

## Goodnight 581

### Chapter 581: Those superficial women

Yan beiming lay on the table, looking at Lei Xiao, who was taking the documents from Anthony.

Usually, ah Zhen was a high and mighty President who could only be admired from afar. Those superficial women could only fantasize in their hearts at most. So, every time Yan beixiao came to the company, one could imagine how popular he was!

But just now, when ah Xiao came out of the elevator, the group of women looked like they wanted to strip him naked and eat him up until not even his bones were left!

I'm not willing to accept this ...

"By the way, little Hanxing's taste in clothes is really good."

Looking at Lei Xiao, Yan beiming had to admit that this set of clothes completely highlighted the advantage of his figure. Furthermore, once his originally business-style hair was let down, his cold aura was reduced by half, making people want to get closer to him.

Lei Xiao's name was quickly signed, and the business signature was written on the back of the paper.

He glanced at his watch. There was still enough time to get there before nine O'clock.

He got up and habitually wanted to pick up his suit jacket from the back of the real leather president's chair, but then he realized that he was not wearing a suit today.

He paused.

Lei Xiao's personal phone suddenly rang.

"It's a call from miss Lin."

Anthony handed the phone over to Lei Xiao, and Yan beixiao boldly pressed the loudspeaker button.

"Ah Xiao ..."

Lin Hanxing's voice was heard. Yan beiming wanted to greet him slyly, but he suddenly realized that there was something wrong with the background.

"I'm in trouble."

Lei Xiao's expression instantly turned icy, and even Yan beiming became nervous.

Even little Hanxing couldn't solve the problem that needed to be solved by calling ah Xiao, so it must be extraordinary.

"Hanxing, where are you?"

Yuan Bao school. This person said that he knows some brothers in the streets and even asked me if I've heard of the black market. It seems that my husband has been working with the Lei family all year round. He told me to wait and said that I won't be able to leave this place!

"What the f \* ck? Why are you so arrogant?"

If someone bullied his sister, Yan beiming would not tolerate it!

"I'm so scared! Ah Xiao, come and save me!"

Hearing this, Yan beixiao shivered and subconsciously looked at Lei Xiao.

This was definitely not an ordinary little cold star!

Where did that strong and manly little Hanxing go?

"I'll be there immediately!"

Lei Xiao's eagle-like eyes suddenly narrowed dangerously.

"Don't start a conflict with others. Where's yuan Bao? Give him the phone!"

Lin Hanxing, who was leaning lazily against the wall, hooked his finger at Yuan Bao, and the little lamb immediately ran over and hugged her thigh.

"Hey, uncle!"

He leaned his ear over, not knowing what Lei Xiao said on the other end of the phone, but he saw the little sheep head nodding continuously.

"I know! I promise to complete the mission!"

After that, he hung up the phone.

"Auntie, uncle told me to keep an eye on you and not let you fight!"

Yuan Bao raised his head and repeated Lei Xiao's words seriously.

... little traitor.

I'm not fighting. I'm just actively and seriously communicating!

Lin Hanxing could not help but defend himself.

"....."

"....."

The parents and teachers who were standing in the corridor looked at the mop that had been broken by a kick and obviously didn't believe what he said.

"I'm going too!"

On the Lei corporation's side, Yan beixiao followed Lei Xiao out of the president's office without even putting on his suit jacket.

“Call Liang yuran.”

When the three of them established the black market together, because of the special identity of Lei Xiao and Liang yuran, the black market was handed over to Liang yuran to manage on the surface. Perhaps no one would have thought ...

There were actually three people controlling the black market, one of the unsolved mysteries of Jiang city!

“Don’t worry, he knows what he’s doing!”

?

Chapter 582: Find trouble with her if you want to die

Soon, a few business cars arrived at the teaching building.

“My husband is here with his men!”

There was a smug smile on the lady’s face as she looked at Lin Hanxing, who had no fear on his face.

She did not believe that this woman would not be afraid!

“Don’t think that you can scare people just because you’ve learned some superficial martial arts!”

Yuan Bao raised his chin slightly, his eyes filled with disdain.

His first aunt was amazing!

It wasn’t some superficial martial arts!

Lin Hanxing’s hands landed on the two goat horns on Yuan Bao’s head, fiddling with them.

It was obvious that Yuan Bao liked this young lady very much.

That little Faun didn’t even want to let go of her hand.

The little girl, on the other hand, looked up at Lin Hanxing worriedly with a pale face. She felt that she was the one who had caused trouble for her.

Lin Hanxing smiled at her.

Compared to the two disobedient children, this little girl was as obedient as a little angel.

Just as he was thinking, there was already a strong man who rushed up aggressively.

The other parents who peeked out were so frightened that they shrank back and hesitated whether to call the police.

“Who’s bullying my daughter!”

The man in the lead was as fat as a pig, and there was a large gold chain around his neck. His eyes were squeezed to the size of green beans by his meaty flesh, and there were tattoos on his arms. A group of people followed behind him.

Lin Hanxing raised his head with a half-smile, but when he saw the person behind the fat pig, he really laughed in his heart.

He did not expect that he would really invite the people from the black market.

"Hubby, that's her! This is the woman who bullied our daughter and me!"

The lady flipped her hand and pointed at Lin Hanxing.

The man turned around and when he saw Lin Hanxing's face clearly, he subconsciously swallowed!

Top-grade!

It was definitely a rare treasure that only appeared once in a hundred years!

"Little girl, do you not want to live anymore?"

The man said as he walked towards Lin Hanxing, but before he could get close, he felt a sharp pain in his calf!

He lowered his head and saw a little lamb glaring at him angrily!

"Get lost!"

Just as he was about to kick the little lamb away, a gust of cold wind came from nowhere. With a thud, a moppole that had been broken from the kick appeared out of nowhere and hit the man's knee!

"Fuck!" The intense pain caused his face to instantly turn pale.

The little lamb turned to look at Lin Hanxing.

"First aunt, you're not allowed to fight!"

Yuan Bao reminded her in his baby-like voice, while Lin Hanxing looked innocent.

"I'm not fighting, I'm hitting him!"

"....."

"....."

Fine, fine, fine, you're beautiful, so whatever you say is right!

"Hubby!" The lady quickly went over to help her husband.

"You're all dead! My husband spent so much money to hire you, and you just watch him get beaten up by this bitch?"

"Kill her! Dad will beat her to death!"

The little girl was cheering for her father from behind. Obviously, she was used to being a bear at home!

Unfortunately, no matter how much the lady shouted, the men who had come with her husband stood there expressionlessly without moving!

Even the man who was enduring the pain did not know what was going on!

“Everyone, that’s her. Teach her a lesson!”

The man didn’t have time to wipe the sweat on his forehead and politely said to the group of ‘brothers’ invited by the black market.

He originally had some friendship with some people from the black market’s Tangkou, but compared with the real people at the top, it was obviously not enough. He did not expect that his phone call today would actually bring so many people to come.

Moreover, one of them was said to be someone close to master Liang!

This was even more incredible!

“You guys are here to teach me a lesson!”

Lin Hanxing smiled at the group of fierce-looking people.

?

Chapter 583: An unexpected direction

The brawny man in the lead felt a chill run down his spine.

Although the woman in front of him looked weak and harmless, and her smile could even melt the winter ...

But only God knew how terrifying she was!

Just from the way he dealt with young master Liang yesterday, it was enough to leave a fresh memory.

He was stripped naked and hung at the door of the Liang family’s house ...

He couldn’t help but shiver just thinking about it.

However, after hearing that she was master Thunder’s woman, he was no longer surprised.

After all, when Lord Thunder was ruthless ...

“Miss Lin, I wouldn’t dare.”

After that, the brawny men who had been standing beside the man earlier all walked to Lin Hanxing.

He bowed respectfully.

“.....”

“.....”

“.....”

This unexpected development left everyone dumbfounded.

Even when he secretly picked up his phone to look for the teacher at the school's security Department, his phone fell to the ground with a loud bang!

“Master Liang asked us to come here to protect miss Lin's safety. Also, master Liang asked me to pass on a message ...”

Lin Hanxing had coincidentally met the person who spoke yesterday.

He was one of Liang yuran's right-hand men.

“Oh? Say ...”

Lin Hanxing didn't look at the others' expressions. He slowly bent down to pick up the teacher's phone and handed it to her.

miss Lin, please kill, maim, and make her infertile to your heart's content. Someone will naturally take responsibility.

Liang yuran's subordinate said expressionlessly.

After he finished speaking, he looked up at her.

“Good luck!” He clenched his fist with one hand and made a cheering gesture.

“.....”

“.....”

Big brother, is it really good for you to say such childish things with such a blank expression?

As she was complaining in her heart, she saw the brawny men behind Liang yuran's men clench their fists in an expressionless manner and cheer her on!

It could really be said that holding hands on the road to revolution, everyone was good friends!

“.....”

“.....”

It was rare that even Lin Hanxing did not know how to face this group of jokers.

“You guys ...”

The man as fat as a pig finally caught his breath and looked at the group of people 'defecting' with his mouth agape!

She wanted to ask why, but she couldn't bring herself to do so.

“You want to know why?”

Liang yuran's expressionless subordinate 'kindly' asked for him.

The man nodded vigorously!

“Energy conservation.”

“.....”

“.....”

This answer was like a hundred thousand cold jokes, making people feel uncomfortable.

“I’m just joking. Master Liang said it’s on the way anyway.”

“.....”

“.....”

This answer wasn’t any better!

After that, Liang yuran’s originally expressionless subordinate laughed first.

Lin Hanxing could not help but stretch out his hand to touch half of his face. She knew that anyone who could be friends with Yan beiming was definitely not an ordinary person.

But very quickly, she kept all her expressions and turned to look at the lady.

He still had that lazy and leisurely appearance, and his dark eyes had a subtle flash.

“You just said that I’m dead.”

Lin Hanxing waved the handle that had been broken by a kick at the lady, still smiling.

However, with the group of burly men behind her, she looked threatening no matter how one looked at it.

I ... the lady wanted to say something, but she trembled and didn’t say anything.

“You’re called Toto, right? Come, come to my side.”

Lin Hanxing waved at her.

The arrogance that she had when she was clamoring for her father to beat Lin Hanxing to death had disappeared.

He subconsciously pulled on his parents ‘trousers.

“Come here.”

Lin Hanxing’s voice was deliberately lowered, but Liang yuran’s hand behind him moved.

Suddenly, Duoduo staggered a few steps forward and was pushed in front of Lin Hanxing!

?

Chapter 584: A good child who knows her mistake

Duoduo turned around in disbelief and looked at his sister who had pushed him out.

Her eyes were filled with tears.

Lin Hanxing used the mop to block her way back and looked at Minmin with a half-smile.

Tsk tsk, so scheming at such a young age, she'll be amazing when she grows up.

"What are you afraid of? I won't eat you!"

As if he did not see Min Min's evasive gaze, Lin Hanxing slowly walked up to Duoduo.

the first rule of survival, don't easily show your back to anyone.

Lin Hanxing's voice was gentle as he placed his hand on Duoduo's shoulder.

Even though he could clearly feel the body under his palm shaking, he did not let go.

the second rule of survival, when you have to give in to someone, don't play the hero.

Lin Hanxing's gaze fell into the distance. After a long time, he turned his eyes back to the little girl's face.

She was always more patient with children than with adults.

"Now, go and apologize to the teacher."

Lin Hanxing looked at Duoduo, his cold gaze carrying a sense of pressure that made others have no choice but to believe him.

Duoduo was sobbing as he walked up to the teacher and apologized in a soft voice.

"Your voice is too soft, I can't hear you clearly."

A cold voice suddenly sounded.

"I'm sorry, teacher!"

Toto raised his voice. His face was completely red. It was clear that he had never done such a thing at home.

"Now, go and apologize to that little girl."

Lin Hanxing gave orders slowly and did not treat the other party lightly just because she was a little girl.

"Don't go too far!"

The child's father shouted at the top of his voice, as if he felt embarrassed.

Lin Hanxing raised her eyebrows slightly and looked at the other person indifferently. Before she could speak, Liang yuran's subordinate who was standing beside her suddenly bowed in the direction of the stairs, his expression respectful and solemn!

"Thunder Lord!"

“Master Yan!”

Lin Hanxing’s face was filled with joy when he saw Lei Xiao.

“Ah Xiao!”

As she spoke, she ran towards him and reached out to hold his waist.

“.....”

“.....”

“.....”

Not to mention the people who had seen her fierce expression, even Yan Beichen could not help but cough in his heart.

What’s wrong with little Hanxing?

Why did it feel like a ghost was possessing him?

How did she become so soft and cute for no reason?

Especially when she was with ah Xiao, she did not look like the person he used to look when he saw her hands stained with blood.

The Thunder valiant beast’s face was expressionless. His large palm slowly landed on her head, but his gaze swept towards the fat father bear!

Thunder Lord ...

Ah Xiao ...

When these two words were put together, wasn’t it ...

The man couldn’t help but take a deep breath. He was so scared that his whole body began to tremble!

He was the president of the Lei Corporation!

It’s young master Lei!

It was the Thunder valiant beast!

Since when did young master Lei have a son this old?

No, since when did he have a wife?

“Did you find someone to threaten her?”

When the Thunder valiant beast’s face, which was as cold as an Ice Mountain, showed no expression, it could scare people to death. Not to mention, he deliberately released a cold and powerful aura, which made people’s calves and stomachs shiver uncontrollably.

“No no no... No no...”

“It’s really like a flood washing over the temple of the Dragon King. A family doesn’t recognize a family!”

Father Xiong hurriedly explained himself. He never thought that he would be so unlucky to have provoked Three Kings of Hell. God knew that master Lei, master Yan, and master Liang were the No. 1, No. 2, and No. 3 on the ‘you can’t mess with’ list in Rivertown!

“Manager Zhu, it’s you!”

Yan beiming recognized the other party’s identity at a glance, and Lin Hanxing, who was nestled in Lei Xiao’s arms, could not help but laugh.

His surname was really Zhu!

?

Chapter 585: Boyfriend power bursting

The people around them were dumbfounded by this turn of events.

He couldn’t keep up with the rhythm at all.

In the strange silence, everyone’s eyes fell on the two people.

They were truly handsome men and beautiful women.

She was even more attractive than a popular idol.

Anyone with eyes could tell that they were wearing a couple’s outfit, and most importantly ...

The cold man who gave people a suffocating pressure, however, protected the little girl in his arms in an overbearing manner. His sharp, knife-like facial lines were cold, proud, and powerful, and he was full of boyfriend power!

you’re using the black market’s people to threaten my sister. Who gave you the guts? ”

Although Yan beiming said these words with a cheeky smile, his eyes were not joking!

Father Xiong’s face was pale and he was sweating.

Only the heavens knew that he had spent seven years to barely manage to link his business with the Lei clan.

And this was something that had cost him a lot of effort and money.

“It’s a misunderstanding! It’s definitely a misunderstanding!”

Father Xiong smiled stiffly. Master Yan wasn’t the one who was scary, but master Thunder, who had been looking at him with his sharp eyes ever since he finished speaking!

The young master of the Lei family, Lei Xiao!

The lady saw that her husband, who was usually arrogant outside, was now like a soft-legged shrimp. He almost knelt down.

“Honey ...”

The initial arrogance on her panicked face was gone.

“You shut up!” Father Xiong turned his head and roared, the veins on his forehead almost popping out.

Lin Hanxing sneered in his heart.

Although she hated using power to oppress others, sometimes, it was indeed very direct and refreshing.

Especially when he was facing those idiots who thought they were better than others.

After all, excessive power would always make people arrogant to the point of forgetting themselves, and obviously, that noble lady was like this.

“President Lei, master Lei, I really didn’t know that this young lady was related to you.”

“What’s wrong? If I don’t have any relationship with him, do you think I’ll let you bully me?”

Lin Hanxing’s words were neither warm nor cold.

Lei Xiao’s gaze suddenly became even more profound and dangerous. He hugged Han Xing like an ice sculpture.

“Do you need me to ask master Liang’s people to tell you how you want to teach me a lesson, huh?”

The voice had a feminine gentleness to it, but the coldness and threat in it made people shiver involuntarily.

Especially the rising tone at the end, it was soul-stirring.

The lady clenched her fists tightly after being reprimanded by her husband. She glared at Lin Hanxing and felt that Lin Hanxing was going too far by using her power to oppress her!

He had completely forgotten that he was the one who had used this move in the first place.

As if he sensed the lady’s gaze, Lei Xiao’s aura around him lowered by a few degrees, his eyes as sharp as a knife.

Lin Hanxing reached out and patted his head.

“Restrain yourself!”

Pfft ...

Yan beixiao laughed wildly in his heart. Ah Xiao had really restrained himself!

Obediently restrain yourself!

Be good and restrain yourself!

It was restrained!

Hahahahahahahahahahahahaha ...

"If she doesn't pursue the matter, I can pretend that nothing happened."

Lei Xiao glanced at Yan beiming, obviously understanding what he was thinking.

From just now until now, father Xiong's apology was only out of fear of offending Thunder valiant beast. As for how sincere he was, it was unknown.

Lei Xiao's casual words were enough to show his attitude.

The initiative was back to Lin Hanxing.

Father Xiong heaved a sigh of relief in his heart. He felt that women were easy to coax, and he could settle it with a few more houses and jewelry.

"This young lady ..."

Before father Xiong could finish, Lin Hanxing raised an eyebrow.

He pointed at the lady with a faint smile.

"You, pick up the money on the ground."

The 500 yuan that the lady had thrown on the ground arrogantly was still lying there quietly, silently mocking the woman for thinking of using this money to buy a child's self-esteem.

?

Chapter 586: The third rule of survival

The lady's eyes widened.

"Whether I pursue it or not depends on your attitude."

Lin Hanxing said indifferently, but his words were cold and threatening.

However, with just a quick glance, it was enough to intimidate the parents in front of him.

"What are you still doing? Hurry up and pick it up!"

Thinking of his family's wealth, father Xiong pushed his wife.

No matter how unwilling she was, the lady could only unwillingly bend down and pick up the 500 yuan on the ground.

"Now, I want the two sisters to exchange their dresses."

"You ..."

The lady's face turned red as she thought that Lin Hanxing was humiliating her on purpose.

"You're just leaning on the man behind you. Don't go too far!"

Lin Hanxing laughed in disdain when he heard the lady's words.

And when father Xiong heard this, he was so scared that he almost peed his pants. Oh my, how could Lei Xiao be casually fabricated by anyone!

“What’s wrong with my man? Just now, didn’t you also rely on that person in your family to threaten me?”

Showing off their love again!

When Yan beixiao heard this, he could not help but roll his eyes in jealousy!

As for Lei Xiao, he had long heard the words ‘my man’ and suspiciously pursed his lips.

He didn’t want to let his laughter run wild.

Even her ears were red.

besides, don’t you know why your daughter is looking for trouble with her? ”

Because her elder sister liked the dress and snatched it, she couldn’t get it, so she hated the little girl who wore the same dress as her elder sister and caused trouble. The little girl was just suffering from an unexpected disaster.

As for his sister ...

Lin Hanxing’s eyes swept over Yuan Bao.

At this moment, Yuan Bao’s little hoof was holding the little girl’s hand, refusing to let go.

She wanted to maintain her image as a little princess, but at the same time, she wanted to cause trouble for a little girl. She could only rely on her one-track minded sister to help her at all times. Tsk, tsk, this scheming ...

“I’ll exchange!” Father Xiong didn’t care about the dress and shouted for his two daughters to change into it in the classroom.

“Lei Yanchen, I hate you!”

The little princess, Min Min, finally couldn’t take it anymore and lay on the ground, crying loudly, just like her Shrew mother.

Yuan Bao rolled his eyes in confusion. What did this have to do with him?

So annoying!

Lin Hanxing could not help but smile and shake his head in his heart.

This little block of wood clearly didn’t receive the love signal at all.

Instead, he carefully brushed the dirt off the little girl’s new skirt.

The two sisters quickly changed into the dress.

Lin Hanxing looked at the older sister’s expression of snatching away her beloved things with satisfaction. Some internal conflicts should be resolved by them when they get home.

“Apologize to her.”

She called Toto over to her and told him to continue to give the order he had given before Thunder valiant and the others arrived.

This time, Toto obediently ran to the little girl and Yuan Bao and bowed to apologize.

“What are you guys doing?”

The principal’s nervous voice came from the stairs, followed by an old man in a white Chinese tunic suit.

Everyone’s gaze went past the principal and landed on the old man’s face.

No way!

Could it really be that old man?

Grandpa ... the girl in pink, whose hand was being held by Yuan Bao, ran towards the old man!

Lin Hanxing raised his head and saw Lei Xiao’s eyes. He knew that Lei Xiao had recognized him and pulled on his sleeve.

Lei Xiao whispered in her ear.

Lin Hanxing’s eyes lit up.

You never know what kind of powerful background the ‘ordinary people’ you meet will have, so before that, you need to be as humble as possible. This is the third rule of survival!

?

Chapter 587: Have I seen you somewhere before?

Speaking of this old man, he really had a great background.

Decades ago, the only way to see this person was through the 7 pm news on TV.

As the former head of the Ministry of Foreign Affairs, he had returned to his hometown, Jiang city, to settle down after retirement and rarely showed his face in public. However, due to his importance, it was said that the higher-ups had sent people to contact him and said that they wanted to invite him back.

Who would have thought that the granddaughter of such a Big Shot would be classmates with his own child?

The teacher quickly ran over and briefly explained what had happened.

The principal’s face was ashen.

It was not easy for him to use the opportunity of the children’s Association to invite elder Yue over. It was rare that even the great young master Lei appeared, so how could there be trouble!

“Elder Yue, don’t worry, I definitely ...”

"It's just a small fight between children."

Yue Guanqian touched his granddaughter's head and did not even look at father Xiong and mother Xiong. However, when his eyes swept past Lin Hanxing, he paused.

His habitual cold expression made people's hearts tighten.

"Elder Yue."

Lei Xiao took the lead to greet him, his eyes filled with respect.

"Ah, it's ah Xiao." Yue Guanqian smiled.

you're still so hostile. Tell your people to leave.

Although he said this, he was obviously not angry.

Lei Xiao gave Yan beixiao a look, and the latter quickly understood. Most of the people in the corridor had left.

After he finished speaking, Yue Guanqian's gaze fell on Lin Hanxing's face again.

He wondered if this little girl was of age yet.

However, it was taken away by the wolf, ah Xiao.

As he thought about it, Yue Guanqian's face did not show it at all.

"Little girl, have I seen you somewhere before?"

Her looks ...

Yue Guanqian had some doubts in his heart, but he couldn't think of anything at the moment.

Somehow, it felt familiar.

Lin Hanxing shook his head and did not say anything.

"You helped my granddaughter just now. How do you want me to thank you?"

Yue Guanqian also felt that his question just now was a little strange, even though the sense of familiarity still existed.

"Can you make the parent-child meeting start faster? I'm hungry."

It was a simple and straightforward sentence, but it made Yue Guanqian, who usually didn't smile, laugh.

A deep look flashed across his eyes.

Then, he glanced at Lei Xiao's hands, which were obviously in his arms, and realized that he was protecting his food!

"Let's start."

Yue Guanjian held his granddaughter's hand and walked into the classroom.

Those words were directed at the principal.

The parents in the corridor quickly dispersed. As for Lin Hanxing, he held Yuan Bao's little lamb's hoof and walked into the classroom.

He only stopped slightly when he passed by the lady and looked at her with a faint smile.

He looked at father Xiong and mother Xiong's ashen faces ...

To provoke two people who couldn't be provoked at once, this hit rate was unparalleled!

.....

Because of the previous incident, the parent-child meeting started a little later.

Lei Xiao and Lin Hanxing sat on either side of Yuan Bao, and they had unknowingly become the center of attention.

"I didn't expect you to call me."

Lei Xiao deliberately lowered his voice, which was full of magnetism.

Usually, Han Xing would solve these things by himself and would never trouble him.

Even though he really wanted to trouble her.

"You don't like it?"

Lin Hanxing turned his head to look at Lei Xiao, but that was not what he meant when his ears were red.

She couldn't help but reach out and pinch it. The feeling of it simply made her heart flutter.

His sense of insecurity might have originated from her being too independent. When he realized this, Lin Hanxing subconsciously cut off the call to Bai Xi and called Lei Xiao.

She didn't want this man to be shrouded in the fear of losing all the time.

Especially after hearing what mother Lei had said about him.

?

Chapter 588: He doted on her deeply

Her heart really ached for him.

But he could not let the Thunder valiant beast know.

"I like it very much."

He liked that Hanxing would think of him first when she was in trouble, and he liked the feeling of Hanxing relying on him.

Lei Xiao's deep eyes fell on Lin Hanxing's delicate face.

Ever since she had met her, Hanxing had been very independent, as if nothing could stump her, as if everything could be easily solved, as if ... She didn't care even if he wasn't around.

He didn't know how to dispel this feeling, and it kept accumulating in the darkest corner of his heart.

"What will happen to their family?"

Although the parent-child meeting had begun, the bear parents and the two children did not come in.

"What do you think about offending the Lei family and elder Yue?"

Thunder owl's words were emotionless, but they easily ended the fate of a family.

It was cruel, but Lin Hanxing did not sympathize with him.

With that kind of attitude, even if he didn't provoke them today, he would fall one day.

Her heart was cold and hard, so hard that it could only hold a few people she cared about.

What did other people's lives have to do with him?

"The Liang family didn't come looking for trouble?"

Suddenly, Lin Hanxing remembered the incident with young master Liang yesterday. He was surprised that the Liang family did not do anything.

At the mention of the Liang family, Lei Xiao's eyes suddenly turned cold.

"They wouldn't dare."

Not only did he not dare to, but he even asked Liang yuran to make peace, hoping that he would let young master Liang go.

After all, the people of Jiang city knew that once they were targeted by Lei Xiao, it was equivalent to losing their lives.

Back then, the Liang family had gone through so much trouble to find someone to be the scapegoat and send their son abroad. Who would have thought that the person they had waited so long for to come back would actually offend young master Lei? Lin Hanxing was also quite tired from thinking for them.

"Young master Liang is considered crippled."

Lin Hanxing sneered. She had already made arrangements at the hospital. Even if young master Liang had a 99% chance of recovery, she would make sure that he would be bedridden for the rest of his life!

The Lei family, including Lei Xiao, loved her to the core. She would never allow anyone to threaten their existence!

Even if it was an accident!

Hearing this, Lei Xiao glanced at her, his thin lips curved into a smile.

He suddenly remembered how Lin Hanxing looked like when he saw him again after 18 years on the cruise ship.

When she looked at him with those cold eyes, there was no emotion.

His life and death had nothing to do with her. Everything about him had nothing to do with her. He couldn't even arouse her interest ...

"What's more, you and Yan beiming are also looking for an opportunity to let Liang yuran take control of the Liang family, aren't you?"

The situation in Jiang city was completely under Lin Hanxing's control.

Lin Hanxing's gaze turned to Lei Xiao's large palm, which was still wrapped in bandages.

If she could not understand why Lei Xiao was so bothered by the fact that someone had maliciously stolen his car yesterday, she could finally understand why after hearing mother Lei reveal everything to her.

He understood the Thunder valiant beast's impulsiveness, his ruthlessness, and his ...

Helpless!

This man seemed to be extremely powerful ...

In reality, there was an insecure child living in her heart.

Or perhaps, he was that child.

On the podium, the teacher was still saying something, but it did not attract Lin Hanxing's interest at all.

Under the desk, she slowly stretched out her hand and held Thunder valiant beast's big palm.

Her movements were gentle and slow, as if she was afraid of hurting his wound.

Even though Lin Hanxing knew better than anyone how much pain he could endure!

She no longer minded exposing her weakness and shortcomings to him. Then, one day, would Lei Xiao take the initiative to tell her about his dark and heart-wrenching past?

?

Chapter 589: Master and disciple

Yue Guanqian's thoughtful gaze fell on Lin Hanxing.

From his point of view, Lei min's eyes were filled with love that could not be hidden.

Recalling how Lei Xiao looked when he returned to Jiang city after his retirement, he couldn't help but shake his head.

No one would have thought that Lei Xiao would be his first and only disciple. His talent in language and management skills had made him place high hopes on him, thinking that Lei Xiao would become an outstanding diplomat.

However, who would have thought that he would leave everything behind and return to Rivertown to take over the Lei Corporation?

In Yue Guanqian's eyes, this was simply overkill!

However, seeing the emotionless boy from back then become like this, he was more or less gratified!

Whether as an elder or as a master ...

He hoped that ah Xiao could live a happy life!

As for the little girl ...

Yue Guanqian really felt that she looked familiar, as if he had seen her somewhere before.

But ...

Was she really an adult?

Or did ah Xiao use extreme means to force her?

As if he had sensed something, Lei Xiao raised his head and looked at Yue Guanqian.

You little brat!

Instantly understanding what his master was saying, Lei Xiao's expression was rare and helpless.

Especially when he saw Yue Guanqian's eyes clearly, he sighed in his heart.

It seemed that master had a deep misunderstanding of Hanxing's age.

However, he couldn't be blamed. Today, the cold star matched with his couple outfit, and it indeed looked more pure and beautiful.

Even when he saw her in the morning, he wondered if she was really 25 years old.

"What's wrong?"

Lin Hanxing blinked her long black eyelashes, her eyes full of doubt.

Just now, she saw a parent secretly taking photos of Lei Xiao, and she was still thinking whether she should ask the other party to delete them later.

After all, she knew how much Thunder valiant beast hated taking photos.

Because of the photo that Yan beixiao had sent him in private, he had been at loggerheads for a long time.

"My master has been watching you."

Lei Xiao said in a low voice, his cold and ruthless expression when facing others was completely restrained.

“Your master?”

Lin Hanxing was stunned for a moment, then he turned his head in the direction that Lei Xiao was looking at.

He quickly looked at Yue Guanqian.

Yue Guanqian was ah Xiao’s master?

Lin Hanxing showed a rare expression of surprise. These two people who seemed completely unrelated were actually related? No wonder ah Xiao looked at Yue Guanqian with such deep respect.

This was something that rarely happened to him!

“You’re actually Yue Guanqian’s disciple?”

Lin Hanxing repeated.

Oh, everyone outside says that Grandpa Yue returned to Jiang city because he missed his hometown. No, Grandpa Yue came back for uncle.

Yuan Bao pouted and couldn’t help but interrupt.

Yue Guanqian actually returned to Jiang city to settle down for Lei Xiao. Just how much did he like him?

“Back then ...”

Lin Hanxing had never known that Lei Xiao had such a past.

back then, I had to take over the Lei group, so I left that circle after graduation. Master was so angry that he said he wanted to remove me from his name, but he couldn’t bear to do it.

Obviously, Yue Guanqian was a rare target that Lei Xiao would pay special attention to other than the Lei family.

‘Leave that circle’. It seemed like a simple sentence, but it made Lin Hanxing’s heart ache.

That circle was a place that many people dreamed of and would rather break their heads to get into.

However, the Thunder valiant beast had sacrificed himself for the sake of his brothers.

Even though he had a successful career now, wouldn’t he feel regretful every time he thought about the past?

“I won’t,”

As if he had seen through her thoughts, Lei Xiao spoke in a low voice.

?

Chapter 590: Their happiness is more important

"I won't have any regrets."

"If I had a chance to start over, I would still make the same choice."

Even if he felt sorry for his master's good intentions, Lei Xiao had never regretted leaving back then.

"Because Lei Yu, Lei Cheng, and Lei Jue's happiness are more important."

Even though Lin Hanxing could guess what he was going to say, when he heard the names of his brothers from Lei Xiao's mouth, Lin Hanxing could truly feel the seriousness in his words. He was not just saying it casually, but he was truly willing to give up everything for his brothers and parents.

He didn't hesitate to empty himself!

"What about your happiness?"

Lin Hanxing's voice was soft, and there was an indescribable heartache.

She couldn't help but recall that if Lei Xiao had not left that circle back then, with Yue Guanqian's connections, she would probably only know about him through the news.

It was not that his current status as a businessman was bad.

It was just that when there were more glorious choices in life, it was easy to imagine what most people would choose!

"My happiness ..."

Lei Xiao's eyes were deep and gentle, which was a completely different state from when he was in the decision-making position of the Lei group.

"Aren't you the one?"

Lin Hanxing's heart trembled, and he turned his face away instantly.

Her face was burning hot.

It was as if he would burn his fingers if he touched it.

That's too against the rules!

It was really against the rules to say such sweet words with that face!

Her heart, which was still in a state of heartache, was hurt by the sudden sweetness.

"First aunt's face is red!"

Yuan Bao covered his mouth with his little sheep's hoof and snickered.

Ah Xiao's eyes were gentle.

When Yue Guanqian realized this, he couldn't help but sigh in his heart.

His disciple ...

.....

The parent-child meeting ended in such a strange atmosphere.

The guard who had been standing outside the door, specially assigned by the central government to take care of Yue Guanqian's daily life, walked in. As for the principal, he kindly invited Yue Guanqian to have lunch with Lei Xiao, but they were all politely declined.

"Where are we going?"

Lei Xiao pulled Lin Hanxing, who was about to walk in the other direction, with a questioning look in his eyes.

"That person took a photo of you just now."

Lin Hanxing originally wanted to go over and negotiate with the other party, but he did not expect Lei Xiao to only look at him indifferently.

"I can't."

Lin Hanxing was relieved to hear this.

Since Lei Xiao could say that, his photos and even Yuan Bao's photos would not be exposed to the public!

"Idiot!"

On the other side, Yuan Bao was squatting on the ground and tying the shoelaces of the little girl in pink with a serious expression.

"How many times has it been opened? stupid!"

Yuan Bao said as he allowed the little girl to touch the goat horns on his head.

He looked helpless.

"Ah Xiao, let's have lunch together."

Yue Guanqian walked up to Lei Xiao, then looked at Lin Hanxing with a kind gaze.

Lei Xiao looked at Lin Hanxing.

Of course, Lin Hanxing would not have any objections. Besides ...

She was really hungry.

.....

Green vine Garden.

He knew that Lin Hanxing was a vegetarian, so other than the two children's meat dishes, Yue Guanqian ordered all the other vegetarian dishes.

“I’m afraid you don’t know what ah Xiao was like back then.”

Yue Guanqian was not like the rigid image he had on television. Like most old men of his age, he was kind and loved to mention the past, which made Lin Hanxing relax.

Lin Hanxing’s petite face was filled with curiosity.
