

Goodnight 601

Chapter 601: What's there to worry about

"In your eyes, the two of us ..."

Lei Xiao caressed her hair with his fingers, his voice deliberately softened, with a kind of alluring splendor.

"Who's more attractive to you?"

"....."

Lin Hanxing's scalp was numb and his throat was dry.

"Wasn't it me?"

Lei Xiao's hand moved from her hair to her shoulder and neck, the off-shoulder design of the couple's outfit just happened to be able to take in this beautiful view.

"....."

"Although I don't know how to act ..."

Lei Xiao's thin lips curled into a smile as he spoke again.

She could only feel the pulse of her carotid artery accelerating.

"But I'll earn money to support you!"

Lin Hanxing sighed in his heart. This was a critical blow to his heart.

"Also, I can play games with you when you're bored."

Although it was usually when he was beaten to a pulp in the game, and cold star helped him beat him back ...

"So, what's there to worry about?"

The smile at the corner of Lei Xiao's mouth was mature and calm, and no one could see any flaws.

"....."

It sounded like he was not worried at all.

Lin Hanxing was relieved, and the long hair behind her waist moved back and forth with her movements.

"You said it yourself. You're not worried at all."

The air was filled with a faint smell of vinegar. The stack of vinegar that Madam Lei had asked her to bring was placed on the left.

The Thunder valiant beast was still smiling, his eyes calm.

He only leaned forward slightly, as if he wanted to Peck her on the lips.

At that moment, Lin Hanxing's phone rang. He looked at the caller ID and saw that it was uncle hai.

Without waiting for Lei Xiao to approach, Lin Hanxing had already extended a slender finger and placed it on his thin lips, shushing him silently.

"Uncle hai?"

Uncle hai said something on the other end of the phone, but Lin Hanxing's expression showed a hint of sarcasm.

"Confirm the exact time and let me know."

Very quickly, Lin Hanxing hung up.

She played with the phone in her hand, her clear eyes full of playfulness.

Yuan shaojing has already helped the Lin, he, and Fang families get in touch with the person in charge of X group. They just need to confirm the exact time to discuss the details of the cooperation. However, uncle Hai's meaning can basically be confirmed. X group will inject funds to help them win the bid.

The launch of the Jiangcheng sea bridge project was bound to set off a storm.

"He zhehan has been very arrogant recently."

What Lei Xiao said was the truth. The storm of the he family's young mistress had not passed yet, but he zhehan appeared in public without any scruples.

"Hehe, as expected, shamelessness is invincible."

The sarcasm in Lin Hanxing's words could not be more obvious.

Mother he was a capable woman. She forced Yuan Xiaolei to have a miscarriage so that second young master he could get rid of all his worries.

On the other hand, Yuan Xiaolei could only be locked up at home, living a dark and gloomy life that was ridiculed by everyone.

"If I'm not wrong, my dear aunt and uncle are going to hold a public introduction banquet for me."

Due to what had happened at Luo Mingwei's funeral, the Lin family urgently needed to find a topic to change the topic.

And she happened to be the best reason!

"I haven't gotten enough of the Lin family's mess!"

Lin Hanxing sighed faintly. Looking at Lei Xiao's magnificent beauty, for the first time, she was reluctant to leave him.

His finger casually brushed across Lei Xiao's high nose.

She didn't know what this man had been eating since he was young, but why was he so attractive?

Lei Xiao saw the reluctance in Lin Hanxing's eyes and his gaze softened.

"Ah, right, I have to find what to wear tonight!"

Lin Hanxing jumped off the table and walked towards the cloakroom.

Behind her, there was a loud snap. Lei Jing was expressionless as she broke the pen in half!

Chapter 602: A wave of jealousy to help

It was dinner time at the Lei family.

Compared to the usual liveliness, today's atmosphere was clearly much weirder.

Mother Lei bit on her chopsticks and stole a glance at her son.

Under the table, he kicked father Lei.

Dad Lei raised his head and motioned for him to look at Lei Xiao.

"Eldest uncle really said that he's not going?"

Yuan Bao's fair and delicate face was filled with shock, and his mouth was agape!

Even Yan beixiao wanted to put down his bowl and run to the courtyard to see what kind of rain it was today, let alone him!

As if he didn't hear her, Lei Xiao continued to eat expressionlessly.

The surrounding aura was rapidly decreasing!

"He said he had something to do tonight."

Lin Hanxing said with a smile, as if he could not feel the change in the temperature.

As she smiled, the temperature in the room dropped again!

Mother Lei shivered subconsciously. She did not dare to say that she was cold, but sneaked over to father Lei.

Yan beixiao forced himself to stop laughing.

Based on his understanding of ah Xiao, hehe, he was definitely a stubborn person who refused to admit defeat!

He should! He deserved it!

"I'm full, I'll go upstairs first."

Lin Hanxing put down his chopsticks and walked outside without even looking at Lei Xiao.

The Thunder valiant beast paused for three seconds.

Yan beiming watched as the chopsticks in his hand were clenched tightly, making a creaking sound.

After three seconds ...

“What’s wrong?” He glanced at the four pairs of sympathetic eyes in front of him, his voice cold and deep.

Madam Lei pointed at the lettuce in his bowl.

That was something he had never eaten since he was young, and he had picked it up with his chopsticks again and again just now.

Thunder owl put down the bowl in silence.

Yan beixiao stood up, took a bottle of vinegar from the kitchen, and placed it in front of Lei Xiao.

“Warrior, drink this bottle of aged vinegar and I’ll toast you!”

When the Thunder valiant beast’s gaze swept over, it was sinister and without any warmth.

Yan beiming did not say another word ...

He almost knelt down to beg for mercy and call out for his father!

“Son, you’re really not going?”

Mother Lei thought for a while, then moved to sit beside Lei Xiao and poked his arm.

Thunder owl didn’t say anything.

that’s right. With my son around, who would choose that pretty boy!

Hearing this, Lei Xiao’s originally cold eyes finally relaxed, and Yan beiming secretly gave mother Lei a thumbs up.

However, as soon as she finished speaking, Madam Lei’s phone rang.

“.....”

“.....”

“.....”

The ringtone was the theme song of the TV series that Zhan Nanheng was starring in.

The temperature that was gradually warming up dropped again, and it was even colder than before.

“I’m full.”

After saying that, Lei Xiao stood up and walked towards the living room.

After he left, the atmosphere in the restaurant finally returned to normal.

“You scared me to death.”

Yan Beichen patted his chest, and Yuan Bao rolled his eyes at him in disdain.

With him, Yuan Dabao, around, how could he have the face to call her baby?

Hehe!

But ...

Yan beixiao was still pretending to be innocent when Yuan Bao secretly tugged at his trousers from under the table and lifted his chin at the spot where Lei Xiao had placed his chopsticks.

He followed Yuan Bao's movements and looked over ...

Instantly, his throat tightened.

The chopsticks in Lei Xiao's hand had already been valiantly sacrificed in two.

"I clearly care a lot about it!"

Yan beixiao mumbled to himself, ah Xiao is good at everything, but he's just too tsundere!

"I bet it was definitely little Hanxing who asked ah Xiao first if he wanted to go!"

The Lei family members present all nodded in agreement.

"Then ah Xiao will definitely answer that he has something to do and let Hanxing go!"

Mama Lei added.

"First aunt won't let him have his way. He said he'd go alone and he'd go alone!"

Yuan Bao added in his childish voice.

Only father Lei, who was facing the entrance of the restaurant, raised his hand and pointed.

The few of them turned around in unison.

Lei min, who had just returned, stood at the door expressionlessly. No one knew how long he had been listening.

Chapter 603: Two waves of jealousy to assist

Lei Xiao had returned to get his phone.

He walked past the stiff-faced people, took his phone, and sat back on the living room sofa.

At this time, the lights were just lit.

Lin Hanxing came down after changing his clothes and happened to see Lei Xiao watching the news on the news channel.

He turned around to look at her when he heard the movement behind him.

Lin Hanxing had changed out of the couple's outfit and was wearing a white dress with cuffed beads. The length was just above her knees, revealing her fair calves. She also had a thin windbreaker on the outside, making her look slender and exquisite.

“You’re leaving so early?”

Yan Beichen walked out of the dining room and stepped into the dark, turbulent battlefield.

“Half an hour ago, the main roads leading to Lipovka& were all blocked.”

Lin Hanxing said as he put on the diamond earrings.

Her waist-length hair moved along with her movements. Even Yan beixiao, who was used to seeing beautiful women, could not help but give his little Hanxing a like in his heart!

“Daughter-in-law, don’t forget my signature!”

Mama Lei poked her head out from behind Yan beixiao and whispered to Lin Hanxing.

He thought that Thunder valiant would not hear him.

“.....”

“.....”

In fact, everyone heard it!

“You’re really not going?”

Lin Hanxing asked again.

“I’m busy, I’m not going.”

“Where are the car keys?”

Lin Hanxing walked to Lei Xiao’s side and kicked his ankle with the tip of her high heels.

“I didn’t see him.”

Lei min’s expression did not change as he raised his head and spoke in a deep voice.

Lin Hanxing did not say anything and just looked at him with his wet eyes.

The sudden silence was the scariest thing ...

Yan beiming and Papa Lei stood at the front, while Mama Lei and Yuan Bao hid behind them and peeked at the two people not far away.

“1.....”

Lin Hanxing extended a finger at Lei Xiao.

“2.....”

He extended another one.

Before she could say three, she saw Lei min expressionlessly take out the car key that he had just hidden from the sofa.

He handed it to Lin Hanxing.

“.....”

“.....”

“.....”

Black lines appeared in the Lei family's hearts, and even Yuan Bao could not help but roll his eyes at Lei Xiao.

Lin Hanxing took the key and chuckled.

“Childish!”

She threw down these two words and left the door without looking back.

When Lin Hanxing stepped out of the door, Yan beiming immediately went to Lei Xiao and sat down beside him!

Lei Xiao's sinister gaze followed him like a shadow.

hey, I heard that most of the socialites and rich ladies in Jiang city will be attending the signing event tonight. It's hard to get an invitation!

Yan beixiao peeled an orange for himself as he spoke to Mama Lei.

“Really, really?”

Mama Lei quickly ran over and snatched the orange from Yan beiming's hands the moment he finished peeling it.

She split it into two, giving one half to her husband and the other half to her mouth.

“Of course it's true!”

Yan beiming glanced at Lei Xiao out of the corner of his eye and saw that he was still sitting on the sofa, still trying his best.

“One of my friends is from an entertainment company. You don't know how crazy the people looking for him have been these past few days. They're all asking about the VIP invitation to the autograph session! This friend secretly revealed to me that Zhan Nanheng came to Jiang city especially for his first love!”

What first love? the Lei family had heard it!

That was his fiancée!

“There might be a big move at the autograph session!”

Suddenly, Lei Xiao's work phone rang.

“Okay, I got it.”

Lei Xiao said to the person on the other end of the phone in a deep voice.

He hung up the phone and got up.

“Where are you going?”

Yan beixiao asked the same question that the Lei family had on their minds.

“Inspection work.”

“What’s wrong with you? who does an inspection at night? Wait, where are we going for the inspection?”

The Thunder valiant beast turned to look at him and sneered ...

?

Chapter 604: The prettiest woman in Jiang city

L&Z??????????????

Because of Zhan Nanheng’s autograph event, most of the socialites and Noble ladies in Jiang city were there.

High-end luxury supercars and business cars filled the large parking lot.

An ordinary invitation could even be hyped up to six figures, which was enough to show the appeal of the Malaysia National treasure idol.

“Mengran, are you still not feeling well?”

Inside the specially customized pink unfa in Lexus, the socialite was touching up her makeup in the mirror.

During this time, Fang Mengran declined all invitations with the excuse that she was not feeling well.

It was her mother, Zhong Xueqing, who couldn’t stand it and spent a high price to buy a few invitation cards for her to bring her friends to relax.

Fang Mengran did not speak, her mind was filled with thoughts about Lin xiaojiu.

Yingluo, you can’t win against her!

Zhenzhen, don’t try to get into that girl’s heart.

Her grandfather’s words lingered in her ears for a long time. Compared to her mother’s indifference, Fang Mengran obviously had deep concerns.

have you guys heard about that Lin xiaojiu? ”

Suddenly, someone asked.

The car fell silent.

Many of the people present did not even attend Luo Mingwei’s funeral, but Lin xiaojiu’s name had already spread like wild grass throughout the entire Jiang City Circle in a short time. Curious and doubtful voices could be heard everywhere.

Up until now, Lin xiaojiu had never made an official appearance in public.

The people who had gone to the Lin family that day had been sealed off by someone. They did not say anything about what had happened that day.

Even the news only reported Lin xiaojiu's voice.

"Didn't they say that ugly men would want to vomit when they see her?"

Said the one in the driver's seat who was touching up his makeup. He seemed to think that the high-pitched nose bridge was not high enough, so he quickly took out some high-pitched powder to touch it up.

When she saw Zhan Nanheng tonight, she had to show him her best appearance!

"Where? You've all been deceived!"

The one sitting next to Fang Mengran said calmly. Obviously, he had first-hand news.

With a snap, the high-light powder box was closed.

The beauty in front turned around, her eyes filled with curiosity.

No one noticed the uneasiness on Fang Mengran's face.

tell me, is she more beautiful than the prettiest girl in Jiang city, han mingmei? "

"It's more than that! That's so much more beautiful!"

Although she didn't want to admit it, Fang Mengran nodded in her heart. Lin Hanxing was indeed much more beautiful than han mingmei.

Han mingmei was pretty, but she was still petty.

On the other hand, Lin xiaojiu's beauty, which was sometimes invasive and sometimes charming, was truly stunning!

"Really?"

Everyone's interest was piqued when they heard that!

I'm telling you, someone sealed Luo Mingwei's mouth on the day of her burial. One of my best friends was there and saw Lin xiaojiu with her own eyes. It's not like the rumors say that she's prettier than others. She said ...

The person who spoke deliberately kept him in suspense.

Seeing that everyone's attention was on him, his vanity was greatly satisfied.

He then spoke again.

she's so good looking that even if han mingmei returns from abroad, she wouldn't even be worthy of carrying Lin xiaojiu's shoes!

She repeated her best friend's words with exultation.

“Really?”

“It can’t be?”

Although he said that, everyone knew that this person’s best friend had a grudge with Han Mingmei, so he couldn’t believe everything he said.

“Who sealed your mouth?”

The woman in the driver’s seat was curious about this.

Other than that family, who else in Jiang City has such great power to cover the sky with one hand? ”

As he spoke, he pointed at the Lei family’s at the entrance of the TZ mall.

Fang Mengran’s eyes narrowed slightly, her slender fingers clenched tightly.

?

Chapter 605: Which one of the four young masters

“It can’t be?”

Everyone looked at the Lei family’s symbol and exclaimed in shock.

“The Lei family? Is it really the Lei family?”

“Could there be a mistake?”

Putting aside the fact that Lin Xiaojiu had been missing for 18 years, which was a well-known fact, she had just returned. How did she manage to get involved with the Lei family?

What a good method!

“The Lei family and our Mengran family are not ...”

Before the man could finish his sentence, he was elbowed by the person beside him.

Although they seemed to be related on the surface, it was better not to reveal some inside information.

Fang Mengran’s expression was a little ugly.

“Then which of the four Lei Young Masters is it?”

That person’s half-covered way of speaking was really too attractive to ask.

Everyone knew that the Lei family had four sons, and each of them was a Dragon among men.

No matter who was related to Lin Xiaojiu, she had profited from it!

The person who knew the inside information covered his four fingers mysteriously. Then, just as he was about to lose his patience, he suddenly revealed his thumb!

“Young Master Lei?”

Except for Fang Mengran, the others said in unison!

How could it be young master Lei?

Fang Mengran's clenched fingers sank deep into her palm. Although she tried her best to keep a straight face, her eyes were obviously very annoyed.

"You didn't expect this, did you? That's how he is!"

These words sounded sour no matter how one heard them.

that day, the Luo family was so insistent on Lin xiaojiu. They insisted that she was the one who killed Luo Mingwei ...

Upon hearing this, those who thought they knew some inside information pouted.

He had shamelessly been caught by the main wife as a prostitute and locked up in the police station in the name of selling money. Why did he have to learn how to escape from prison and play with his life?

young master Lei has appeared with Yan beiming and Liang yuran!!!

The three of them rarely appeared together in public, especially Liang yuran, who was even rarer!

"And then?"

Seeing that she was keeping him in suspense again, he couldn't help but ask.

"These three people have already appeared, what else can there be! The Luo family can't be evil anymore!"

after that, Lin xiaojiu said that there was something wrong with her father's death and requested for the police to reopen the investigation. At that time, young master Lei, Yan beiming, and Liang yuran were standing right behind her. Many eyes saw it!

Everyone imagined the scene and their girlish hearts were moved.

"I even followed Lei Xiao when he opened his Weibo! They don't even care about me!"

"Yeah! The photos that Yan beixiao posted almost crashed the Weibo server!"

how do you think this Lin xiaojiu managed to hook up with young master Lei? "

All of a sudden, Fang Mengran laughed in a strange manner.

"Isn't that all there is between a woman and a man?"

His words were extremely hostile, but to these people who said that grapes were sour when they couldn't eat them, it was really comfortable.

the surrounding parking lot is already full, but there's still an empty spot over there? "

Someone pointed at him and said.

Everyone followed her line of sight and sure enough, there was an empty parking space diagonally above.

“Don’t you guys know? That’s the Lei family’s exclusive parking space, didn’t you see the different signs on the ground?”

“What happens if someone else stops? Chased out?”

“This ...”

There was no way to answer this question, because no one had dared to try it yet.

As they were talking, a flamboyant Lamborghini Veneno drifted into the parking space with dazzling driving skills.

“.....”

“.....”

This was F * cking awkward!

?

Chapter 606: She is Lin xiaojiu

“Could it be the Thunder valiant beast?”

A single stone caused a thousand ripples, and the women in the carriage could no longer sit still.

don’t be silly. Everyone in Jiang city knows that he’s driving a black Bugatti.

Fang Mengran was annoyed by the chattering discussion.

The Lamborghini Veneno not far away had a streamlined body design and a global limited-edition , which made it a far cry from the luxury cars next to it. It made people curious about the identity of the owner of this car.

Very quickly, the car door was pushed open from the inside.

The first to land was a pair of Stewart Weitzman high heels.

It was just a pair of shoes, but it made the noisy women in the car quiet down.

It was a new custom-made model from Stewart Weitzman.

It was not known when a Stewart whirlwind started in the circle of Jiangcheng socialites. Because of the luxury embellishments on the diamonds and the everlasting design, this group of socialites were proud of having two custom-made shoes.

However, the pair in front of her ...

They had only seen it in posters before. It was said that it was a custom-made model that was not for sale by Stewart Weitzman!

But now, it was on that person’s feet!

“What’s the background of this woman?”

Someone asked, but no one answered.

Only Fang Mengran’s gaze fell on the woman!

Her intuition told her ...

“She’s Lin little nine!”

Enemies are bound to meet on a narrow road. This name came out of Fang Mengran’s mouth while gritting her teeth.

“What did you just say?”

The socialites were dumbfounded and asked her with wide eyes.

“I said, she’s Lin xiaojiu! I’ve seen her before, I can’t be wrong!”

This woman was Lin xiaojiu from the Lin family?

A few pairs of eyes stared blankly at the beautiful figure not far away, and subconsciously looked at her face.

However, the eyesore’s face mask blocked everyone’s probing eyes!

“How about we go down and meet her?”

Suddenly, someone couldn’t help but ask out of curiosity.

“I’m not going!”

Fang Mengran said reflexively, but the other people who were in high spirits did not seem to hear her and opened the door to get out of the car ...

When the socialites came over, Lin Hanxing was bending over to pick up his bag from the back seat.

His sharp senses detected that someone was approaching, and his eyes suddenly turned cold.

When she smelled the perfume, her long eyelashes fluttered, and she almost wanted to kill him!

“You’re Lin little nine?”

The woman, who didn’t know that she had walked through the gates of hell, spoke.

The one in the lead was the girl with high light who had just fixed the bridge of her nose. At this moment, her hands were wrapped around her chest and she raised her head arrogantly.

Lin Hanxing glanced at him coldly.

Without saying a word, he slammed the door and locked it.

Then, he walked to the other side.

Fang Mengran didn't get out of the car. She just stayed in the car quietly and watched the small conflict over there.

In her heart, she couldn't wait for those socialites who usually had their eyes on the top of their heads to teach Lin xiaojiu a lesson so that they could help her take revenge!

Lin xiaojiu was like a thorn, deeply stabbing into Fang Mengran's heart.

"Stop!"

Lin Hanxing looked at the hand in front of him and slowly raised his head.

His eyes were filled with impatience.

"I'm asking you a question, didn't you hear me?"

Gao guangnu was used to being pampered, so even her tone had a hint of superiority.

"Get out of the way."

It was obvious that Lei Xiao's reaction when he left the Lei family today had put Lin Hanxing in a good mood, so much so that he was even speaking with patience.

If it was any other time ...

"You're asking me to move? Do you know who I am?"

This was the first time the bright-eyed girl had heard such an impolite word in her life, and her eyes immediately widened.

Lin Hanxing did not even look at her and turned to leave.

Seeing that she didn't give her any face, the girl rolled her eyes and reached out to pull off the mask on her face!

?

Chapter 607: Exercise his muscles and bones

She wanted to see if this Lin xiaojiu was really as good looking as she looked, or was he really a heavenly being!

Because it was a sudden attack, everyone was waiting to watch a good show.

He was waiting to see Lin xiaojiu's true face!

However, what happened in the next second made the people who had wanted to watch the fun dumbfounded.

Gao guangnu's hand was about to touch Lin xiaojiu's mask ...

In the blink of an eye, her hand was caught and her entire body was pinned to the front engine of the Lamborghini!

There was a loud bang!

The parking lot was silent ...

If they had not seen it with their own eyes, no one would have believed that Lin xiaojiu would do it!

And his movements were so Swift.

It was as if a gust of wind had blown past them. Gao guangnu was already pressed down in a sorry state, unable to move!

"I order you to let go of me, do you hear me!"

Seeing that the others were still standing there in a daze, and no one came forward to help her, the glowing girl immediately became anxious and struggled with all her might. However, the strength of the grip on her hand was like iron pincers, and no matter how hard she tried, she couldn't break free.

"You're ordering me?"

Lin Hanxing's voice came from behind the mask. It sounded muffled but it was exceptionally pleasant to the ears.

At the same time, it was full of sarcasm.

"What do you have to order me around?"

Ever since he returned to Jiang city, Lin Hanxing felt that he always encountered overconfident people.

"You ..."

Gao guangnu felt that her face was about to be flattened. The first thing she was worried about was whether her makeup would be smudged.

"Forget it. I'm in a good mood today, so I'll spare you."

Lin Hanxing was in a really good mood and did not continue to lecture her.

The moment she let go, the Furious Gao guangnu wanted to slap Lin Hanxing's face.

He was so arrogant!

This time, Lin Hanxing didn't even hesitate. He raised his leg and kicked the other party to the ground.

"....."

"....."

"....."

She was wearing at least seven-inch high heels!

That kick just now was firm and ruthless, without even a trace of hesitation.

The people watching were dumbfounded!

Fang Mengran, who was sitting in the car, saw this scene clearly and sneered.

Although she had only interacted with Lin xiaojiu a few times, she had a general understanding of her personality.

She would always keep her word.

In other words, if the highlight just now had been sensible, there would not have been this later encounter.

Lin xiaojiu's personality was cold and gloomy.

In particular, that kind of coldness seeped into his bones and was not easily seen through, which made it even more terrifying.

In her eyes, there was no hierarchy of power. Everything she did depended on whether she was happy or unhappy. It was also because of this that others could never find any rules to deal with her!

Only those that Lin xiaojiu thought highly of would use such a scheme.

If she looked down on him, she would find it difficult to even move her hands.

"The security guards are here ..."

Gao guangnu clutched her stomach, tears falling from the pain.

At that moment, she still didn't know that the makeup that she had carefully applied for an hour and a half was ruined just like that!

Because of Zhan Nanheng's autograph signing event today, the mall had specially mobilized all the backbone forces of the two security companies under its banner in the afternoon. They were on high alert, afraid that there would be any accidents.

They had thought of thousands of possible scenarios, but they had never expected that the first accident would happen ...

It was actually a parking lot?

Soon, a few security guards came over.

They had wanted to help the one sitting on the ground up first, but the other party started to curse, which annoyed them.

"Who ... Who parked this car here?"

?

Chapter 608: Mr. Lei's exclusive parking space

"This is Mr. Lei's exclusive parking space!"

The security guard sounded a little flustered.

Just now, they had received an internal notice that there was a big Shot coming to inspect tonight.

Who knew why the inspection had to be at night?

The entire& senior management of the team was alarmed. Even those who had gotten off work came back to prepare in fear.

Although he didn't say which Big Shot it was, from everyone's serious look, it must be the biggest one!

Because even the leader sent by the group's headquarters last time did not have such a big party!

He absolutely couldn't make any mistakes!

The security guard was about to say something, but the woman in the mask raised her hand to signal him to keep quiet.

When Lin Hanxing parked the car, he did not think that this was Lei Xiao's exclusive parking space.

However, he stopped when he saw an empty seat.

However, she could move the car later, but the woman in high light's curses just now had made her impatient.

The security guard was stunned.

He didn't know why he was so obedient, but the moment the woman raised her hand, he obediently shut his mouth.

He didn't feel disrespected at all.

It was like an order from a superior to a subordinate.

For a moment, the large parking lot became eerily quiet.

Lin Hanxing walked towards the woman who was still in the same position as before, her high heels clacking loudly on the floor, echoing in everyone's ears.

There was an inexplicable sense of tension in everyone's heart with the sound of high heels.

Very quickly, Lin Hanxing walked in front of the high light girl.

If he didn't hear wrongly, this woman mentioned second young master he and that caught Lin Hanxing's interest.

"Now, I'm interested to know who you are."

Lin Hanxing said as he looked in the direction of the pink raxus unfa.

In the car, Fang Mengran lowered her head out of reflex.

Then, she remembered that the car had a full film on, so she couldn't see what was inside at all. She had done something unnecessary.

"Just you wait!"

When Gao guangnu heard this, she couldn't help but take out her mobile phone and make a call. It seemed like she was calling for someone.

Lin Hanxing rolled his eyes.

This scene was too familiar. Wasn't it the upgraded version 2.0 that the rich lady in school had used?

I don't care. I'm being bullied. Come here quickly!

"Bring the men over personally!"

Gao guangnu cried and acted like a spoiled child.

Lin Hanxing could not take it anymore.

She was so coy that it gave him goosebumps.

She had already stopped looking for trouble, but trouble still took the initiative to find her.

Hearing Gao guangnu call for someone, her socialite friends suddenly felt more confident and looked at Lin Hanxing in a different light.

On the other hand, Lin Hanxing turned around and walked to the front of the car to sit.

His lips, hidden under the mask, curved up in a mocking manner.

The security guard, who was standing at the side in a daze, heard Gao guangnu's call for help and started to worry about Lin Hanxing.

However, looking at her calm and composed appearance, she didn't seem to be in any trouble.

"Sure, I'll be waiting."

Lin Hanxing replied smoothly. Then, as if he had thought of something, he turned to look at the security guard.

Before that, he glanced at the watch on his wrist. It seemed that he had quite a lot of time.

The security guard thought she wanted to ask for protection.

"I'll move the car after I'm done with this."

Lin Hanxing said coldly. Compared to the arrogant look on the other side, she was as calm as she could be.

"Hehe, there's no rush, there's no rush."

The security guard who had wanted her to move the car in a hurry smiled awkwardly.

It was obvious that she was in more trouble than moving the car!

?

Chapter 609: Isn't this an old acquaintance?

Lin Hanxing leaned on the front engine cover leisurely, his two thin legs crossed.

The group of socialites secretly observed her, as if they wanted to see if this rumored Lin xiaojiu really had three heads and six arms.

Lin Hanxing chose to ignore it.

His phone suddenly vibrated. He took it out and saw that there was an additional notification in his WeChat contact list.

He casually opened it, and his eyes narrowed.

The person who added her was a WeChat account with the name 'you Qiao Mu in the South', and there were three small words below it ...

Zhan Nanheng.

Lin Hanxing's fingertip landed on "accept" and finally pressed it.

The socialites in front of them clearly didn't know what kind of relationship the person they wanted to see tonight had with the person they were looking for trouble with. Of course, this was a story for another time.

Suddenly, there was the sound of an engine.

It was getting closer.

With a tail swing, as if he was deliberately showing off his skills, he stopped horizontally in front of this group of people.

The car door was pushed open from the inside.

Lin Hanxing took a casual glance and could not help but laugh in his heart.

Wasn't this an old acquaintance?

Second young master he, he zhehan, got out of the driver's seat in an imposing manner. He seemed to have drunk alcohol and his breath reeked of alcohol.

"You're finally here!"

Gao guangnu pounced into the other party's arms with an aggrieved expression.

"Where is he?"

Gao guangnu was he zhehan's new favorite. It was obvious how much he doted on her that he could leave the banquet and come here.

"Second young master he, how have you been?"

Lin Hanxing's cold voice came from behind the mask. Only the two of them knew how to mock him.

Lin Hanxing leaned on the engine cover and played with his phone.

He zhehan, who had drunk wine, reacted a little slowly. He only felt that this voice was unusually familiar. He looked over and when he met that pair of mocking and bright eyes, it was as if a basin of cold water was poured over his head.

He was so scared that he sobered up!

“You are ...”

He zhehan would rather hope that he had guessed wrong. He hesitated for a moment before asking.

“Didn’t we just meet yesterday?”

F * ck, it was Lin xiaojiu!

From the way she spoke to second young master he, anyone with a discerning eye could tell that they knew each other.

“What are you doing here?”

He zhehan’s tone was subtle. Just as he finished speaking, there was a sudden braking sound behind him!

A silver-gray van that was covered with film rushed in.

It’s broken!

He zhehan then remembered that he had just called someone over!

As he was thinking, the door of the van opened from the back and a group of strong men came out. They were holding steel pipes in their hands, just like Lin Hanxing remembered. The security guards broke out in cold sweat when they saw the way they were holding the steel pipes.

He was hesitating if he should ask his superior for instructions.

“This again?”

Lin Hanxing casually threw his phone back into his bag.

“You’re so arrogant! Let’s see how long you can keep this up!”

The bright girl chuckled, not noticing that the situation seemed to be a little off.

“Boss, why do I find her a little familiar?”

The brawny man whispered to his boss. Although the woman was wearing a mask, the upper half of her face that was exposed was extremely beautiful.

“F * ck, I also find her familiar!”

Not only did he look familiar, but even his voice was familiar.

Lin Hanxing’s mouth, which was hidden under the mask, curled up slightly. He moved his wrists nimbly as he looked at them.

“We have indeed met before! If you don’t believe me, ask him!”

Lin Hanxing pointed at second young master he, he zhehan.

Not only had they met before, they had even had a 'friendly' sparring session.

The situation at the 4S store that day was a stain that he zhehan wanted to forget for the rest of his life. When he thought about how he had asked his family to pay three million in cash to redeem him back, he even wanted to kill Lin xiaojiu!

?

Chapter 610: We were wrong

However, he zhehan had the heart but no courage.

Lin Hanxing, on the other hand, slowly walked towards the brawny men standing in front of the silver-gray van under everyone's surprised gazes. He looked at them looking at each other and holding the steel pipes in their hands. There was a 50% interest and 50% ferocity in his cold eyes.

He slowly swept his gaze across his eyes ...

"That look ..."

The leader's heart skipped a beat. Before he could finish mumbling, he felt a fragrant wind floating in front of him.

The steel pipe in the hands of the subordinate beside him was thrown into the air, and it was immediately caught by the woman in front of him with her fair fingers.

That appearance was as casual as one could get.

His smooth movements stunned the audience, and they didn't even realize that their mouths were wide open.

"It's okay if you can't remember. I'll help you remember."

Lin Hanxing's voice was thought-provoking, and the long black eyelashes that were exposed outside the mask fluttered like butterfly wings.

The security guard opened his mouth, as if he wanted to say something.

However, before he could say anything, he was dumbfounded by the scene in front of him!

The little girl who seemed to be in a disadvantageous position picked up a steel pipe and swung it at the knees of the leader's subordinate!

The steel pipe with a ferocious momentum was even more powerful than when it was in the hands of the group of strong men!

With a bang, the strong man hugged his knee and curled up in pain.

"Boss ... It's her!"

The last sentence before he fell to the ground, along with the screams, made his back break out in cold sweat.

“.....”

“.....”

“.....”

The parking lot was quiet and no one dared to speak. A few pairs of eyes were fixed on Lin Hanxing.

She nimbly spun the steel pipe in her hand and then pressed it against the ground with one hand.

He zhehan looked at Lin Hanxing in a daze!

This was the feeling!

A strong desire to conquer surged out of his body and was ready to move!

He could even imagine the small dimples hidden under Lin xiaojiu's mask, and the deep sarcasm in her eyes.

Lin Hanxing blinked. The steel pipe hit the ground and made an unbearable metallic sound!

“It seems that you remember!”

Her voice was unusually cold, but the corners of her eyes were slightly curved, as if she was smiling.

He raised his hand and pointed the steel pipe at the leader's face.

The next second, the leader, who had already recalled who Lin xiaojiu was, knelt down in front of her!

The sound of a bang caused a chain reaction.

The leader's subordinates knelt down in a row!

“We were wrong!”

They held the steel pipe high above their heads, and their voices were as neat as they could be.

“.....”

“.....”

“.....”

The development of this situation was completely beyond everyone's expectations.

Gao guangnu and the socialite were dumbfounded. They couldn't believe their eyes. What was going on?

If he had not seen it with his own eyes ...

No one would have believed that a bunch of strong men whose arms were thicker than their calves would actually kneel on the ground in fear of the Lin family's little ninth. Only the heavens knew that such a dramatic scene would actually happen in front of their eyes!

Didn't second young master he find these people to teach Lin xiaojiu a lesson?

Why didn't he seem to be unwilling to accept being taught a lesson?

"Do you want to call the police?"

Gao guangnu's socialite friend spoke timidly, although she didn't want to break the strange silence.

Hearing this, Lin Hanxing turned around and looked at them with a faint smile.

"Second young master he, have you been drinking?"

As she spoke, she looked at he zhehan's car.

He zhehan swallowed his saliva and didn't know if he should say yes or no.

If he could, he would not even want to respond to Lin xiaojiu's words.

This feeling was terrible!

But the more it was like this, the more intense the feeling of wanting to conquer it became!
