### Chapter 1040 Antidote-

Arguably, she is not Miranda Sanchez, but her soul is reborn in others. This natural allergy will not appear in another person.

She thought it was her own psychological suggestion.

Who would have thought that Juliana Lewis and Miranda Sanchez were sisters!

Juliana Lewis thought, looked up at Yang Laotou and asked doubtfully, "But this is not right. When Stewart Morris suspected me, he went to do DNA identification, and the result had nothing to do with Su's family."

When Benson Leach gave Yuan Han an appraisal, he also made an appraisal with Su's family to prove that it had nothing to do with it.

Yang Laotou: "Mu Guozhong."

Juliana Lewis: "Hmm?"

What does this have to do with Mu Guozhong?

Yang Laotou said: "Your mother asked Mu Guozhong for help, which shows that except for the paternity test of Miranda Sanchez and Su Hanyin, others identified with Su Guorong, and the result could not be parent-child relationship."
