Chapter 1161 Back--

So full of manic and violent sons, she has raised her son for almost thirty years, so she didn't see it.

Her son, what happened?

Gu's father is already by his wife's side: "Chunhua, don't always be so strong. He has grown up. He is a person, so you have to respect his choice."

Mrs. Gu's name is Bai Chunhua.

Bai Chunhua came to his senses, but looked at Gu's father with grievances: "Dad, what am I asking for this, not for myself, but for this family."

"His father died early, and you sat in a wheelchair early. I supported the big company, and I have to educate it deeply."

"When I taught Yan Shen before, why didn't you say that I was wrong? Now Yan Shen can support Gu's group, but you think I am wrong."

Father Gu listened to these words: ...

As Bai Chunhua spoke, he cried: "Qingqing is a good boy. It is so suitable for Ting Shen. I am doing it for his own good. Can I hurt him?"

Juliana Lewis looked at Ma Shuqin and Su Ran sitting on the sofa, slightly raising their eyebrows. Their intonation made her very uncomfortable. The kitchen didn't cook, but asked her to cook?

When she came back, she didn't even look up. She still ate fruit snacks and watched TV.

Besides, there is no enthusiasm before today, which is not much for her?

Juliana Lewis is a faint well, is a response, and will go upstairs.

Ma Shuqin suddenly looked up at her: "Juliana Lewis, I heard that Benson Leach's mother is back, is it true?"

Juliana Lewis raised his eyebrows. "I heard, who said that?"

Recently, we didn't go back to our old house, and Xia Yunzhu didn't quarrel with them. She just asked people to send her cooking to Benson Leach every day.

It's a silent concern.

Juliana Lewis went back to the room, looked at the room installation, and frowned slightly.

When she opened the room, there was a faint smell of dust, which she had not been back for a week?

Juliana Lewis looked up at the room. The doors and windows were not tightly fastened, and a little gap was exposed. Everything was the same as before, and then looked at other furnishings.

Her jewelry cabinet has been opened.

Juliana Lewis went over and looked at the cupboard, which contained her jewellery, and a jewellery necklace and bracelet had changed places.

She frowned lightly, and they came to touch her things.

Juliana Lewis went to the balcony and frowned. Although he cleaned it, he didn't mop the floor. It was dirty.

"Sister, sister, I'm back."

Juliana Lewis was still watching when he heard Su Hanyin's voice. It was true that before people arrived, the voice arrived first.

Before Juliana Lewis went downstairs, he heard Su Ran's voice.

Su Ran looked at Su Hanyin and turned to walk towards the kitchen. He was stunned: "Su Hanyin, what are you doing?"

Su Hanyin didn't speak and went into the kitchen.

Su Ran was a little uneasy. She asked Ma Shuqin, "Mom, Su Hanyin won't do anything to us, will he?"
Did he go to get a kitchen knife? "

Ma Shuqin shook his head: "No, Xiaoyin is still very easy to get along with. Besides, we didn't do anything, let alone bully him. There is no reason to cut us with a kitchen knife."

Su Ran is a little uneasy.

Ma Shuqin lowered his voice and said to Su Ran: "OK, there is no need to embarrass him. It is just a child and has not been educated in the Simmons family. Where will it be?"

"Su Hanyin won't do that, but..."

Ma Shuqin lifted it upstairs with his chin, and his voice was lower: "Juliana Lewis is not easy to mess with. In short, there is no need to have a hard time with them, and don't get carried away."

Su Ran thought is also, Su Hanyin is a man, more generous, won't care about them, naturally won't take a kitchen knife to cut them.

Su Ran had to turn to see Ma Shuqin. When she saw that her face was red and she was anxious, she cried and shouted, "Mom."

Juliana Lewis raised eyebrows: "Don't be silly and only cry. Hammer her back a few times and spit it out."

Su Ran didn't have the strength, so he quickly called the servant over.

After hammering hard for three times in a row, Ma Shuqin coughed and finally spit out the longan stuck in his throat.

As soon as she recovered, she blamed the servant: "Do you want to murder? So hard, oh, my back."

With that force just now, she felt that the bones were going to be hammered off.

Su Han led upstairs and looked at the landing wine uneasily: "Sister."

What he just did, I don't know how much my sister saw, will you blame him?

After all, it is really not polite to deal with elders like this.

Juliana Lewis: "Go back to your room."

Moreover, although there will be wonderful relatives around him, there will not be too many contacts.

Adoptive parents are kind to him, but it is a well-off life, which has not reached the height of the Simmons family. He does not have stage fright during banquets and communication, and he was cultivated when he was a child.

As for others, Su Hanyin felt powerless.

Juliana Lewis asked Su Hanyin, "What do you think? What are the arrangements?"

Su Hanyin still scratched his head: "I didn't think so much, I think..."

He tried to speak his mind, but when he looked up at Landing wine, she looked at him so quietly that he was very stressed and couldn't speak his heart.

When Juliana Lewis saw him hesitate, he said, "Don't care so much about what I think. I'm just asking you, you have to grow up. You are a man and the only heir to our family."

"If I come forward, they will definitely have more to say, which will make things more difficult."

When talking about Jiang Tiantian, Su Hanyin's face turned red: "Sister, I have nothing to do with Jiang Tiantian. No, we are purely classmates. Don't think about it."

"I... I don't like her, you..."

The more Su Hanyin explained, the more flustered he was, and the more he smiled in Juliana Lewis's eyes.

In the end, Su Han led himself to his shoulders: "Sister, don't laugh."

Sister smiles like this, which is really infiltrating.

Juliana Lewis chuckled: "You have grown up. If you like girls, you like them. What do you hide with me? Can I still rob girls with you?"

Su Han snorted: "That's not necessarily true. Look how much Hou Chaosi likes you."

Juliana Lewis chuckled aloud: "That's because Sisi's thinking is quite special."

Su Hanyin: "Sweet thinking is also very special."

Lewis raised his eyebrows. "So, you just like sweet and

Su Hanyin was very depressed: "Is this wrong? I feel very good, I can watch it many times a day, and he can see me many times, when I am the most handsome."

Juliana Lewis said, "Come on, tell me, if a girl runs up to you, bumps into you, and then when you pass by, suddenly a word horse comes, how do you feel?"

"Oh, by the way, when the wind blows, lift your hair and smile at you. How do you feel?"

Su Hanyin didn't even think: "Is this man sick?"

Just say that finish, he on Juliana Lewis that smiling face, suddenly collapsed, he stuffy said: "Is this sweet think of me?"

Juliana Lewis: "Since you don't like her looks, there must be other reasons. What do you like about her? What did she do to make you fall in love with her at a glance?"

Su Hanyin talked about that day. He transferred to another school, but he had seen Jiang Tiantian before.

It was a debate competition with foreign students, and it was very fierce.

In a word, Su Hanyin watched Jiang Tiantian stand on the stage, wearing school uniform, and then a person argued about the feeling of Confucianism.

That kind of momentum, Su Hanyin looked at her, and felt that she was shining all over, which was really beautiful.

Su Hanyin said to Juliana Lewis: "She can speak too many languages. Those people are speechless by sweetness, and don't look sweet and comely, and their names are also very sweet, but what they say is too admirable, and it is easy to speak, but swearing is not dirty."

"In short, Jiang Tiantian at that moment was simply highlighted. In my eyes, she was like shining. Everyone was dim. I only saw her alone in my eyes."

"Anyway, after that, I found other women so boring."

Juliana Lewis was talking to Su Hanyin when the servant knocked on the door and called them downstairs to eat.

Juliana Lewis looked at the time and then at the sky outside. It was almost seven o'clock and it was very dark.

Benson Leach sent Juliana Lewis a message. He had something to do, so he wouldn't come to dinner in the evening. He would pick her up later.

Juliana Lewis sent a good word to Benson Leach and led him downstairs with Suhan.

Su Hanyin: "Sister, my girlfriend, I will rely on you in the future."

Juliana Lewis raised his eyebrows: "Are you afraid that I will rob your wife?"

Su Hanyin smiled: "No, you are all women. Besides, sweet thinking is different from Hou Chaosi's thinking. I am very relieved."

Juliana Lewis gave a cry.
