### Chapter 1055 Distressed-

When Juliana Lewis saw Su Ran again in the shopping mall, she felt that her attitude was better than just now.

This made Juliana Lewis raise his eyebrows and look at Ma Shuqin.

Ma Shuqin also smiled at Juliana Lewis: "What kind of wine do you like?"

When Juliana Lewis looked at them like this, he knew something must have been said, so he was very kind to her.

At least, now they don't want to make bad friends with her.

Juliana Lewis said faintly, "Just look around."

Su Ran took the initiative to say: "Then let's go to see the dress first and watch the dress so as to match the others."

Juliana Lewis has no problem with this. She didn't spend money anyway.
