife.

“Mom’s right.”

Ah Xiao, you’re really so cute!

.....

When they returned to li garden, it was already an hour later.

The carved gate was getting closer and closer, but even though it was still early in the morning, the outside of li garden, which had not had any visitors for a long time, was already very lively. The original empty space was filled with cars, but because of the widely circulated sixteen-word proverb, no one dared to barge in!

However, the people in the car obviously knew each other.

Although they couldn’t enter the door, it was very lively when they gathered together and talked!

Lin Hanxing, who was sitting in the front passenger seat, glanced around and raised his eyebrows slightly.

“Hehe.”

She chuckled softly. It seemed that Yan beiming and Liang yuran had gained a lot yesterday!

### [Chapter 1319](#)

1319 I have a good temper

Yesterday, they had split into two groups.

Lin Hanxing and the others went to the royal family to deal with old SU's problem, while Yan beixiao and Liang yuran went to deal with the account books.

After all, he was a brother who had followed Lei Xiao to conquer the world, so one could imagine how powerful he was!

As a matter of fact, everyone was gathered at the entrance of li garden the next morning!

"It's enough for a few rounds of Mahjong."

Lin Hanxing rested his elbow on the car window and said to his man lazily.

As he thought about this, his hands started to itch.

She missed the days when she was at the Lei family and had nothing to do with her mother ...

After all, ever since the news that mother Lei had a daughter-in-law who was so good at playing mahjong that she could make people go bankrupt spread in Jiang city, no one dared to invite her to a Mahjong game.

The security guard saw the car that Lei Xiao was driving from a distance, and he did not dare to slack off in the slightest as he opened the carved gate with the central control.

The Li family came out from inside to welcome him.

This posture was obviously extraordinary.

The voices of the people who had gathered at the entrance of li garden suddenly stopped.

All eyes were on the black luxury car.

Just as he was hesitating whether he should stop the car, unexpectedly ...

The car was the first to stop!

The door of the passenger seat was opened.

The moment her high-heeled shoes touched the ground, they made a clicking sound.

Then, the group of people finally saw the other party's true appearance!

He sucked in a breath of cold air!

Although these people belonged to the senanda family, their ranks were not that high. Therefore, they were not qualified to attend hadier's funeral, let alone attend any activities in the royal family.

It was indeed their first time seeing her.

This little girl in front of him ... Was she really the legendary Lin xiaojiu?

Although they were mentally prepared, such a young man was still beyond everyone's imagination!

However, were there any few things that were beyond his imagination today?

The dilapidated li garden in his memory was now even more magnificent than the royal family. The Li family members who were so hungry that they were skin and bones, and the Li family members who had to go to the dock to find rough work to survive ...

But now, their faces were all flushed red and they were exalting themselves!

“Lin ...”

Someone tried to talk to him, but the other party raised his hand to stop him.

Lin Hanxing walked past them and headed towards a corner.

“What are you doing here?”

Lin Hanxing reached out and took off the hat on the man’s head, revealing his silver-white hair.

Sacred hands raised his head, revealing his handsome face.

“Listen to the corner!”

His face was full of regret and grievance for being interrupted.

“.....”

“.....”

“.....”

He was really shameless and direct!

“Get up, it’s time to go home.”

Lin Hanxing used the tip of his shoe to kick sacred hands ‘ankle. He was really bored on such a hot day.

When sacred hands heard the words ‘go home’, he was first stunned, then his face broke into a big smile.

He patted his butt and stood up leisurely.

“This, this ... And these few ...”

As if he had thought of something, sacred hands pointed at a large group of people.

they were talking bad about you just now!

“Oh?”

Hearing this, Lin Hanxing’s cold eyes swept across the crowd. Those who were caught by his gaze lowered their heads guiltily, not daring to look him in the eye!

Who would’ve thought that there was a traitor hiding among them while they were ‘talking’?

“What did he say?”

She asked this question out of pure curiosity.

She was curious about the difference between a man and a woman when they spoke ill of someone behind their back.

However, the only response she got was ...

There was complete silence.

“Don’t be afraid ...”

Lin Hanxing suddenly laughed, and with that beautiful face, he could be said to be harmless.

However, for some reason, sacred hands started to feel a chill on his back.

“I’m a good-tempered person.”

“.....”

“.....”

“.....”

The first night he landed in snowlan province, he almost pierced a hole in the sky. Not long after, he went to a funeral to show off ...

Her temper was good?

Go to hell!

Lin Hanxing felt bored as he looked at the people in front of him who were keeping quiet out of fear.

These people were looking at him as if they had seen a ghost ...

Was she that scary?

“Let’s go,”

Lin Hanxing glanced at sacred hands, then ignored those people and walked towards the car.

“Eh? He’s leaving just like that?”

Although sacred hands had not joined the Team for a long time, he more or less understood Lin Hanxing’s temper. It was not her style to just leave like this!

“Why don’t I ask the kitchen to cook a few dishes for you and have a drink with them?”

Lin Hanxing did not even look back and just waved his hand casually.

Sacred hands chuckled and quickly followed him into the car.

“What they said just now was really unpleasant to hear!”

Upon seeing Lei Xiao, sacred hands hurriedly Tattletale to him, wishing for the world to be in chaos.

“Give me your hand,”

Lin Hanxing turned around and glanced at sacred hands with a faint smile.

Sacred hands subconsciously hid his hand behind his back.

When did she find out?

“Stretch it out.”

Lin Hanxing repeated. Sacred hands pouted and pulled out his ten fingers from behind his back.

There were still light purple marks left under her nails.

Sacred hands chuckled and casually took a wet tissue from the car to wipe his fingers.

Who asked those people to have such cheap mouths?

He couldn't help but drug her!

Lin Hanxing, on the other hand, rolled down the window on the passenger's side and looked at the group of people who had not dispersed at the door. He put his elbow on the window frame and spoke in a casual and lazy tone.

“Although I have a good temper, I hate it the most when people try to play dirty tricks in front of me.”

“.....”

“.....”

“.....”

To be honest, Lin Hanxing really felt that his temper had improved a lot since he met ah Xiao for half a year.

“Tell that person who asked you to make fake accounts to fool me ...”

Lin Hanxing's slender fingers drooped outside the car and gently knocked on the door as she spoke.

what's mine can only be mine. If someone covets it, I don't mind cutting the weeds and eliminating the roots!

.....

Zhan Nanheng arrived half an hour later.

As soon as he entered, his expression couldn't be any weirder. He wanted to say something but stopped.

“What's with that expression?”

Lin Hanxing just happened to come down from upstairs. As for Bai Xi, Jiang Xibao, and the others, they were playing aeroplane chess that they had found from somewhere. At first glance, it was very lively.

“What's the situation at the entrance?”

If he had not seen it with his own eyes, Zhan Nanheng would not have believed his own eyes.

These men were crying like a funeral, laughing and crying at the same time. Those who didn't know would think that they had lost their minds. Moreover, they were at the entrance of li garden and couldn't be driven away.

Lin Hanxing laughed.

What was going on?

The Holy hand's medicine must have taken effect.

"It's just some unimportant matters. What are you holding in your hand?"

Lin Hanxing glanced at Zhan Nanheng's hand.

Oh, the invitations to the charity banquet in a few days. I was afraid you didn't have enough, so I brought some over.

When Bai Xi heard this, he immediately perked up.

The one that Yuan Kang mentioned before?

### [Chapter 1320](#)

1320 The invitation to the charity banquet

"What a coincidence, song Chenxi also asked someone to send the invitation over this morning."

Uncle li sent her to the study upstairs and Lin Hanxing only saw her when he returned.

"So we can all go on that day?"

Bai Xi was lying on Jiang Xibao's shoulder with a surprised expression on her face.

"Not only you guys, uncle hai, mute, uncle li, and Li Yuanjun are all going!"

Lin Hanxing glanced at the gold-stamped invitation that Zhan Nanheng had sent and said indifferently, "

"I can go too?"

Li Yuanjun, who didn't know where the cat was before, stuck his head out, his eyes full of surprise.

Even li binshou forgot what he was doing and raised his head in silence.

It had been many years since li binshou had last participated in the competition.

At that time, li Yanyu was still around, and the Li family was still a famous family in Xuelan city. It was as if all the glory and wealth had just happened yesterday, but in the blink of an eye, it had become a dream, an illusion.

"You're representing the Li family. Why can't you go?"

Lin Hanxing said slowly.

"Not only do I have to go, I have to go with honor."

The Li family had been dormant for too long. It was time for them to show their faces.

This was to prevent some people from being used to abusing their power and forgetting that there was a Li family in Xue Lan's family!

"It's getting lively."

Zhan Nanheng was speechless. From his childhood friend's attitude, it was obvious that there would be a good show to put on when the day came.

He didn't plan on attending the charity banquet, but now he was interested.

"Come with me."

Lin Hanxing knew that he had something to say about mother Zhan and it wasn't convenient for him to do it here. After saying that, he turned around and walked towards the study upstairs ...

.....

In the study.

Zhan Nanheng had just entered when he saw Lei Xiao in the middle of his work and stopped in his tracks.

Thunder valiant beast glanced at him but did not say anything.

"Speak."

Lin Hanxing sat down at the side, holding a cup of hot tea that the mute uncle had just served.

The White mist around her made her small face look even more fair and delicate.

I thought of someone. Could the thing Mrs. Lin sent be in that person's hands? "

Zhan Nanheng knew better than anyone how much these two people trusted each other, so he didn't try to hide anything. He only spoke with a serious expression.

Lin Hanxing's hand stopped.

"Who is it?"

She narrowed her eyes and met Zhan Nanheng's gaze.

we call her aunt Qin. She has been in charge of my mother's food and living for the past two years. She has won my mother's trust, but ...

At this point, Zhan Nanheng's ten-thousand-year-old baby face fell into darkness.

"Ever since mother Zhan passed away, aunt Qin has disappeared?"

Without waiting for Zhan Nanheng to speak, he heard Lin Hanxing continue the conversation indifferently.

"How did you know?"

Zhan Nanheng was slightly surprised.

Lin Hanxing did not say anything. He just ran his fingers over the teacup in his hand, his eyes subtle.

Auntie Qin ...

"If she's a smart person and knows that she's holding something that's going to kill her, she'll either hide it well and never show her face again, or ..."

Lin Hanxing didn't finish his sentence, but everyone present knew what he meant.

Or, they had been cut down at the roots back then!

Zhan Nanheng's face turned cold.

"I don't think she's dead."

After a while, Zhan Nanheng spoke again after he had calmed down, his eyes fixed on Lin Hanxing.

"I have a feeling that Auntie Qin isn't dead."

Without any evidence and only based on his intuition, Zhan Nanheng didn't know if his childhood friend would believe him.

Suddenly, there was a loud slap ...

Lei Xiao inadvertently dropped the folder next to his hand to the floor, making a muffled sound.

The information was scattered all over the ground.

Along with it, a photo fell silently to the side of Zhan Nanheng's feet.

Zhan Nanheng bent down subconsciously.

However, when he saw the person in the photo clearly, his movements obviously paused!

"This ..."

Lin Hanxing glanced at the ground. Wasn't that the person elder Yan was looking for?

"How did you get this picture?"

Zhan Nanheng stood up abruptly, still holding the photo he had just picked up, his eyes burning with passion.

"....."

There were many coincidences in this world, but it couldn't really be so coincidental that the person elder Yan was looking for was the 'aunt Qin' that Zhan Nanheng had mentioned?

"She's Auntie Qin?"

Lin Hanxing said in a low voice.

Zhan Nanheng was taken aback at first, but in the end, he nodded.

This time, it was Lin Hanxing who did not speak.

The Qin su that elder Yan was looking for was the aunt Qin that Zhan Nanheng had mentioned. She might also be the last person in the world to know what her mother had sent to mother Zhan!

Lin Hanxing had no choice but to look for her.

But ...

Who was this Qin su?

“Perhaps this is the will of the heavens!”

Heaven’s will allowed her to get involved in this mess.

“An old friend entrusted me to find out where this so-called aunt Qin went.”

Zhan Nanheng was taken aback again. It seemed that even he had not expected things to be so coincidental.

“So now, how should we find aunt Qin first?”

Zhan Nanheng’s feelings of urgency were beyond words.

Lin Hanxing caressed the teacup in his hand, the corners of his eyes and the tip of his brows calm, in stark contrast to Zhan Nanheng’s urgency.

“We’ll wait,”

After a long time, she finally spat out a word.

Wait?

Zhan Nanheng couldn’t believe his ears. Even his childhood friend had said so, so they could only wait like this?

How long should he wait?

“Have you asked the first wangfei about what happened that year?”

As if he suddenly thought of something, Lin Hanxing changed the topic to the first princess Consort. Zhan Nanheng’s expression froze, and the answer was obviously No.

“Go back first and ask the first princess if she knows anything about what happened to Auntie Qin. If there is any news, give me a call.” The entire country G was neither big nor small. Looking for a person was like looking for a needle in a haystack. The difficulty could be imagined. However, the most difficult thing now was actually the direction to find the person!

If the direction could not be determined, everything would be in vain!

“I’ll go back immediately! Wait for my call!”

Zhan Nanheng stood up and left. The reason he had returned to the royal family back then was to find out the truth behind his mother's death. Now that he knew that there was a lead, how could he not be anxious?

Lin Hanxing looked at Zhan Nanheng's back as he left, and his eyes suddenly turned cold.

"What are you thinking about?"

Thunder valiant beast, who hadn't said a single word throughout the whole process, spoke in a low voice.

"The person from the capital."

Lin Hanxing turned to look at him and said faintly.

I don't understand what kind of secret is worth her time and effort. She wouldn't even let mother Zhan off!

He didn't even mind chasing her all the way to country G!

"Hanxing, I feel like we're getting closer and closer to the truth."

Lei Xiao's rough fingers held the photo firmly in his hand, his deep eagle-like eyes sweeping over Qin su in the photo.

Lin Hanxing raised an eyebrow.

Then, he laughed coldly.

Indeed.

The truth was difficult to find because it was difficult to find a piece of the puzzle that was as small as a drop in the ocean in the vast sea of mysteries. But now, they were slowly taking the initiative.

That person from the capital, elder Yan, the second Princess Consort ...

It was as if there were invisible lines that were slowly forming and intersecting points.

As long as they could find the intersection, the distance between them and the truth ...

Would it still be far away?
