

Goodnight 671

Chapter 671: Don't worry, it won't enter her pocket

When he was far away, Jiang Xibao's chubby face twisted into a ball.

"She got off easy."

Upon hearing this, Lin Hanxing smiled and leaned against Jiang Xibao. He picked up a piece of mung bean cake and put it in his mouth.

The mute uncle's cooking skills were still as good as ever. It melted in his mouth and was sweet but not greasy.

"Don't worry. Even if she takes it, it won't go into her pocket."

Lin Hanxing's tone was firm as he spoke coldly.

Jiang Xibao blinked. After being with the ninth young lady for so long, she was no longer as dull as before.

The key to understanding the problem was who had been eavesdropping outside the door.

"Who was that person outside the door just now?"

Jiang Xibao thought for a moment and spoke again.

"Could it be that ninth young lady deliberately said those words to the person outside the door?"

Lin Hanxing smiled without saying anything ...

.....

Lin Jiaojiao held the set of jewelry as if a ghost was chasing after her.

However, before she could go far, a pair of hands suddenly pulled her into the room.

With the sound of the door closing, Lin Jiaojiao's face was slapped!

"I knew you were doing this on purpose!"

Luo Ruyin's voice was full of hatred. She was the one who had deliberately put that glass of water in Lin xiaojiu's hands!

She just wanted to see her make a fool of herself!

Lin Jiaojiao clutched her face as her mouth bled. Her jewelry, which was worth tens of millions of Yuan, was scattered on the carpet!

"If I'm not having a good time, you won't have a good time either!"

Luo Ruyin squinted slightly and looked at Lin Jiaojiao in front of her, her smile full of malice.

“So the person who caused young aunt to have a miscarriage seven years ago was you!”

She had heard everything!

Perhaps no one would have thought that the seemingly soft and easily bullied Little Lotus was actually the darkest man-eating flower!

Luo Ruyin’s eyes fell on the set of jewelry scattered on the carpet.

It had to be said that Lin Jiaojiao had good taste.

This set of pink diamonds was the work of a master, whether it was the shape or the cutting.

No wonder it was worth ten million!

Luo Ruyin, who had placed all her attention on the jewelry, did not notice Lin Jiaojiao’s resentful gaze on her.

It was as if he wanted to tear her apart ruthlessly.

“I don’t understand ...”

I’m not Lin xiaojiu. I won’t let you fool me so easily!

Luo Ruyin picked up the set of jewelry and compared it to her body.

It would be a waste not to take it.

“I’m telling you, either you listen to me obediently, or I’ll tell young aunt and make you draw water with a wicker basket!”

Lin Jiaojiao covered her face as tears fell from her eyes.

“What do you want me to do?”

“That dog is so noisy. I want you to make him drink this!”

As Luo Ruyin spoke, she took out a small white pill from the drawer and handed it to her.

Lin Jiaojiao’s face turned pale.

“I don’t dare, I don’t dare!”

“What are you afraid of? these are sleeping pills! As long as you can make him stay quiet, I will never sell out your secret!” Luo Ruyin smiled disdainfully and reached out to hook her arm around Lin Jiaojiao’s shoulder.

“You’re going to get your retribution anyway. What’s the difference between doing one or two?”

Lin Jiaojiao took the pill and didn’t say a word ...

.....

In the evening, Lei Xiao was sent home by the driver.

As soon as she entered the house, she saw Mama Lei and Yuan Bao lying in front of the coffee table, using gold bars to build the house.

“.....”

Where did so many gold bars come from?

Father Lei walked up to him and patted him on the shoulder.

“Your daughter-in-law is giving you some pocket money.”

... Hanxing, for him?

Father Lei looked at Lei Xiao up and down, his eyes filled with heartache.

“Son, if you’re short of money, you must tell dad!”

“.....”

Dad, I don’t lack money, but I need a wife!

Chapter 672: Don’t underestimate a woman’s sixth sense

Night fell.

There was silence at the Lin family’s dining table. Everyone had their own thoughts.

Jiang Xibao’s sharp eyes saw that Luo Ruyin was wearing the set of jewelry that Lin Jiaojiao had originally taken away.

Halfway through the meal, mother he arrived.

His face was filled with anxiety and uneasiness.

Lin Hanxing glanced at her and vaguely saw blood on the corner of mother he’s clothes.

Lin qianlin was surprised to see Mrs. He.

However, when her best friend of many years saw the expression on her face, she knew that something had happened.

“Let’s talk in the study room.”

Lin youlin glanced in Lin Hanxing’s direction, obviously a little afraid of her.

Lin Hanxing turned a blind eye to this.

“I’m full.”

Lin Hanxing said coldly as he got up to leave the dining room ...

.....

In the bedroom.

Lin Hanxing sat on the sofa with his long eyelashes slightly closed. No one knew what he was thinking.

His phone vibrated slightly, and he received a WeChat message.

Lin Hanxing looked down and the cold aura disappeared instantly.

Thunder valiant beast sent a Kumamon with its mouth covered and eyes wide open in panic.

This expression was obviously stolen from Yan beiming.

Seeing that she did not reply, he sent another message.

Thunder valiant beast, poke ...

Lin Hanxing started to feel that something was wrong.

Those who were unaccountably solicitous were either evil or thieving.

Xing Xiaoxing, "what did you do behind my back?"

Thunder valiant beast was speechless.

At this time, Lei Xiao, who was in the Lei family villa, pursed his thin lips and suddenly thought of Yan beiming's comment.

Never underestimate a woman's sixth sense.

Hesitating, he took a picture and sent it over.

Lin Hanxing received it very quickly.

"....."

The dressing table that was originally clean when he left was now a mess.

The lipsticks that he used the most were lying on the ground, obviously broken.

The perfume and nail polish fell together and hit the ground.

The short-legged cat that had done something wrong was looking at him innocently in the photo with Thunder valiant.

Lin Hanxing's forehead throbbed.

She had only been gone for a few hours!

Thunder owl, "I've already criticized Little Star, and he promised me he won't do it again!"

Then, he sent Lin Hanxing a photo of the cat standing as punishment!

In the unedited picture, the eyes of the short-legged cat were obviously ...

'F * ck, retard!'

[Xing Xiaoxing: so that cat is called Xiaoxing?]

Thunder valiant beast, [I changed it recently. It used to be called Lai Fu.]

Xing Xiaoxing was speechless.

Where was the dignity of a cat called Lafu?

Lin Hanxing took a deep breath.

Xing Xiaoxing, "why did you touch my perfume for no reason?"

Thunder valiant beast was speechless.

On the other end of the phone, Lei Xiao's expression was as serious as if he was dealing with a business case worth tens of millions outside.

In his heart, he was thinking ...

If he admitted it, would he be beaten to death?

Xing Xiaoxing: " although the perfume is scattered on the floor, the nozzle was twisted off and it's still on the table. Don't tell me it was also done by a cat!

Did he think she was blind?

Lei Xiao turned his head stiffly, and sure enough, the perfume Spray that he had twisted off earlier was lying on the dressing table, mocking him.

Lei Xiao, [I only unscrewed the cap of the perfume. The rest was really done by it.]

At that time, he had just twisted the door open, and the short-legged cat that had slipped in through the crack in the door suddenly jumped up.

Holding the phone with both hands, Lei Xiao thought that Lin Hanxing was still angry when he saw that he had been ignored for a long time.

Thunder owl, "I just ..."

Thunder valiant beast, "I want to smell you when you're still ..."

Thunder owl, "don't be angry, okay?"

.....

At that moment, Lei Xiao thought that the angry Lin Hanxing was standing in front of the floor-to-ceiling window.

Beside her was the mute uncle who had just entered.

As she watched Lin qianlin's car drive off, a cold sneer flickered in her beautiful eyes.

The Xuanji was bleeding profusely, and her uterus was in danger.

This was the news that the mute uncle had just brought.

Back then, the he family had forced Yuan Xiaolei to abort the child in order to cover up the scandal. After that, they locked her up at home.

It was not hard to imagine that something would happen to her without effective medical treatment.

Chapter 673: The breeding of resentment

Lin Hanxing's hand tapped on the table next to him rhythmically.

"Find out where second young master he is now."

Her long black eyelashes fluttered slightly as a cold smile appeared on her lips.

Back then, when Yuan Xiaolei and second young master he were in cahoots, they would never have thought ...

One day, he would actually be kicked away like trash.

The mute uncle nodded in silence.

"Mute uncle,"

When he could no longer see Lin youlin's flashing car lights, Lin Hanxing slowly turned around.

"The show in Jiang city is about to start."

.....

Jiang City Women and Children's Hospital.

I want to see he zhehan! I want to see him!

When Yuan Xiaolei was sent to the hospital, her face was pale due to blood loss.

"Shut up! Haven't you embarrassed yourself enough?"

Mother he's voice was gloomy as she looked up and exchanged a glance with Lin youlin.

In their eyes, there was something that only the two of them could understand.

In fact, as soon as she sent Yuan Xiaolei to the hospital, mother he regretted it.

Yuan Xiaolei Knew Too Much, and it would be a disaster if she stayed!

"It's just a small operation, she'll be out soon."

Mother he lowered her head and looked at Yuan Xiaolei.

For some reason, Yuan Xiaolei felt fear in her heart.

"I don't want surgery, I don't want surgery!"

"That's not up to you!"

Lin youlin gave a timely look, and the caretaker forcefully pushed Yuan Xiaolei towards the operating room!

“I don’t ...”

Yuan Xiaolei screamed in fear.

Her intuition told her that if she went in, she would never be able to come out.

The next second, her mouth was covered.

All that was left was despair.

She thought, this time, she really can’t escape!

Resentment was born ...

.....

Lin youlin watched as Yuan Xiaolei entered the operating room. She felt that her arrangements were foolproof and left some people behind to take mother he to a nearby hotel to get an hourly room to rest. She was just waiting for a call.

However, they didn’t know that just as they left, a group of people appeared silently.

The corridor outside the operating room of the Women and Children’s Hospital, which had been cleared, was silent.

Only the people left behind by Lin youlin were guarding the door.

The light indicating that he was in surgery lit up.

Suddenly, the clicking sound of high heels came closer.

From weak to strong!

The people guarding the door obviously heard it and looked at each other.

However, before they could speak, the well-trained burly men had already knocked them out!

Everything was carried out in silence.

Kada, kada.

The sound of high heels was getting closer and closer ...

The people in the operating theater were still unaware of this.

In order to prevent Yuan Xiaolei from escaping, she was tied up like a flipped frog and was lying on the operating table in a sorry state.

Despair had already swallowed Yuan Xiaolei.

The tranquilizer needle was about to Pierce into her body!

With a loud bang, the door of the operating room was pushed open from the outside!

The anesthetist who was originally inserting the needle into Yuan Xiaolei's body was shocked. The needle deviated, and he turned his head around.

"Who are you? Who let you in!"

The leading doctor shouted angrily. His voice was trembling, but it was not known if it was because of guilt or something else.

The strong Men in Black who pushed the door open didn't say a word.

He just looked at the doctor coldly.

The sound of high heels finally reached the door.

"I let them in."

The moment the cold voice rang out, a bone-piercing chill spread from one's bones to one's blood.

The doctor looked in the direction of the voice.

The woman who spoke exuded the word "peerless beauty" to the extreme.

However, compared to that good-looking appearance, what was the first to be detected was a thick sense of danger!

Lin Hanxing slowly walked out from the crowd's line of sight.

There was another loud bang, and the door was closed from the outside.

The inside and outside of the operating theater were separated into two different worlds.

Behind her, a group of strong Men in Black were sealing the door from the inside.

Chapter 674: What good would it do me to save you?

Lin Hanxing's cold eyes swept across the crowd.

He turned and walked towards Yuan Xiaolei, who was tied up on the operating table.

Yuan Xiaolei, whose mouth was sealed, truly experienced what it meant to be in heaven and hell every second.

With tears rolling in her eyes, her pale face was full of pleading.

Lin Hanxing looked down at her, the operating light showing the coldness in her bones.

"Don't you know that there's an operation going on inside? Do you think I won't call the police?"

The chief surgeon stood up, but it was not difficult to hear the guilt in his voice.

Lin Hanxing pretended not to hear her and reached out to remove the thing blocking Yuan Xiaolei's mouth.

"You ..."

"Shut up!" Lin Hanxing raised his head coldly and looked at the doctor.

In the next second, Yuan Xiaolei's mouth was free.

"Save me! Lin xiaojiu, save me!"

This was the only floating piece of wood that Yuan Xiaolei could grab onto.

"They want to kill me!"

Tears streamed down Yuan Xiaolei's face. Her face, which had turned pale from the blood loss, was filled with fear.

Lin Hanxing chuckled, as if her words could not move her.

"Give me a reason. What good does it do me to save you?"

Lin Hanxing's voice was cold and emotionless, even if he was facing a life and death situation.

"I'm on your side, I'll tell you everything ... Save me!"

As long as she could live, anything was fine!

Whether it was scheming he chengchen's car accident or taking over the he Corporation, she would say anything as long as she could Live!

"You've decided?"

Lin Hanxing smiled. His friendly smile was the complete opposite of the extreme coldness in his voice.

Yuan Xiaolei frantically nodded.

"You've lost too much blood, your uterus can't be saved."

Lin Hanxing said lightly, as if he did not see her ferocious expression.

Yuan Xiaolei hated mother he to the core!

What did she get from working so hard for the mother and son for so long?

If only she had sent him to the hospital earlier ...

"Want to see what he zhehan is doing?"

Lin Hanxing looked at Yuan Xiaolei's face, which was twisted with hatred, and suddenly spoke again.

Yuan Xiaolei's eyes brightened.

She had not seen he zhehan since her accident.

Yuan Xiaolei knew that he had been busy with the matter of the cross-sea bridge in Jiang city. Perhaps it was because he was determined to get it, even his style of doing things had become insolent. But how could he forget her!

Lin Hanxing took out his phone and played the video file that he had just sent back.

In the video, he zhehan was having a lot of fun in the bar. He had women on his left and right. It was a strong contrast to the desolate Yuan Xiaolei who was lying on the operating table. It also made Yuan Xiaolei's expression even more ferocious!

Lin Hanxing felt that it was enough and kept his phone.

Yuan Xiaolei, remember what you just said. If I can let you live, I can naturally take your life!

Lin Hanxing's eyes swept past her coldly.

There were some things that she would only say once.

Then, he turned around and walked out of the operating room.

However, when he passed by the chief surgeon, he stopped.

He spoke in a volume that only the two of them could hear.

The bystanders did not know what the two of them were talking about, but they saw that the chief surgeon's eyes were getting wider and wider, and large beads of sweat were forming on his forehead.

"It's just a small operation, I think ..."

Lin Hanxing looked straight ahead, as if he did not see the change in the chief surgeon.

"There won't be any problems with a doctor's abilities, right?"

These words were cold and clear.

But it carried an unspeakable threat.

.....

The Lei family.

Lei Xiao had just come out of the shower.

The smell of perfume in the air had faded a lot with the fresh air circulation system.

Hanxing still didn't reply.

Lei Xiao laid on the bed and buried his face in the pillow she had slept on.

Chapter 675: I'm happy to see her

Yes, his wife's smell was so good.

With her eyes closed, she hid all her emotions with her thick eyelashes that would make women jealous.

His phone suddenly rang.

Lei Xiao's eyes shot open, thinking that it was Lin Hanxing.

He picked it up subconsciously.

"Ah Xiao ..."

However, when he heard the voice, the lines on his face instantly turned cold.

It was not a cold star.

I just came back from overseas. Do you have time to come out for a drink? "

On the other end of the phone, han mingmei's voice was filled with wisdom and temptation, and it inadvertently revealed her sweetness.

"Yeah, I don't have time."

With that, Lei Xiao hung up.

"....."

On the other end of the line, han mingmei's smile froze on her face as she looked down at her phone in disbelief!

He just hung up the phone like that?

He hung up the phone just like that!

She tried to call Lei Xiao again, and according to the notification, she suspected that he had blacklisted her.

Lei min threw his phone aside expressionlessly.

She continued to bury her face in the pillow.

However, it didn't take long for her phone to ring again.

The air pressure around the Thunder valiant beast could no longer be described as low.

"My patience is ..."

Lei Xiao was in the middle of his sentence when he suddenly remembered that he had already blacklisted the phone call.

So, who was that on the other end of the phone?

"So you don't want to see me that much?"

The soft voice had a hint of a smile.

It was Hanxing!

"I'm at the door. Come down."

After that, Lin Hanxing hung up the phone.

Lei Xiao was briefly stunned, then he quickly got off the bed, put on a coat, and went downstairs.

There was no one in the living room.

Only then did Lei Xiao realize that the door Lin Hanxing was talking about was the entrance to the villa.

He walked outside.

After an unknown amount of time, Lei Xiao finally saw the woman standing outside the carved iron door.

At this moment, Lin Hanxing was leaning against the front of the car. Her brown coat made her look small and she was holding a fluffy pink cotton candy in her hand. It was so big that it seemed to be able to cover her face.

Hearing the movement at the door, he turned his head to look at Lei Xiao.

"Why aren't you going in?"

It was rare for the Thunder valiant beast to speak with a slight pant.

He had been in too much of a hurry.

"I'll be back after a while."

Lin Hanxing raised his head to look at Lei Xiao, knowing that he had just finished his shower.

Even her hair that was usually combed back was let down to cover her eyes.

This kind of Thunder valiant beast was extremely alluring.

The late autumn night was a little cold.

She did not know how long she had been standing there, but her nose was a little red. The dim yellow street lamp shone on her, making Lei Xiao's heart soften.

"Here, for you."

She handed him the pink marshmallow in her hand.

Thunder valiant beast looked on without saying a word.

However, his heart was racing because of the little girl in front of him.

Lin Hanxing blinked. Seeing that he did not take it, he moved the hand holding the cotton candy.

The street lights elongated Lei Xiao's figure.

The weather was a little cold, and there was a white mist between the two of them.

Very quickly, Lei Xiao strode towards her.

Before Lin Hanxing could react, Lei Xiao had already pulled her into his black coat.

“Are you happy to see me?”

Lin Hanxing said in a muffled voice as he lay in his arms.

After leaving the hospital, he had passed by the downtown square and saw this marshmallow shop.

When he glanced at the pink marshmallow ball, he bought it.

By the time she came back to her senses, she had already arrived at the Lei family’s entrance.

She took out her phone and saw the WeChat message that Lei Xiao had sent her.

Yingluo, don’t be angry, okay?

Yingluo wifey, I was wrong.

Lei Xiao rested his chin on the top of her head, and his whole body seemed to melt into spring.

He was happy to see her!

“Be good and wait for me to come back!”

Lin Hanxing patted his back and said sweetly.

Chapter 676: An abnormal relationship

“Yes.”

Lei Xiao said in a deep voice. All these years, wasn’t the thing he did the most, waiting?

Lin Hanxing buried her face in his chest, taking in the fresh scent of Lei Xiao’s bath, which was mixed with her perfume.

“Hiss ...”

Suddenly, Lei Xiao gasped and looked down. Lin Hanxing had bitten him through his shirt.

The worst thing was, it was still biting there.

Feeling his body tense up, Lin Hanxing raised his head and smiled at him proudly.

The dimples at the corners of her mouth were deep and shallow, making one’s heart soften.

“I’m leaving.”

Lin Hanxing gave a wonderful explanation of what it meant to run away after flirting.

After he finished speaking, Lin Hanxing pretended to get into the car.

However, before she could sneak away, she was already caught by the waist by Thunder valiant and placed on the hood of the engine.

While he was still in a daze, he let out a muffled groan and felt a numbing pain in his neck.

“Lei Xiao, you were born in the Year of the Dog!”

Lin Hanxing subconsciously reached out to cover his neck. He did not need to guess to know that there was definitely a mark.

“Yes, it’s yours.”

He took a deep breath and suppressed the restlessness in his heart, but he couldn’t even hide the intense reaction in his lower body.

“Next time, if you dare to run away after flirting with me, you can try.”

Lei Xiao lowered his head to warn her, but when he saw the marks on her slender White Swan neck, his agitation did not subside, but instead grew more and more intense, as if he wanted to execute her on the spot.

Lin Hanxing blinked, his expression as innocent as could be.

It was as if she didn’t understand what he was saying.

When Lei Xiao wasn’t paying attention, Lin Hanxing pushed him and ran back to the car.

He started the engine and rolled down the window slowly.

Lin Hanxing’s delicate little face was filled with provocation.

“I’ll try it!”

.....

It was already late at night when they returned to the Lin family’s house. Most of the servants were already asleep.

Lin Hanxing went upstairs.

A strong smell of alcohol spread in the air.

He looked up and saw Luo Wensu leaning against the wall of the corridor, obviously drunk. Under the dim light, he looked in Lin Hanxing’s direction, his long and narrow peach-shaped eyes slightly narrowed.

Lin Hanxing chose to ignore it.

He walked towards his own room.

The two of them brushed past each other.

Luo Wensu’s emotions suddenly exploded, and he reached out to grab Lin Hanxing’s shoulder.

Lin Hanxing’s eyes suddenly turned sharp, and his body reflexively entered a defensive state!

“Get lost!” There was a warning in the low growl.

But Luo Wensu didn’t seem to notice her, his eyes only staring at her neck.

Lin Hanxing's back was leaning against the wall due to inertia, making a dull sound.

Luo Wensu took the opportunity to close in.

Lin Hanxing's eyes were fierce, and his actions were filled with bloodthirsty killing intent!

However, before she could do anything, an unusually sharp voice came from not far away!

"What are you guys doing?"

Lin youlin was back!

Luo Wensu's mind cleared up a little, but he only looked at Lin Hanxing with a suppressed expression.

No one knew a son better than his mother, and Lin youlin could clearly feel the abnormal emotions in his eyes!

He was crazy!

She glared at Lin Hanxing angrily and the mother subconsciously pushed all the blame to her.

Especially when he saw the scattered marks on her neck ...

He was so angry that he felt dizzy!

"Little Jiu, come with me to the study! I have something to tell you!"

After that, Lin youlin didn't leave and continued to stare at the two!

Lin Hanxing's eyes narrowed slightly, and his killing intent was completely withdrawn.

"Still not moving?"

A bone-chilling voice rang in Luo Wensu's ears. If Lin youlin had not appeared, she would not have let him go!

Luo Wensu took a step back to create a safe distance.

Lin Hanxing didn't even look at her and followed Lin youlin to the study.

Behind her, Luo Wensu's eyes followed closely ...

Chapter 677: What exactly do you want to do?

The door to the study closed behind Lin Hanxing!

"You went to the hospital?"

Lin youlin's mind was in a mess as she stared at Lin Hanxing.

Lin Hanxing looked at her expressionlessly. He did not answer yes or no.

"I'm asking you a question! I'm asking if you went to the hospital!"

She had already arranged everything.

However, when Yuan Xiaolei was pushed out of the operating room alive, Lin youlin felt as if she had been slapped in the face!

“Doesn’t aunt already know?”

Lin Hanxing smiled faintly, the mockery in his eyes undisguisable.

It really was her!

Lin youlin subconsciously took a step back.

Can’t Yingluo tell? She was back for revenge!

Her husband’s words rang in her ears, and Lin youlin looked at Lin Hanxing as if she was looking at a beast!

“What do you want to do?”

Lin youlin was shocked and scared, her teeth chattering as she spoke.

aunt, what do you think I can do after being missing for 18 years without my parents? ”

When he said this, Lin Hanxing raised his eyebrows, and even the mole at the corner of his eye was full of charm!

If she was really as innocent as she claimed, how could she know Mr. Yuan?

How could he have hooked up with the Lei family!

How could he ...

She would kill her sister-in-law, Luo Mingwei!

All of a sudden, Lin youlin felt as if she had just gotten to know Lin Hanxing all over again.

“You’re back to take revenge on us?”

It was as if the words were squeezed out of his throat, and he said it with a stutter and a rough voice.

Lin Hanxing sneered and walked towards Lin youlin.

Every step she took, Lin youlin would take a step back!

This continued until Lin youlin had nowhere to retreat to and her body was leaning on the table!

Lin Hanxing leaned forward slightly and reached out to pick up a strand of hair on Lin youlin’s cheek.

“Aunt, if I were you ...”

Lin qianlin’s heart trembled at the cold look in his eyes.

“We should be more concerned about whether tomorrow’s contract signing will go smoothly!”

She even knew about this?

Lin youlin's head was buzzing, and she just wanted to push her away!

She didn't know when it started, but this niece of hers only gave her a feeling of fear and horror!

"Little nine! Little nine! Listen to your aunt!"

"No matter what happened in the past, you're back now. The Lin family is your pillar of support. We're bound together for good or bad, so you must not ..."

Lin youlin held Lin Hanxing's arm tightly. She was full of fear and uncertainty about the contract with X group tomorrow!

Yingluo set this trap for you!

Lin Hanxing's eyes were right in front of her, and in that instant, Lin youlin felt as if her brother and sister-in-law were looking at her!

With a swish, cold sweat broke out on his back!

"For the glory of our Lin family, didn't I set you up with Mr. Yuan?"

Lin Hanxing discreetly broke free from Lin qianlin's grasp, and the words he said were flawless.

"I heard that aunt has prepared a formal welcome banquet for me these two days. I'll have to trouble aunt to take care of it."

There was no need to continue the conversation.

Lin Hanxing turned around and walked out of the door.

As soon as he opened the door, he noticed a figure eavesdropping on him like a mouse.

Shen Shu 'er was listening intently and did not expect Lin Hanxing to suddenly open the door. Her expression was as awkward as it could get.

Lin Hanxing looked at her coldly.

Shen Shu 'er shuddered in her heart. Without saying anything, she turned around and ran away.

But the cold gaze behind him ...

It followed him like a shadow.

"Dinner ... Dinner ..."

After Lin Hanxing left, Lin youlin mumbled to herself. When she thought of her son's emotional eyes, her eyes narrowed!

Chapter 678: Full of evil intentions

"You're serious?"

Luo Ruyin suddenly sat up from the bed and looked at Shen Shu 'er.

it's true! I saw your second brother block Lin xiaojiu with my own eyes!

Shen Shu 'er vividly described the scene to Luo Ruyin.

The more Luo Ruyin heard, the angrier she became!

She had been wondering why her second brother was becoming stranger and stranger. It turned out that even he had been mesmerized by that B * tch!

Lin Jiaojiao, who was sitting in the corner, listened quietly.

He didn't know what he was thinking.

how can this Lin xiaojiu be so cheap!

Luo Ruyin slammed the bed, her eyes inadvertently falling on Lin Jiaojiao's face.

"What are you thinking? Or do you have a plan?"

Lin Jiaojiao's expression was a little helpless when she was suddenly called.

"I'm just wondering if Lei Xiao will come if aunty holds a banquet for cousin."

Hearing this question, Luo Ruyin was dumbfounded.

The image of young master Lei appeared in his mind, and his fingertips moved slightly.

"Isn't it because Lin xiaojiu has the Thunder valiant beast backing him that he dares to be so arrogant? If we expose her lecherous nature in front of Thunder valiant ..."

As if she had suddenly been enlightened, Luo Ruyin was overjoyed!

"Find someone to rape her, and then find a group of people to watch. At that time, no matter how much Lei Xiao dotes on her ..."

The more Luo Ruyin spoke, the more excited she became. She didn't notice at all that in an invisible corner ...

Lin Jiaojiao's dark eyes were filled with deep mockery.

"Who are you looking for?"

Suddenly, Luo Ruyin thought of someone.

He was definitely the most suitable candidate!

.....

Lin Hanxing was removing his makeup in front of the dressing table with a blank expression.

Yingluo, when you were born, you cried especially loudly. I looked at our little 9th and felt that that was the happiest time of my life.

His eyes fell on the box of gold bars.

In her memory, her father's loving face had never been far away.

Yingying, little 9th, be good. I'll save these for little 9th's dowry in the future, okay?

Yingluo, I don't want to get married. I only want you.

Yingluo, if Daddy and Mommy were not around one day, there would still be someone to take care of little 9th.

She slowly wiped her face with the makeup removal towel.

Yingluo hopes that our little 9th will meet someone who's good to you, someone who loves you, and someone who won't hurt you.

For 18 years, she had never forgotten it.

She had never forgotten the happy times she had with her parents!

Yingluo, no matter what happened in the past, you're back now. The Lin family is your pillar of support. We're bound together for good or bad, so you must not ...

Looking into the mirror, Lin Hanxing's lips slowly curved into a cold smile.

One good for one, one bad for one ...

Was it?

Those people had taken away the most important thing in her life.

Why should she let them live happily?

.....

The Lei family.

Thunder owl looked at the pink marshmallow on the head of the bed, his cold expression carrying a rare warmth.

The lights were off in the room, and bright moonlight poured in from the floor-to-ceiling window.

Yingluo, you have to stay at home and wait for me to come back.

Lin Hanxing's sweet voice was like cotton candy.

He couldn't help but want to have a taste and see if she was as sweet as he was.

He couldn't sleep.

She wrapped herself up with a thin blanket, but she couldn't fall asleep no matter how she tossed and turned.

Thinking of something, Lei Xiao got off the bed barefooted and walked in the direction of the cloakroom.

Very quickly, the pink teddy rabbit ear sweater was taken out again.

The light fragrance was a smell that was unique to the cold star.

No one could replace her.

He lay back on the bed and buried his face in the Teddy velvet.

It was very soft and very relaxing.

Qianqian, after you're done with your business, let's get married, Lei Xiao.

Sure, Hanxing, let's get married.

Chapter 679: Capital injection conditions

The next day, at 2:30 p.m., In the hotel conference room.

The Fang family's representative, Zhong Xueqing, the he family's representative, mother he, and he zhehan, as well as the Lin family's representative, Lin youlin, were sitting inside.

At one o'clock in the afternoon, the Lei corporation's spokesperson officially announced that they would not be participating in the bidding for the Jiangcheng sea-bridge project. Zhong Xueqing's mouth was filled with a smile of determination.

So, what her mother had said was true.

He zhehan drank a little too much yesterday and his head still hurt a little.

When he heard his mother mention Yuan Xiaolei, his expression became extremely impatient.

Lin qianlin was the only one who seemed uneasy, as if she had something on her mind.

The door was pushed open from the outside.

Yuan shaojing was accompanied by a middle-aged man in a suit, and behind him were uncle hai and Cheng Lingyun.

my surname is Jin, and I'm representing X group to sign the investment agreement with you.

The person-in-charge said with a smile. He didn't look serious at all.

these are our conditions. I hope everyone can take a good look at them before deciding whether to sign the contract.

Uncle hai distributed the information in manager Jin's hands to the others.

guarantee that there will be no problems that will harm the cooperation interests in the Jiangcheng cross-sea bridge project. Otherwise, X group will not only withdraw its capital but also demand the three groups to buy back X group's initial investment at a higher price than the market price as compensation.

Lin youlin read the content carefully. She was not sure if it was because of last night's incident, but she was very distracted.

if everyone agrees, we will officially sign the contract. X group will transfer the money to your account as soon as possible.

“What’s there to hesitate about?”

Then, he zhehan signed his name on the agreement.

Manager Jin only looked at them with a smile the entire time.

Cheng Lingyun sat beside Yuan shaojing and yawned a little sleepily.

Seeing that he zhehan had signed it so quickly, Zhong Xueqing and Lin youlin finally signed their names on the agreement.

our President asked me to tell you that it’s been a pleasure working with you.

The entire process did not take more than half an hour.

Manager Jin quickly left after bidding Yuan shaojing goodbye.

Cheng Lingyun looked at Lin youlin thoughtfully and remembered what happened in Zhan Nanheng’s Lounge that night.

Then, she seemed to have heard Lin xiaojiu’s voice.

“Madam Lin, are you free this afternoon? I wonder if I can come to your house as a guest?”

Suddenly, Cheng Lingyun smiled at Lin youlin.

Lin qianlin, of course, wouldn’t refuse ...

.....

Manager Jin left the meeting room and walked towards the elevator.

After taking the elevator down to the first floor, he walked in the same direction as the meeting room.

Knock, knock, knock.

The door was opened from the inside.

“President, the agreement has been signed.”

Manager Jin was still smiling as he watched the person sitting in the leather chair slowly turn around.

The warm sun poured in from the tempered floor-to-ceiling window and fell on the man.

She reached out her slender fingers and took the document from manager Jin.

The television in the room was on.

On the television, the announcement by the Lei corporation’s spokesperson that the Lei Corporation would not be participating in the Jiangcheng Bay Bridge project was being played on a loop.

“Ask the Paris side to transfer the funds they have prepared, the sooner the better.”

A cold and gentle voice rang out, but there was no fluctuation in the ears of those who heard it.

As he spoke, he tapped his fingers on the table, making a crisp knocking sound.

I understand. I'll pass down the order immediately.

The sunlight was warm and made people feel a little dizzy.

Looking at the Lei corporation's on the television, the person sitting in the leather seat slowly smiled.

Chapter 680: Cheng Lingyun's test

When Lin Hanxing drove back, Luo Wensu was about to drive out.

He got out of the car when he saw her.

As if he did not see Luo Wensu, Lin Hanxing walked past him.

"Last night ..." She said.

Luo Wensu's voice was low, and it was not hard to hear that he still had a hangover.

Lin Hanxing stopped in his tracks.

"I've lost my composure, I'm sorry."

Last night, he was with he zhehan and he did drink a little too much.

But it wasn't to the extent of being unconscious.

So, Luo Wensu still remembered what had happened last night.

He looked at Lin Hanxing with a complicated expression. He did not forget the murderous intent he saw in her eyes last night.

If not for her mother's sudden appearance ...

you should be glad that I appeared in time last night.

Lin Hanxing's cold gaze swept across Luo Wensu's face, and he only threw out these intriguing words.

What if Lin youlin did not appear?

Leaving Luo Wensu behind, Lin Hanxing walked towards the villa without caring for his reaction ...

.....

In the villa, the atmosphere seemed to have frozen slightly because of Lin Hanxing's appearance.

Cheng Lingyun looked at her.

The dark brown high-collared sweater matched with the camel coat showed off her slender and beautiful figure, especially her legs wrapped under the pencil Pants and Todd's women's shoes, which elongated the overall proportion of her body.

Even if it was just a casual match, it was enough to make Lin Hanxing stand out from the crowd.

Lin qianlin looked at her niece, her eyes filled with fear.

Cheng Lingyun pretended to be elegant as she picked up her teacup and sipped on her black tea to hide her nervousness when she met Lin Hanxing's eyes.

Lin Hanxing sneered and went upstairs.

Just as she went upstairs, she met Shen Shu 'er face to face.

When Shen Shu 'er saw that it was her, she lowered her head guiltily as if she had seen a ghost and sneaked away against the wall.

When she returned to her room, she casually took off her coat and hung it in the cloakroom, only to find that the mirror cabinet containing the jewelry had been touched.

Lin Hanxing's movements paused.

Lin Hanxing opened the chest that contained the gold bars and took a quick glance. He knew that the amount was wrong.

When he thought of Shen Shu 'er's unnatural behavior earlier, he smiled coldly and meaningfully.

"Hehe, this room of yours is really a House of Gold."

"It seems that Thunder valiant spent quite a bit of money on you."

Suddenly, Cheng Lingyun's voice was heard.

Lin Hanxing closed the lid of the box with a loud bang.

Through the mirror, he looked at the reflection of Cheng Lingyun walking in and looking around.

Lin Hanxing allowed her to look.

He seemed to know that Cheng Lingyun had other intentions.

And this time, Cheng Lingyun's goal in coming to the Lin family was indeed her.

As expected, she slowly walked to Lin Hanxing's side and deliberately lowered her voice.

"What happened that night?"

Cheng Lingyun vaguely remembered that she had heard Lin xiaojiu's movements outside the door. Had she also seen the gang of criminals?

When she woke up, she had already returned to the hotel.

Many questions surfaced in her mind. She went to ask Zhan Nanheng, but he only said that she had made a mistake and that there was no such thing.

How could there be no such thing?

Cheng Lingyun remembered it clearly!

Her intuition told her that this seemed to have something to do with Lin xiaojiu!

I thought Mrs. Cheng would be more concerned about Yuan susu.

Lin Hanxing said in a neutral tone. When she mentioned the name 'Yuan susu', Cheng Lingyun's expression clearly changed. She seemed to be shocked and angry, and her short expression revealed that she didn't want to talk about her thoughts.

the wound on her face is still not healing. I don't know when she will be able to regain her freedom!

When he said this, Lin Hanxing's tone carried a subtle sense of regret, but his eyes were full of malicious mockery as he looked at Cheng Lingyun!
