

## Goodnight 901

### Chapter 901: Don't be sad

Jiang Xibao was running around the living room in a panic with Liang yuran in his arms, and his legs would hit the pile of debris from time to time.

"Put me down!"

Ugly wasn't enough to describe the expression on Liang yuran's face.

"Where ... Where should I put it?"

Jiang Xibao also wanted to find a place to put it, but the living room was too messy!

An amazing chaos!

"Sofa!"

Liang yuran had already said these words through gritted teeth.

"....."

Jiang Xibao looked at the living room with a confused expression.

The sofa ... Where is it?

Liang yuran's thin lips were pursed into a line, and he pointed in a certain direction in the living room.

that's a sofa???"

Jiang Xibao's eyes widened in surprise.

How did he do it?

She had thought that it was a mountain of trash!

"....."

Liang yuran only felt his temples buzzing. He didn't want to discuss the issue of his sofa with this short Wintermelon at all.

Jiang Xibao walked over and carefully placed Liang yuran on the so-called sofa.

All he could hear was the sound of crashing ...

"....."

"....."

Jiang Xibao watched as Liang yuran slid down to the floor along with the pile of 'garbage' on the sofa!

There was a thump.

Liang yuran's face was expressionless, and he began to completely give up on himself.

He did not speak and Jiang Xibao did not dare to speak either.

She just felt uncomfortable looking at the beer cans, red wine bottles, and spirit bottles on the ground ...

And those pieces of trash ...

After thinking for a while, Jiang Xibao turned around and went back to the kitchen. He found some wet tissues in the shopping bag.

When he returned to Liang yuran, he squatted down, though a little hesitant.

She took out a tissue and slowly wiped the White, sticky yogurt on his face.

"I didn't do it on purpose,"

At that time, her mind was blank, so she forgot to control her strength.

"....."

Liang yuran didn't say anything.

"Please don't be angry."

After it was completely cleaned, Jiang Xibao folded the used wet tissues and carefully threw them into the trash can ...

It should be ...

Is it a trash can?

"That's a fish tank!"

Liang yuran snorted and finally spoke.

"....."

Ah?

Why was the fish tank next to the sofa?

Jiang Xibao felt that he really could not understand the life of rich people.

She just looked down at the man, who was sitting on the colorless floor with his long arms and legs.

His cold face had a lonely look in his eyes ...

Yingying's death anniversary was yesterday.

After a long time ...

Jiang Xibao reached out and covered Liang yuran's head with his hand.

Just like how her mother had consoled her when she was young, she gently rubbed his hair.

“Don’t be sad,”

Jiang Xibao tilted his head and said to him with a warm smile on his chubby face.

“I’ll make you something delicious.”

.....

The curtains were still closed.

The room was a few hundred square meters in size, and Liang yuran sat on the ground with his long arms and legs.

However, a rich aroma came from the kitchen.

Jiang Xibao was cutting the century eggs on the chopping board deftly, and the porridge was already boiling in the pot.

The lean meat jumped.

She wanted to put the ingredients she had just bought into the refrigerator, but when she thought of the things in the refrigerator ...

Jiang Xibao instantly shivered.

It’s better not to.

“Is there anything you don’t like?”

Jiang Xibao poked his head out of the kitchen and carefully asked Liang yuran, who was still sitting in the same place.

“.....”

After a long time, he finally spat out these two cold words.

“Alright,” he said.

Jiang Xibao smiled and retracted his head.

He walked back to the pot and sprinkled the sliced century eggs into it. Instantly, the fragrance filled the air.

Although he was very impolite at the beginning.

But ...

Mr. Liang looks like an obedient child!

Chapter 902: I’ll help you clean your room for free

Soon, Jiang Xibao had already prepared the meal.

Three dishes and one congee.

There was also steaming white rice that had just come out of the pot. Each grain was clearly visible and looked extremely alluring.

“.....”

Jiang Xibao was holding the dishes and looking at the living room where the coffee table was, his eyes were blank.

Sure enough, no matter how many times he looked, he would only think that this place was a garbage dump.

After a loud crash.

Liang yuran swept the things on the ‘coffee table’ in front of him to the ground, expressionless.

“.....”

Jiang Xibao placed the plate in front of Liang yuran.

“I didn’t know what you liked to eat, so I only made a little of each.”

She smiled warmly and didn’t notice that Liang yuran’s eyes were on her face.

“.....”

“.....”

The two of them looked at each other face to face. Jiang Xibao was a little confused.

“Chopsticks ...”

Seeing that she had no reaction, Liang yuran helplessly opened his mouth.

“Oh, right! I’ll go get it!”

Jiang Xibao turned around and went into the kitchen. When he came back, he had set utensils in his hand.

“Here.”

She handed it to him.

Liang yuran looked at the pair of soft and white hands and took them without saying anything.

Jiang Xibao found a space beside the coffee table and sat down with difficulty.

He looked at Liang yuran with his hands on his cheeks.

beef in sour soup, boiled cabbage, shrimp with scrambled eggs, and congee with lean meat and preserved egg.

Liang yuran was expressionless.

He lowered his head and looked at the fat beef in sour soup.

The Golden soup was dotted with green and red Little Peppers, and the beef slices were still glistening with oil. The hot and sour taste was very appetizing.

He picked up a pair of chopsticks and placed them on the rice. The soup immediately drenched the rice.

It looked even more crystal clear.

“Is it good?”

Jiang Xibao asked with a warm smile under the dim yellow wall lamp when he saw that he had eaten.

Liang yuran still maintained his cold posture and didn’t say a word, but the movement of his chopsticks obviously accelerated.

Jiang Xibao took the opportunity to look around carefully while he was eating.

“How long has it been since someone cleaned your place?”

Liang yuran suddenly stopped what he was doing and looked up at her vigilantly, which made Jiang Xibao feel a little inexplicable.

“One month.”

it’s only been a month!!!?

Jiang Xibao’s eyes widened. She had thought that it would take at least half a year for things to turn out this way.

He didn’t expect that it would only be a month.

Liang yuran returned to silence and handed him the empty bowl.

Jiang Xibao naturally took it and walked towards the kitchen. However, he hit his leg again and made a hiss.

When Jiang Xibao came back with the rice, he didn’t notice that the thing that had bumped into her just now had been quietly moved to the side.

“Who asked you to come?”

Liang yuran’s face was expressionless. After eating a bowl, it was obvious that he had slowed down.

“The one whose hair was dyed silver.”

Sacred hands.

Liang yuran had an idea.

“That ...”

Jiang Xibao avoided the garbage at his feet and wanted to sit down, but he did not get over it.

It was too chaotic.

Liang yuran raised his head and looked at her with an ambiguous expression.

“Can I ... Help you clean your room?”

She felt uncomfortable all over!

“I don’t want money!”

As if he was afraid that Liang yuran would misunderstand, he hurriedly added.

Liang yuran didn’t say anything. His tall figure brought a huge shadow, forming a strong airflow in the dark living room, making the surrounding atmosphere strange and cold.

The thick curtains were airtight, and the sun outside could not shine in at all. The air was gloomy.

Jiang Xibao could not help but shiver.

“As you wish.”

After a long time, Liang yuran spat out these three cold words.

However, his gaze moved down from her fair and chubby face to her neck, where there were red marks from his previous injury.

Busybodies.

Liang yuran said coldly in his heart.

However, his eyes unconsciously moved to her neck.

Chapter 903: Taking advantage of the public opinion

The things that Lin Hanxing wanted were not troublesome to make. The trouble was that she needed a lot of variety and time.

When the Thunder valiant beast entered, sacred hands was showing off his new concoction.

It was colorless and tasteless, a top-grade aphrodisiac.

Just as he was talking about the effects, he looked up and saw Lei Xiao. He was so scared that he almost bit his tongue off!

“What are you doing here?”

Lin Hanxing’s eyes brightened, their ah Xiao was so handsome today!

He wore a black shirt with a cashmere coat of the same color, which accentuated his tall and strong figure. It made people think ...

“How long more?”

Lei Xiao glanced at sacred hands. When he saw Lin Hanxing’s eyes, he opened his arms.

Lin Hanxing pounced into his arms like a rabbit.

“One hour.”

Sacred hands rolled his eyes in his heart. Can you take care of the feelings of a single dog?

half an hour ago, Lin Jiaojiao went to look for Yuan susu.

Lei Xiao said coldly. There was no fluctuation in his voice, and no one could tell whether he was happy or angry.

Hearing this, Lin Hanxing’s eyes were filled with mockery.

“As expected.”

Fortunately, Lin Jiaojiao, Luo Wenbo, and he zhehan did not disappoint her.

Yuan shaojing must have already ‘told’ her story to Cheng Lingyun.

Lin Hanxing looked up at his watch.

in another two and a half hours, the story of the female ghost in red will spread to the ears of everyone in Jiang city!

Didn’t the Lin family get a taste of the benefits of using public opinion on Luo Mingwei’s matter?

This time ...

It was better to see who could beat who.

After all, after Luo Ruyin, the Lin family should have another sacrifice!

Looking at Lin Hanxing’s eyes and thinking about what she had asked him to make, sacred hands could not help but shiver!

The Lin family had dug a hole for her.

But who knew if she had dug an even bigger hole and was waiting for the other party to show off?

Lei Xiao reached out to caress Lin Hanxing’s brows.

“If you’re ready, let me know that you can use all the media companies under the Lei Corporation.”

Lei Xiao’s deep and rich voice made Lin Hanxing’s heart fill with sweetness.

“We’ll be back later.”

Lin Hanxing tilted her head and said to sacred hands, then she held Lei Xiao’s arm and walked out.

wait for how long?!

Sacred hands shouted at the top of his lungs.

All he could see was the back view of the two of them moving like the wind ...

.....

It was a rare day with good weather.

The winter wind was not bone-piercing, and walking on the street was warm from the sun.

Lin Hanxing's little hand was tightly held by Lei Xiao's fingers, and neither of them drove.

He just strolled around the streets.

Lei Xiao's gaze fell on Lin Hanxing's small face. She squinted her eyes the entire way under the scorching sun, looking like a lazy kitten. It made him feel as if his heart was being scratched by a cat's pink pad.

It was itchy.

It was soft.

"I might need your help tomorrow night."

As he was thinking, Lin Hanxing's voice rang in Lei Xiao's ears.

"What?"

He didn't expect his wife to ask for his help. He was obviously surprised.

Lin Hanxing stopped in his tracks.

She went around to him.

She opened her arms and hugged him through the narrow black cashmere coat, her chin resting on Lei Xiao's chest.

He looked up at her.

"Please believe me ..."

Her long black down-like eyelashes blinked, and the White velvet earmuffs made people couldn't help but touch them.

"Right?"

The Thunder valiant beast stood against the light.

His sharp facial features seemed to have been favored by God, and his cold and sharp aura was blurred by the sunlight.

Lin Hanxing looked up at his face.

They slept together every night, but why was his heart beating so fast every time she saw him?

I really want to kiss you!

Chapter 904: Let's have a date

"Just like how you trust me."

Lei Xiao's cold and Noble aura, which could cause one's heart to turn cold at a glance, disappeared when he faced Lin Hanxing.

If they hadn't seen it with their own eyes, it would have been hard to believe.

The Lei clan's young master, who was known for his ruthlessness, actually had such a side to him.

Lin Hanxing could not help but smile.

She stretched out her fair finger and beckoned at Lei Xiao with a smile in her eyes.

As she wished, Lei Xiao bent down.

The next second, Lin Hanxing wrapped his arms around his neck and kissed him.

"Such a sweet mouth, I like it."

You're the sweet one.

Lei Xiao thought to himself as he touched the spot where Lin Hanxing had kissed him.

"What do you want me to do tomorrow night?"

Lei Xiao pulled her into his arms, his luxurious tie clip glimmering coldly under the sun.

"You'll know when the time comes."

Lin Hanxing raised his chin slightly like a proud little beast, and Lei Xiao could not help but laugh.

"In any case, I will definitely not let you suffer."

This man was his.

Whoever wanted to scheme against him would have to ask if she was willing!

As she thought about it, she reached out her soft white hand to Lei Xiao.

"Let's go on a date before tomorrow night comes."

Lin Hanxing bit his lower lip, his delicate and heart-shaking face was filled with warmth.

Her slender fingers drooped down and played with the man's slender fingers.

"It seems that we haven't ..."

Her long eyelashes trembled slightly, and she deliberately looked away, her face dyed with a faint water red.

"We've had a serious date before,"

The Thunder valiant beast was stunned at first.

Lin Hanxing was already holding his index finger and shaking it gently.

"Come on a date, ah Xiao."

.....

Lei Corporation.

It was rare for Yan Beichen to sit in his office during working hours.

The expressionless Anthony stood next to him, reporting to him the urgent business that needed to be dealt with.

Suddenly.

Yan Beichen's phone on the table rang.

He took it and glanced at it out of boredom. In just an instant, his eyes widened and he laughed out loud.

"Anthony, do you know what ah Xiao asked me?"

Yan beixiao laughed so hard that he laid his head on the table.

Anthony looked at him with a blank expression.

"He actually asked me ... What I should do on a date?"

"....."

"Have you?"

Anthony's words caused Yan beixiao's laughter to stop.

She just looked at him with her mouth open like a 1.8-meter tall retard.

"....."

"....."

"F \* ck!"

"How about you?"

After a long while, Yan beiming asked Anthony in a probing manner.

"....."

"....."

The two of them looked at each other.

After a while, Anthony walked to the desktop expressionlessly and sat down.

He opened a certain forum.

[ please ask ] I'm asking on behalf of my boss how to fall in love! An urgent QQ!

"....."

Yan beixiao watched as Anthony pushed his glasses up, unhurriedly adding a cute emoji at the end.

[ 1st comment: the BOSS is very handsome! ] He was rich! The overbearing CEO type! But no one was perfect! Our boss has never been in love! What can I do to please the lady boss on a date? Waiting online! Quite urgent!

Yan beixiao was dumbfounded as he watched Anthony type out the series of exclamation marks with a blank expression!

He was a F \* cking talent!

If ah Xiao didn't raise Anthony's salary, he would be the first to disagree!

[ 2nd comment: hahahahaha! ] What the hell?

[ 3rd comment: overbearing CEO? ] Zhao Si 'er, Nicholas?

[ 4th comment: let her drink more hot water! O = O! ]

[ 5L: upstairs +1 ]

[ 6th comment: upstairs +10086 ]

"What's wrong with drinking more hot water?"

Yan beixiao tilted his head and asked Anthony, his face full of confusion.

"Maybe it's a way for men and women to express their love?"

Anthony replied.

"....."

"....."

They looked at each other.

Was it?

Why did he feel that something was wrong?

Chapter 905: Oatmeal Milk tea

Lei Xiao's phone vibrated.

He opened his WeChat.

[ 9.90 yuan, free delivery: let the little cold star drink more hot water!!! ]

What do you want to drink?

Hot water?

At that moment, Lei Xiao did not know that Yan beixiao and Anthony's request for help had already received many replies from netizens in a short period of time. It had even been added to the front page by the moderator.

[ 108L: come up and move! ]

[ 109th comment: since you've asked so sincerely, I'll be kind and answer you. Watch a horror movie!!! ]  
When the girl was crying, he would hug her and force a kiss on her!

F \* ck, I can't imagine little Hanxing crying!

Yan beixiao's mind was filled with images. To be honest, in his eyes, Lin Hanxing would only act cute in front of ah Xiao recently, but the rest of the time, he was really in a state where he would kill anyone who stood in his way.

Not to mention making her cry, it would be a good thing if she didn't make others kneel and cry with a cold gaze!

[ 178L: why do I feel like the OP is trying to get a reply? ]

[ 179L: no one else is worthy of being called a domineering CEO except for young master Lei! ]

"I think it's a must to give her flowers."

Anthony's eyes reflected the light of wisdom as he filtered the messages one by one, paying attention to any useful information.

Very quickly, Lei Xiao's phone vibrated again.

Anthony had already compiled a date guide and sent it to him.

"....."

"What do you want to drink?"

In the milk tea shop, Lin Hanxing and Lei Xiao did not seem to realize that they had become the center of attention.

The Thunder valiant beast's aura was too powerful.

Lin Hanxing was too good-looking.

"I'm not thirsty."

Lei Xiao, who was used to drinking coffee, only felt that there was an inexplicable sweet taste in the air.

His mother liked to drink this.

"A cup of Oatmeal Milk tea, please."

As Lin Hanxing spoke, he did not notice that Lei Xiao's gaze was fixed on the window.

He was looking at a couple in school uniform.

A cup of milk tea with two straws.

The Thunder valiant beast was baffled, as if it didn't understand what kind of new drinking method this was.

"What are you looking at?"

Lin Hanxing walked over and bent down slightly. Strands of seaweed-like hair brushed across Lei Xiao's face, along with her faint fragrance.

She followed his line of sight ...

"I don't understand why there are two straws."

Lin Hanxing chuckled as he whispered into Lei Xiao's ear.

There was a warm breath.

Her red lips brushed past the man's ear, bringing about a subtle change.

Lei Xiao's deep pupils were so dark that light couldn't penetrate them, and he just looked up at her.

That small mole seemed to have a magical power, making people unconsciously want to reach out and touch it.

"I'll teach you later!"

Lin Hanxing placed one hand on the table, his smile as light as a feather.

Thunder valiant beast pursed his thin lips.

The two of them didn't notice the blushing face of the milk tea shop girl behind the counter. They only wanted to cheer for the two of them!

"Your ... Your milk tea ... Is done."

The milk tea was ready very quickly, and the shop assistant spoke softly.

It was as if he was afraid of breaking the atmosphere between the two of them.

"Please, two straws."

Lin Hanxing stretched out two fingers and matched them. His faint smile made her heart beat faster, and she wanted to give her the entire straw bucket!

How could there be such a good-looking person!

Lin Hanxing walked back to the seat opposite Lei Xiao and smiled like a little fox.

Bo ... After two "Bo," she inserted two straws into each of them.

Her water red little mouth held one side, and she used her eyes to signal to Lei Xiao.

The warm winter sun poured in through the floor-to-ceiling windows, giving people a soft light.

In Lei Xiao's eyes, Lin Hanxing's long eyelashes seemed to be coated with a layer of luster, making people unconsciously want to get closer to him.

Even if ...

He had never done such a thing before.

His body naturally leaned forward and he sucked on the other straw.

Chapter 906: Poor cough and love

The two of them looked at each other at a very close distance.

She was so close that one could count how many eyelashes she had with patience.

The warm sunlight made each other's eyes Amber.

Lin Hanxing blinked at Lei Xiao, his eyes seemingly twinkling with stars.

"Now, do you know why there are two straws?"

Her small, fair, and soft hand slid from the other end of the table to the side of Thunder valiant beast's large palm, and she poked his index finger with her fingertip.

Lin Hanxing's cheeks were puffed up like a little hamster.

His wife was so cute that he wanted to bring her back to the Wolf's Den to give birth to her.

He was raised to be fair and chubby.

Thunder valiant beast thought, but on the surface, he did not make a sound.

"Where do you want to go later?"

Lei Xiao touched her lightly with his hand, his expression so serious that it seemed like he was in a business negotiation.

He glanced at the phone screen from the corner of his eye.

One of the lines in the date guide that Anthony had sent over was ...

A claw crane?

Lin Hanxing was stumped for words.

Although she was the one who suggested the date, she didn't have any specific goals for a newbie in love.

Looking at Lin Hanxing's expression, Lei Xiao felt more confident.

He held her hand.

"Let's go," he said.

Lin Hanxing was biting the straw while Lei Xiao was holding her hand. The corners of his mouth could not help but curve upwards.

“Right, there’s something I need to tell you.”

Thunder Valiant’s deep voice rang out.

Lin Hanxing turned to look at him.

“Lu Jiashu might make a move on Lu Bingde tonight.”

Lin Hanxing’s eyes turned cold.

For the past two days, she had been focusing on the banquet and had basically handed Lu Bingde over to Bai Xi.

“At least he still has the strength to think of other ideas.”

Lin Hanxing laughed sarcastically.

“The news that I went to the Lu family that night was leaked. Now, everyone in the circle knows that Lu Bingde is the candidate I’ve chosen. Lu Jiashu has been preparing for so long, how could he be willing to be replaced?”

When kinship and interests clashed, Lu Jiashu’s choice would ultimately determine his fate!

“If Lu Jiashu were to really make a move on Lu Bingde tonight, I’m afraid I’ll have to make a personal appearance.”

Lu Bingde still didn’t know who was scheming against him.

It was time to give him an answer.

help me keep an eye on him. Let me know if there’s any movement on his side.

Lin Hanxing’s words were natural.

Lei Xiao responded with a “mm” and held her hand, as if she was deep in thought, and went directly to the elevator of the shopping mall.

The elevator stopped at the level of the arcade.

When Lin Hanxing came back to his senses, he was already standing in front of the claw machine.

“Do you want me to catch it for you?”

Lin Hanxin had one hand on the glass cover and did not notice the interesting expression on the man’s face when he heard this. He just looked at her back expressionlessly.

At that moment, Lin Hanxing had already scanned the code and made the payment.

His hands nimbly operated the mechanical pliers, as if he was going to grab the mech in front of him.

Soon, Lin Hanxing accurately caught a monkey holding a banana. As she was moving towards the exit, she accidentally raised her head and her hand stopped.

In the reflection of the glass cover, Lei Xiao’s eyes were helpless and warm.

There were three things that people in Xuanji could not hide: cough, poverty, and love. The more you tried to hide, the more it would be revealed.

He only realized it later.

Her hands deliberately trembled.

“Argh! It fell!”

The moment the banana Monkey fell, the mechanical pincers returned to their original positions.

Lin Hanxing’s hands were on the glass cover, and with a pitiful expression on his face, he turned his head to look at Lei Xiao.

“I want ...”

Her eyes were sparkling.

“Hubby, can you catch it for me?”

Chapter 907: I would like to ask another question

There was a crash.

Jiang Xibao pulled open the heavy curtains!

cough cough cough cough cough cough ...

For a moment, the dust scattered, and she couldn’t help but cover her mouth and nose.

In order to make it easier to clean, Jiang Xibao tied his hair into two ponytails.

The sunlight shone into the space of a few hundred square meters.

The dust was dyed a golden color, floating in the air.

Jiang Xibao raised his head and let the warm sunlight shine on his face.

In the dark corner, Liang yuran was looking at her.

Jiang Xibao looked in the direction of the gaze as if he had sensed it.

He happened to meet Liang yuran’s gaze.

With a warm smile, Liang yuran instantly shrank back into the dark corner, hiding even his shadow.

“The weather is very good today.”

Jiang Xibao was a little confused, but he still greeted her with a smile.

In her opinion.

Liang yuran was Lei Xiao’s friend, and Lei Xiao was miss Nine’s boyfriend, so she also considered Liang yuran a friend.

There was no response.

Jiang Xibao was not annoyed. He took the big black garbage bag and began to clean it up seriously.

The beer cans were crushed and thrown in one by one.

“Mr. Liang, you must drink in an appropriate amount. Otherwise, it’s not good for your health.”

Thump ...

“Remember to eat before you drink.”

Thump ...

“Also, don’t fail to get through your phone. Your friends will be worried ...”

A huge and powerful shadow suddenly appeared behind him.

Jiang Xibao had just turned around when a slender finger touched his forehead.

“You’re so noisy.”

Liang yuran’s brows were furrowed, and he spoke in a cold and distant tone.

“I thought you wouldn’t care about me!”

There was a warm smile on Jiang Xibao’s fair and chubby face, just like hot cocoa in winter.

Liang yuran’s thin lips were tightly pursed.

Before he could speak, Jiang Xibao had already bent down and picked up the can on the ground.

Very quickly, a large blank space was cleared out on the floor.

“So this is the color of the floor in your house!”

Jiang Xibao couldn’t help but sigh with emotion with his back facing Liang yuran. He didn’t notice the man behind him blushing when he heard that.

“Shut up,” he said.

He moved behind her.

“Um, I want to ask you another question.”

Jiang Xibao raised his hand.

Liang yuran felt his temple throbbing.

“Speak,” he said.

“The previous cleaner ... Why did he resign?”

“.....”

Jiang Xibao felt that he had asked a question that he shouldn't have asked. At least, Liang yuran's face turned ugly as soon as he finished speaking.

He lowered his head and stared at her chubby little face without saying a word.

The two ponytails made Jiang Xibao look more like a child.

"She ..."

Liang yuran opened his mouth, but his voice sounded muffled.

"Ah?"

Jiang Xibao's eyes widened. He obviously did not understand what she meant.

"Her! Hook! Lure! I'll!"

Liang yuran said these words through gritted teeth.

No one would be happy to return home in the middle of the night and find a woman in revealing clothes lying on the bed!

After a long time.

Jiang Xibao laughed out loud. His fair and small face looked delicate and beautiful under the sunlight.

"Is it funny?"

Liang yuran said coldly, his eyes as cold as ice.

Jiang Xibao shook his head, and his two ponytails swayed along with her movements. However, the corners of his mouth were raised, and he did not look like he was not laughing. Even the corners of his eyes were curved.

She laughed as she continued to clean.

"Mr. Liang, you're a very good person. That's why you're liked by others."

Jiang Xibao bent down and picked up the clothes on the 'sofa' one by one. He turned around and looked at Liang yuran with a warm smile in his eyes.

"Whether it's good or bad,"

Liang yuran's expression froze.

After she said that, the lingering disgust in his heart disappeared mysteriously.

Chapter 908: I'm the one who scammed them bit by bit

When Lei Xiao placed the banana Monkey in Lin Hanxing's arms again ...

Her little face was finally completely submerged in the doll Mountain.

“Ah Xiao ...”

Lin Hanxing blinked his eyes with difficulty, he had grabbed the claw machine empty!

There was a crowd of people surrounding them.

The boss had been standing in the corner and watching them for a long time.

“Do you like it?”

Lei Xiao’s voice was low and deep, he didn’t even look at the people around him, obviously not caring about the commotion he had caused.

Lin Hanxing nodded like a chicken pecking at rice.

Lei Xiao pursed his lips and smiled.

As he laughed, the crowd around him exploded like a pot.

‘Wow’, ‘so handsome’ and other similar sounds could be heard.

The majority of the girls looked at Lei Xiao as if they were looking at a Big Gold Brick.

His eyes were popping out of his heart.

“Let’s go,”

Suddenly, Lin Hanxing spoke in a muffled voice. He stuffed the mountain of banana monkeys into Lei Xiao’s arms and walked out of the arcade.

The Thunder valiant beast didn’t even catch it, and let the pile of monkeys fall to the ground.

“What’s wrong?”

With quick steps, Lei Xiao grabbed Lin Hanxing’s wrist from behind.

He pulled her back in front of him.

“Why are you suddenly unhappy?”

Lei Xiao bent down to look at her little face, not knowing what he had done wrong.

“It’s mine,”

Lin Hanxing mumbled in a low voice, but Lei Xiao didn’t hear him. He leaned over again and put his ear to her lips.

“What?”

“I said, you’re mine!”

As he spoke, Lin Hanxing opened his arms and wrapped them around Lei Xiao’s waist like a child.

She also bit the man’s ear as punishment!

There were so many pairs of eyes staring at him just now.

He was unhappy.

He wanted a hug.

A warm fragrance spread in his arms, and Lei Xiao only realized later that Han Xing actually ate ...

The corners of his thin lips curled up as he reached out to pull her into his arms.

“Of course I’m Yours.”

It belongs to you.

The fishtail braids he had tied in the morning came loose, and his slightly curled, seaweed-like soft hair spread out behind Lin Hanxing, making her small face look even more delicate and exquisite. Even the mole at the corner of her eye was so beautiful that it looked like it could ooze water.

“So, don’t be unhappy ...”

Lei Xiao rested his chin on Lin Hanxing’s head, his black cashmere coat covering her small face.

“Alright?”

In fact, Lin Hanxing regretted it the moment he lost his temper.

She had never experienced the feeling of being controlled by her emotions.

It seemed like ...

She was getting more and more presumptuous around the Thunder valiant beast.

“Mm ...”

Lin Hanxing’s small hand grabbed the collar of his black shirt, and his eyes were parallel to his luxurious tie clip.

“You didn’t take ...”

He was the one who caught those monkeys for her.

“I don’t want it.”

He didn’t want anything that made her unhappy.

“I’ve paid for it.”

Lin Hanxing raised his head and looked at him, his eyes clearly filled with the word “prodigal.”

“That’s all my hard-earned money,”

Lin Hanxing snorted.

Lei Xiao laughed.

His wife was really too cute.

With Lin Hanxing in his arms, the curve on Lei Xiao's lips became even more prominent, and even his eyes became gentler.

At the same time, on the second floor.

Shangguan shixiu walked out of the watch shop, holding the watch that Shangguan Yilu had ordered.

After she was sent back to country M, she finally calmed down and called him last night.

She reminded him to get the gift she had ordered.

That was why he didn't even bring his bodyguards with him today. Shangguan shixiu drove over to pick it up himself.

His handsome face, which was unhealthily white, looked more or less sickly. His black jade-like hair covered most of his eyes, and he looked gentle and cold.

It attracted the peeking of the girls.

As soon as he got off the elevator, his eyes were attracted by two people not far away.

Chapter 909: Is this your girlfriend?

The Thunder valiant beast's 1.9-meter height was too eye-catching.

He unconsciously gave people a sense of oppression.

Moreover, wherever he stood, it was as if he was the focus of their eyes. Shangguan shixiu couldn't have mistaken him for someone else.

But ...

His gaze turned to the woman in his arms.

He said it was a woman ...

She looked more like a little girl.

She was wrapped in a white down jacket and even wore a white velvet earmuffs. From afar, she looked like a snow-white little rabbit, but her face was covered by the Thunder valiant beast's windbreaker, so her face could not be seen clearly.

But in Shangguan shixiu's eyes, this woman must have a very different meaning to Lei Xiao.

Ever since he had met Thunder valiant, he had never seen such a gentle expression on this cold-blooded man who had almost no weakness ...

It was as if even he could feel how precious she was.

The more Shangguan shixiu thought about it, the more curious he became about the legendary Lin xiaojiu. What did he look like?

In his arms ...

It should be Lin xiaojiu, right?

The body was more honest than the brain, so Shangguan shixiu walked toward Lei Xiao.

“Thunder valiant.”

The two words were deep and pleasing to the ear, but it instantly caused the pampering smile on Lei Xiao’s face to freeze!

His ink-black pupils suddenly shrank!

Lin Hanxing wanted to look in the direction of the voice, but before she could move, the back of her head was grabbed by the man’s strong palm and pressed against his solid chest, as if there was no gap at all.

“Ah Xiao ...”

What was wrong with him?

What’s with the sudden emotional change?

“Shhhh ...”

The Thunder valiant beast caressed the back of her head, but his long fingers began to turn cold.

“What are you doing here?”

Thunder valiant lifted his head, his cold face devoid of any expression.

He didn’t want to reveal the uneasiness in his heart!

“I’m here to get something.”

As he spoke, Shangguan shixiu’s eyes fell on Lin Hanxing.

The Thunder valiant beast was protecting her ...

Wasn’t it too tight?

It could almost be said to be airtight, and his face could not be seen at all.

“Is this your girlfriend?”

Shangguan shixiu’s gaze inadvertently swept across her ears and neck. She was as white as Jade, like an egg without its shell.

“Yes.”

The atmosphere seemed to have suddenly turned cold.

Only then did Shangguan shixiu feel that his actions had been a bit abrupt, not to mention that looking at Lei Xiao’s appearance, it seemed that he didn’t want others to pay more attention to him ...

He didn’t know that the Thunder valiant beast just didn’t want him to pay too much attention.

"I still have things to do, so I'll be leaving first."

After taking a deep look at Lei Xiao, Shangguan shixiu's thin and cold lips curled into a faint smile.

But ...

When he passed by her, a faint fragrance was delivered to him, causing him to stop in his tracks.

Lin Hanxing couldn't tell who the other party was based on the voice alone.

But the level of tension in the Thunder valiant beast's muscles ...

"Is it that little nine of the Lin family?"

Shangguan shixiu suddenly turned his head and asked again, a faint fragrance spreading in the air.

"Didn't you have something to do?"

Lei Xiao raised his eyebrows and looked at him. His cold and hard voice was definitely not welcoming.

"Alright, alright, alright, I'll leave immediately!"

Shangguan Shixiu shook his head with a smile, thinking that he had been too sensitive just now. How could he have felt that the faint fragrance coming from Lin xiaojiu's body was similar to that person's?

He quickly made his way to the parking lot.

He walked further and further away.

"Ah Xiao ..."

Lin Hanxing felt that he could not breathe.

Who was that person?

From Lin Hanxing's point of view, he could only vaguely see a back view.

Lei Xiao lowered his head to look at her, his eyes still carrying an indescribable depth and solemnness.

"What's wrong with you?"

Lin Hanxing hesitated for a moment, then raised his hand to caress his sharp face.

Chapter 910: There's the smell of gunpowder

Lei Xiao did not say anything. His broad palm ran along Lin Hanxing's slightly curled and soft hair.

A passerby passed by the two of them.

Lin Hanxing's expression froze as he looked at the backs of the two people who had just passed by.

"Ah Xiao, the person you were talking to just now, do you want him to live or die?"

Lin Hanxing's voice turned cold again.

To put it in another way, was that person an enemy or a friend?

Lei Xiao followed Lin Hanxing's gaze.

The two 'passersby' had already disappeared from the side door of the mall that led to the parking lot.

"You're saying those two ..."

"There's the smell of gunpowder on their bodies."

Lin Hanxing's eyes turned cold.

Ordinary people might not be able to smell it, but how could she not be familiar with this smell?

"Hanxing, wait for me here!"

It was very difficult for Lei Xiao to use a few words to describe his relationship with Shangguan shixiu, which seemed to be both friend and foe.

"No! I want to go with you!"

Lin Hanxing would never allow Lei Xiao to face the danger alone. Moreover, she was very clear about her own abilities. She would only add flowers to a brocade and never make it worse!

Thunder valiant beast was about to refuse.

It was too dangerous!

"Thunder valiant beast, I want you to know that since we have chosen each other ..."

Lin Hanxing's face was expressionless, and his words could not be more serious.

"Then don't even think of shaking me off in life or death!"

Thunder valiant beast knew that he had no time to hesitate.

Lin Hanxing had already reached out to remove the earrings at an extremely fast speed. Her fingers moved nimbly, and the decorative diamonds were easily removed, revealing the sharp tips that gleamed coldly.

"I'll leave my back to you,"

The position of a person's back would always be given to the person they trusted the most!

Lei Xiao looked at her deeply.

"Follow me closely."

.....

The moment Shangguan shixiu opened the car door, he felt a strong murderous aura coming from behind him. His body instinctively dodged the fatal attack behind him, and with an expressionless face, he used the car door to hit the head of the person behind him.

"You want to kill me?"

Due to the violent movements, Shangguan shixiu coughed twice.

The corners of his mouth curled into a cold smile, revealing a terrifying killing intent.

“Who sent you?”

The trip to the mall was very sudden, and even his bodyguards only knew about it before he left. All signs pointed to the fact that these people were from M Nation.

Shangguan shixiu quickly broke the other’s jaw.

He took out a capsule from the root of his teeth.

With a click, he reattached it to the other party!

Shangguan shixiu held the capsule in his hand, his cold smile unchanged.

“I’ll ask again, who sent you?”

Shangguan shixiu’s gloomy tone gave people an endless amount of pressure. He was the Shangguan family’s weapon, and he had been prepared for it, whether he was alive or dead. Even if his hands were stained with blood, it would only ignite the thick killing intent in his bones.

“Hehe ...”

Suddenly, the other party laughed with an unknown meaning.

He spoke in fluent Russian.

“You don’t really think that I’m stupid enough to think that I can deal with you alone?”

The other party sneered.

A red dot suddenly appeared on Shangguan shixiu’s temple.

“Now, I advise you to raise your hands and stop struggling!”

From the beginning to the end, Shangguan shixiu’s expression didn’t change at all. His pale and feminine face was still and calm.

“Otherwise ...”

The other party took out a sharp poisoned dagger from his high boot and smiled viciously.

“I should be the one to return this sentence to you.”

Suddenly, a cold female voice rang out in the large underground parking lot ...
