However, Su Guochang had to please with a smile: "Xiaojiu, where are you? You haven't come yet?"

Juliana Lewis: "I'm picking up someone. It's going to be a while."

She smiled and asked, "Uncle Tang is in such a hurry, is there anything wrong?"

Su Guochang smiled flatteringly: "It's nothing, that is, small wine. You are the daughter of Guorong and my big niece. I care about it."

"The banquet at night is also the home of you and Xiaoyin. If you are not there, you can't do it."

Juliana Lewis chuckled: "Don Dabo is the chairman of Sanchez Group. It doesn't matter whether I am with Xiao Yin or not."

Su Guochang made a straight face and sank: "Little wine, I don't like you."

"I didn't say, this company, I just help your father manage it. When you grow up, you will be given it back."

Juliana Lewis: "Really?"

Light two words, let Su Guochang a little hair.

Su Guochang certainly didn't want to say it, but Juliana Lewis forced it to this point, and he couldn't help it.

However, Su Guochang still has a lucky psychology.

"Little wine, are you listening to other people's nonsense? I am your father's cousin, and I..."

Juliana Lewis interrupted him coldly: "Uncle Don, I don't want to listen to nonsense."

Su Guochang gritted his teeth: "Little wine, I can't say anything against my will. I haven't done anything. I have a clear conscience."

If you kill someone, you will also go to jail.

Su Guochang is not stupid.

Juliana Lewis smiled: "OK, then I'll change the way to ask."

"I don't know if my parents' death has anything to do with Ma Shuqin or Su Ran?"

Su Guochang spoke anxiously: "Of course not..."

Juliana Lewis interrupted him: "Don't answer me in a hurry, you can calm down and recall it first."

"I still have a while with Xiao Yin. When we are at dinner, just listen to your answer."

Juliana Lewis listened to the anxious breathing over there, and then smiled: "Don Dabo, you have to think clearly."

This sentence, also shouted some grievances.

Juliana Lewis smiled at her: "Classmate, do you still want to talk?"

Zhong Xiaoman looked up at the landing wine and felt that she was a little sharp and not easy to get along with.

However, Zhong Xiaoman still made a bet.

Zhong Xiaoman smiled at the landing wine: "Sister Lu said this, I shouldn't have continued to say it."

"But I think landing sister is Su Hanyin's sister, and I hope he will not be hurt more than anyone else."

"So, I would rather be the bad person in Sister Lu's eyes and tell Sister Lu."

Juliana Lewis listened to her foreshadowing so many words and raised her eyebrows slightly. "Oh, then you go ahead."

Zhong Xiaoman looked at the expression of landing wine, and then tentatively opened his mouth: "Sister Lu knows Jiang Tiantian, right?"

Juliana Lewis nodded lightly.

"Yes, Xiaoyin is chasing her."

Juliana Lewis looked up out of the window. Su Hanyin had come out with Jiang Tiantian.

Su Hanyin helped Jiang Tiantian carry her schoolbag, then followed her with a smile and talked.

Jiang Tiantian basically doesn't speak, and her little face is still a little serious.

It's a holiday now, but there are still many students staying at school. Jiang Tiantian and Zhong Xiaoman are one of them.

Juliana Lewis said, "Here they come."

Zhong Xiaoman also looked at the past side head, pulled the corners of the mouth, some uneasy.

"Sister Lu, I'm finished and going back."

Juliana Lewis said, "Don't worry."

Just say that finish, Su Hanyin has trotted over, quick ginger sweet step.

He opened the car door, blocked the roof with his hand, and said be careful.

Jiang Tiantian got into the car and just wanted to say hello to Juliana Lewis when he saw Zhong Xiaoman in the front seat.

Zhong Xiaoman didn't expect Su Hanyin to say so, and he was shocked.

She thinks Su Hanyin likes Jiang Tiantian, but she certainly doesn't like it so much.

But, are you in such a hurry?

Doesn't he want a man's face and dignity?

Su Hanyin didn't care about Zhong Xiaoman. He turned to Jiang Tiantian and said, "Don't listen to her nonsense."

"I'm happy, so if you need an ATM and a spare tire, remember to make me the first choice."

Jiang Tiantian looked at him sideways, then put aside his eyes and nodded gently: "OK."

Su Han laughed. This is a great progress.

Sweets didn't refuse him.

Juliana Lewis looked at two people in the back seat, and then looked at Zhong Xiaoman, who looked very ugly.

She smiled and said: "My classmates just said that Tiantian has an abnormal relationship with her boss."

Jiang Tiantian crooked his head: "I don't like him either, just out of the appropriate aspects, to consider."

At least, both of them are in research.

You can understand what you say.

Thank you, not comforted.

Juliana Lewis looked at the shriveled Su Hanyin and said with a smile: "Sweets is saying that you are not smart enough."

Su Hanyin glared at her angrily: "Are you still my sister? Do not comfort, but also mend the knife?"

"This is my sister."

Juliana Lewis finished and looked at Zhong Xiaoman: "Classmate, explain clearly now, have you finished speaking?"

Ginger sweet so magnanimous said her relationship with Li relaxed, also magnanimous admit don't like Su Han lead.

And Su Hanyin's guard against one's faults.

Zhong Xiaoman's provocation failed at all. Instead, she hit her face and made her look like a clown.

Chapter 1357 Face-

Of course, Juliana Lewis didn't expect that Jiang Tiantian would be so powerful, and he was still in college, so he entered the laboratory of Li Songjin.

Juliana Lewis asked her: "How are you staying there? Is it okay to relax your employees?"

Jiang Tiantian nodded: "Not bad."

Juliana Lewis didn't ask any more questions about the research room.

Jiang Tiantian won't talk nonsense, and can't talk nonsense. These are confidential work.

...

The annual meeting of Sanchez Group is held in the largest hotel in S City.

At this time, on the red carpet, the stars are shining.

Su Ran walked down the red carpet, then signed on the signature wall, posing for photographers to take pictures.

However, fewer people photographed her.

Lin Yin, as an artist of Juliana Lewis Company, is naturally invited, and photographers are shooting her at this time.

Su Ran looked at her and went down.

However, it was only a moment.

Li Baiqing doesn't want reporters to take negative photos of himself.

It is different at home and abroad.

Originally, there were two or three people shooting Li Baiqing, but looking at Hou Chaosi's side was really eye-catching, and I couldn't help it.

Li Baiqing gave himself a statue, nodded slightly, and left the red carpet himself.

The photographer watched, breathed a sigh of relief, and quickly turned to shoot Hou Chaosi.

Lin Yin looked at Li Baiqing coming down from the red carpet and stood beside her. Out of politeness, she still said hello: "Teacher Li."

She is a newcomer, but Li Baiqing is a predecessor, so she should be called like this.

Li Baiqing looked down at Lin Yin and asked her, "Are you from the same company as Hou Chaosi?"

Lin Yin looked at her a little strangely, then nodded and replied, "Yes."

Li Baiqing chuckled and invited Lin Yin: "Miss Lin, let's go together."

Lin Yin looked at two top traffic actresses in the entertainment industry, one in foreign countries and the other in China.

And she is still a young artist on the 18th line.

Lin Yin thinks this photo is not good at all.

Lin Yin wanted to refuse: "Well, I can't, I..."

Li Baiqing warmly invited Lin Yin: "Nothing, it was taken together. You and Miss Hou are good friends."

"And I'm very optimistic about you, just to be a friend."

She smiled and looked at Lin Yin: "Or Miss Lin thinks that Miss Hou and I are at home. If we take a photo with me, we will be sorry for Miss Hou."

Hou Chaosi frowned: "Miss Li, what you said is a little green tea. How can I provoke the feeling when I listen?"

Hou Chaosi's character is straightforward.

She had something in her heart, so she said it naturally.

Chapter 1360 Back--

Juliana Lewis raised his eyebrows and looked at Jiang Tiantian: "Tiantian, you heard it. When Xiao Yin is busy in the future, you will reply to him with this sentence."

Su Hanyin fried Mao: "Sister, are you still my sister?"

Jiang Tiantian: ...

After a little silence, Jiang Tiantian said seriously: "If I have a future with Su Hanyin, then I remember Sister Lu's words."

Su Hanyin quickly coaxed Jiang Tiantian: "Don't listen to her nonsense."

"My brother-in-law is a peerless good man, and I am the same. No matter how busy I am, I will squeeze out time for you."

Ginger Tiantian listened to Su Hanyin following her side, talking, and couldn't help but raise her lips: "Oh."

Juliana Lewis sat in the car, watching them side by side and fading away. She smiled and raised her eyebrows.

Jiang Tiantian doesn't begin to understand emotionally, but she doesn't reject following Xiaoyin.

There is still hope.

Juliana Lewis is aware of Jiang Tiantian, for the pursuit of other men, it is a direct refusal, even to give the opportunity to approach.

However, the two of them are still young, and Juliana Lewis is in no hurry.

Juliana Lewis sat in the car, waiting for Benson Leach.
