

## **Got Busted 1012**

### Chapter 1012 Panic

Benson Leach looked at the screen of his mobile phone and saw the unbearable scene.

People in bed, covered with quilts, fold together, and then rise and fall, can't see their faces, but it looks like Timothy Greene on the side face, and Juliana Lewis on the side face of women, and even Juliana Lewis's ambiguous voice.

Lawyers know that these pictures are fake, and the faces of Timothy Greene and Juliana Lewis in the video can only be changed by AI.

But as long as it can stimulate Benson Leach, it will be fine.

The lawyer looked at Benson Leach expectantly, and his eyes were very mocking. Looking at him was like looking at a green grassland.

The lawyer is waiting, waiting for Benson Leach's illness, and he sprayed strong tuberose today.

In this way, under the triple blow of sight, hearing and smell, I don't believe Benson Leach can really hold on.

Benson Leach, however, did not become ill or manic. He looked up at the lawyer contemptuously and laughed, "You really don't know much about wine."

"This kind of video, intelligent AI changing face, is not very simple, plus dubbing?"

Benson Leach raised his chin slightly and looked at the lawyer mockingly. "This video, the wine and Timothy Greene at the beginning are true, and the conversation with Wendy Johnson is also true, but is it accompanied by a sound?"
