Chapter 1321 No-

Juliana Lewis looked up at Lin Yin and asked her, "How is it?"

Lin Yin was directly petrified over there at that time.

At this time, Juliana Lewis asked her, and she suddenly didn't know how to answer.

Really ...

Sandwiches are semi-cooked food.

Just process it.

Why?

Why does it become so difficult to choke after passing Boss Wolfgang's hand?

But when Boss Wolfgang asked her so much, she couldn't say it wasn't delicious.

The leader cooked for himself. How dare you say it is not delicious?

Lin Yin swallowed it hard and said, "It's delicious. Boss Wolfgang's cooking is very good."

Juliana Lewis: "That's good. Sure enough, your cooking skills have improved."

Lin Yin: ...

This is still an improved cooking skill?

What is the cooking without progress like?

Lin Yin can't imagine.

Juliana Lewis is also puzzled why she failed in cooking.

The three men simply cleaned up and went out.

Girls, they just eat, drink and stroll around and play everywhere.

Juliana Lewis didn't mean anything specifically.

Lin Yin was still a little estranged from Juliana Lewis. After all, he was the boss.

However, after getting along, I found that Juliana Lewis was really good.

So, it was released.

Who doesn't want to get along well with leaders?

They went to the amusement park and played script killing.

Juliana Lewis sent the photos to Benson Leach.

Benson Leach replied to her with an expression pack.

What did she say yesterday?

No, there is no.

Last night, Hou Chaosi called his name the most.

Later ...

It's nothing.

Did she have a wrong idea about the memory of last night?

I thought about it.

Timothy Greene sent a message to Hou Chaosi.

"Timothy Greene: What did Miss Hou say last night?"

There was no reply.

Because, Hou Chaosi has thrown away his mobile phone and concentrated on playing with Juliana Lewis.

Three people eat, drink and play, and then go shopping wildly, and the day will pass.

Juliana Lewis sent Lin Yin and Hou Chaosi downstairs.

She asked Lin Yin with her eyebrows raised: "Do you really need me to accompany you at night?"

Chapter 1324 Rival in Love-

Hou Chaosi looked at several messages sent by Timothy Greene.

She didn't move, kept holding her mobile phone and staring at the chat interface.

What is this?

She really doesn't remember.

So, what exactly did she say last night?

After thinking about it, Hou Chaosi replied to him.

"Hou Chaosi: I drank too much last night. No matter what I say, you don't need to take it seriously."

This time, Timothy Greene responded quickly.

"Timothy Greene: You hate me?"

Although Hou Chaosi doesn't want to admit that she likes Timothy Greene, she doesn't want to give people the illusion that she hates him.

She quickly sat up and pressed the keyboard with her fingers cleverly.

"Hou Chaosi: No, no, I don't hate Mr. Gu. Mr. Gu is a good person."

"Timothy Greene: Miss Hou will send me a good person card?"

This is almost seconds back.

Hou Chaosi pulled the corners of his mouth. Is Mr. Gu an octopus?

Why do you type so fast?

"Hou Chaosi: No."

"Timothy Greene: So, Miss Hou was drunk last night. What did she say to me?"

"Timothy Greene: Miss Hou didn't make it specific, so I'll take it all seriously."

Hou Chaosi looked at the message sent by Timothy Greene and tangled up again.

Last night, she didn't confess and swear at Timothy Greene, did she?

Say you hate him or something?

Hou Chaosi tilted his little head and thought about it. With her character, it might be possible.

What about this? How will she reply?

Hou Chaosi hasn't figured it out yet.

Timothy Greene's video call came.

Hou Chaosi was in a hurry to press the rejection. As a result, his mobile phone was not well held and fell on his leg.

She grinned in pain.

Lin Yin looked at her: "What's the matter, is this?"

Hou Chaosi quickly took his mobile phone and refused: "Nothing, I got an electric shock."

Benson Leach let Juliana Lewis lie down, and he sat down at the tail of the sofa.

Then put Juliana Lewis's legs on his legs.

Benson Leach gently pressed her leg: "Don't worry, before the change, I will let the light bulb break."

Juliana Lewis chuckled aloud: "Go up a little, use some force, my legs hurt."

It's been a day's walk today.

Benson Leach pressed Juliana Lewis's leg. "How about this strength?"

Juliana Lewis felt quite comfortable: "Well, this strength is OK."

Benson Leach listened to her comfortable voice, and she was in high spirits.

Well, obviously he just massaged her and didn't do anything.

Benson Leach's massage strength is very good.

Juliana Lewis felt very comfortable, and some voices came out of her mouth, which were very provocative.

Juliana Lewis enjoyed it with his eyes closed: "Ah Cheng, don't just press one place, but also other places."

Benson Leach's voice was hoarse.

"Good."

Juliana Lewis suddenly felt heavy and opened his eyes.

Benson Leach's handsome face has been magnified in front of her.

Before she could react, Benson Leach had already kissed it.

Juliana Lewis's red lips have been kissed by Benson Leach.

Juliana Lewis pushed Benson Leach. "The door..."

This is a word that she spit out from two people's mouths.

Benson Leach's hand, restless: "It's locked."

Juliana Lewis's voice was soft: "The window..."

Benson Leach: "I can't see."

This is one-way glass.

Only the inside can see the outside, but the outside can see the inside.

Juliana Lewis was kissed numb, and the whole person was about to surrender and conquered by him.

"Haven't taken a bath yet."

She played all day today, and she was sweating all over.

Benson Leach picked Juliana Lewis up directly: "Wash together."

Then, Benson Leach carried Juliana Lewis into the lounge...

Old Mr. Leach slackened his support and lay on the bed.

He waved angrily: "I don't need your help, I am old, not disabled."

"Or are you all looking forward to my death? One by one, it is really unfilial."

Li relaxed: "Grandpa, you fell down, pay attention."

Li Baiqing also nodded: "Yes, we can't be careless."

Old Mr. Leach: "What attention, I think is that you want to tamper with me, want to kill me, and then take away the family property."

"Come on, come on, I don't need you to take care of it, go out and go out."

Li Songjin and Li Baiqing are very helpless: "Grandpa."

Old Mr. Leach waved: "Roll, roll, get out of here."

"I am upset when I see you. One by one, I don't let people worry."

"Fuck off!"

The last word is shouted out.

Li relaxation and Li Baiqing can't help but come out.

They went to the door and saw Juliana Lewis and Benson Leach.

Li relaxed and shouted: "Three younger brothers, three younger siblings."

When Li Baiqing saw them, he also smiled: "Third brother, third sister-in-law."

Juliana Lewis and Benson Leach nodded lightly.

Li Baiqing lowered his voice and said, "Sister-in-law, Grandpa is in a bad mood and may swear. You should take more care of it."

Juliana Lewis chuckled: "I know, that's my grandfather, too."

A Cheng's grandfather is also her grandfather.

Li Baiqing gave a cry.

Juliana Lewis and Benson Leach went into the room.

Old Mr. Leach tried to get out of bed, but it hurt and his face twisted.

Juliana Lewis and Benson Leach rushed forward, and they helped him from left to right.

Old Mr. Leach didn't look at people, just shouted: "Didn't you get out of here? Why don't you..."

I looked up and saw that it was Juliana Lewis.

That old face suddenly smiled and blossomed: "It's a small wine."

"Why don't you make any noise?"

"What I said just now is not for you, don't listen."

Juliana Lewis helped old Mr. Leach sit down: "I didn't hear it, grandpa. How are you? Where does it hurt?"

Old Mr. Leach is in a good mood now.

"Twisted to the waist, it hurts here and it is not easy to move."

"In fact, there is nothing wrong. They are too big to do it and call you back."

Juliana Lewis said: "If they don't scream, they will come back."

"Where it hurts, I'll show you."

Old Mr. Leach smiled: "It's still a small wine. You are filial. One by one, they just see me old and immortal. I can't wait for me to go tomorrow."

Juliana Lewis was helpless: "Grandpa."

Old Mr. Leach smiled: "Good good, don't say this, you show me, or you filial piety to me."

Benson Leach stood by: ...

From beginning to end, Grandpa didn't look at him.

Juliana Lewis chatted with old Mr. Leach: "Didn't Grandpa not eat spicy food before?"

Old Mr. Leach wiped his mouth with a paper towel, only feeling full of food, Jennifer all over and in a good mood.

"I didn't like it before, and I may want to change it today."

Juliana Lewis said well and didn't ask much.

Old Mr. Leach has just finished eating and can't sleep at once.

Juliana Lewis helped him and walked around the room several times, chatting and talking.

Old Mr. Leach talked to her with a smile on her face.

Juliana Lewis and Benson Leach are going back to their rooms, too.

Old Mr. Leach listened to Benson Leach. "Wine can't be born because..."

Benson Leach nodded, and then said that Juliana Lewis had drawn blood to refine antibody serum in order to cure him.

Juliana Lewis can be born, but they must keep healthy in three or five years.

Moreover, even if it is well raised, it really hurts the body and has children, which is more risky than ordinary people.

When Benson Leach finished speaking, he said to old Mr. Leach, "Don't give birth in the future."

Old Mr. Leach looked at the landing wine, and his eyes became more fond.

"Why didn't you say so earlier?"

"I have been mentioning it recently. Isn't that sprinkling salt on your wounds?"

"Really."

Old Mr. Leach also looked up and stared at Benson Leach. "How did you become a husband?"

Benson Leach hurried to admit his mistake.

Old Mr. Leach stopped talking about it.

Hou Chao thought, just went downstairs to take takeout, so he didn't dress neatly.

Wearing a down jacket and cotton slippers on his feet, he went downstairs.

"The wine sister has left and ordered me to take out. It's good."

Hou Chaosi happily arrived on the first floor.

Then I looked left and right, but I didn't see the delivery man.

"Where are the people?"

Hou Chaosi was puzzled. Holding a mobile phone is to call Juliana Lewis.

"Miss Hou."

Hou Chaosi heard a familiar voice before he typed it.

Her hand shook with fear.

I dropped my phone from my hand, and then...

"Hiss."

When the mobile phone hit his foot, Hou Chaosi took a breath in pain and jumped up on one foot.

Timothy Greene frowned and stepped forward. "How are you?"
