### Chapter 1341 Relationships-

Now, it's Lin Yin's turn to look at landing wine in shock face, and then put the things that day, and Juliana Lewis said it.

"Sisi took back the drink that day, and it was not quite right emotionally."

Juliana Lewis: "Well, don't worry about it, just let Sisi handle it by herself."

As long as it's not something difficult for Sisi.

You can still quarrel with Timothy Greene, which shows that the relationship between them is unusual.

At the end of the annual meeting, Juliana Lewis drove back to Lijia's old house by himself.

Benson Leach is busy until late at night, so he has no time to attend the annual meeting of Palm Treasure Company.

Tomorrow, the annual meeting of the Sanchez Group will be even bigger, and media reporters will be invited.

Juliana Lewis, as a Sioux family, must also attend.

Juliana Lewis has parked his car and hasn't got off yet.

I saw a car pull in and stop next to her.

Then Timothy Greene got out of the car and opened the back door politely.

Then, Li Baiqing got off the car with a bunch of flowers in his hand.

Li Baiqing looked at Timothy Greene with a smile: "Please trouble you today."

Greene smiled gently:

Timothy Greene avoided this point.

But what about the bunch of flowers?

Men send women flowers, or men and women who have been blind date, which is of great significance.

Timothy Greene: "Friends, I'm not going to be with her."

Juliana Lewis raised his eyebrows.

Timothy Greene was in a hurry: "The flower was not wanted by others. When Li Baiqing saw it, he took it away."

Juliana Lewis raised his eyebrows and nodded: "Since it is intended to be given to others, even if others don't want it, don't give it to another person, which will give unnecessary misunderstanding, bring despair to one person and bring hope to another person."

"Mr. Gu should understand the truth of being broken."

"Emotionally, it should be more straightforward and decisive."

Timothy Greene turned white and then nodded. "I see. Thank you, Mrs. Li."

Without saying much, Juliana Lewis nodded slightly and went in.

Li Baiqing was still in the living room, holding the bunch of flowers

Juliana Lewis smiled and looked at Xia Yunzhu who came to question.

Then gently open red lips: "I said, others don't want it, and no matter how many reasons, others don't want it."

Xia Yunzhu looked a little white: "Are you saying that I don't want to bear this matter in the north?"

Juliana Lewis smiled and continued: "If you give it to others, others will not want it."

"In this case, don't send it, send out hope, and respond to people. Everyone should respond and can't be clear."

Hearing this, Xia Yunzhu's face slowed down a little.

This is not about her abandonment of Benson Leach.

Xia Yunzhu said: "Qingqing gets along very well with Timothy Greene. You should stay out of it. No matter what they are, it is their business."

Juliana Lewis chuckled: "I'm just saying something from a woman's point of view."

"Aunt Xia likes people who give you flowers that can't be sent out. Will you be happy?"

Juliana Lewis looked downstairs from the corner of his eye and said with a smile: "Or is it happy on the surface and secretly hates another innocent girl?"

In this matter, Juliana Lewis despises Timothy Greene's practice.

Li Baiqing likes Timothy Greene very much.

She thought, even if others don't want it, even if it goes into the trash can, it is what she wants.

She'll love it.

Xia Yunzhu didn't know what to say: "Don't think too much, rest early."

Li Baiqing sat alone on the sofa, listening to Juliana Lewis open the door upstairs.

She didn't have to look back, but she could feel Juliana Lewis standing in the corridor and looking at her for a while before she went to the third floor.

Li Baiqing bowed his head and looked at his mobile phone.

She opened up a circle of friends.

Then edited a copy.

"Love: There are you, flowers and happiness."

Only rivals in love can be seen.

There is only one person in this rival label, and that is Hou Chaosi.

Some time ago, at an activity, she added Hou Chaosi's friends.

At this time, Hou Chaosi was also brushing his circle of friends, and then saw Li Baiqing's circle of friends.

Chapter 1345 Back--

Old Mr. Leach smiled kindly when he saw Juliana Lewis's seriousness.

"I'm fine, you don't have to be so careful."

"The doctor gives me a physical examination every day."

Juliana Lewis: "I didn't feel at ease until I saw it."

After taking the pulse, Juliana Lewis frowned shallowly.

Old Mr. Leach is very angry, so he is irritable and easy to lose his temper.

But he doesn't eat anything to get angry, so how can he be angry?

Recently, she has to keep an eye on the old man's food.

As for other situations, it looks good at present, and there is nothing else wrong.

Old Mr. Leach: "It's still your filial piety. Looking at you, my stomach is full of fire, and it will be scattered."

Juliana Lewis smiled. "Am I still Grandpa's pistachio?"

Old Mr. Leach laughed: "Grandpa, my life is very bumpy."

Benson Leach replied, "I'm at the company. I have to wait later. Don't wait for me. Go to bed first."

Juliana Lewis said, "Well, don't be too late and go home early."

Benson Leach: "Well, be good, you go to bed first, I may not go back at night."

"Good."

Juliana Lewis finished and hung up the phone.

...

This way.

Benson Leach just hung up.

Hou Chaosi, who didn't even dare to breathe next to the atmosphere, raised his eyebrows slightly:  
"Brother-in-law, don't you worry about surprises and misunderstandings when you hide your wine sister like this?"

Benson Leach gave her a cool glance. "Do your thing."

Zach Harding touched her arm. "Come on, do something quickly."

"Brother Cheng is measured."

Hou Chaosi: "I am not afraid. If there is a surprise under the premise of misunderstanding, there will be no surprise."

## Chapter 1347 Greeting-

Juliana Lewis watched them change their faces with satisfaction, and then sat down to drink milk and eat breakfast.

"What are you talking about?"

Coming down is Li relaxed. Today, he is dressed in a suit and tie, with one hand in his pocket. The whole person is lazy and expensive.

Xia Yunzhu said faintly: "Nothing."

Li Baiqing changed the subject: "The second brother is so handsome today, go out on a date?"

Li relaxed: "No, there is a cooperation to talk about."

Say that finish, he also greeted Juliana Lewis: "Sister-in-law."

Juliana Lewis nodded slightly: "Second brother."

Old Mr. Leach hasn't got up yet. He has been up late since he almost fell down last time.

Juliana Lewis said hello after breakfast, and then went out.

Li relaxed almost, picked up the briefcase and left.

Li Baiqing followed him: "What does the second brother think of the third sister-in-law?"

Li relaxed and looked at her: "The person who can be married home by the third brother is definitely good. My Li family has never had a bad eye."

Juliana Lewis looked up at Su Guochang: "Uncle Tang, it's so early."

Su Guochang: "The shareholders' meeting, dare not neglect."

"Now, everyone is waiting for you."

Since the last incident, Su Guochang's family really did not dare to make any moves.

Even Su Ran is as quiet as a chicken, and even Juliana Lewis's name is afraid to mention it.

I'm afraid if something happens here in Juliana Lewis, it will detonate her.

Mainly Su Ran was grounded at home during this time.

They entered the conference room.

Su Ran sat there, looked up at Juliana Lewis, and then quickly put aside his eyes.

Juliana Lewis and Su Hanyin are arguing.

Su Guochang looked at them: "Xiaojiu, Xiaoyin, what do you think?"

Neither of them listened.

Juliana Lewis and Su Han lead two people, and put down their mobile phones at the same time.

Juliana Lewis said: "I already have Zhangbao Company, and my husband is still Benson Leach, so I don't care. It is what I want to let Xiaoyin inherit the company."

Su Hanyin also said: "My sister has experience in managing the company, and she is still a housewife of the Li family. I think she takes over the company, and I think it is the best development for the company."

Su Hanyin talked about the problems one by one and the cooperation buried in the dark.

Say that finish, Su Hanyin looked at Su Guochang and sneered.

"Uncle told me that under such a few loss-making cooperation, when can Sanchez Group survive?"

"What about the shares of these directors? Will they be sold cheaply?"

"Don't tell me that you don't know, natural companies and prosperous companies. The legal persons of these companies are Su Ran and Ma Shuqin, which is under the name of Tang Dabo."

Su Guochang was sweating profusely.

Su Hanyin put down the document: "Don Dabo, don't you explain? I have reason to suspect that you are transferring Sanchez Group's assets, and these unit prices are artificially high, which is illegal."

Juliana Lewis stood up and said, "Xiaoyin, don't take over the company for the time being. Let's talk about these problems after Don Dabo and the directors negotiate."

"Listen to my sister, let's go."

Su Hanyin stood up and went with Juliana Lewis.
