

Got Busted 1060

Chapter 1060 Key-

Su Guochang transferred money to them halfway, knowing how much Juliana Lewis spent.

Therefore, he just frowned and said, "A hundred million yuan is nothing compared with the Simmons family's property. Just spend it."

Su Ran's toothache made his voice louder: "Dad, that's a hundred million, not a million, a hundred million. I have lived for more than 20 years and haven't spent so much."

Buying a house doesn't count.

If you buy a house together, it is barely enough for 100 million yuan.

But in Juliana Lewis, it cost them 100 million yuan in half a day, and they spent their money, and they were distressed to death.

Ma Shuqin said stuffy: "Don't say that you have been for more than 20 years, Mom has been for more than 50 years, and you haven't spent 100 million yuan, or just a few things."

In a word, Juliana Lewis really spends too much money.

Su Guochang looked at them and said, "Well, it is not a hundred million yuan. When Sanchez Group's property is ours, you will have more than one hundred million yuan."
