Benson Leach grabbed Juliana Lewis's hand by the neck and exerted a slight force.

Juliana Lewis kissed him and said with tears: "Mr. Li, why don't we detoxify first?"

Benson Leach fiercely stupefied, this sentence is so familiar, it is her.

Benson Leach's bloodshot eyes were instantly clear. When he opened their eyes, he saw Juliana Lewis's long eyelashes and crystal tears, which slipped from the corner of her eyes and landed on his face.

Benson Leach only felt the pain in his heart. Juliana Lewis's face, with the monster's face, changed from time to time, and finally merged together, with the monster's face on one side and Juliana Lewis's face on the other.

Juliana Lewis kissed Benson Leach hard, her teeth worn out her lip, and blood overflowed between their lips and teeth.
