

## Goodnight 841

Chapter 841: Come, I'll treat you to tea

At first, it was Zhao Dongyang, and now it was Su Ling 'er. Anyone with eyes could see that Lin Hanxing was killing the chicken to warn the monkeys. He was really slapping han mingmei's face!

He had originally hoped that he could rely on others to take down Lin Hanxing's prestige, but he did not expect ...

One or two of them were so useless!

Yuan hou, who was standing at the side, had an evil smile on his face.

Yingluo, let me put it this way. No one who has ever gone against little Hanxing has a good end.

The words that Yan beiming had said to her appeared in her mind.

Interesting!

This Lin xiaojiu was really interesting!

Back then, han mingmei, who hadn't gone to study abroad, was best at using others as a weapon and doing things for her without any complaints.

He was an expert at playing with people's hearts.

But now, compared to the Lin family's little nine, it was simply a small sorcerer in comparison and not worth mentioning!

"Come, I'll treat you to some tea."

Lin Hanxing said leisurely. After he finished speaking, he handed the teapot to a Y R staff member who had been standing silently at the side. His white wrist stretched out from his red cloak, making people's hearts flutter.

"The water's cold, get me a hot pot."

Very quickly, the teapot was taken over.

After a while, she came back with hot water.

Su Ling 'er was too familiar with Lin Hanxing's expression!

Her whole body began to shake uncontrollably, and her little hand subconsciously tugged at the corner of han mingmei's clothes.

"Save me ..."

Su Ling 'er was almost scared to tears by Lin Hanxing. The fear that was buried deep in her bones surged up at this time!

Han mingmei didn't understand why Su Ling 'er was so afraid.

He only frowned as he looked at the crumpled corner of his clothes, and there was a suppressed impatience in his eyes.

“I told you to come over, don’t you understand?”

The smile on Lin Hanxing’s face slowly disappeared. The entire process was witnessed by all the men and women in front of him. It was only then that they realized that they had really made a mistake!

In the beginning, just by looking at her appearance, he only thought that she was weak and easily bullied. He did not know why Lei Xiao would find such a woman!

But now, this group of people had a sudden realization!

What weak and easily bullied, what weak and fragile!

Dutuma was a liar!

For the first time, the rumors were actually so reliable!

At the very least, that was the case for Lin xiaojiu!

The Lin family’s little nine was really not a kind person!

Su Ling ‘er shivered. She let go of han mingmei’s clothes and walked toward the expressionless Lin Hanxing.

Even if his brain told him not to go.

However, it was as if his body had gone against his will and was not under his control at all!

“Where are you going!”

Han mingmei gritted her teeth as she said this. If Lin Hanxing asked her to go, she would go. Was she that obedient?

Su Ling ‘er didn’t dare to make a sound.

In her eyes ...

Lin Hanxing was even scarier than Lei Xiao, who was standing beside her and looking at her as if she was a dead object!

She clearly knew what she had said to Luo Ruyin, but she had endured it until today ...

Under everyone’s gaze, Su Ling ‘er sat down next to Lin Hanxing.

His entire body was trembling visibly!

Lin Hanxing’s smile returned to his face and he handed her the empty porcelain cup on the table.

Su Ling ‘er held it numbly.

White hands and a thin blue porcelain cup.

“It’s not what I’m thinking, right?”

Yuan hou whispered to Yan beixiao, " this Lin xiaojiu ...

Lin Hanxing hooked his finger on the handle of the teapot and smiled.

Only the sound of water could be heard.

The hot tea in her hand had already been poured into the cup in front of Su Ling 'er.

The thin porcelain cup was cold at first, but when it was filled with water, the wall suddenly became boiling hot.

"Drink it,"

Chapter 842: Why make me unhappy?

No one dared to speak.

Even han mingmei was dumbfounded.

His heart felt cold.

Su Ling 'er's movement of holding the teacup had become very difficult, and her white fingertips were scalded red.

His arms were shaking violently.

"Lin ..."

Su Ling 'er raised her head and looked at her with pleading eyes. The water was boiling hot. If she drank it ...

The consequences would be unimaginable!

"Shh."

Lin Hanxing slowly raised a finger to his lips and spoke softly.

Seeing her like this, Su Ling 'er's entire body trembled.

His eyes then subconsciously fell on Thunder valiant beast's face.

Her face was pale, and tears gathered in her eyes. At first glance, she looked very pitiful.

"Lightning ..."

Lei Xiao's cold gaze fell on Su Ling 'er's face, without the slightest warmth.

Su Ling 'er immediately shut her mouth.

She was afraid that han mingmei would find out what she was thinking.

Suddenly, Lin Hanxing leaned over to Su Ling 'er's ear.

"Do you know that Luo Ruyin has gone crazy?"

Her voice was very soft, and her fair fingers were gently placed on Su Ling 'er's shoulder. Her voice was so soft that only the two of them could hear.

Su Ling 'er suddenly looked up at her.

"She ... She just did it for ..."

Su Ling 'er originally wanted to say that Luo Ruyin was only pretending to be crazy to avoid punishment.

However, before he could finish, Lin Hanxing's mocking chuckle rang in his ears.

"What if I tell you that it's true?"

Perhaps, everyone had the same thoughts as Su Ling 'er.

They thought that Luo Ruyin was playing the fool to avoid legal sanctions, and even the Lin family was the same.

It was really ...

How pitiful!

No one knew what the two of them were talking about. They only saw Su Ling 'er suddenly pick up the cup of hot tea and pour it into her mouth!

It made people's hearts jump!

That was boiling hot water!

Lin Hanxing leaned on Su Ling 'er's side, but his cold eyes slowly swept across every face in front of him.

"Lin Hanxing, she only said a few bad things about you ..."

"Let her go."

Han mingmei's eyes were wide open, and there was a pitiful sadness in her eyes.

It was really unbearable to watch.

They all looked at Lin Hanxing with condemnation and unspeakable fear.

He had completely forgotten who was the one who started the provocation!

"But, just, just ..."

Lin Hanxing said meaningfully and looked at han mingmei with a ridiculous expression.

His smile was filled with mockery and cruelty.

"Why should I use my grievances to fulfill your magnanimity?"

Lin Hanxing blinked his long eyelashes, his cold tone was clear for everyone to hear.

As he spoke, he continued to refill the cup of hot water in Su Ling 'er's hands.

Her movements were very steady, and not a single drop spilled out.

“If you knew this would be the result, why did you make me unhappy?”

Lin Hanxing’s fingers brushed past Su Ling ‘er’s long hair by her ear, as if he couldn’t feel her trembling, either from fear or pain.

“Continue.”

The two words were cold and indifferent.

Su Ling ‘er didn’t even hesitate. She picked up the cup and gulped it down again.

His tongue was already numb from the heat, and he had difficulty swallowing. He could even taste the thick taste of blood in his mouth.

But Su Ling ‘er didn’t dare to stop!

Han mingmei subconsciously looked at Lei Xiao.

Did he really not mind Lin Hanxing being like this?

Such a reckless, unscrupulous woman ...

How could she live up to her title as the wife of the president of the Lei Corporation?

With that thought in mind, when han mingmei’s gaze fell on Lei Xiao’s face, she felt as if she had been struck by lightning!

He was looking at Lin Hanxing.

That gaze ...

Chapter 843: He would support her even when she was committing murder and arson

He had never pampered her before!

He did not care about Lin Hanxing’s brutal methods at all!

Han mingmei thought that Lei Xiao had gone crazy!

“Ah Xiao ...”

Han mingmei was a little angry from embarrassment.

He should help her out!

Lei Xiao raised his head as she wished.

“You want me to help Hanxing?”

His voice was cold and dangerous, without any emotion.

Everyone who understood the underlying meaning of Thunder Valiant’s words gasped.

If young master Lei were to make a move, the consequences ...

Su Ling 'er was so scared that she poured it down without caring about the pain.

He couldn't help but shiver.

The hot water splashed all over his body and hands.

"I'm asking you to tell her to stop!"

Han mingmei's eyes widened.

He was still in the mood to joke with her?

Lei Xiao's deep and sharp eyes swept over han mingmei.

"Hehe."

There was no response after the low and sarcastic chuckle.

It clearly meant that he would support his wife even if it meant murder and arson!

He was already showing the greatest mercy by not making a move.

Lin Hanxing pursed his lips and smiled.

Ah Xiao really knew how to anger people to death.

The situation became awkward.

Han mingmei's face was ashen. She felt embarrassed.

The surroundings were quiet.

The bunch of rich Playboys had probably never expected this. They had originally wanted to wait for Lin xiaojiu to come and give her a good show of force so that they could rub her sharp edge ...

How did it become her who gave them a head-on blow first?

The sun shone on Lin Hanxing's body.

The red cloak with white velvet edges made her small face look even more delicate.

It looked really harmless.

However, it was a cruel contrast to Su Ling 'er's swallowing sound!

Only the heavens knew ...

When the boiling water entered his throat, it instantly burned his oral mucous membrane.

Without sufficient medicine, the wound would be constantly stimulated by boiling water, which was equivalent to tearing again and again.

In addition, her oral cavity would swell due to burns, and Su Ling 'er's breathing would become more and more difficult!

Furthermore, she would not be able to swallow for a long time!

For the pampered and delicate socialites of the past, this was truly a fate worse than death!

Yuan hou sighed in his heart.

It had to be said that Yan beiming was still very reliable at critical moments.

Lin xiaojiu was truly a ruthless character!

Such a sinister method could be used so easily.

Could you say that she didn't know that someone had been looking for trouble with her for a long time?

It was probably because they knew that they were waiting for this group of birds to take the lead and kill the chicken to warn the monkeys!

The more he thought about it, the more he sighed ...

It was a mistake.

Fortunately, he did not stand opposite her!

Everyone watched as Su Ling 'er swallowed the last mouthful with difficulty.

At this moment, Su Ling 'er no longer had her previous exultation and prestige.

He looked worse than a wild chicken.

Lin Hanxing placed the empty teapot back on the table with a click.

Not only did Su Ling 'er shiver in fear, but the group of men and women beside her also unconsciously shivered with her.

Lin Hanxing chuckled.

From the corner of his eye, he didn't miss the message that Zhao Dongyang, the young master of the Zhao family, sent.

Su Ling 'er seemed to want to stand up, but before she could do so, Lin Hanxing pressed her down again.

"Does it hurt?"

Lin Hanxing's hand gently landed on her chin.

Her small lips were red from the heat and swollen to the point where they could no longer be seen.

He used a little force and forced Su Ling 'er to look up at his eyes.

Su Ling 'er didn't dare to make a sound.

Her eyes were filled with tears.

Concealed light dodged.

"If it hurts, then remember it!"

Lin Hanxing's thumb had already sunk deep into Su Ling 'er's chin, which was filled with hyaluronic acid.

“I’m a very cold-hearted person.”

Chapter 844: If others deliberately find trouble with me

I will repay the kindness of others a thousand times over. But if others deliberately find trouble with me

...

Lin Hanxing’s eyes turned cold.

However, there was still a faint smile at the corner of his mouth.

Her long eyelashes fluttered, and her gaze had already stopped on Han Mingmei’s face.

They looked at each other.

“I won’t be polite for the sake of your distinguished status.”

Han Mingmei’s bones started to turn cold.

She was talking about everyone.

He had taken into account everyone present!

Lin Hanxing said and finally let go of Su Ling ‘er.

The latter seemed to be chased by an evil ghost and wanted to escape.

“Did I tell you to leave?”

Lin Hanxing did not even look up as she took the wet tissue from the person beside her.

He wiped his fingers slowly.

Su Ling ‘er, who had already fled to the group of rich Playboys, suddenly stopped as if she had been cursed!

The distance was too close.

Everyone could clearly see the large beads of cold sweat rolling down her pale face.

There was also her mouth that had been scalded by the boiling water.

It was like a warning that was deeply engraved in the hearts of everyone present!

“Miss Han is still here, where do you want to go?”

Lin Hanxing fiddled with the used wet tissue in his hand and actually folded it into a rabbit!

It was remarkably true to life.

Su Ling ‘er turned around stiffly, her throat burning with pain!

What did Lin Hanxing mean by this?

The group of popinjays looked at each other, clearly confused.

On the contrary, after Lin Hanxing finished speaking, he held the rabbit in his palm and brought it to Lei Xiao.

At an angle that no one else could see.

She winked at him.

Her long eyelashes, which were like black down feathers, exuded a spiritual aura that made people happy.

The Thunder valiant beast took the rabbit.

Yan Beichen could not help but burst out laughing in his heart.

Ah Xiao's expressionless face and the little white rabbit's face were as incompatible as could be.

But only the heavens knew how much he loved that furry ball!

Today, when ah Xiao saw little Hanxing wearing a hat, his eyes lit up.

Don't think that he didn't see it. He took the opportunity to help little Hanxing clean up and secretly touched it many times.

Lin Hanxing looked at han mingmei with a half-smile.

It was just a glance.

Han mingmei instantly understood why she didn't ask Su Ling 'er to leave.

That was a warning!

It was a warning that couldn't be more straightforward!

She wanted her to see Su Ling 'er's miserable state at all times and to remember that scene.

everyone knows that I left Jiang city for 18 years.

This time, Lin Hanxing's gaze went past han mingmei's shoulder and landed on the group of men and women behind her.

The cold voice was clear enough for everyone to hear.

"I don't understand the rules in your circle."

The group of people were stunned, but no one dared to speak.

They were supposed to wait for her to make a fool of herself, but now, they were the ones standing there obediently and listening to her speak!

"Of course, I don't want to know either."

Lin Hanxing quickly added. He held his chin with one hand, his eyes cold.

The young master of the Zhao family, Zhao Dongyang, snorted in his heart. He would let her gloat for a while longer.

When his big brother called for help ...

As Zhao Dongyang was thinking about this, Lin Hanxing's eyes suddenly turned to him.

There was a mocking look in his eyes.

Zhao Dongyang's heart sank!

He felt as if his thoughts had been seen through by those eyes!

"Good or bad, since I'm sitting here today, I'll naturally accept it all!"

Chapter 845: Yuan hou's curiosity

Y. R. 'S staff brought a new pot of hot tea.

After Lin Hanxing finished speaking, the entire place fell into a dead silence.

No matter how the others reacted, she just casually pushed the cup that Su Ling 'er had just used to the side.

With a snap, the thin celadon broke into pieces.

Then, Lin Hanxing took out three more cups and filled them with water.

Han mingmei's heart trembled with anger!

Especially when she saw Su Ling 'er standing by her side obediently, she wanted to give her a slap!

Zhao Dongyang suddenly appeared beside han mingmei.

He secretly pulled her.

Han mingmei turned around to look at him, but when she saw Zhao Dongyang's eyes, she immediately woke up.

His eyes ...

Now that things had come to this, even if those popinjays had been shameless in the past, they felt that they couldn't stay any longer.

"That, Ming Mei ..."

"Mingmei ..."

At once, the group of men and women bid farewell.

After he finished speaking, he immediately wanted to slip away.

Han mingmei was annoyed.

In the beginning, these people had said so many nice things, and each of them had put on a look as if they wanted to help her vent her anger.

Now that he knew that Lin xiaojiu was not easy to deal with, he wanted to run away?

However, before han mingmei could continue thinking about it, a group of people came out of nowhere and chased all the nouveau riches who had been running away back!

Not a single one was worse!

Han mingmei looked at the scene in front of her in surprise.

He couldn't react for a moment and only felt that it was ridiculous!

"Come over and sit."

Lin Hanxing first pulled Lei Xiao's hand and asked him to sit down beside him, then looked at Yan beiming and Yuan hou standing not far away.

Yuan hou was speechless as he watched the show.

When she heard Lin Hanxing's words, she pointed at herself. 'Does that include me?'

Lin Hanxing's only response was a faint smile.

When he sat down, Yuan hou finally understood that Lin xiaojiu had poured four cups of tea, and one of them was for him.

He was thinking.

On the other side, the rich Playboys were having a good time.

One by one, they shouted at the people who stopped them, all of them looking very arrogant.

"Who are those people?"

Yuan hou sipped his tea. As he was not familiar with Lei Xiao and Lin xiaojiu, he casually found a topic to talk about.

"It's me," he said.

Lin Hanxing's voice was heard.

"Hehe, you really like to joke."

Yuan hou did not take it seriously at all, and did not notice the gloating smile in Yan beixiao's eyes.

Lin Hanxing raised an eyebrow.

Subconsciously, he looked at Thunder valiant beast with an innocent expression.

Ever since she had returned to Jiang city, it seemed that whatever she said would be treated as a joke.

Lei Xiao only raised his head and touched the White, fluffy hair on her head.

His eyes were filled with love.

&Nbsp; okay.

Lin Hanxing felt like he was comforted by love.

Just as Yuan hou continued to watch the show, he suddenly heard a special whistle in his ear.

It was clear and sweet.

He was stunned when he heard it and turned to look at the source of the voice.

Lin Hanxing continued to boast at a unique frequency, not caring about the gazes of others.

After a few long and short whistles, the people who were blocking the group of popinjays became even more tightly guarded. It was as if even a fly couldn't fly out. When a popinjay rushed out, he was mercilessly kicked to the ground!

Yuan hou was a little confused.

He turned his head back again.

He took his time to drink his tea.

He didn't swallow.

He just kept it in his mouth.

He didn't know how much time had passed, but he suddenly spat out the tea in his mouth!

cough, cough, cough, cough ...

He coughed and couldn't speak.

Yan beiming's eyes were filled with disdain.

This little bit of ambition!

Chapter 846: What do you mean by this?

No matter how stupid Yuan hou was, he knew that Lin Hanxing was not joking.

He suddenly turned back to look at her!

Just as he was about to open his mouth, a piece of date mud yam cake filled it.

Yan beixiao gave Yuan hou a look.

Hearing the whistle, the group of rich kids were stunned at first, then they looked at the four people sitting there in unison.

Lin Hanxing chuckled.

He pointed at the Thunder valiant beast beside him.

“.....”

Wife, is it really good to frame me like this in front of me?

“Ah Xiao, what do you mean by this?”

Han mingmei walked over, followed by the group of men and women who had mustered up their courage to follow her.

They didn't dare to talk to the Thunder valiant beast directly, and they couldn't figure out what he meant.

Her question had clearly solved their urgent problem.

Han mingmei's eyes lit up.

Ah Xiao still had feelings for her. Otherwise, why would he stop this group of people in order not to embarrass her?

“You don't have to ...”

Han mingmei hesitated for a moment, then bit her lip and spoke softly.

Yan Beichen stopped stuffing his mouth with pastries, as if he had not expected her to say that. He almost choked to death.

He winked in Lin Hanxing's direction, gloating at his misfortune.

“Yes, you don't have to worry.”

Lei Xiao's voice was low and cold, making han mingmei's heart beat wildly.

So, it was really ...

“It's not for you,”

“.....”

The smile on han mingmei's face froze without any warning.

The sound of someone not being able to control themselves behind her was like adding oil to the fire, making her expression unusually ugly.

But Thunder owl didn't even look.

His expression and eyes were so cold that they could freeze people to death.

“Continue playing. You're just not allowed to leave for the time being.”

Yan beixiao said in a carefree manner.

Anyway, even if the sky was poked a hole by little Hanxing, ah Xiao would obediently fill it up.

Come on, create something!

Zhao Dongyang and a few of his close friends pulled han mingmei to the side, while the other men and women spread out, some riding horses and some shooting arrows, but their eyes and ears were still watching Lin Hanxing's movements.

"Ming Mei, don't lower yourself to her level."

Zhao Dongyang said in a low voice.

when my big brother comes later, he'll teach Lin xiaojiu a lesson!

Upon hearing this, han mingmei looked up at him with a puzzled look.

"Why did your big brother suddenly want to come?"

Zhao Dongyang didn't reply.

This matter was related to his big brother's career and the future fate of the Zhao family. How could his big brother not come?

Han mingmei saw that he didn't say anything and cleverly stopped asking.

However, he naturally thought of what Lin xiaojiu had said earlier, which made Zhao Dongyang's face change ...

Could it be that she wasn't threatening Zhao Dongyang, but his brother?

"How long do you guys think that Zhao guy will take to arrive?"

When he said this, Yan beiming was eating so much that he could not stop.

As expected of Xu Ji's pastry, it melted in his mouth, leaving a fragrant, delicate, and soft taste in his mouth.

It was no wonder that even with the insane daily limit, there were still people who would fight to buy these.

Lin Hanxing lowered his head and glanced at his watch.

"We're almost there,"

Yuan hou continued to chew the food in his mouth, not saying a word.

Zhao Dongyang was still here, which meant that they were waiting for the other Zhao family members?

But why didn't he ask these people to leave?

Although the people who came to welcome han mingmei were all rich and powerful, almost all the rich and powerful families in Jiang city were there. As the saying goes ...

The King of Hell was easy to see, but the little ghost was difficult to deal with.

What good would it do for Lin xiaojiu if he offended all of them?

Did Lei Xiao really let her do as she pleased?

All of a sudden, Lin Hanxing flipped his hand and extended it towards Yan beiming.

Chapter 847-willing to accept defeat

“If you agree to a bet, you must accept your loss.”

These four simple words made Yan beixiao want to cry.

He had thought that little Hanxing had forgotten about it and that he could get away with it.

He pulled out his phone with a long face and transferred a large sum of money to Lin Hanxing’s WeChat account.

Yuan hou stretched out his head and took a look.

“What did you bet on?”

When he saw the number, he couldn’t help but be stunned.

They’re all playing this big?

we’re betting on who will be the first to help han mingmei.

Lin Hanxing tapped on the screen to confirm the payment.

She was obviously very happy that she had scammed Yan beiming of a large sum of money.

Like a child showing off in front of Lei Xiao, his eyes were no longer stern and his eyes were bright.

“.....”

Hearing this, Yuan hou didn’t say anything for a while.

You can even use this as a bet?

And Lin xiaojiu had won the bet?

In other words, did that mean that everything that had happened before was within her calculations?

What kind of monster was she?

‘I’m curious, why are you so sure that Zhao Dongyang is the first one?’ ”

At that time, little Hanxing had a list of names.

She had picked Zhao Dongyang at first sight, and it was because of her confidence that Yan Beichen could not help but make a bet.

“Excessive wealth and power will always breed arrogance.”

Lin Hanxing said indifferently.

This was human nature.

Yan beiming was stunned for a moment, and immediately knew where he had lost.

He had forgotten to include the temptation of power!

Ever since Zhao Dongyang's big brother had gotten into this marriage, the entire Zhao family had become arrogant.

Zhao Dongyang, in particular, was extremely arrogant.

Yan beixiao was still thinking about what to do when Lin Hanxing's gaze fell on the arrow that Su Ling 'er had left on the table.

His fingertips gently stroked it.

"I want to talk to Zhao Dongyang in private when his brother comes."

Lin Hanxing suddenly said.

"No,"

Thunder owl didn't even think and directly rejected her suggestion.

"I want to talk to him alone."

"I said no."

The two of them actually started to fight in front of Yan beiming and Yuan hou.

"Give me back my rabbit."

Lin Hanxing raised his small face, his long eyelashes casting a shadow on his face, and he looked indescribably cute.

"I won't."

Without another word, Lei Xiao stuffed the rabbit folded with wet cloth into his pocket.

Yuan hou was dumbfounded.

Was this Thunder valiant beast possessed by a ghost?

Lin Hanxing stared at Lei Xiao, her beautiful eyes, which had distinct black and white parts, appeared especially moist.

Suddenly, she leaned close to Lei Xiao's ear.

They whispered to each other.

Even if Yan beiming and Yuan hou stretched their necks, they would not be able to hear it.

"Really?"

Thunder owl looked at her.

Lin Hanxing nodded like a chicken pecking at rice.

She was still holding onto his arm.

“F \* ck!”

So the little cold star was so soft and cute when she was with ah Xiao?

Not to mention ah Xiao, even he, as her brother, wanted to buy her a lot when he saw her little expression.

Han mingmei, who had been watching them from not far away, had an ugly expression on her face.

She really did not understand!

What was so good about Lin xiaojiu that ah Xiao was so mesmerized by her!

Even the entire Lei family had been subdued!

Su Ling ‘er, who was beside him, was in so much pain that she kept gasping.

“Useless thing.”

Han mingmei’s cold eyes swept over Su Ling ‘er, who was so scared that she didn’t dare to say anything.

Everyone said that han mingmei was gentle and pleasant, and was the model of Jiang city’s socialites.

But in fact, she really wasn’t as innocent as she looked!

Just as han mingmei was getting angry, there was a sudden movement in the equestrian archery field.

Dozens of burly men suddenly appeared. Each of them had fierce-looking faces, and they seemed to come with ill intentions.

Seeing this, Lin Hanxing smiled.

It’s here!

Chapter 848: I was waiting for you

The unusual movements here naturally attracted the attention of the wastrels in the government office.

Especially when that group of people was so fierce.

Just as he was thinking about this, Zhao Dongyang walked up to him with a smile.

His big brother was here!

“It’s her!”

Zhao Dongyang quickly walked to his brother’s side.

He pointed at Lin xiaojiu.

Zhao Xijing was initially surprised that the mysterious Y.R. Was so easily let through, but when he heard his brother’s words, he looked in the direction his brother was pointing ...

When he saw it, his expression froze!

He wanted to give Zhao Dongyang a tight slap.

Why didn't his message mention that Thunder valiant was here?

Even if he had connections in the capital, the Lei family's network of connections was even more powerful than his!

"Young master Lei ..."

Zhao Xijing hurriedly put on a fawning smile.

But unexpectedly, Lei Xiao just sat there without even lifting his eyelids, letting him stand to the side.

Zhao Xijing suppressed his anger.

He had almost forgotten what it felt like to be slapped in the face.

"You promised me."

Just as Zhao Xijing was thinking this, a cold voice rang out.

Only then did he recall what his younger brother had said in the message.

Lin xiaojiu ...

Was it?

Before Zhao Xijing could look at Lin xiaojiu's face, Lei Xiao had already stood up. Even Yan beixiao and Yuan hou had stood up.

"Half an hour at most."

This was the limit of his tolerance.

The lightning Eagle streaked across Zhao Xijing's face, causing him to break out in a cold sweat.

With that, Lei Xiao left with his men temporarily.

He left the space to Lin Hanxing to use freely!

"Have a seat."

I've been waiting for you.

Lin Hanxing said after Lei Qian had left.

Someone walked over and cleared away the tea set on the table. His actions were very Swift and his speed was very fast.

The table was empty after a while.

The fierce-looking burly men guarded the surroundings, forming a wall of Daoist. From a distance, they made people shiver.

Zhao Xijing muttered in his heart.

Although he had already heard about the matter between young master Lei and the Lin family's little nine, he was still a little unsure of Lei Xiao's intentions.

This would directly affect what attitude he should maintain when facing this woman.

As he thought about this, Zhao Xijing did not realize that he had already sat down as Lin Hanxing had told him to.

When he raised his head, he saw her face.

He snorted.

He gasped.

This face was much more alluring than the Rouge and powder outside!

Zhao Xijing almost couldn't control himself.

miss Lin, what did you mean by what you said to my brother before? "

Zhao Xijing tried to suppress the agitation in his body.

He didn't expect the Thunder valiant beast to be here.

"I mean what I said."

Lin Hanxing smiled, but the smile did not reach his eyes.

For a moment, Zhao Xijing couldn't figure out if the little girl in front of him really knew or if Lei Xiao was using her to threaten him.

But if it was the Thunder valiant beast, what was his purpose?

"Mr. Zhao, sometimes, thinking too much will only be a burden."

Zhao Xijing was shocked.

Did she know what he was thinking?

"How did you know?"

Zhao Xijing thought for a while and asked.

"If you don't want people to know, then don't do it. Mr. Zhao should understand this, right?"

His cold tone was filled with unspeakable mockery, causing Zhao Xijing to narrow his narrow eyes slightly. He looked somewhat dangerous.

"You've been running around in circles ever since I've sat down."

He laughed coldly.

Wasn't she using his brother to send her a message to threaten him?

He wanted to hear what she wanted!

Chapter 849: I've never seen such a threat

"Mr. Zhao, aren't you trying to guess how much I have in my hands?"

Lin Hanxing allowed Zhao Xijing to size him up.

Her expression was as calm as water, and no one could tell what she was thinking.

In comparison, Zhao Xijing was at a disadvantage.

Perhaps it was because he was connected to his career and the future of his family, every time he looked at him, there was a strong sense of judgment.

For a moment, Zhao Xijing was speechless.

"Since you can't make a decision, why don't you analyze your chances of winning, Mr. Zhao?"

Lin Hanxing patiently changed the topic, like a fisherman pulling in his net step by step.

Lin xiaojiu, what are you trying to do? "

Zhao Dongyang, who had been listening by the side, sneered at her with disdain.

It was as if his big brother's arrival gave him more confidence.

"Do you think that you can order others around just because you're with young master Lei?"

"How can you be compared to Ming Mei?"

"You're just a rotten good with no parents, do you really think you're a Big Shot?"

Zhao Dongyang was satisfied with his mouth.

On the other hand, Lin Hanxing's expression did not change at all.

Zhao Xijing saw this.

He did not interrupt.

He was using his brother to test Lin xiaojiu's bottom line.

Suddenly, Lin Hanxing chuckled.

His eyes seemed to be stained with that joy.

But clearly, no one knew what she was laughing about. Even the conversation just now could be considered unpleasant.

'Damn it, what is Lin xiaojiu laughing about?

"What did you just say? I didn't hear you clearly. Say it again ..."

I say, Lin xiaojiu ...

Zhao Dongyang really wanted to repeat himself!

The next second.

With a loud 'pa', Lin Hanxing completed a series of actions in an instant and slapped Zhao Dongyang so hard that blood came out of the corner of his mouth!

He staggered and fell face first onto the stone table.

Lin Hanxing pressed his palm on the back of his head and slammed him against the table expressionlessly!

Dumbfounded.

Zhao Xijing could not believe his eyes!

Dongyang!!!!

After a while, he came back to his senses and looked at Zhao Dongyang's face that was covered in blood!

"You ..."

Seeing that his brother was fine a second ago and now looked half-dead in the next second, Zhao Xijing couldn't care about anything else. His eyes were fierce, as if he wanted to swallow Lin Hanxing alive!

Even the fierce-looking burly man beside him was on high alert!

"Did you guys see that ..."

Yuan hou still hadn't recovered from his shock.

Yan Beichen looked at him with disdain. What was there to be surprised about?

Lei Xiao's cold face did not change, his gaze falling on Han Xing.

"Hehe, Mr. Zhao, you'll suffer a great loss if you look down on your opponent."

Lin Hanxing said this calmly, but his eyes were full of sarcasm.

It was as if he had lost all his patience.

Her eyes were distant.

"Brother, kill her! Help me! I want her life!"

Zhao Dongyang, whose face was covered in blood, had never been humiliated like this in many years. He was so angry that he didn't care about the occasion.

"There are so many people who want my life, Who Do You Think You Are?"

Lin Hanxing's lips curved into a smile, his expression one of complete disregard.

Zhao Xijing had never seen such a threat.

His eyes indicated to the thugs he brought not to act rashly, and he no longer looked down on Lin Hanxing like he did at the beginning.

just now, you asked me to analyze my chances of winning. If you were to say it, what would my chances be?"

Her expression was too calm!

Zhao Xijing couldn't help but think!

Chapter 850: If you encounter me, your only chance of winning is ...

He suppressed his brother's agitation and asked.

"Your chances of winning against me are zero."

Lin Hanxing was calm and composed, even when she spoke, she was calm and composed.

His gaze was distant and cold.

It was as if a basin of cold water had been poured over Zhao Xijing's head.

He couldn't help but wonder where she got the confidence to say such things to him.

Zhao Xijing began to search his mind for any information regarding the Lin family's little 9th.

However, he soon realized ...

There seemed to be a lot of information related to Lin xiaojiu in Jiang city ...

However, when he thought about it, there was nothing that could help him understand her true feelings!

It was precisely because of this that Zhao Xijing was unable to find a breakthrough in the young lady in front of him.

Little girl ...

Ha. &Nbsp;

Zhao Xijing laughed coldly in his heart.

It was true that her appearance could easily cause people to misunderstand her as someone who had yet to experience the world. However, no one would question her temper after seeing how she had just taught Dong Yang a lesson.

"You're so sure that I don't have the slightest chance of winning?"

Zhao Xijing's eyes were filled with malice.

Wasn't she afraid of being targeted by people with ulterior motives?

Zhao Xijing suddenly shivered as he thought of this.

It was as if there was a blade on his back.

She turned around subconsciously, but when she met a pair of malicious eyes, her heart started to beat rapidly.

Thunder valiant beast.

He had been watching them.

When it came to Lei Xiao, even if Zhao Xijing had a father-in-law who was a high-ranking official in the capital, he would not dare to be unbridled in front of him.

This man also had unimaginable influence in the capital!

He didn't dare to provoke him.

He also couldn't be provoked!

"A slight change in one part will affect the whole. You lost from the start."

Lin Hanxing and Zhao Xijing sat opposite each other, and every word they said was heart-wrenching!

"But I don't want to lose. I still want to take a gamble."

Zhao Xijing sneered. Did she really think that he wouldn't dare to touch her?

Not to mention that his younger brother had been beaten to such a state!

"You don't have that kind of capital."

Lin Hanxing shook his head.

There was no sarcasm.

He didn't have the intention of watching a show.

He didn't make fun of her with any ill intentions.

Her tone was too calm, so calm that it made Zhao Xijing feel fear.

If he had known that the Lin family's little nine was such a difficult person to deal with, he would have specially warned his younger brother before he left today.

Avoid her sharp edge!

Unfortunately, Dong Yang had been completely dumbfounded over Han Mingmei!

the capital is not like Jiang city. Without your father-in-law, you ... And the Zhao family behind you ...

"Can you hold on?"

Lin Hanxing asked a very practical question and also pointed out the real reason why Zhao Xijing had rushed over.

He was afraid.

She was afraid that his wealth would be a dream.

That was why Lin Hanxing was certain that Zhao Xijing would appear!

“You ...”

Zhao Dongyang, whose face was covered in blood, seemed to have realized something and looked at Lin Hanxing with a strange expression.

“You did that on purpose?”

Did she say those dubious words to attract his attention in order to lure out his big brother?

I don't like what you're saying, young master Zhao. As the saying goes, the one who flirts with me first is the one who gets hurt. If you didn't come to me first, why would you cause your big brother such trouble? ”

In the end, it was her arrogance that allowed her to take advantage of the loophole.

Zhao Dongyang was so choked by Lin Hanxing that he couldn't say anything for a long time. He could only stare at her.

Lin Hanxing looked at him, his eyes filled with mockery.

He didn't hide anything.

“So the reason why Thunder owl didn't ask those people to leave was ...”

Zhao Dongyang's blood was boiling under her gaze, and he wanted to rip her face off.

“Can't you tell? That was used to threaten me. ”

Zhao Xijing and Lin Hanxing looked at each other and spoke in a low voice.
