

## **Got Busted 1018**

### Chapter 1018 Presentation

Juliana Lewis froze and remembered that she had been injected with double hallucinogens, but she hasn't responded yet?

This made Juliana Lewis feel very strange. When she was injected for the first time, her reaction quickly came up.

Sebastian Yates looked up and down at the landing wine. "Master father, have you really been injected? Is it really okay? Do you want an antidote first?"

Juliana Lewis looked at Sebastian Yates angrily and said, "I'm fine. I don't have anything at all. Take a look at your own pulse."

Juliana Lewis put his slender wrist in front of Sebastian Yates.

Sebastian Yates looked doubtfully at the landing wine, and then gave her a pulse. Although he was a little stupid in this respect, it was ok to pulse.

Just take the pulse and take the pulse. The result Sebastian Yates got is that Juliana Lewis is fine.

Sebastian Yates was surprised: "It's really strange."

At this time, Juliana Lewis's cell phone rang. It was Benson Leach's phone.

Juliana Lewis quickly answered the phone: "Ah Cheng, are you out? Is there anything wrong over there?"
