Chapter 1331 removed-

Hou Chaosi's voice is weak: "Gu, Mr. Gu..."

Timothy Greene raised his lips. "Well, I want to kiss you."

Hou Chaosi blushed and felt uncomfortable all over. He couldn't help but feel happy and sweet because of his words.

Timothy Greene is a man.

This man, really...

She wants to give up his.

She doesn't want to continue liking it.

But this person, it happened to be in front of her, has been wandering around appeared.

After kissing Hou Chaosi, Timothy Greene backed out, closed the door and drove.

Hou Chaosi didn't speak again.

Timothy Greene didn't say.

The atmosphere of the interior space is a little stagnant.

Hou Chaosi's mind was blank, as if he had thought about everything, as if he had not thought about anything.

Why did Mr. Gu kiss her?

Why is Mr. Gu here?

Did Mr. Gu come to her specially?

Hou Chaosi shook his head fiercely and shook the idea away.

It's impossible.

Timothy Greene looked away, and his voice was heavy. "Miss Hou thinks so, that's what it is."

Hou Chaosi: "Hmm."

"Mr. Gu can rest assured that I will not give bad reviews and will give five stars praise."

She felt that Mr. Gu seemed a little angry.

Timothy Greene smiled: "Because of the kiss just now, does Miss Hou want to give five stars praise?"

Hou Chaosi stared at his eyes: "Mr. Gu is just a takeaway, not a cowherd. Why should he give five stars praise because of that?"

Timothy Greene: ...

Timothy Greene felt that Hou Chaosi was intentional.

Deliberately change the subject.

Timothy Greene's voice sank a little. "Get out of the car, here we are."

Hou Chaosi gave a cry.

It's a tea shop.

Two people into the tea shop, the environment is very elegant.

Yes, this is a relatively high-grade community, and the dining and decoration outside are also relatively high-grade, which is biased towards protecting privacy.

Hou Chaosi felt that he was suddenly caught.

She wanted to refute, but she felt that she couldn't.

I'm afraid he will be disappointed, but obviously, he won't.

Hou Chaosi bowed his head and said in a low voice: "Mr. Gu is really joking."

Timothy Greene looked at Hou Chaosi, chuckled, and said nothing.

The two men quieted down.

Hou Chaosi was in a mess. He really didn't understand why Timothy Greene came here.

It seems, it's nothing.

Did you come to her on purpose?

After a while, Hou Chaosi looked up at him: "Mr. Gu, why did you come here?"

Timothy Greene: "Passing by, thinking that you are here, I came to have a look."

Hou Chaosi gave a cry.

Timothy Greene nodded. "OK, I'll give you a ride."

"No need..."

Hou Chaosi just refused, and Timothy Greene's eyes came over.

If she had the rest, she could only swallow it back and say, "Then please Mr. Gu."

Timothy Greene settled the account.

Hou Chaosi took the drink ordered for Lin Yin and left the shop.

Timothy Greene sent Hou Chaosi downstairs.

Along the way, both of them were silent.

Hou Chaosi also thought a lot.

When we get downstairs.

Hou Chaosi looked up at Timothy Greene: "Mr. Gu."

She shouted a little solemnly.

Timothy Greene looked at her. "Hmm."

Hou Chaosi sipped his lip and said, "I was so disturbed last night, I am sorry."

Chapter 1335 Handicap-

Timothy Greene wanted to think, or sent a message to Hou Chaosi.

"Timothy Greene: Miss Hou, I've been serious."

The message was sent out, but there was a red exclamation point in an instant.

Not friends, but rejected information.

Timothy Greene looked at the system prompt and froze directly.

Just for a moment.

Hou Chaosi blacked him out and deleted his friends?

What does she want?

Hou Chaosi thought a lot when he took the elevator.

When he finally stood at the door of the room, he pulled Timothy Greene into the blacklist.

She can't indulge herself. She is cruel and resolute.

Cut off the back road.

Timothy Greene sent a message to ask Hou Chaosi why he was deleted.

Unfortunately, text messages can't go out either.

Hou Chaosi didn't have the courage to throw out his mobile phone.

She held her cell phone tightly and answered the phone quickly.

"Brother Cheng..."

Benson Leach raised his eyebrows and his voice cooled. "Hmm?"

Hou Chaosi listened to the cold voice and was scared to sweat.

She quickly changed her mouth: "Brother-in-law!"

It sounds so nice and pleasing to the ear.

Benson Leach's voice also softened a lot: "Where is it?"

Hou Chaosi: "At home."

She was surprised that Benson Leach should call her at this time.

This, this is a little scary.

When Yu Zewei heard Juliana Lewis's words, he pulled his mouth.

Yu Zewei reminded: "Boss Wolfgang, we have contacted the phone before."

Juliana Lewis apologized even more: "Sorry, I don't remember. I don't think I have cooperated and I am not a useful person."

"So, I can't remember Yu Xiansheng."

"Yu Xiansheng, why don't you introduce yourself clearly?"

Yu Zewei was annoyed by Juliana Lewis's words.

Is it true that Juliana Lewis doesn't remember?

He thinks, no.

But Yu Zewei can only grind his teeth and say, "Boss Wolfgang, I am a psychologist in Timothy Greene, Yu Zewei."

"Three days ago, Boss Wolfgang also contacted me and asked me to give your company's artists and enlighten their psychology."

Juliana Lewis was silent for a moment, then smiled apologetically.

"It turned out to be a doctor."

Juliana Lewis asked politely, "Doctor Yu, is there anything else?"

Yu Zewei couldn't find anything, so he said no, and hung up the phone.

Juliana Lewis raised his eyebrows and put down his cell phone.

Logan saw Juliana Lewis's expression and asked curiously, "Is there any happy event? Boss Wolfgang seems to be in a good mood."

Juliana Lewis: "It's a good thing."

Anyway, it's a good thing for her.

After Juliana Lewis finished his work at the company, he called Benson Leach.

But this time, Benson Leach didn't answer the phone so quickly and waited for a while.

Juliana Lewis didn't think much.

After the phone was connected, Juliana Lewis asked him: "Mr. Li, are you finished?"

When Benson Leach opened the door and came in, he saw Juliana Lewis trotting downstairs from upstairs.

That step, it's three or two steps down.

Benson Leach shouted quickly, "Slow down, what are you running for?"

He shouted, striding forward with open arms.

When Juliana Lewis ran down, he just jumped into Benson Leach's arms.

His legs were also wrapped around his waist.

Put your arms around Benson Leach's neck.

She looked up at Benson Leach and kissed him on the cheek. "I missed you."

Benson Leach chuckled: "I just came back, and you are not afraid of being dirty."

"Not dirty or dirty, my husband is the most fragrant."

Said Juliana Lewis, rubbing up and down Benson Leach's neck like a kitten.

Benson Leach looked at the landing wine and only felt that he was a bit like prey.

"Wine and wine..."

Juliana Lewis got out of bed barefoot and threw himself into Benson Leach's arms.

She sniffed at him like a puppy. "I have to check. Have you washed it?"

Benson Leach spoiled her eyes: "How do you want to check wine?"

Juliana Lewis raised his eyes and smiled, with some bad smiles.

"Check it in depth."

This night, Juliana Lewis was very active and Benson Leach was very satisfied.

...

The next day is the annual meeting of Zhangbao Company.

Juliana Lewis was busy in the company early, and there are many activities in the company today.
