

Goodnight 231

Chapter 231-breaking down the door

In the Lin family's Villa.

On the large long table, there were all kinds of tableware inlaid with gold and silver, which made it look noble and extraordinary.

The Lin family was all present today, but they had different thoughts after taking their seats. As a result, the entire room was quiet, and no one spoke.

Lin youlin sat in the main seat, frowning as she held a wine glass.

Little 9th said that he would be back today, so he would definitely be back today, but ...

Her eyelids had been twitching non-stop last night, as if she had a premonition that something would happen today, and a strong sense of uneasiness welled up in her heart.

"Mom, I'm hungry. How long do I have to wait?"

Luo Ruyin seemed to be in a good mood as she acted coquettishly towards Lin youlin.

"My eyelids kept twitching yesterday."

Suddenly, Lin yanshu looked at Lin youlin, and it was unclear if he said this intentionally or unintentionally.

Lin youlin's heart skipped a beat as she looked at her brother.

Most of the time, the feeling that was concentrated in the bloodline would not lie!

In the silence, a servant suddenly ran over in a hurry, looking flustered and uneasy.

"Not good, not good ..."

Everyone's face changed ...

.....

By the time the Lin family rushed to the door, half of the carved gate had already been torn down by Lin Hanxing's men.

Lin Hanxing, who had disappeared from the Lin family's sight for three days, had his back to them as he pulled out a wooden chair and sat down lazily.

Under her feet was a man who was firmly tied up.

Lin xiaojiu, are you crazy? "

Luo Ruyin was dumbstruck and couldn't help but move closer to her aunt, feeling a little nervous.

Luo Mingwei, on the other hand, stared at Lin Hanxing's back.

Obviously, she still remembered& how she had embarrassed her in TZ!

Lin Hanxing slowly turned to look at Luo Ruyin, and then at Luo Mingwei.

It seemed that she had taken good care of herself. At least there were no bruises on her face.

“All of you, stop!”

Lin youlin’s heart was filled with anger, but she didn’t dare to vent it on Lin Hanxing. Instead, she roared at the Man in Black who had broken down the door!

“No one is allowed to stop! Continue to tear it down!”

Lin Hanxing’s face was expressionless, and even his voice was cold.

Lin xiaojiu, what are you trying to do? ” The one who spoke was the eldest son of Lin youlin and Luo Minghao, Luo Wenbo!

The veins on his head were throbbing, in sharp contrast to his gloomy second son Luo Wensu, whose eyes were only on the impudent Lin Hanxing from the beginning to the end!

Hearing this, Lin Hanxing smiled coldly.

Her high heels stomped on the man even harder.

The guard groaned in pain!

With a loud bang, the carved gate of the Lin family villa was completely turned into a pile of scrap metal.

Dust flew everywhere!

The Men in Black who were tearing down the door walked in in an orderly manner. Lin Hanxing kicked the guard with the tip of her shoe, and the man in the lead automatically understood her intention and picked him up from the ground.

just now, cousin asked me what I wanted to do. Now, I’ll give you an answer!

Lin Hanxing stood up slowly, no emotion in his voice.

“Auntie, you said that you welcome me back. Why? are you not going to open the door without the reporters today?”

His cold voice coupled with his emotionless eyes would send shivers down anyone’s spine!

There was only one person in the Lin family who kept looking at her with interest.

He was Lin Hanxing’s uncle, Luo Minghao!

When Lin youlin heard this, she turned around and looked at the Lin family. When she saw the uneasiness on the faces of her sister-in-law, Luo Mingwei, and her daughter, Luo Ruyin, she was furious!

How many times had she told him not to mess with Lin xiaojiu? why didn’t he listen?

“We’ll talk about the rest later.”

Lin Hanxing smiled coldly as if he did not see his aunt's expression.

"As for now ..." He said.

Chapter 232 make way

"Since everyone is here ..."

As he spoke, Lin Hanxing waved at the Men in Black behind him, but his eyes slowly wandered to every member of the Lin family.

"Then I'll treat you to a good show for free!"

After Lin Hanxing finished speaking, he did not care about the reaction of the people in front of him and walked forward.

Dozens of black-robed men followed behind her, their posture looking Grand and mighty!

Lin Hanxing did not show any signs of taking a detour, and in the blink of an eye, he was already in front of Lin youlin.

There was no fluctuation on his exquisite face as he looked at her lazily.

"My dear aunt, please make way!"

Her voice was full of unspeakable ridicule, and she did not hide the arrogance and arrogance around her at all!

Lin youlin wanted to get angry but when their eyes met, she saw the coldness and power in Lin Hanxing's eyes. Her anger turned into fear and her body reacted faster than her brain!

She gave way!

Seeing this, Lin Hanxing smiled and continued to walk forward.

I'd like to see what this Lin xiaojiu is up to!

Luo Minghao smiled elegantly, but it was a different story as to how much true love was mixed in his smile.

Lin yanshu looked at his brother-in-law, and his eyes were gradually shrouded in gloominess. On the other hand, Zhong Wan 'er, who was beside him, was looking at Lin Hanxing with fear in her eyes. She held her daughter Lin Jiaojiao's hand tightly, not even realizing that it hurt.

Little Auntie Yingluo, what you're asking for won't come to fruition within three years.

This sentence was like a curse that had been ringing in his ears these days!

Lin Hanxing, who was walking in front, seemed to have noticed something. He suddenly turned around and glanced at his young aunt, Zhong Wan 'er.

Zhong Wan 'er felt as if she had been struck by lightning. She hid behind her husband and didn't dare to make a sound.

Lin Hanxing smirked sarcastically and looked away.

Soon, they arrived at the garage.

The mute uncle and Jiang Xibao were already waiting there!

The mute uncle was very respectful when he saw Lin Hanxing approaching.

On the other hand, Jiang Xibao's eyes revealed a pure joy, and his fair and chubby little face was very likable.

This was the Lin family's exclusive garage. As for Lin Hanxing's car, it was temporarily parked in another garage because there were too many cars.

At that moment, a sports car covered in red paint was parked at the entrance of the garage!

"What's going on?"

Lin qianlin was clearly shocked, but she didn't know anything about it.

How could Luo Ruyin not know this? she was a little scared and kept moving closer to her aunt.

On the other hand, what did her two brothers not understand when they saw her like this?

Lin Hanxing looked at her but did not say anything. Instead, he clapped his hands in the air three times, each clap louder than the last.

The Men in Black who had been standing silently behind her received the order. Dozens of them split into several groups and stood next to each of the Lin family's cars in the garage. They were expressionless, like robots.

"I'm too lazy to ask who destroyed my car, but ..." He said.

Lin Hanxing's eyes scanned the room and did not miss the expressions on everyone's faces.

"I'm very unhappy!"

The moment she said those words gently, the Lin family felt an inexplicable emotion in their hearts.

She was unhappy?

She had a smile on her face from the beginning to the end. How could she be unhappy?

"And when I'm unhappy, I don't want to make others happy either!"

Lin Hanxing was very direct, so direct that it made people feel embarrassed.

Jiang Xibao came to her side and stood still. He stared at the Lin family with his big beautiful eyes. She had heard a lot of people talking bad about miss Jiu in the past two days!

Hmph, they're all bad people!

“So ...”

Chapter 233: Don't be polite

“Let's not be polite with each other!”

After saying this, Lin Hanxing's expression suddenly changed and he sat down elegantly on the chair that the mute uncle had prepared for her.

Her fair and straight right leg was crossed over her left leg, her elbow was on the armrest, and her fingertips were gently touching her temple.

Her long eyelashes fluttered.

That impudent look clearly showed that he didn't put anyone in his eyes.

“What do you want to do? Don't go overboard! Do you think I won't call the police?”

After all, Luo Ruyin was still young and couldn't keep her cool. As soon as she finished speaking, Lin Hanxing sneered and opened his eyes.

With a thud, the mute uncle threw the tied-up guard in front of her.

Luo Ruyin was so scared that she screamed and retreated, hiding behind her brothers, not daring to look in Lin Hanxing's direction.

Wu Wu Wu ...

The guard who had his mouth gagged was in so much pain that he almost cried.

Lin Hanxing's eyes swept across the room casually, and the mute uncle reached out to pull the thing out of the Guard's mouth.

little 9th, don't be angry. Take that car to the 4S shop for processing. Auntie Qian will pay for it for you. Why did you have to do it ...

Lin youlin forced a smile on her face.

aunt loves me so much, she would definitely not shut me out. So who is trying to sow discord between the Lin family ... before she could finish, Lin Hanxing interrupted her coldly.

Lin youlin's words were stuck in her throat, and she didn't know what to say.

I knew that little 9th's mouth is very powerful!

When their lips touched, he was clearly provoking her, but he said that he was instigating the Lin family.

The problem had suddenly become several levels more serious!

“Mute uncle!” The moment these two words were said, the Lin family members saw this mute, who had been in the Lin family for a few days but had no sense of existence, suddenly lift his foot ...

The clear sound of his leg bones breaking rang in his ears.

The sharp pain caused the guards, whose mouths were not blocked by anything, to let out shrill screams, which made people's hearts jump!

"It's too noisy!"

Lin Hanxing's fingers tapped the back of the chair rhythmically.

His eyes didn't miss Luo Mingwei and Luo Ruyin's instantly pale faces.

The shrill cry came to an abrupt end. The mute uncle expressionlessly stuffed the cloth in his hand back into the other party's mouth.

"I know that aunt is kind, but some people like to provoke others again and again because of their tolerance ..."

The air seemed to have stopped.

Zhong Wan'er covered her daughter's eyes to prevent her from seeing this scene, but her fingers couldn't stop trembling.

Luo Ruyin only felt the soles of her feet turn cold. Perhaps it was because she had done something wrong, but she always felt that these words were said for her. Her legs unconsciously shivered, but she tried her best to hold back the fear from showing on her face.

The mute uncle picked up the guard with one hand and threw him at Lin Hanxing's feet.

"Tell me, who bribed you to create a Rift between me and my aunt?"

As Lin Hanxing spoke, he pressed the tip of his high heels precisely between the man's leg bones where the mute uncle had kicked him before, and applied a little force ...

Wu Wu Wu ...

The intense pain caused the Guard's face to turn extremely pale, and he groaned in pain!

She only hoped to give him a quick death. It would be better than this kind of torture!

However, Lin Hanxing refused to let anyone take the cloth away from his mouth.

Even if he wanted to say it, she would not give him the chance!

It was as if the previous question was just a formality.

The Lin family's faces were very ugly. They had seen the Guard's leg broken with their own eyes and heard the scream with their own ears. Moreover, they knew who started this, so the fear in their hearts was self-evident.

The more cold Lin Hanxing's eyes were, the deeper the fear in Luo Ruyin's heart was!

As if he sensed her fear, Lin Hanxing's eyes swept over her and the corners of his lips slowly curled up.

In the next second, she snapped her fingers beautifully ...

Chapter 234: Who knows who

The snap of his fingers.

The Men in Black who were originally standing in the Lin family's garage moved in unison. With a loud crack, the car windows shattered all over the ground!

ah ... because everything had happened so suddenly, the Lin family was not prepared at all.

Even Lin youlin, who had been through a lot over the years, subconsciously covered her ears!

On the other hand, Lin Hanxing was still stepping on the Guard's broken leg, admiring the scene with a lazy expression.

Luo Wensu didn't care about his brother and sister's reactions. His eyes were fixed on the woman sitting opposite him!

She held her chin in her palm, her delicate facial features covered with a cold air, and her dark eyes were full of cruel coldness!

"Are you crazy? Stop!" As the Big Brother, Luo Wenbo suddenly walked towards Lin Hanxing.

He covered her in his tall shadow, and his sharp eyes were full of warning!

"So what if I'm crazy?"

Lin Hanxing looked at him indifferently while Jiang Xibao, who was behind him, had already entered a battle-ready state and was only waiting for the other party to take one more step closer!

"No one is allowed to stop without my permission!"

Lin Hanxing's cold voice reached everyone's ears, as if he wanted everyone to hear him clearly!

"Are people all dead? Get over here and stop them!"

None of the cars that belonged to the Lin family in the garage were in good condition. The sports car that was splashed with red paint at the entrance was like a huge slap to the Lin family's faces!

"Cousin, I advise you not to interfere!"

Lin Hanxing raised his eyebrows slightly, still looking lazy and playful.

"If I remember correctly, I said just now that I don't want others to be happy when I'm unhappy. If you stop me ..."

She curled her lips slightly, showing her charming dimples.

"Who knows who will be the next one to suffer!"

Lin Hanxing's threat was like a slap to Luo Wenbo's face.

His face was ashen, and he could not say anything to stop Lin xiaojiu!

Lin youlin clenched her fingers. Again!

The feeling of losing control was back!

Looking at Lin Hanxing, Lin youlin was reminded of the times when her brother and sister-in-law were still around!

The feeling of being suppressed and powerless made her feel disgusted!

Luo Wensu took a deep breath and reached out to pull his big brother back to his side.

Just like that, the Lin family watched as Lin Hanxing's men smashed every car in the garage into scrap metal. The speed and the way they did it were so fast that it was jaw-dropping!

Especially for Luo Ruyin and Luo Mingwei, their targeting was even more obvious!

Anyone with eyes could tell that everything Lin xiaojiu had said before was just an excuse. She already knew who was the one who had set her up!

However, no one could say a word about her!

The servants of the Lin family, who were standing not far away, took in the entire scene. Those who had been looking down on Lin Hanxing due to the Lin family's attitude were completely shocked. They never thought ...

A seemingly delicate little girl had actually attacked so ruthlessly!

"A smart person will never overestimate his own ability!"

As he spoke, Lin Hanxing retracted his lazy attitude and slowly got up.

The high heels clattered against the ground.

"No matter who it is that wants to drive a wedge between my aunt and I, I'm sure that person will be disappointed. After all, my aunt has been looking forward to little 9th's return all these years ..."

As he spoke, Lin Hanxing stepped over the guard.

In the blink of an eye, he was in front of Lin youlin.

Lin youlin took a step back subconsciously!

"Isn't that so?"

Chapter 235: Her hand slipped

Lin Hanxing was very beautiful, even the mole at the corner of her eye was glowing.

However, it was such a beautiful woman who had just used a cruel and arrogant method ...

It was a warning to everyone in the Lin family!

The sunlight that was as thin as a cicada's wings enveloped her. Her fair and delicate skin was flawless, so clear that one could not help but want to touch it. Her fine black hair fell on her round shoulders, and her delicate swan-like neck had an absolute beauty.

As Lin Hanxing's uncle, Luo Minghao's eyes were dark as he sized Lin Hanxing up.

Her ruthlessness was admirable!

Luo Ruyin desperately tried to get closer to her aunt, Luo Mingwei, and suppressed her presence.

In his heart, however, he was getting more and more jealous!

Lin Qianlin felt like she was completely suppressed by Lin Hanxing's aura, and she couldn't fight back at all!

Just as she finally found her voice ...

Suddenly, Lin Hanxing, who was standing in front of her, moved to the side, followed by a crashing sound ...

A strong smell of paint filled the air!

The change happened so suddenly that no one could react in time.

By the time they realized what had happened, everyone's eyes were focused on the place where the smell of paint was the strongest.

Luo Mingwei and Luo Mingwei both stood in their spots, as if they had no idea what was going on!

ah ... Ah ... a shrill scream suddenly sounded.

Lin Hanxing slowly turned around and looked at Jiang Xibao, who was still holding the paint bucket, with approval.

He was indeed a good seedling!

"I'm sorry, my hand slipped!" Jiang Xibao threw the paint bucket aside with a blank expression on his chubby face.

The little aunt, Zhong Wan 'er, gasped. She was the closest to the two people, but the paint didn't splash on her body at all. This point alone was enough to prove that the other party was targeting her!

She couldn't help but be glad that she didn't have any intention of going against little 9th, otherwise ...

I'm afraid I would have been killed by her long ago!

"Shh!" Lin Hanxing pointed his index finger at Luo Mingwei and Luo Ruyin and pressed it against his lips, signaling for them to be quiet.

As the eldest brother, Luo Wenbo saw his sister being bullied and rushed towards Lin Hanxing!

Jiang Xibao stepped in front of Lin Hanxing without saying a word!

As long as he dared to approach the ninth young lady, Jiang Xibao would immediately beat him up and disown his parents!

"Wenbo!" Suddenly, the head of the family, Luo Minghao, said in a low voice.

Luo Wenbo's figure suddenly stiffened, but the resentment in his eyes was not retracted in time!

“Since you have the guts to do something wrong, you should be prepared to receive punishment!”

He didn’t even have the slightest intention of being biased towards his daughter and sister!

“Uncle is indeed from a prestigious family, even I am inferior to him when it comes to reasoning!”

Lin Hanxing did not even look at Luo Minghao. Instead, he pulled out a wet tissue and helped Jiang Xibao wipe his fingers casually.

The garage was in chaos, as if a strong Typhoon had just passed!

Lin Hanxing made a hand gesture and the Men in Black who were originally inside walked out in an orderly manner and stood beside the mute uncle.

we knew you were coming back today, little 9th. Your aunt ordered the kitchen to prepare some food early in the morning. We were just waiting for you!

Luo Minghao didn’t even look at his daughter and sister, who were covered in blood, behind him. He smiled elegantly.

Lin Hanxing smiled casually, as if he didn’t see the knife-like eyes of Luo Mingwei and Luo Ruyin.

“Oh, really? But I still feel like something is missing!”

Obviously, Lin Hanxing did not want to give Luo Minghao face.

Upon hearing this, Luo Wenbo’s veins popped out on his forehead, and even Lin youlin’s face darkened even more!

“Mingwei, Ruyin, come over and apologize to little 9th!”

Chapter 236: Are you satisfied?

On the other hand, Luo Minghao kept a smile on his face.

Luo Ruyin couldn’t open her eyes due to the oil paint, and the anger in her heart burst out like a frying pan when she heard this!

“I won’t apologize to her even if I die! Why did Lin xiaojiu come back? Why Don’t You Just Die outside!”

Disregarding the fact that the paint might get in if she opened her mouth, Luo Ruyin shouted angrily in Lin Hanxing’s direction!

After she finished speaking, she turned around and ran away, not caring about her aunt who was also in a sorry state!

However, before she could take a step, she fell heavily to the ground in a sorry state, causing Luo Ruyin to cry out in pain!

As the Big Brother, Luo Wenbo’s heart ached.

He glared at Lin Hanxing angrily, then strode over to his sister, who was covered in paint, and picked her up by the waist.

Jiang Xibao subconsciously turned to look at Lin Hanxing.

However, Lin Hanxing's expression did not change at all. Even the smile on his face was as calm as ever.

"Stop!" Lin Hanxing said coldly, but Luo Wenbo didn't listen.

But almost at the same time, a few well-trained Men in Black strode over and stopped him!

The smile on Lin Hanxing's face grew wider and wider, but his eyes were still cold.

"It's a pity that I didn't die outside as you wished. Otherwise, how could I have been able to see such a good show today?"

Luo Ruyin was so angry that she trembled violently in her big brother's arms!

After Lin Hanxing said that, he did not even look at the other side and only played with his slender white fingers.

For a moment, no one spoke.

"I'm sorry! I'm sorry, okay?" After an unknown period of time, Luo Ruyin broke down and shouted.

Luo Mingwei couldn't take it anymore and mumbled.

Lin Hanxing then waved his hand, signaling the Men in Black to move aside.

"Little Jiu, are you satisfied?"

Luo Minghao's elegant smile had never changed, but Jiang Xibao had an indescribable feeling in his heart.

what's there to be satisfied about? we're all family.

Lin Hanxing was also smiling, and on the surface, he really looked friendly.

Lin qianlin's fingers were tightly clenched. Family?

If they were really family, why would she make such a big fuss?

The mute uncle followed Lin Hanxing in silence.

As for Jiang Xibao, although he did not say anything, he really admired the ninth miss's ability to make people vomit blood without changing her expression!

"Let's talk inside the house!"

After saying this, Lin youlin walked into the villa without looking back.

The rest of the Lin family members followed behind her and turned to leave.

However, Lin Hanxing calmly arranged for his men to leave. After a few minutes of delay, the people in front could no longer be seen.

“What do you want to ask?”

Lin Hanxing only looked at Jiang Xibao calmly after his subordinate left.

“Ninth young lady, are you sad?”

Jiang Xibao, who originally wanted to remain silent, spoke carefully. It was obvious that he was afraid of touching Lin Hanxing’s sad story.

In the past two days, she had been reading the news on the internet and had a rough idea of miss Jiu’s background.

“Why should I be sad?”

Lin Hanxing returned to his usual lazy expression, but his smile was gone and he became cold and distant.

“This should be your home, and they are your aunts and uncles, but ...”

Jiang Xibao didn’t know how to describe his feelings. The ninth young lady was like an outsider here. She was excluded!

Lin Hanxing walked towards the villa without saying a word.

His gaze fell on every corner along the way.

There seemed to be other emotions spreading in his indifferent eyes.

“Xi Bao, you saw it clearly just now. What kind of person do you think my uncle is?”

Chapter 237: No one

Jiang Xibao was stumped for a moment. He did not know how to answer this question in a short time.

“He gives me a very bad feeling.”

After some deliberation, Jiang Xibao finally spoke.

The mute uncle followed quietly behind the two of them, like a shadow.

Lin Hanxing did not expect her to answer like that. He stopped in his tracks and smiled.

“Did I say something wrong?” Jiang Xibao asked nervously.

“What’s not good about it?”

Lin Hanxing did not answer but asked a question instead. His tone was so relaxed that it was as if he was talking about the weather today.

I don’t know. Maybe I’m wrong. After all, didn’t he ask the two of them to apologize to you just now? ”

Jiang Xibao tilted his head and sounded hesitant.

“Xibao, you just need to remember one thing.”

Lin Hanxing’s gaze fell on the villa not far away. His voice sounded like an illusion, and it was so pleasant that it made one’s scalp numb.

“In the Lin family, no one is trustworthy.”

Jiang Xibao’s reaction was a little slow, and he was obviously stunned.

“Ninth young lady, you mean that just now, your uncle ...”

didn’t you notice that the situation changed after he told the two to apologize to me? ”

Lin Hanxing was very patient with Jiang Xibao.

At first, Jiang Xibao did not feel that something was wrong. However, after hearing what she said and thinking about it again, it seemed that it was really the case!

After the uncle told the two men to apologize to miss Jiu, the Lin family’s anger seemed to have reached a peak.

He almost couldn’t even maintain the peace on the surface!

ninth young lady, you clearly know, so why do you still ...

“Because this is exactly what I want.”

Lin Hanxing’s fingers ran across the green plants on the roadside. The emotions in his eyes were deep, as if they were shrouded by the fog of winter.

What she wanted to do was to be a piece of rock in the Lin family’s heart, to make them feel danger and pain at any time and place!

“I don’t understand,” It was so complicated that Jiang Xibao felt that his simple brain could not keep up with it.

Lin Hanxing didn’t say anything, but he reached out and pinched her cheek.

It felt really good!

“I’m only happy if I don’t understand!”

Lin Hanxing said softly. The servant who had been waiting at the door for a long time quickly opened the door.

It was as if he was afraid of provoking her.

The contempt that Lin Hanxing had when he first came back was gone from his expression.

The seats in the restaurant were half empty.

Luo Wensu was the only one left.

The servant’s expression was awkward and she quickly left after bringing the person in.

Lin Hanxing, on the other hand, sat down graciously without any intention of being polite.

“You’re still so arrogant.”

Luo Wensu was dressed very casually today. He wore a white t-shirt and jeans, and his fine black hair covered the emotions in his eyes.

“Thank you for the compliment.”

Lin Hanxing said lazily, not minding that there was no one around.

you’re filled with malice towards everyone. Lin xiaojie, what are you trying to do? ”

Luo Wensu’s gaze swept over her White Swan neck, and a gloomy look flashed across his eyes.

Lin Hanxing swirled the wine-red liquid in his wine glass, and his eyes seemed to be twinkling with stars.

“Can you guess what I want to do?”

“No matter what you want to do, take back those thoughts that you shouldn’t have.”

He watched as Lin Hanxing took a sip of the red wine, his smooth neck making a swallowing motion. That posture was extremely seductive.

“You were the ones who found me, weren’t you?”

Lin Hanxing laughed, a clear light rippling in his eyes, making people’s hearts tremble.

Luo Wensu had nothing to say about this.

However, he wasn’t a fool. Everything that had happened recently seemed to have been pushed forward by two hands behind the scenes.

If those hands were ...

Luo Wensu looked at Lin Hanxing, who smiled and raised his wine glass slightly.

It was like a demon!

Chapter 238: There will be an important guest tomorrow

In the Lin family’s study.

Lin youlin picked up a document from the table and threw it at the table. The A4 paper scattered like snowflakes!

“Do you think she remembers what happened?”

After a long time, Lin youlin looked at her brother with a gloomy voice.

“At that time, how old was little Jiu?”

Lin yanshu said after a pause. He took out a box of cigarettes from his pocket, subconsciously wanting to smoke to calm himself down.

But when she looked up at Lin youlin, she gave up.

Lin youlin thought about it and her expression softened, but only by a little.

little Jiu has been smart since she was a child. I don't know why, but when I saw her eyes in the past, I felt scared from the bottom of my heart, as if ... Lin youlin sat in the leather chair, looking tired.

"It's as if she could see through my thoughts with just one look!"

Lin yanshu's scalp went numb from his sister's words. However, as he recalled what had just happened, he fell into silence again.

"Now, I'm even more afraid!" Lin youlin didn't hide her uneasiness in front of her brother.

"I have a feeling that she's back to take her life from us!"

"Sister!" Lin yanshu obviously did not want to hear the rest of her words and interrupted her.

The study room fell into dead silence again.

Knock, knock, knock ...

There was a rhythmic knock on the door.

Lin yanshu stood up to open the door.

However, when he saw the other party's face, his hand subconsciously tightened its grip on the door handle.

"I'm looking for my aunt." Lin Hanxing's tone was flat and there was no fluctuation.

When Lin youlin heard her voice, she stood up from her desk and quickly sat down when she realized that she was too excited.

Lin Hanxing did not seem to notice the change in the room and walked past Lin yanshu.

He ignored the papers that were scattered on the ground.

"Little Jiu, what's the matter?"

Lin qianlin forced a smile on her face, but it didn't look good in the eyes of others.

"I would like to borrow the guest room at home for a while tomorrow."

Lin Hanxing sat in front of his aunt and casually took a pen from the table and started playing with it.

Oh, okay. I'll get the servants to clean it up later. But who did you invite to our house tomorrow? "

Lin youlin was careful with her words, but Lin Hanxing smiled when he heard the question.

"Auntie will know the answer to this question tomorrow. In short, he is an important guest."

Hearing this, Lin youlin subconsciously looked up at her brother.

Honored guest?

Lin xiaojiu had just returned to Jiang city, so how could there be an important guest? could it be ...

Lin youlin's thoughts started to wander. Could it be the Lei family?

Both his sister-in-law and daughter had said that little 9th seemed to have an unclear relationship with Lei Xiao, the president of the Lei Corporation. If ...

"Little Jiu, could it be ... The young master of the Lei family?"

Lin Hanxing raised his eyebrows and looked at her. After what had happened, Lin youlin felt scared when she saw her expression.

Lin Hanxing was not prepared to answer.

She got up and walked towards the door of the study. However, when she passed by Lin yanshu, she gave him a look.

little Jiu, how have you been these past eighteen years? aren't you going to talk to us? "

Suddenly, Lin yanshu, who had been silent the entire time, spoke.

His sister had sent people to investigate little Jiu, but the useful information they could get was limited. Other than knowing that she had traveled to Thailand, Myanmar, and other places, and finally settled in Mengsong, they had found nothing else.

Not to mention that she had been generous and arrogant these days, and it seemed that she could call a group of people at any time ...

Lin yanshu felt that this little niece of his was full of mysteries!

He even had a feeling that if she didn't want to, they would never be able to find anything useful in their lifetime!

Chapter 239: Calling you ugly is very ugly

"Little uncle, what do you want to know?"

Lin Hanxing stood still, his voice neither warm nor cold, unlike the overbearing tone he had in the garage.

In contrast to her straightforwardness, Lin yanshu did not know where to start.

Her expression was too calm, but everyone knew what kind of arrogant and unbridled heart was hidden under this beautiful face!

"How much can you remember from your childhood?"

Without waiting for Lin yanshu to speak, Lin youlin walked out from behind the desk and stood in front of Lin Hanxing.

Lin Hanxing's beautiful eyes seemed to flash with confusion when she heard this.

Her posture was so elegant that it didn't seem fake at all.

"I'm sorry. I don't remember many things."

Lin Hanxing replied calmly, and no one could find any flaws in his answer.

"You don't even remember the human trafficker who abducted you?"

"Should I remember?"

Lin Hanxing did not answer but asked a question instead. Lin youlin paused and could not answer.

"If there's nothing else, I'll go back to my room first."

Without waiting for Lin youlin and Lin yanshu to react, Lin Hanxing turned around and left with a dark expression.

Looking at his appearance, he seemed to be a little impatient.

However, Lin Hanxing's expression disappeared as soon as he left the corridor and turned into a corner.

He returned to his lazy posture.

Lin Hanxing continued to walk forward, her high heels clattering against the floor.

"It's been hard for cousin to follow me for such a long time. If you have anything to say, say it out!"

Suddenly, she stopped in her tracks.

He didn't even turn his head, as if he was talking to the air.

Not long after, the dull sound of leather shoes stepping on the floor came from behind, and the man's hostility came from behind!

The next second, Lin Hanxing's shoulder was grabbed by a large hand and he was thrown against the wall with a thud.

Luo Wenbo looked at her with a sinister look.

As for Lin Hanxing, he did not cry out in pain from the beginning to the end. He only looked at him coldly.

"Younger cousin sister, you don't have the final say in this family!"

Luo Wenbo's hands were still stained with the smell of oil paint, but the threat from his mouth was bone-deep!

so, restrain your wild nature. If you dare to target Ruyin again, I'll make you look bad!

There was no fear on Lin Hanxing's delicate face. Instead, her eyes were filled with ridicule as if she was watching a show.

"What does Biao older brother want me to do?"

She was clearly very curious about the answer to this question.

"You want to destroy me? Or are you going to kill me?"

Suddenly, Lin Hanxing's calm voice was tinged with bloodthirst.

She just looked at her cousin like this, without any hesitation!

Luo Wenbo didn't say a word, as if he didn't expect that even at this moment, there was no fear on her face.

His eyes were filled with fierceness.

cousin, as the future successor of the Lin family, you're taking so much effort to threaten me. Why do I feel honored? " The provocation in Lin Hanxing's eyes became more and more clear in front of Luo Wenbo.

Luo Wenbo's grip on Lin Hanxing's shoulder tightened!

He seemed to want to use the pain to make her remember!

"Come with me to apologize to Ruyin!"

Ruyin had already been wronged by the change of room, and he would definitely not let this matter go easily!

"I advise Biao older brother to give up on this idea to avoid making the scene embarrassing."

Lin Hanxing smiled, dispelling the bloodlust in his words, but there was an obvious hostility that was slowly building up in his bones.

Lin xiaojiu! But I want him!

The moment he finished speaking, Luo Wenbo's hand moved to grab Lin Hanxing's hair.

His actions were fierce and used all of a man's brute force. He didn't care if he would hurt the other party.

Lin Hanxing's lips curled into a mocking smile ...

Chapter 240: Won't be fooled

She was so kind, how could she not satisfy him?

The foot in high heels suddenly lifted up and kicked Luo Wenbo's inner knee, which exploded in pain without any warning.

The hand that was originally stretched out to Lin Hanxing also shrank back because of the pain.

But immediately after, Luo Wenbo felt a strong force climbing up his hand that was reaching out to her.

And his arm was in an extremely awkward position, with the other party grabbing the inner tendons!

"I hope cousin can hear every word I'm going to say!"

In terms of physical strength, women were naturally inferior to men, but Lin Hanxing could very cleverly turn this passive into an initiative to restrain the enemy, so under the premise of being unprepared, Luo Wenbo easily fell into a disadvantage.

"No one can force me to do something I don't want to do!"

Lin Hanxing's pair of beautiful eyes had unknowingly become as sharp as a knife, and just like that, he was looking at Luo Wenbo at such a close distance!

Her long eyelashes were enough to set off a storm of blood!

In his apathetic expression, Luo Wenbo was surrounded by a sinister aura that was not inferior to that of a man!

As soon as he finished speaking, Lin Hanxing released Luo Wenbo's hand.

"You should be glad that you didn't touch me just now, otherwise ..."

Lin Hanxing did not finish his sentence, but it was also the second half of his sentence that was even more shocking!

Luo Wenbo, as the eldest son, had been trained as the successor of the Lin family over the years. He had seen too much of the treacherous storms in the business world, and his character had also settled down year by year.

If Lin xiaojiu had not hurt his sister, he probably would not have revealed the ruthlessness that was hidden deep in his bones.

However, he had never expected Lin Hanxing to be even more ruthless than him!

In that instant just now, Luo Wenbo really felt that he had walked on the line between life and death!

"Cousin, if you have the time to find trouble with me, why don't you think about how to wash off the paint on your dear sister's body?" Lin Hanxing laughed coldly and sarcastically, obviously not taking Luo Wenbo seriously.

"Lin xiaojiu!" Like throwing a small spark on top of gasoline, Luo Wenbo's eyes lit up with fire.

"Looking at cousin's expression, it seems like he wants to kill me!"

Lin Hanxing reached out and tucked her hair behind her ear, revealing her small and delicate earlobe.

The provocation in his eyes didn't decrease at all. Instead, it seemed to grow even more intense.

On his round shoulder, there was an obvious five-fingered mark, which was obviously left by Luo Wenbo.

"If I could, I really want to kill you right now!"

Luo Wenbo gritted his teeth as he said this. Where was the gentleness he had in front of the media in the past?

“Hehe ...”

Lin Hanxing nonchalantly smoothed out the folds at the corner of her dress before finally giving him a stingy look.

then cousin, you better remember that you didn’t kill me today, so you can wait for me to kill you in the future!

These words came out of Lin Hanxing’s mouth gently, and there was an unspeakable warning and danger in them. However, Luo Wenbo, who was blinded by anger, did not hear them at all!

“You should really learn from your brother. If you weren’t born a few days earlier, I think it would be more appropriate for him to manage the Lin group!” Lin Hanxing had said this coldly, but wasn’t this also her true feelings?

In her opinion, Luo Wensu was indeed more successful than Luo Wenbo!

“Don’t try to sow discord between us brothers. I won’t be fooled!”

Luo Wenbo growled at her, but he didn’t forget that they were in the corridor, so he tried to keep his voice down.

Lin Hanxing ignored him and walked past him!

In the corner, a pair of deep eyes took in the entire scene.

The corners of his mouth curled up into a thought-provoking smile ...
