

Got Busted 1075

Chapter 1075 Beautiful-

Hou Chaosi looked at the script, just arrived at the lines of the man and the woman proposing marriage, and then the message rang.

She picked up her mobile phone and took a look. She froze directly and instantly put down her mobile phone.

Hou Chaosi picked up the script again and mumbled: "It's really dazed to read the script, and there are hallucinations in the bridge of marriage proposal."

Thinking like this, Hou Chaosi looked at the lines in the script again, and then froze again.

The lines read on the text message just now seem to be different from those on the mobile phone?

Sebastian Yates came out of the kitchen and looked up at Hou Chaosi: "Little monkey, what are you doing there? You are still, and you are almost turned into Stone."

Hou Chaosi gave a cry and said, "Nothing, it's silly to read the script."

Sebastian Yates: "Then go and wash your hands. Dinner is ready and you can eat."

Hou Chaosi nodded, then picked up his mobile phone and got up directly. When he saw Sebastian Yates walking to the kitchen, he said, "Sebastian Yates, don't always run to me, and come to cook for me. If those little girls know, they have to skin me."

Sebastian Yates: "You are half my apprentice, regardless of them."

Hou Chaosi took his mobile phone, looked at it while walking, and saw the short message again.

get married.
