Chapter 1301 Deep-

Li Baiqing was even angrier and asked Juliana Lewis to help her: "Third sister-in-law, you see, the second brother bullied me again."

Juliana Lewis looked at her: "I don't know my second brother very well."

Li Baiqing: ...

Li relaxed and disliked to look at Li Baiqing: "The three younger siblings are more mature and sensible than you."

Said, Li relaxed and suddenly asked Juliana Lewis: "Three younger siblings, how old are you?"

"Twenty..."

Juliana Lewis almost told her age as a Miranda Sanchez.

Fortunately.

She was quick to react and soon paused.

Li relaxed and nodded, and then looked at Li Baiqing: "You are seven years older than the three younger siblings. You let her make decisions for you. That's really..."

He paused, thought about the words, and said, "Shameless."

Li Baiqing stamped his feet: "Second brother, you are too bully."

Juliana Lewis smiled: "I should. After all, I can't understand it and can't answer you."

Li Baiqing suddenly realized: "Yes, the third sister-in-law can't understand it either. I forgot about it."

Li relaxed: "So, you only grow old, not long."

Li Baiqing stamped his feet angrily again and shouted to Li Shilong in the hospital bed: "Dad, wake up quickly, your daughter is going to be bullied to death by your son."

Li Shilong: ...

Juliana Lewis simply turned it over twice, and then gave the examination list to the doctor.

"Please help me explain what these mean."

The doctor took the examination list and explained it to Juliana Lewis seriously.

Li Baiqing skimmed the corner of his pie mouth: "I went back, only came for a while, and you are not afraid that my father will wake up and beat you as an unfilial son."

Li relaxed and sneered: "It depends on who beats who now."

Juliana Lewis was just here to see Li Shilong.

As long as Li Shilong doesn't wake up, he can't ask what he wants to know.

After reading Li Shilong, I just want to go home.

Li Baiqing asked Juliana Lewis, "Sister-in-law, are you going home or something?"

Li relaxed and looked at her: "The three younger siblings have their own cars."

Li Baiqing couldn't help but roll his eyes and relax Li: "Second brother, I find that you love me more and more recently. Am I your sister?"

Li relaxed and sneered again: "Is it, you don't count in your own heart?"

Li Baiqing once again greatly rolled his eyes to him.

Then she asked Juliana Lewis, "Sister-in-law, where are you going next?"

The car rushed forward and braked hard.

Li Baiqing raised her hand and covered her forehead. If she hadn't fastened her seat belt, she would definitely have crashed out.

Li Baiqing: "Second brother, pay attention to safety when driving. My life, I don't want to die here."

Li relaxed his head and looked at Li Baiqing: "If you don't want to die, then talk less."

His eyes are cold and penetrating.

Li Baiqing was a little scared: "I just looked back..."

Li relaxed eyes, more cold.

Li Baiqing swallowed the words behind him and closed his mouth tightly.

Juliana Lewis's car came, opened the window, probed them and asked, "What's wrong?"

Li relaxed: "Nothing, there is a mad dog barking and almost hit it."

Li Songbai scolded him, and he was electrified by an electric baton. He screamed in pain.

"Be honest."

Now, Li Songbai finally didn't dare to yell.

Juliana Lewis is purely to see, as for Li Songbai can know something.

There is Li relaxation and Li Baiqing next to her, and she is not easy to ask.

Li Songbai was much more honest when he got an electric baton.

He looked at the person opposite: "You are here to see me laugh."

I don't care about him at all.

Juliana Lewis nodded. "Yes, if you talk more, I can laugh more."

"You..." Li Songbai gas want to swear.

She, nonsense.

Li Songbai was moved, and he nodded wildly: "Yes, I..."

He was about to say it, but he paused again.

Li Songbai looked at the landing wine in disbelief: "You will lie, I don't believe you."

Juliana Lewis: ...

"Believe it or not, it makes no difference to me."

Seeing that Juliana Lewis was leaving, Li Songbai quickly said, "Don't, don't, have something to say. I will think about it and I will definitely remember it."

Juliana Lewis raised his eyebrows: "How long do you think?"

Li Songbai: "I try my best to have a look. I don't know many things."

Juliana Lewis went to the company.

Because Mrs. Mu jumped from the top floor, it still brought some influence to the company.

There have been more security patrols recently.

Company employees are afraid to run around.

Even if you want to go downstairs, you have to bring a little friend.

I'm afraid if I'm not careful, I'll bang at my eyes and smash someone down.

Of course, most of the situation is still good.

"Boss Wolfgang."

"Boss Wolfgang is good."

Wherever Juliana Lewis passed, all the people who passed by greeted her.

Juliana Lewis nodded lightly, then walked over and entered the office.

Logan showed her the contract and some artists' travel itinerary.

"Boss Wolfgang, there are several sponsors recently, as well as advertisers, film and television cooperation, etc., all of which have been withdrawn a lot."

Logan pointed to the document on the left: "These have been withdrawn, and there are international brands."

And in the house, whenever there is a light, it is on.

Even a nightlight, didn't let go.

Lin Yin was sitting on the sofa, and she was a little nervous when she heard the noise.

"Boss Wolfgang."

Seeing that it was Juliana Lewis, Lin Yin was a little relaxed.

Juliana Lewis: "Listen to Logan, you are not very well. I came to see you."

Lin Yin's state, not only is not very good, it is almost dead.

Pale, puffy bags under the eyes, deep dark circles under the eyes, and almost become a panda.

Moreover, some eyes float, that is, those who are nervous will watch everywhere.

Is a very insecure performance.

Lin Yin gave way and said, "I'm fine. Boss Wolfgang, sit down."

Hou Chaosi said: "I will pour water for my wine sister."

Hou Chaosi was a little embarrassed: "I know."

Every time she mentions Timothy Greene, she is afraid that Juliana Lewis will be unhappy.

Therefore, every time in front of Juliana Lewis, I am careful.

Juliana Lewis didn't ask about Timothy Greene again.

She asked Hou Chaosi, "Do you have the phone number of the psychologist? Let him show Lin Yin."

Lin Yin didn't want to bother people so much. She quickly said, "No, I'm fine. Just rest more."

Juliana Lewis looked at her. "Still pay attention."

Trauma is easy to heal.

But psychological shadow, a bad one, is lifelong.

Hou Chaosi looked at the landing wine: "Let me ask Mr. Gu?"

Juliana Lewis nodded. "Hmm."

With Juliana Lewis's consent, Hou Chaosi breathed a sigh of relief and went to call Timothy Greene happily.

"Mr. Gu."

Juliana Lewis held Hou Chaosi's joyful tone and raised his eyebrows slightly.

Yu Zewei thought for a moment and said the same thing: "I am sorry, I have met many people in Aaron family."

Juliana Lewis smiled. "It doesn't matter."

Yu Zewei frowned.

I always feel that there is something wrong with this conversation, and he seems to be a little passive.

Moreover, he was only politely sorry.

But when Juliana Lewis said it didn't matter, he had a kind of, he didn't remember her, as if he had really done something wrong?

What kind of ghost logic and ghost thought is this?

Yu Zewei asked, "Is Miss Lu looking for me for anything?"

"I heard that Doctor Yu is very powerful in psychology."

Yu Zewei: "I'm flattered."

Juliana Lewis said his purpose: "I have a friend who witnessed the deceased falling in front of her, and his psychological shadow is very big. I want to ask the doctor to come and enlighten him."

Yu Zewei: "Sorry, I have no time recently."

"It doesn't matter, then don't bother the doctor."
