Chapter 1411 Sideways-

Timothy Greene looked at her coldly: "Grandpa's death has nothing to do with Hou Chaosi."

"Don't say it as if she was the one who killed it."

Li Baiqing pulled Bai Chunhua: "Auntie, don't be too sad."

Bai Chunhua didn't continue to say that he was killed by Hou Chaosi.

Timothy Greene looked at her and said, "Apologize to Miss Hou."

Gu father died normally and went to bed at the end of his life.

Probably the only regret is to see Hou Chaosi, but she didn't arrive.

Hou Chaosi hung his eyes.

Bai Chunhua looked at Hou Chaosi and said sorry casually.

Hou Chaosi gave a faint well, which was regarded as looking at the old man's face and accepted Bai Chunhua's apology.

Bai Chunhua apologized and said, "Hou Chaosi, there is nothing for you here. Go back first."

"Also, my father-in-law's last wish is to let Ting Shen marry Qingqing. Please be more interested in the future and don't always pester him."

Juliana Lewis looked at her. "Back from Aaron family?"

Li Baiqing said: "I got along very well with Grandpa Gu before. Gu Aunt thought he wanted to see me and let me pass."

"Can Grandpa Gu go peacefully?"

Li Baiqing nodded: "Grandpa Gu finished things and left with a smile on his face."

There is no pain, no regret in life, go to bed at the end of my life, and leave with a smile.

Juliana Lewis felt that this was the best way to walk in one's life.

...

The next morning

Old Mr. Leach got up and heard that after Gu's father died, people were also in a trance.

I didn't eat much breakfast, so I put down my chopsticks.

He thought, the old friends left one by one, and he was old, so it was his turn soon.

Chapter 1413 Ideas--

As for the deceased's last wish, others will follow suit.

Since the deceased's last wish was promised, if he failed to do so, that person would be condemned.

That is to say, if Timothy Greene promised to marry Li Baiqing, but failed to do so after his death.

Timothy Greene will be charged with great unfilial and poked in the spine.

Unless, it is Li Baiqing who is unwilling to marry.

Old Mr. Leach took a deep look at Li Baiqing: "You young things, you make your own decisions."

In the end, it is his granddaughter, old Mr. Leach still said: "Qingqing, our family is enough, and Grandpa hopes to find someone who likes you and loves you, so that he can be happy."

"Even if you don't want to get married, playing like this is much happier than marrying someone who doesn't like you."

Li Baiqing just came back at that time and said he wanted to go on a blind date with Timothy Greene.

Old Mr. Leach thinks Timothy Greene is still a reliable person, and if he doesn't like it, he is at least a responsible and good man in Aaron family.

But today, old Mr. Leach saw Timothy Greene's reaction and knew it.

Timothy Greene doesn't like Li Baiqing very much. Even if he gets married in the future, he may not be able to respect each other as guests.

Bai Chunhua said with a smile: "This is the matchmaker I invited. It is very famous in S City. Almost all the objects she introduced have become, and they are all beautiful and happy."

The matchmaker nodded lightly to the landing wine: "Mrs. Li."

Juliana Lewis also smiled: "Hello."

Sure enough, as she thought, it was only a month later, and Bai Chunhua had already brought the matchmaker to the door to propose marriage.

I really can't wait to marry Li Baiqing.

Bai Chunhua continued: "Li Lao, look at the marriage of the two children..."

Old Mr. Leach said calmly, "I have no objection to their marriage, but Timothy Greene will propose it himself."

That is, Timothy Greene didn't come by himself, so Bai Chunhua had to come by himself with a matchmaker.

Bai Chunhua said with a smile: "There is no way for the children to propose their own marriage. Both parents have passed the bright face and then prepared to book a wedding."

Old Mr. Leach looked at her and said, "What age is this? Is your mind wrapped in the smelly foot cloth of Qing Dynasty? Still sticking to these virtual rites?"

Juliana Lewis smiled at Bai Chunhua: "Of course, Mr. Gu is also very good."

"I agree with Grandpa. If Mr. Gu comes to propose marriage, Grandpa will agree."

If Timothy Greene comes to propose in person, old Mr. Leach will not disagree with the marriage.

But obviously, Bai Chunhua was his own idea, not Timothy Greene's.

Even Timothy Greene didn't know Bai Chunhua had come to help him propose marriage.

Bai Chunhua was very angry when she saw the light wind in the landing wine. She blurted out: "Juliana Lewis, you don't think you are really happy, do you?"

Li Baiqing quickly shouted: "Auntie."

Bai Chunhua didn't hear it: "Do you think Benson Leach proposed to you, which is very romantic and happy, and is unique in the world?"

Maybe Juliana Lewis's reaction was too weak.

Bai Chunhua's words did not stimulate Juliana Lewis, but made her angry.

"Your self-righteous happiness is actually betrayal behind it, and it comes from your best friend's friend."

Chapter 1416 Connection-

Juliana Lewis thought for a moment, and then asked several familiar rich ladies in the circle.

Ask them if they have heard rumors about Benson Leach and Hou Chaosi recently.

At first, these people were good friends and didn't know what they said.

Finally, under Juliana Lewis's questioning, this changed his mouth.

"Small wine, men without money have to change, especially rich men. As long as you are the main room and still have your property rights, you don't have to worry about what men do outside."

"Although Hou Chaosi is your friend, this kind of thing sounds very angry, but it doesn't matter. Learn from me, pay Mistress, and sometimes go out shopping and spit out our men together."

"Hey, what are you? I served Mistress as a confinement, and Xiaosan gave birth to a son. I also raised it. My husband went out to find Xiaosi. Now Mistress and I are more like a family of three. My husband is pickled fish."

"Xiaojiu, you are also a straightforward and open person. Otherwise, I will take you to Tianma Club at night. You can choose the eighteen hunky boy inside. My husband and I will play our own games without damaging our interests."

Juliana Lewis looked at these remarks and pulled the corners of his mouth speechless.

But I have to say that this is actually the normal state of more wealthy wives.

Juliana Lewis's divorce and Hou Chaosi's super-talk in Mistress cost 100 million yuan in half a day.

When everyone saw the news, they immediately called to ask Juliana Lewis.

Su Hanyin: "Sister, what's going on?"

"Brother-in-law, they can't really be so bad, can they?"

Juliana Lewis chuckled: "No, trust your brother-in-law and your sister's charm."

Su Hanyin thought: "OK, as long as my brother-in-law lives up to your trust, then I will believe it. I will also check what is going on on the Internet."

With Juliana Lewis, Hou Chaosi is really relieved.

"Sister wine, you are very kind."

She thought that she was very lucky in her life to meet Juliana Lewis.

She thought that if it weren't for Juliana Lewis, she might still be a mumbling girl, and maybe she would become a little sister.

But because of Juliana Lewis, she was pulled back to the right path, and she also met Timothy Greene.

Really, Hou Chaosi was glad that she met Juliana Lewis.

Juliana Lewis reassured her: "Well, I believe you. Please explain it to Timothy Greene."

Hou Chao thought to just in a hurry, blurted out words, some embarrassed red face.

"Not bad, reduce a rival in love, but things have not been solved yet."

Benson Leach asked Juliana Lewis, "Do you have an idea?"

Juliana Lewis: "Just check it out. It's still very simple."

Benson Leach gave a cry.

On the Internet, another video was released.

The angle did not shoot Benson Leach and Hou Chaosi in the face, but at their feet.

Then in the conversation, Benson Leach was talking to Juliana Lewis on the phone, talking about business trips and so on.

After finally hanging up the phone, Hou Chaosi asked Benson Leach, isn't he afraid of Juliana Lewis misunderstanding and anger?

Finally, Hou Chaosi said: "Do you still do it?"
