

Got Busted 1092

Chapter 1092 provoke-

Juliana Lewis didn't take Su Ran anywhere, just went to sit in the garden, with a parasol, and then the servant went to scented tea, and there was a sea of flowers in front of him.

There is an outdoor swimming pool next to it, and everything is very pleasant.

Su Ran sat in a chair and looked at everything around him comfortably. The scenery here is really not inferior to the scenery outside.

Su Ran: "Xiaojiu, I heard that the old house has a lot of entertainment to watch, which is comparable to a big tourist attraction. Is it true?"

Juliana Lewis said faintly: "It's OK."

All day busy to death, where free to play, occasionally play is OK, relax, so Juliana Lewis thought it was OK.

Su Ran began to say: "I heard that the old house of Lijia is very big, not only with a golf course, a garden, a private cinema, but also a racecourse and an aquarium. Is it true?"

Su Ran asked this, looked up sparkling to see landing wine, waiting for her to say right, and then follow her words, let Juliana Lewis take her to play.

These Su Ran have been played outside, so there is nothing rare.

What is rare in Su Ran is that these entertainment projects are all in Lijia, which is private. It is not a tour or a scenic spot, but Lijia's.

can play without going out the
