Chapter 1121 lifting the ban-

Li Baiqing didn't say anything, but looked at the lady sideways to see what she said.

The lady looked at Benson Leach and said, "You don't want to admit that I am your mother, too."

With this, she took out a photo from her bag and put it on the table: "Sorry, you have lost your growth over the years, but I have difficulties."

Benson Leach just pointed at the gate: "Go out, you are not welcome in my family."

Li Baiqing would like to help speak, but she is not very familiar with Benson Leach, so she didn't speak.

Xia Yunzhu, Benson Leach's mother, stood up and took a deep look at Juliana Lewis and Benson Leach: "Bai Qing, let's go first."

Li Baiqing stood up: "Third brother, third sister-in-law, let's go first."

When Xia Yunzhu picked up his bag, he also looked at Benson Leach and Juliana Lewis deeply, and then left.

Juliana Lewis looked at Benson Leach with his head tilted. "I don't think so yet."

Benson Leach gritted his teeth: "Mrs. Li, I am in a bad mood. Don't you follow me?"

Now, he is even more wronged.

Juliana Lewis smiled and raised his eyebrows. "Do you want me to follow you?"

Benson Leach hummed, "If you pity me, don't follow me. I like you to go against me!"

Juliana Lewis listened to his accentuated voice, but he couldn't help blushing and pinched his waist gently. "Don't be full of yellow cars."

Originally, a good sentence, because he increased his intonation, led to a good road, and suddenly there was a big drag racing.

Benson Leach hugged Juliana Lewis: "You have punished me for half a month, but I didn't when I was young. You were widowed when you were young..."

Juliana Lewis interrupted Benson Leach with a smile. "You seem to be almost thirty, don't you?"

Looking at Xia Yunzhu sitting on the sofa, the smile on Benson Leach's face disappeared little by little.

He only felt that all his good mood was gone in an instant.

Juliana Lewis shouted, "Grandpa, why did you come so early?"

Yes, old Mr. Leach also came. Otherwise, Xia Yunzhu would definitely not be able to get in if he came so early.

After Xia Yunzhu left last night, Benson Leach didn't mention her as if she had never been here.

But I didn't expect Xia Yunzhu to come so frequently that he called old Mr. Leach.

Benson Leach also shouted, "Grandpa."

This word shouted a little coldly, and it was not as kissed as before.

Old Mr. Leach looked at them: "Well, the old man got up early, and then Yunzhu was there, so he came to see you together, didn't wake you up?"

Juliana Lewis's words are really impolite at all, and they are very straightforward.

Xia Yunzhu was angry at the time. She looked at the landing wine angrily: "You... you are really not a good daughter-in-law. Other people's families are helping to reconcile the mother-child relationship, but you are here to sow dissension."

Juliana Lewis smiled at her: "Sorry, Ah Cheng is unwilling to admit you. Also, I don't think you have any guilt at all, and you also preach for granted. I think having a mother like you will only make the family more chaotic. Don't recognize it."

Xia Yunzhu: "You..."

Xia Yunzhu is really angry with the lady posture on her face, and she can't keep it.

Juliana Lewis pointed to the gate: "No send."

Xia Yunzhu is so angry that he wants to hit people.

Old Mr. Leach calmly: "Yunzhu, speak well. Didn't you say you'd come and see Ah Cheng? What do you care about their lives?"

Old Mr. Leach interrupted her in a heavy voice: "Yunzhu, did you come back to recognize your son, or did you come back to do things?"

Even though he felt Xia Yunzhu didn't mean it, he came back, didn't want to make up for it, but spoke all kinds of high-above, and also all kinds of preaching tone, and old Mr. Leach was unhappy.

Benson Leach: "If you want to eat, go out to the restaurant. My wife won't cook for others."

If it tastes bad, don't cook it for her!

Xia Yunzhu watched the three of them eat, and her heart was angry for a while. She couldn't watch them eat, but stood up and made a lot of noise on the stools.

Xia Yunzhu was embarrassed to wait in the living room, so she went out. She went out to blow the wind and calm down.

As if he hadn't heard, Benson Leach opened the door for Juliana Lewis and let her get on the bus.

Xia Yunzhu is very angry: "Benson Leach!"

Old Mr. Leach sank: "Yunzhu, forget it, let them go to the company first, and talk about it later."

Xia Yunzhu is obviously unwilling: "Dad."

Last night, she was in no hurry, because she knew old Mr. Leach would be on her side.

But just now, when she saw that old Mr. Leach obviously didn't take her side, only listened to Juliana Lewis, and didn't even help her recognize Benson Leach, she was in a hurry.

Old Mr. Leach: "Come on, let's go back. The president of Tangwanli Group, the master of gold, is very valuable every second."

Juliana Lewis listened quietly.

Benson Leach said: "I am very young, and I don't remember how old I am. Anyway, I remember that it rained that day, and then she left. I chased her out and told her not to leave. I held her thigh and told her not to leave. She pushed me away, I fell to the ground, she left without hesitation, I chased behind, I fell, and she didn't stop."

Is that summer?

Anyway, Benson Leach doesn't remember, except that it was raining that day, and his mother was carrying a suitcase and left him.

He seemed very small, like a dwarf in the giant world. He followed out of the door and chased wildly. The rain hit him and blurred his sight.

He was pushed away, he fell to the ground, and she didn't pause.

He got up and chased again, followed the car and shouted, "Mom, don't go, mom, don't leave me, mom..."

But the car soon disappeared from his sight, and he could no longer see it.

But he still insisted on following and never kept her.

When Benson Leach saw that she didn't say anything, he looked sideways at her. "What's the matter?"

Juliana Lewis frowned deeply. "Something is wrong."

Benson Leach: "Hmm?"

Juliana Lewis combed it carefully and then said, "Didn't my dad study the neurotoxin on you? It was Miranda Sanchez who was poisoned, and then he needed to cultivate a serum, so there was Juliana Lewis."

Juliana Lewis was born by Sue's father who paid for someone to make serum for Miranda Sanchez.

Benson Leach said, "Is the time right?"

Juliana Lewis: "I took blood from my body and extracted antibody serum to detoxify you. Isn't it that Miranda Sanchez was the first person to be poisoned?"

Juliana Lewis looked up at Benson Leach. "But your neurotoxin is over twenty years old, and I'm younger than you..."

Benson Leach said, "Miranda Sanchez is twenty-six."

Juliana Lewis, who was told the age of his soul, was very unwilling: "That is one year younger than you, that is, younger than you. As long as you are younger than you, you are an old cow eating young grass."

What Juliana Lewis thought was that Benson Leach should also listen.

At six o'clock, Benson Leach arrived downstairs at Zhangbao Company on time, waiting for landing wine.

When Juliana Lewis got on the bus, Benson Leach grabbed her hand and held it in his palm. "My hands are so cold, don't wear more."

Juliana Lewis wore only a sweater skirt and a windbreaker.

Juliana Lewis: "Well, it's not very cold, but my hands can't warm up."

Said, she also disliked to look at his big hand: "Your hand is not very warm."

Benson Leach smiled, grabbed Landing's hand and put it in his stomach. "It's warm now."

Juliana Lewis's hands were very cold, so when he put them in Benson Leach's stomach, he couldn't help taking a breath of ice.

Li Baiqing said with a smile: "No, if one can't get along, can everyone get along?"

Old Mr. Leach: "When you come back, go out more and ask your third sister-in-law for friends. What's the matter?"

Li Baiqing: "Sansao Company has artists. Like me, I just want to talk in a circle."

Juliana Lewis sat beside Benson Leach, but didn't answer much.

Li Baiqing came to be familiar and took the initiative to talk to Juliana Lewis: "Sansao, how is the domestic entertainment industry?"

Juliana Lewis thought about it and said, "Not bad."

Li Baiqing is not very satisfied with this answer: "Is it? What about the future development? What will happen if I come back?"
