

## Goodnight 381

### Chapter 381: A chance encounter

Jiang City Women and Children's Hospital.

Special Assistant Anthony informed them to return to the Lei clan first.

Just as they stepped out of the elevator, Lin Hanxing and Lei Xiao's phones rang at the same time.

However, one was a phone call and the other was a text message.

Lei Xiao glanced at the caller ID and saw that it was Yan beiming.

"Speak," he said.

"You two have been out for more than three hours. Full marks for endurance!"

Yan beiming's voice was thick with teasing.

During this period, he even asked the Butler to help little Hanxing get some clothes.

Tsk, tsk, bird. Beast!

"Is there something?" Thunder owl neither admitted nor denied it.

you and Hanxing should take a detour to the supermarket. Your little nephew insisted on eating snacks.

"Yes, I know."

With that, Lei Xiao hung up the phone.

Yuan Bao was a patient who was heavily dependent on snacks. When Lei Xiaosi was not around, the whole family doted on him.

On the other end, Lin Hanxing glanced at the message.

The corners of his mouth curled into a cold smile.

Was he that interested in her room?

It seemed that she had to give him a warning once and for all!

After replying to the mute uncle's message, Lin Hanxing looked up and saw a familiar face.

He was walking towards her and Thunder valiant beast with his head lowered.

It was obvious that he had just finished a checkup.

Without thinking, Lin Hanxing reached out to grab Lei Xiao's wrist and hid in the blind spot behind the decorative pillar.

His eyes were fixed on that person.

The Thunder valiant beast first glanced at the newcomer, then focused all his attention on the soft fragrance in his arms.

She was so close to him.

He was so close that he could even smell the fragrance on Hanxing's body clearly.

The diamond earrings on her Jade-white earlobes made a faint sound, as bright as her own.

Yes, he wanted to eat her.

"Why is she here?"

Lin Hanxing watched as the man entered the elevator.

When the elevator's metal door slowly closed, Lin Hanxing's gaze shifted from behind the pillar.

Lin Hanxing stood at the elevator door until he saw that the number '3' on the elevator display had stopped moving. He looked at the floor plan next to him and a thought-provoking emotion flashed across his eyes.

"Let's go up and take a look."

Lin Hanxing pressed the elevator button and looked at Lei Xiao.

"Don't you think I'm like your follower?"

Lei Xiao followed her into the elevator and said in a deep voice.

With no one around, Lin Hanxing turned around and touched Lei min's handsome face.

"Then you must be the most handsome and expensive follower in the world!"

With that, the elevator reached the third floor with a ding.

The Gynecology and Obstetrics Department of the Women and Children's Hospital was on the third floor.

There were clearly many people.

Lin Hanxing's attention was on the woman in the crowd who was obviously anxious.

He put on his sunglasses and mask in the elevator for fear of being recognized.

the rich and powerful families of Jiang city are really interesting.

Lin Hanxing smiled, but the smile did not reach his eyes.

Her gaze fell on the woman's back, and her expression was profound.

Not long after, she came out of the Department with a test sheet in her hand.

She lowered her head and looked at the test report in her hand. Her face under the mask was distorted.

She crumpled the things in her hands into a ball and threw them into the trash can. Then, she turned around and went downstairs in a fluster and anxiety.

However, Lin Hanxing and Lei Xiao walked out from the corner.

Lin Hanxing took the test sheet and spread it open. He was not surprised to see that she had used an alias.

people in Jiang city say that young mistress he is gentle and lovely. She never leaves her husband who has been in a coma for three years. She is a model.

“If people find out that she’s pregnant ...”

Lin Hanxing was still holding the test report in his hand, his voice soft and cold.

“This child’s background will definitely arouse the curiosity of others.”

That’s right, the person who had been hiding her identity was the great young mistress of the he family, Yuan Xiaolei!

Lin Hanxing had not had the time to look for trouble with her recently, but she did not expect ...

To actually meet here!

## **Chapter 382: Used one**

In the Lin family’s study.

you’re saying that our Lin family will replace the SU family in the bidding for the cross-sea bridge project? ”

Lin qianlin’s expression was one of pleasant surprise, as if she couldn’t believe that such a big piece of pie had fallen into her lap.

This time, when she found out that Zhong Xueqing had contacted the SU family and the he family to participate in the sea bridge Development, Lin youlin was really unhappy for a while. What right did the SU family have to suppress the Lin family in every way?

Wasn’t he just backed by the Lei family?

But he didn’t expect that because of last night’s incident, his family could actually benefit from this misfortune and participate in this project. It was more of a surprise than a shock!

If it was completed and put into use, it would create huge profits in the future!

but, even if our Lin family joins us, we will still be short of funds ...

Lin youlin calculated the amount of cash that the Lin group currently had, and it was obviously not enough!

don’t worry, Xueqing went to Y. R. To look for the president of xxx bank. We’ve been borrowing money from her for so many years. It shouldn’t be difficult to increase the loan this time!

Mrs. He smiled brightly, no longer having the shadow of last night.

His mind was filled with the idea of making a fortune.

At that moment, she was still unaware of what had happened to Zhong Xueqing and Fang Mengran at Y R.

we haven't settled last night's matter yet. If Zhong Yifu finds out that our Lin family has replaced the SU family ...

Lin qianlin trailed off, her expression a little awkward.

aunt Lin, a businessman values profit. Are you going to let go of the fat meat in front of your mouth and take into account your sisterly feelings? "

Perhaps he zhehan was a little overwhelmed by the pride that he would definitely contract the project, even his voice was full of arrogance, which made people uncomfortable.

Originally, he zhehan and mother he were furious about he Chengyu's sudden disappearance from the hospital, but they didn't expect a beautiful task to fall on their heads.

The bidding this time was under the he family's name.

He zhehan had waited for so many years. Finally, he had a chance to prove that he was stronger than he Chengyu ...

How could he let her go?

"How could I! Last night, you caused such a scene ..."

Lin youlin thought about last night's incident and remembered that she couldn't contact Lin Hanxing.

His expression immediately turned ugly.

Mother he asked. As soon as Lin youlin finished speaking, she snorted coldly.

"This Lin xiaojiu sure has a bad temper! In my opinion, you shouldn't have been so kind to find her back!"

Get her back?

Did she think that she wanted to?

However, Lin youlin did not say this out loud.

In that situation, if she didn't get Lin xiaojiu back, the entire Rivertown would probably be poking at her Lin family's back!

He zhehan's eyes darkened when he heard the two of them mention that woman.

He really wanted to have a taste of that woman in bed!

Although she was a woman who had been used by young master Lei, he could ignore this fact just by looking at her delicate face and graceful figure.

He thought about how her slender and fair legs were clamping onto him ...

He zhehan only felt that his blood seemed to be boiling because of this thought!

“Hey, did you find he Chengyu?”

Lin youlin seemed to have thought of something and glanced at mother he.

Mother he’s expression changed immediately.

it’s as if he has disappeared from the face of the earth. I keep feeling uneasy.

What mother he was most afraid of was that someone would use he Chengyu’s car accident to create more trouble!

“What’s there to be uneasy about? So what if he woke up? He’s just a piece of trash!”

He zhehan’s voice was full of disdain!

The cross-sea bridge this time was enough to prove his ability!

### **Chapter 383: I’m here**

Lei Xiao parked the car in the supermarket’s parking lot.

During this time, his work phone never stopped ringing.

Lei Xiao glanced at it and simply hung up.

However, the other party was still persistent.

“A call from the SU family?”

After closing the car door, Lin Hanxing saw that Lei Xiao had left his phone in the car, so he asked casually.

“Yes.” The Thunder valiant beast’s expression turned sinister for a moment, but it disappeared in a flash.

The two of them pushed the shopping cart inside. As it was working hours, there were not many people.

“Why are you so sensitive to the child?”

Lei Xiao reached out and threw Yuan Bao’s favorite snacks into the shopping cart, then said in a nonchalant tone.

Lin Hanxing, who had been standing beside him, clearly paused.

She did not move.

The Thunder valiant beast did not move.

He knew that Lin Hanxing did not like to meddle in other people’s business, but things related to children were an exception.

Lin Hanxing glanced at Lei Xiao, his face calm.

However, the gloominess in his eyes was obvious.

“Yuan Bao likes that.” She smiled and turned to walk in the other direction.

But just as he turned around, his hand was grabbed by Lei Xiao.

His large palm easily covered her small hand, wrapping the warmth around the coldness.

He didn’t force her to answer the question. He clasped his hands together so that Lin Hanxing wouldn’t escape.

Lin Hanxing turned around to look at Lei Xiao.

There was a rare coldness on his face, and his brows were furrowed.

It seemed that he was annoyed by the question he had asked just now.

“Don’t run.”

Said Lei Xiao.

Perhaps it was because of this simple yet apprehensive sentence, but the tension in Lin Hanxing’s heart relaxed a little.

She looked at the two of them holding hands and walked back to Lei Xiao.

“Yuan Bao really likes that one.”

Yuan Bao had always wanted to eat the cheese cream on the shelf.

Lei Xiao didn’t say anything. He walked over, swept two boxes, and put them in the shopping cart.

He didn’t let go of Lin Hanxing at all.

everyone in Jiangcheng knows that the beloved daughter of the president of Lin’s group was kidnapped by human traffickers in Jiangcheng when she was seven years old. There has been no news of her since then. Lin Hanxing’s cold voice suddenly rang out after an unknown period of time.

“It’s been 18 years since I left!”

Lin Hanxing’s tone was too calm, as if he was talking about someone else’s business.

“But what if I tell you that I wasn’t abducted back then?”

Lei Xiao’s grip suddenly tightened, even Lin Hanxing could feel the pain.

Her simple words were enough to set off a storm.

Lei Xiao’s brows furrowed even more.

On the other hand, Lin Hanxing moved closer to him and reached out to smooth the wrinkles between his eyebrows.

also, I promised aunt Mian that I'd avoid hurting the child under any circumstances.

Lin Hanxing smiled after he finished speaking. However, that smile made Lei Xiao's heart feel like it had been punched by a large fist.

Suddenly, he pulled her into his arms.

"I'm here,"

His powerful voice was transmitted to Lin Hanxing through his trembling chest.

His tone was cold and heavy.

It was just three simple words, but it gave people an infinite sense of security.

"Thunder valiant beast, don't think of me as weak."

No one could take advantage of her if she didn't agree.

All these years, the only accident in Lin Hanxing's life was perhaps the Thunder valiant beast.

He was the one who forcefully entered her life.

The domineering side of her world had occupied a place.

She even let every member of the Lei family break down the last line of defense in her heart, until she was completely defeated.

Even the relationship between the two of them did not seem to be confirmed by anyone.

Everything seemed to be in place.

Lin Hanxing did not understand if this was love.

But one thing was for sure, there was no other man in this world who could be like Lei Xiao.

He moved her.

#### **Chapter 384: Do you like it**

In front of this man, she didn't have to bother to hide herself at all.

Lei Xiao seriously indulged her, pampered her, and did not even mind her climbing over his head.

A man who was so cold in the eyes of outsiders that even a glance at him would make others' hearts tremble, had unreservedly doted on her.

It was as if he was raising a daughter.

He seemed to want to pile all the good things in front of her.

Yingluo, in my eyes, you're always right.

Lin Hanxing smiled and softened the thin layer of frost on his brows.

"Besides, where do you want me to run to? You're holding my hand so tightly, as if you're afraid I'll lose it!"

She raised her hand, and Thunder valiant tightened his grip again.

Only then did he react and let go slightly.

"Okay, don't throw it."

The judge's thin lips parted, but the words that came out of his mouth made Lin Hanxing laugh.

Seeing that Lin Hanxing's gloomy expression had disappeared, Lei Xiao's heart felt better.

"Don't lose it, and don't be sad."

On his cold and handsome face that seemed to have been favored by God, there was a mature smile at the corner of his mouth.

"I've long passed the age of sadness."

All these years, it was rare for something to make her feel emotional. She had never even cried.

Those who had seen Lin Hanxing before would always feel a sense of awe when they met his cold and distant eyes.

Aunt Mian had taught her well.

She, Lin Hanxing, had lost her family since she was seven years old.

However, at the age of 26, he met Lei Xiao and the Lei family, and felt warmth again.

Aunt Mian, the mute uncle, and uncle Jin had taught her how to grow up and protect herself.

But Lei Xiao and the Lei family, taught her the throbbing of love again.

"I prefer to make people sad now!"

Lin Hanxing raised his eyebrows and moved closer to Lei Xiao.

The height difference between the two of them made her have to look up to see his expression.

Thunder valiant lowered his head to look at her.

There was no joy or anger on her palm-sized face, but her eyes were as bright as stars.

He couldn't describe the feeling in his heart.

His heart ached so much that it was difficult to speak.

Hanxing left Rivertown when she was seven and had no parents. If she hadn't been lucky enough to meet Li Yanyu, how could she have lived all these years?

Lei Xiao couldn't imagine that there were other bad possibilities in Lin Hanxing's life.

She used to be the most precious daughter of the Lin couple.

Before the age of seven, she lived like a princess.

Suddenly, Lei Xiao cupped her face with both hands and leaned over to kiss her.

Without any warning, Lin Hanxing's eyes widened and his eyelashes fluttered.

Just as she was about to speak, Lei Xiao took the opportunity to intertwine between her lips and teeth.

There was an alluring fragrance on the man's body.

Different from men's cologne, it was Lei Xiao's unique body fragrance.

His kiss was like his scent, tempting her to commit a crime.

It made one's heart itch.

Lin Hanxing still remembered the first time Lei Xiao kissed her.

He was like a powerful beast, rampaging and plundering.

There was no order to it, as if it was devouring her by instinct.

Now, the Thunder valiant beast's technique had improved a lot, to the point that it was almost impossible to resist.

Lin Hanxing subconsciously seemed to have caught onto something, and it was difficult for him to breathe.

He seemed to be able to hear the sound coming from the other shelf that was blocked by the snack bags.

It was a very subtle feeling.

Even his body seemed to be as light as a feather.

After an unknown amount of time, Lei Xiao finally let go of Lin Hanxing.

He used his fingertips to wipe away the bright marks on her lips.

That was something that belonged to the two of them.

"Do you like it?"

Thunder valiant beast's chest heaved slightly, his voice was deep and mesmerizing.

Even his deep eyes were filled with an alluring darkness.

Lin Hanxing's small, coconut milk-like face was gradually dyed red ...

### **Chapter 385: Grape vines**

His rough fingers were still gently brushing against her lips.

Lin Hanxing did not know that at this moment, her small mouth was like a ripe purple grape on the grapevine in the villa's courtyard in Lei Xiao's eyes, tempting him to pick it.

She seemed to be bewitched by his eyes that were filled with strong emotions because he was afraid of scaring her ...

She nodded her head slightly.

"Then buy it." Lei Xiao said hoarsely.

Eh?

Lin Hanxing did not come back to his senses for a long time. Then, he saw Lei Xiao's gaze following her wrist to the jelly that she was holding.

He was asking her if she liked snacks.

And she actually responded to him seriously, and she really liked it ...

Lin Hanxing mumbled as he buried his face into Lei Xiaoyue's chest.

Dumbass.

Those who knew her identity were all afraid of her!

She was afraid that in this world, only this man would treat her like a child.

When the two of them left the supermarket, they had bought four to five large shopping bags of snacks.

"Here, this is for you,"

Lin Hanxing seemed to have thought of something. He took out a card from his bag and handed it to him.

Lei Xiao raised his eyebrows and looked at her.

"It's my supplementary card,"

Qinshui's beautiful eyes were full of light.

"Oh, it should be the package fee!"

As he spoke, Lin Hanxing stuffed the card into Lei Xiao's front pocket.

When he leaned over, his slightly curly hair was like soft seaweed, pouring down on both sides of his body.

He unbuckled the seat belt and slowly fastened it for Lei Xiao.

With a click, the seat belt was fastened.

Lin Hanxing's slender waist was also caught by Lei Xiao's large palm.

"How long?"

His voice was lazy and sexy, but it was not difficult to hear the expectation in his voice.

"It depends on my mood."

Lin Hanxing wanted to sit back down, but Lei Xiao refused to let go.

"You're not allowed to disembark from my pirate ship."

"Thunder valiant beast, how can you be so overbearing?"

Lin Hanxing couldn't help but chuckle. Now, people could get a divorce even if they were married, why couldn't he get off his boat?

"I'm just that overbearing!"

Lei Xiao stared at Lin Hanxing as if he was waiting for an answer.

"I'm the type of person who hates trouble the most. In that case, I might as well not go up, alright?"

After saying this, she pretended to take the card back.

However, Lei Xiao was faster than her and easily slipped the card into his casual pants.

Lin Hanxing reached in and tried to snatch it, and after a while ...

The two of them instantly stopped moving.

The big eyes stared at the small eyes.

"Shameless!" Lin Hanxing mumbled, but Lei Xiao heard him clearly.

"If I was shameless, I would have dealt with you last night!"

As he spoke, he leaned in and kissed her hard on the lips.

Lin Hanxing blinked innocently and looked at him. Thinking of how Lei Xiao had held his breath last night, he forced a smile.

"Tell me, how long?"

Thunder valiant managed to change the topic.

"Lin Hanxing, have you ever heard of this saying?"

Seeing that she didn't mind, Lei Xiao spoke with a serious expression.

"What?" What did he say?

"Any woman who doesn't put marriage in her eyes is a pervert!"

"....."

On the way back, Lin Hanxing sat in the passenger's seat and tried not to laugh, pretending not to notice Lei Xiao's occasional glances.

She felt as wronged as she could be.

He seemed to be complaining that he wasn't taking responsibility for provoking him.

The car quickly returned to Y. R.

However, Lin Hanxing saw a car parked at the entrance of the villa.

The smile on his face froze.

That car looked very familiar.

Just as he was thinking, Lei Xiao's phone rang. It was still Yan beixiao's number.

However, this time, Lei Xiao did not pick up and drove the car directly into the villa ...

### **Chapter 386: A sudden decision**

As soon as he entered the courtyard, Lin Hanxing immediately saw uncle hai accompanying Yuan Bao.

Seeing them return, Yuan Bao pouted towards the villa.

After parking the car, Lei Xiao and Lin Hanxing entered the villa without taking anything.

Although he knew it was Yuan shaojing, Lin Hanxing's expression still froze when he saw the other two people beside him.

Are they Cheng Lingyun and Yuan susu?

Lin Hanxing and Lei Xiao knew very well what had happened to Cheng Lingyun last night.

To her surprise, she still had the strength to sit there.

However, upon closer inspection, one could clearly see that Cheng Lingyun was putting up a strong front.

Her calves were still trembling.

As for Yuan susu, she had also just been discharged from the hospital. Her face was pale and she looked weak.

When he saw Lei Xiao, his eyes brightened at first, but when he saw Lin Hanxing, his eyes darkened.

"Ah Xiao and miss Lin are back."

Yuan shaojing put his hands on the Dragon-headed walking stick, as if nothing had happened last night.

He even smiled elegantly.

In the living room, mother Lei's expression was different. Even Lei Yu and Yan beixiao's expressions were a little subtle.

"Have a seat. I have something to announce to you."

Yuan shaojing's voice was calm as he looked at Lin Hanxing.

Lei Xiao and Lin Hanxing took their seats.

“What’s the matter?”

Lei kangnian chuckled, but when he saw Yuan shaojing’s hand reaching out to Cheng Lingyun, he suddenly stopped.

“After some time, I’ve decided to settle the marriage with Lingyun in Jiang city.”

With a bang, the mug in Madam Lei’s hand fell to the ground.

The water was spilled all over the ground.

Yuan shaojing was going to marry Cheng Lingyun?

Apart from Lei Xiao and Lin Hanxing, the rest of the people were shocked.

Yuan susu was even more caught off guard.

He tilted his head and looked at the two of them.

Cheng Lingyun subconsciously looked at Lin Hanxing, her eyes filled with pride.

She knew that she was the one who had been by brother Yuan’s side all these years. Even that dead woman, li Yanyu, would not be able to snatch her place in brother Yuan’s heart. Moreover ...

Cheng Lingyun lowered her head to hide the shy smile on her face.

Last night, brother Yuan and she actually ...

“How could it be so sudden?”

Lei kangnian looked at his best friend, trying to see a hint of unwillingness on his face.

Madam Lei looked at Cheng Lingyun, and when her eyes inadvertently swept across her neck, her pupils suddenly stopped.

If he wasn’t wrong, that was ...

A kiss. Seal?

“I suddenly decided.” Yuan shaojing poured a new glass of water for Mama Lei and Zhong Nanyin, pushing it in front of her.

His eyes fell on Lin Hanxing’s face.

“Mr. Yuan, you don’t regret it?”

Lin Hanxing suddenly said coldly.

The atmosphere suddenly became awkward.

Cheng Lingyun narrowed her eyes at Lin Hanxing. She knew that Lin Hanxing must have said something to brother Yuan, but she didn’t know how far he had gone! It was also because of this that when she

woke up this morning and brother Yuan said that he was getting married, she was so excited that she almost cried ...

“What do I have to regret?”

Yuan shaojing chuckled, his voice carrying a hint of contempt.

“Those few years when li Yanyu was pestering me were the hardest days of my life.”

“Didn’t I tell you how much I hate her that day?”

Lin Hanxing looked at Yuan shaojing. It was as if a cold whirlwind was blowing around her, and the people around her could clearly feel her anger.

“What does her death have to do with me?”

The moment Yuan shaojing finished speaking, Lin Hanxing’s hand had already taken the glass of water he had just poured for Mama Lei. With a splash, Yuan shaojing’s entire body was completely dry!

brother Yuan ... Cheng Lingyun jumped into his arms in a panic.

### **Chapter 387: Miss Lin has a bad temper**

Yuan shaojing didn’t even look at Cheng Lingyun, only reaching out to wipe the water off his face.

“Miss Lin has a bad temper.”

Yuan shaojing said these words indifferently, and it was hard to tell if he was angry or not.

“Mr. Yuan, I’m afraid you’ve never seen me in a worse temper!”

“Oh, really? It seems that ah Xiao needs to be properly managed.”

Lin Hanxing and Yuan shaojing went back and forth, and the atmosphere became more and more tense.

“I’ll only ask you one question, Mr. Yuan!”

Lin Hanxing’s eyes were like swords as he coldly scanned Yuan shaojing, Cheng Lingyun, and Yuan susu.

“Between li Yanyu and Cheng Lingyun, who is more important to you?”

The air seemed to have frozen. Madam Lei wanted to say something, but her father stopped her.

Cheng Lingyun’s ears perked up, obviously also wanting to know the answer to this question.

Suddenly, Yuan shaojing sneered.

His voice was full of sarcasm.

“Is there any comparison between Ling Yun and Li Yanyu?”

Different people would have different interpretations of this sentence.

“Good! Very good!”

Lin Hanxing did not want to stay any longer, so he turned around and went upstairs.

"It seems that miss Lin doesn't welcome us. In that case, Lingyun and I will move out of the Lei family today."

Yuan shaojing slowly got up, both hands on his walking stick.

"Are you threatening me, Mr. Yuan?"

Lin Hanxing didn't turn around, the mockery in his voice was obvious.

miss Lin, you're thinking too much. I just don't like it when people disrespect Lingyun.

Yuan shaojing looked at Lei kangnian, as if he felt that they had already said enough.

"That's all I have to say, I'll take my leave!"

Cheng Lingyun staggered up. Her legs were still weak and trembling, but she managed to follow behind Yuan shaojing in pain.

"Susu just got out of the hospital. She's not in good health, so please take care of her for now!"

Lin Hanxing went up to the second floor.

A deathly silence circulated in the air.

On the second floor, Lin Hanxing stood quietly in front of the floor-to-ceiling glass.

He expressionlessly watched as Yuan shaojing and Cheng Lingyun left.

He didn't know if he felt something, but before he got into the car, Yuan shaojing raised his head and looked at the shadow standing on the second floor.

But soon, it was as if nothing had happened.

Lin Hanxing's long eyelashes fluttered, his face expressionless.

But suddenly, she turned around alertly and her heart tightened when she met a pair of calm eyes.

Standing behind her was ...

It was Lei kangnian!

"Come with me,"

Lin Hanxing couldn't tell what the old man was thinking from his voice.

He followed Lei kangnian and continued to walk upstairs. Soon, they arrived at the door of the study.

Lei kangnian pushed the door open and entered. Lin Hanxing thought for a moment, then closed the door behind him.

Father Lei's eyes were sharp.

It was a gaze of wisdom. Lin Hanxing did not avoid it and met its gaze.

In front of the Lei family, she had no need to hide.

I understand shaojing. That wasn't his style of doing things, and you cooperated with him to put on such a show ...

Lin Hanxing neither admitted nor denied it.

shaojing is my best friend, and you're my daughter-in-law. I don't care what you guys discuss because I believe that you won't harm the Lei family, but ...

Lei kangnian's voice suddenly stopped. He looked at Lin Hanxing and sighed.

you're a member of the Lei family. If you have any problems or trouble, if you're too embarrassed to disturb me and Yinyin, don't hide it from ah Xiao. You can use all the resources he has!

The Lei family was protective of their own people. Even though Lei kangnian did not know what had happened, he did not want Lin Hanxing to suffer.

### **Chapter 388: On your side**

Lin Hanxing was stunned when he heard what Papa Lei said.

When she came up, she was already prepared to be scolded.

However, she did not expect that father Lei first thought that she was in trouble and was too embarrassed to ask his parents for help, so he asked her to discuss it with Lei Xiao.

She had an indescribable feeling in her heart.

father Lei, if ... Lin Hanxing hesitated.

"If I really get into big trouble, it might affect the Lei family ..."

Hearing this, Lei kangnian laughed and gestured for her to sit down with his eyes.

"I believe that you won't, but if that really happens, the Lei family will use all of their wealth to ensure your safety. Money can be earned again if it's gone, but if people are gone, then there's nothing left!"

If the Lin family had said this, Lin Hanxing would have just taken it as an act.

However, since father Lei was the one who said it, Lin Hanxing believed him.

"Father Lei, I'm very sorry for what happened today."

"What's there to be sorry about?"

The older he got, the cleaner the hostility he had when he was young was.

"Yinyin and I have always wanted a daughter when we were young, but you've seen the result. Ever since I had you, my position in Yinyin's heart has been plummeting. She's been talking about you in my ear every day. I don't know why she likes you so much."

Lei kangnian sighed after saying that.

In the past, when Yinyin had nothing to do at home, she loved to look for his secret stash of money. Now, she was thinking about how to ask the big boss out every day. Lei kangnian felt that he had fallen out of favor in Yinyin's heart.

even just now, she kept winking at me, afraid that you'd be at a disadvantage.

"I also like father and mother Lei very much."

Lin Hanxing's voice softened and he no longer sounded as nervous as before.

alright, don't say nice things to fool us. Ah Xiao has been listening at the door for a long time. Let's go and find him.

How could Lei kangnian not understand his son?

He was probably standing at the door waiting for his wife.

Lin Hanxing looked back, Lei Xiao was outside?

"You don't believe me? If you don't believe me, go take a look."

Lei kangnian could read Lin Hanxing's mind with a single glance. He smiled and leaned back in his seat.

Lin Hanxing stood up and walked to the door. As soon as he opened it, he saw Lei Jing leaning against the wall opposite him, looking at her.

"You little rascal!"

Father Lei's teasing voice came from behind.

"Then, father Lei, we'll go back to our room first."

Lin Hanxing turned around and smiled at father Lei.

"Go, go, go, don't be an eyesore in front of me."

Lei kangnian looked at ah Xiao's worried eyes and got angry. Did he really think that he would eat his wife up?

Hmph, I also have a wife!

Lei Xiao hugged Lin Hanxing and walked towards the room.

When Yuan susu wasn't here, the room was just enough for him to sleep in. But now that she was here, there was one less bedroom.

"I'll sleep with you tonight."

As soon as Lei Xiao finished speaking, Lin Hanxing raised his head and looked at him.

She happened to see the curve of his lips that he didn't manage to retract in time.

"Why did you come up?"

"Mom is worried about you."

Lin Hanxing's expression was filled with guilt as he thought about what had happened just now.

there's a vineyard behind us. Bring Mama Lei and the others there in the afternoon.

It was the time for the grapes to ripen, and there were all kinds of varieties available. She felt that Yuan Bao and Mama Lei would definitely like it.

"Brother Lei ..."

Just as Lin Hanxing finished speaking, Yuan SuSu's voice came from behind.

Lin Hanxing only reacted after a long while.

She had almost forgotten that Yuan shaojing had left Yuan susu behind when he left.

### **Chapter 389: The shadow in her heart**

Obviously, Yuan susu hadn't fully recovered yet. She looked as weak as a sick woman.

She had yet to recover from the shock of her uncle and mother getting married, and she was still floating as she walked.

Although he knew that this day would come, his uncle had never expressed his wish all these years. Not to mention, there was also the matter of Auntie Yanyu. It was just that ...

Her uncle's behavior today made Yuan susu feel uneasy.

"Brother Lei, I have something to say to miss Lin."

Yuan susu was really panicking, even her desire to cling to Lei Xiao had faded a lot. She only looked at Lin Hanxing's face, hoping to understand more from her.

Lei Xiao's brows furrowed, clearly not ready to let go.

"It just so happens that I also have something to talk to Miss Yuan about."

Lin Hanxing laughed coldly in his heart, taking in the anxiety and panic on Yuan SuSu's face.

She panicked.

But perhaps even she did not know why she was panicking.

But her instinctive reaction made her reject the marriage between Yuan shaojing and Cheng Lingyun.

The two of them went to the balcony on the second floor.

Sitting on two wicker chairs, Yuan susu didn't say anything for a long time.

"Miss Yuan, please speak quickly. I don't have that much patience."

Lin Hanxing sat lazily in the rattan chair, his right leg crossed elegantly over his left, and his Lake Blue dress rippled like water.

"My uncle and uncle Lei have been good friends for many years. Aren't you afraid that uncle and Auntie will punish you for offending my uncle?"

Yuan susu said in a neutral tone.

"Are you not afraid?"

Lin Hanxing raised his eyebrows, his voice was soft and slow, it made people's hearts go numb.

"What should I be afraid of?" Yuan SuSu's face turned even paler, perhaps because she had been stabbed in her soft spot. If a man who wasn't calm enough saw this, he would probably feel heartache to the bone.

"You're afraid that you'll be abandoned!"

Lin Hanxing's words hit the nail on the head and Yuan susu stood up from her rattan chair!

It was as if he had torn apart her disguise and magnified the fear in her heart.

all these years, you've been relying on the fact that Yuan shaojing doesn't have any children by his side to gain the attention of country G. But there's a prerequisite for this, and that is that Yuan shaojing must have no children by his side so that you can enjoy the glory alone!

Lin Hanxing's gaze fell into the distance.

The forest Park was shrouded in a thin mist, looking like a paradise on earth.

When Lin Hanxing had first chosen this piece of land, it was because of this scenery that he had invested a huge sum of money to buy it.

Even the overall decoration style was based on his own preferences.

now, your biological mother is going to marry your uncle. In the past, because you were unique, they pampered you and would do anything to get everything you wanted. But now ...

"Are you sure they will?"

Lin Hanxing said in a neutral tone as he turned to look at Yuan SuSu's pale face.

Lin Hanxing was good at playing with people's hearts.

This was especially true for people like Yuan susu, who looked clean and pure, but had a lot of thoughts in her heart.

if your mother had a second child, if the child was a boy ...

Yuan SuSu's hand, which was resting casually on the wicker chair, suddenly clenched tightly.

So this was what he was feeling uneasy about!

She did not have time to think much in her shock, but now that she was reminded by Lin Hanxing's words, it was as if she was enlightened!

everything you have now was given to you by Yuan shaojing, but if one day you become that extra ... Do you think that your self-pity trick will still work? ”

### **Chapter 390: Deepening the fear**

Yuan SuSu's face was expressionless, but her heart was beating so fast that she couldn't take it.

She subconsciously wanted to press her hand against her heart, but she refused to admit defeat because of Lin Hanxing's cold eyes.

“My mom wouldn't do that to me!”

“She won't have another child!”

Yuan susu didn't know if she was saying it for Lin Hanxing or for herself.

Lin Hanxing laughed at her words, as if he was mocking her naivety.

“You're laughing at me?”

Yuan susu stood up abruptly, her face as white as a sheet of paper. She was strangely angry.

“Why can't I laugh when I hear such a funny joke?”

Lin Hanxing rested one hand on the armrest of the rattan chair, his lazy posture exuding an aura that made Yuan susu jealous.

Yes, she was jealous of her!

It wasn't just because she had stolen all of brother Lei's attention, but also because of her health!

They were both white, but he was morbidly white, while she was white with a tinge of red.

She was very beautiful, so beautiful that even the sun above her head seemed to be crowning her!

But what about him?

She had nothing!

as early as a year ago, there was a rumor in Jiang city that country G's top Chinese tycoon, Yuan shaojing, was going to choose someone from the rich families in Jiang city to be his adopted son or daughter to inherit his family business that was as rich as a country!

Lin Hanxing's voice was full of enchantment, but his gentle eyes made Yuan susu feel endless fear.

you said that your mother won't have another child. Based on your understanding of her, is it more likely for her to let a stranger inherit it, or is it more likely for her to have a child of her own? ”

In the past, how could Cheng Lingyun easily give up those things that she could only dream of?

Yuan SuSu's face turned even paler.

so, your two 'won't' are basically invalid!

"I can do it too!" Yuan susu forced herself to be stubborn.

Lin Hanxing raised his eyebrows and looked at her with rare patience.

if you had taken good care of that heart, you might still have the right to say this now. With your condition of being seriously ill every three days and minor illness every five days, who would dare to hand over such a big business to you? "

besides, your father is the second young master of the yuan family!

back then, he was the one who broke your uncle's kneecaps and made him crawl out of the yuan family like a dog!

you have the blood of the yuan family's second young master in your body. What right do you have to say such things? "

Lin Hanxing's chuckling was full of sarcasm, and Yuan SuSu's fear grew deeper and deeper.

All these years, her life had been too comfortable.

He was so comfortable that he had long forgotten that his heart was stolen, and that all the good times he had these years were also stolen!

moreover, if Yuan shaojing really wanted you to inherit it, why would there be rumors of him adopting an heir in Jiang city? "

Yuan SuSu's body was trembling.

This woman's words were too flirtatious. She couldn't refute his words.

She knew clearly in her heart that she was right. She was right!

The panic and fear made Yuan susu feel like she was about to drown.

Originally, she had felt that she could enjoy her uncle's love and all the glory that the yuan family had given her for the rest of her life.

But, mom is going to marry uncle!

If they had a child, then she ...

He was the most redundant member of the yuan family!

At that time, what would he do?

She was used to enjoyment and admiration, so how could Yuan susu be willing to be kicked around like a ball?

Lin Hanxing looked at Yuan SuSu's strange and ever-changing expression in silence.

From that moment on, the seemingly insignificant crack in the relationship between Yuan susu and Cheng Lingyun ...

It would get bigger and bigger!
