Chapter 1391 Happy-

Li Baiqing said frankly: "I can afford to put it down, otherwise I won't change my boyfriend more diligent than changing clothes."

Hearing this, Juliana Lewis couldn't help bowing his head and drinking tea to cover up his smile.

Li Baiqing didn't say it, but she almost forgot that Li Baiqing was diligent in changing boyfriends, and all her boyfriends were eighteen years old.

It's not fresh meat. She doesn't want it.

Unexpectedly, Li Baiqing himself said so in front of Timothy Greene.

Timothy Greene also breathed a sigh of relief, nodded and said, "That's good, but let's avoid suspicion in the future."

"Good."

Li Baiqing was also very frank, and then stood up and went upstairs.

Hou Chaosi looked at a face of Meng, and couldn't help but look at Li Baiqing's figure. Isn't this too natural and unrestrained?

Is it true that you don't love?

Juliana Lewis looked at Hou Chaosi's expression and shook his head lightly.

"I, I don't know when I will lose my grandfather."

After listening to Timothy Greene's words, Hou Chaosi was not angry, but also distressed him.

I feel like this again, which is really looking for abuse.

He doesn't need her to feel bad.

However, Hou Chaosi's attitude has softened in the end: "As long as Gu's father is willing to look at me, I will come to see him. It's just that I respect the father."

It's not Timothy Greene.

Timothy Greene folded his eyes: "Hmm."

Two people have no words, dry sitting.

Juliana Lewis answered the phone outside, looked back at the two people in the living room, and didn't go in either.

Old Mr. Leach played chess for more than an hour, and finally Gu won before closing.

Gu said with a smile: "I didn't expect to win you a game when I was dying."

Although it was released, winning is winning.

Gu's father is very happy, and it is a pity that he can win once in his life.

Old Mr. Leach only said: "Live a few more days, and you have more chances to win me."

Father Gu smiled and waved his hand: "Just once, save the rest of the opportunities for Laoyun."

Old Mr. Leach pulled the corners of his mouth and didn't laugh.

They returned to the living room from the greenhouse.

Old Mr. Leach sank and said, "Sit down."

"Grandpa, I'll go upstairs and deal with some work."

Juliana Lewis thought of saving some face for Li Baiqing. After all, he was also a fast-running man and was taught a lesson. It was a rather shameful thing.

Old Mr. Leach only said, "Sit down, for a while, you are her sister-in-law, and there is nothing to listen to."

"Just right, I heard it clearly. I'm gone later. You sister-in-law, help me discipline her so as not to go wrong."

Juliana Lewis: ...

She's just a cousin.

Besides, Li relaxed the second brother, and it's not her turn to take care of it.

Li Baiqing looked up and smiled at Juliana Lewis: "Sister-in-law, just sit down. Maybe Grandpa will look at your face and say less about me."

Juliana Lewis glanced at her before he sat down.

Old Mr. Leach let all the servants go out again. There were only three of them in the huge living room.

Juliana Lewis looked at her, thought for a moment, and said, "Despite our relationship as aunts and sisters-in-law, I don't think we know each other well."

If you are not familiar with it, you can't talk about whether you like it or not.

Li Baiqing was puzzled: "But in the final analysis, my third sister-in-law and I are relatives, aren't we?"

"So?" Juliana Lewis asked her faintly.

Li Baiqing looked at her: "Why didn't the third sister-in-law stand here with me?"

Said Juliana Lewis; "Emotional things are not something I can get involved in. How to choose is in Timothy Greene."

Li Baiqing was in a hurry: "However, as long as the third sister-in-law is willing, he will listen to you."

"I know that the person he really likes is you."

Juliana Lewis's face was heavy and his voice was a little cold: "Li Baiqing, you still have to think when you talk."

"I always thought you were a wise man."

If Li Baiqing is not smart, he won't say that today, and he will expose the things in his circle of friends lightly.

Benson Leach was too busy to go home, and Juliana Lewis didn't see anyone for two days.

Including the 28th, her birthday, Benson Leach still didn't come back.

Old Mr. Leach had people cook longevity noodles. When she saw Juliana Lewis go downstairs alone, she asked her, "Beicheng still hasn't come back?"

Juliana Lewis said, "It's only been two days. He's very busy."

Wanli Group didn't have a holiday until New Year's Eve, so Benson Leach was really busy.

Old Mr. Leach snorted angrily: "Beicheng is really getting more and more unreasonable. Even if you usually forget it, don't you know what day it is today?"

"Today is your birthday, and I don't know how to arrange my work early."

Xia Yunzhu came out of the kitchen and said, "I heard that Beicheng went to F City on business. It seems that he can't come back today."

Juliana Lewis looked at Xia Yunzhu in surprise.

Old Mr. Leach was also surprised: "He went on a business trip?"

Xia Yunzhu: "Yes, I specially called him yesterday to remind him that today is Xiaojiu's birthday, so that he should not forget it."

Xia Yunzhu said angrily: "Beicheng doesn't value you too much."

Listen to this, that is, Xia Yunzhu is very angry because her daughter-in-law is not worth it.

But what she means, in fact, is to provoke.

Old Mr. Leach glared at Xia Yunzhu: "Don't talk indiscriminately."

Juliana Lewis smiled: "Aunt Xia just said that men put their careers first, and now she said that Ah Cheng didn't value my words."

"There is a suspicion of provoking."

Juliana Lewis didn't wait for Xia Yunzhu to speak, so he said, "Besides, when Ah Cheng was busy, he didn't have time to sleep."

"Now it's just a birthday wish. It's good to have a heart. There is no need to be the first one."

Xia Yunzhu pulled the corners of his mouth: "What you said is, but this is not your birthday, but you don't even have a blessing. It's too careless about the ceremony."

"I am as distressed as I am as a daughter, and I just said a few words."

Juliana Lewis didn't think of other reasons, but he was afraid that something had happened to Benson Leach.

Juliana Lewis was about to call Benson Leach when he called.

"Wine, wine."

When Juliana Lewis heard Benson Leach's voice, he suddenly breathed a sigh of relief: "Ah Cheng, it's good that you are fine."

Benson Leach wondered, "What can I do? Don't think blindly."

"I wish you were all right."

Juliana Lewis is not going to talk about her birthday today.

Benson Leach: "Happy birthday, Mrs. Li."

Juliana Lewis sniggered and laughed: "It turns out that Mr. Li still remembers that today is my birthday."

Benson Leach: "I said, as long as it is your holiday, I will forget it."

Juliana Lewis nodded. "What else did Mr. Li say?"

Benson Leach seemed a little empty. "I also said that I would accompany Mrs. Li on every birthday in the future."

Juliana Lewis smiled and said, "Yes, I remember."

Chapter 1399 The Heart-

After talking with Benson Leach on the phone, Juliana Lewis sat in front of the computer.

She is still studying the phone call made by Su Guochang before.

There is also the virtual number that called Ma Shuqin, hoping to find the real IP, and find it conveniently.

This time, though, it's not that simple.

That person is so powerful that she has got a puzzle. She thought she had found it, but she didn't.

I don't know how long after, the knock on the door sounded.

Juliana Lewis didn't even stand up, but said, "Come in."

She thought it was a servant.

The door pushed open, but the voice was calm.

It's a man.

Juliana Lewis turned around and saw that it was Li Songjin who came in. She politely shouted, "Second brother."

Li relaxed to see that Juliana Lewis was alone in the room, and did not walk past, but leaned against the door frame, thus keeping a distance.

"Happy birthday."

After a while, Juliana Lewis heard old Mr. Leach send the guests to the door.

The old house is quiet again.

Juliana Lewis got a good sun, went into the house, pulled up the curtains, and took a nap.

Before I woke up, I was woken up by the phone.

Juliana Lewis answered the phone with his eyes closed, and his voice was sleepy and soft. "Hello, who is it?"

Hou Chaosi laughed out loud: "Sister Wine, it's me, Hou Chaosi."

Juliana Lewis hugged the pillow and closed his eyes. "Sisi, why are you calling me so late?"

"So late?" Hou Chaosi looked at the sun before going down the mountain and said with a smile: "Wine, are you confused? It's only three o'clock in the afternoon."

Juliana Lewis was a little confused. When he heard this, he opened his eyes and looked out of the window.

Although the curtains are drawn, they are still transparent, so it can be seen that it is still daytime outside.

"I was sleeping, and I didn't return to my mind at once."

Juliana Lewis pressed his temple. "Now, call me. What's the matter?"

Hou Chaosi: "Happy birthday."
