Chapter 1231 Blame-

"I think Su Guorong's statement is very helpless. Is it afraid of Li's family? I can't just say this?"

"You are really funny. That house was introduced by Su Han, that is, it belongs to others. It has been staying temporarily for more than 20 years. What's wrong with moving out?"

"Don't bar me, is that an uncle or a cousin, let alone a cousin, that is, an uncle. I have lived in your home for more than 20 years and never left. Don't you allow my master to drive out?"

"You are so generous that you call your relatives. You don't have to live for more than twenty years. If you live for a week, you have to call."

"Really, I advise people to be big, and the sky is thunderous."

Because of such comments, those one-sided comments have distorted the style of painting.

Juliana Lewis watched, and there were many such comments. She raised her eyebrows and checked these IPs.

The first IP sent out was S City University, a school led by Su Hanyin.

Juliana Lewis smiled and said to old Mr. Leach, "Grandpa, it's none of Ah Cheng's business. I told him not to worry so much."

She leaned close to old Mr. Leach's ear and whispered, "Long-term fishing for big fish."

In fact, it is very easy to solve it.

But it's not the man in the back. I haven't caught it yet.

It doesn't matter anyway.

Old Mr. Leach: "As long as you are not wronged."

They had a conversation, and Benson Leach accompanied them.

When Xia Yunzhu came down, he looked at the two of them and shouted with a smile: "Little wine, you are back."

Juliana Lewis: "Well, hello, aunt."

Li Baiqing: "I advised my aunt in the same way. Fortunately, my aunt listened to the advice, so I didn't say it."

Juliana Lewis: ...

Li Baiqing added: "But Mr. Gu is also a bit strange recently. This time, he didn't bring his mobile phone and people don't know where to live, so Gu Aunt will be worried."

Juliana Lewis: ...

Benson Leach sat by, looking at the landing wine, and then looked up at her eyes.

Li Baiqing asked Juliana Lewis: "The third sister-in-law seems to know Mr. Gu very well. Do you know where he went?"

Benson Leach said coldly, "Where does Jiu Jiu know? She has no contact with him."

Li Baiqing quickly looked up and smiled shyly at Benson Leach: "Third brother, don't be angry. I didn't mean that. It was Gu Aunt who was worried about him."

Chapter 1234 This way-

Hou Chaosi was reading the script when he suddenly received a phone call from Juliana Lewis, and his guilty conscience startled him.

She looked at Timothy Greene, who was still working at the table.

These days, he lives here with her. Although two people have never had a relationship again, it is inevitable that she will be shy.

And I also think this relationship is wonderful.

Say it's a friend, but this relationship happens again.

Said it was boyfriend and girlfriend, and none of them opened their mouths to confirm this relationship.

Say * * ...

That's not.

Gu Ting was deeply touched by Hou Chaosi's eyes and looked at her sideways: "Your phone has been ringing for a long time."

Hou Chaosi gave a cry and said, "It belongs to Sister Wine."

Timothy Greene paused. "Hmm."

Juliana Lewis said: "In fact, there is nothing wrong. Sisi, you don't have to think too much. If you don't see it, you won't see it."

Hou Chaosi bowed his head and saw Timothy Greene's long legs again: "Well, I know."

Juliana Lewis: "If you see Timothy Greene, just observe his mood and pay more attention. If you think he is in a bad mood, you call me."

Hou Chaosi: "OK, sister wine."

When he had finished speaking, Juliana Lewis hung up the phone.

Benson Leach asked her, "How's it going?"

Juliana Lewis raised his eyebrows: "Sisi lied in front of me. Timothy Greene is in her house. It should be nothing at present."

Benson Leach: "Well, they look good together."

Juliana Lewis smiled and clicked his chest. "Come on, as long as Timothy Greene is nice to others, even if it is a monkey, you think it is a match made in heaven."

Benson Leach grabbed Juliana Lewis's little hand. "Sure enough, wine knows me."

Juliana Lewis squinted at him. Can she not know this vinegar?

Here, Hou Chaosi hung up the phone and saw Timothy Greene still standing in front of her, looking at her scalp a little tingling.

Chapter 1236 Stay-

Hou Chaosi waited for a while. When he saw that Timothy Greene still didn't speak, he couldn't help shouting: "Mr. Gu?"

Timothy Greene said, "I see."

Hou Chaosi didn't know what Timothy Greene meant by answering this sentence, but he didn't have the heart to read the script, so he took his mobile phone and watched TV.

As for what was on TV, she didn't know either.

After a while, Timothy Greene turned off the computer and stood in front of Hou Chaosi. He looked down at her.

Hou Chaosi also looked up at him and shouted, "Mr. Gu."

She really likes to call him Mr. Gu.

However, it is different from Juliana Lewis's intimate tone of calling Li Beicheng to be Mr. Li.

That's intimacy.

However, Hou Chaosi called him Mr. Gu because he was unfamiliar and far away, keeping their distance all the time.

Timothy Greene bowed his head and asked her, "Do you want me to go back?"

Hou Chaosi looked up, then looked at the closed door, couldn't help but red eyes, tears swish swish fall.

She looked at her cell phone, tears blurring her vision.

Hou Chaosi wiped the tears out of his eyes hard, lifted up his head and disliked himself: "I am really cheap."

I obviously like Timothy Greene, but I dare not show my love.

Clearly Timothy Greene is willing to marry her and stay with her, but she will refuse and pretend not to be rare.

It's really being cheap and looking for abuse.

I hope, I hope this is the end.

...

The next day, Li Baiqing said to Juliana Lewis, "Mr. Gu has gone home."

Juliana Lewis gave a faint oh, saying that he had nothing to do with himself and didn't ask much.

Li Baiqing looked at her for a while and didn't say much.

Chapter 1238 is hard to say--

Hou Chaos relaxed a little: "Good."

After all, Sister Wine is very busy and has no time to waste too much time with her here.

Hou Chaosi quickly took the script and sat beside Juliana Lewis, just about to explain her understanding of the script.

Then as soon as she opened the script, her mind suddenly lost its mind.

Because, these days, she has been with Timothy Greene, and she can't read the script at all, let alone understand the story of the script, and there are people's biographies and so on.

That is to say, she has been holding scripts recently, and then she is absent-minded and secretly looks at Timothy Greene who is watching her work!

This is really a mistake!

Juliana Lewis looked at her. "What's the matter?"

Hou Chaosi looked at Juliana Lewis guiltily: "Well, I was busy with other things recently and forgot to read the script."

She lowered her little head and apologized: "Sister Wine, I'm sorry."

Juliana Lewis looked at Hou Chaosi and saw her fear and her hesitation.

Juliana Lewis didn't say much: "Well, just be yourself."

Hou Chaosi saw that Juliana Lewis didn't blame her, and she breathed a sigh of relief: "Mr. Gu and I are really just a mistake. Without that incident, we wouldn't have any intersection."

Yes.

If it hadn't been for that time, she had a relationship with Timothy Greene.

In this life, she will never show her heart to Timothy Greene, or even take the initiative to find Timothy Greene.

Not to mention, like these days.

If it weren't for an accident, she thought, Timothy Greene would have done the same to her.

Juliana Lewis nodded.

Hou Chaosi said to Juliana Lewis again: "This time, I was also an accident with Mr. Gu. I wanted to find you that day, but when I arrived at the door of your community, I didn't want to go again and walked by myself."

Juliana Lewis said: "It's okay, but they brought it up and said that Timothy Greene lost his temper at home."

"I think Timothy Greene is not a person who will lose his temper, especially this one. I feel strange and ask a few more questions."

Hou Chaos didn't know what he did at home, so he asked curiously, "What happened to Mr. Gu at home?"

Juliana Lewis shook his head. "I don't know what happened. I'm glad he's fine."

Juliana Lewis stayed with Hou Chaos for a while and then left.

When I went back in the evening, I talked to Benson Leach.

Benson Leach listened: "Oh."

Juliana Lewis raised his eyebrows at him. "Why, you still look disappointed?"

Benson Leach: "I thought something would happen to them, but nothing happened."
