

Got Busted 1029

Chapter 1029 It hurts-

Juliana Lewis said as he walked, "I don't know. I'll go upstairs and have a look first. Grandpa, you will wait downstairs."

Old Mr. Leach wanted to follow him upstairs, but at this time, he couldn't go up to make trouble.

If Benson Leach comes out and doesn't recognize his six relatives, even if he fights, how much remorse Benson Leach should have after waking up.

Juliana Lewis came to the door and opened it, but it was locked.

Inside the room, there were bursts of growls of wild animals.

Juliana Lewis stepped back directly, then lifted his long legs and kicked the door open.

"Ah Cheng."

Juliana Lewis saw Benson Leach tearing at the sheets, then tied his feet together, and now tried to tie his own hands.

In the room, it is already a mess.

Benson Leach looked up and saw Juliana Lewis, a twisted world in his vision, and then a red shadow.
