

Got Busted 1077

Chapter 1077 Good match-

Sebastian Yates stood downstairs, then called Juliana Lewis, and when he opened his mouth, he was wronged: "Master Father."

Juliana Lewis listened to the crying voice and quickly asked, "Little Yunzi, what's wrong with you? Who bullied you? I'll help you blow his head off."

Sebastian Yates saw someone changing tires, took off the spare tire and replaced it with the original tire.

Sebastian Yates was even more depressed. He said, "The spare tire is broken."

When Juliana Lewis heard this, he was speechless: "If the spare tire is broken, you will change to the original one. It is not a person who is short of money. The spare tire is only used temporarily and cannot be used by the original factory."

"All right, where are you? I'll send you one and change it for you by the way. It's worth your grievance about a tire."

Sebastian Yates wanted to cry: "Master father, you are so clever, don't you know what I mean?"

Juliana Lewis was going to get up and find Sebastian Yates. When he heard this, he sat back again.

Juliana Lewis suddenly understood: "Do you mean the spare tire?"

Sebastian Yates: "Hmm."
