Chapter 1421 Fidgety-

Hou Chaosi hurriedly bent down to pick up the shower and continued to shower his shoulders.

"Why is Mr. Gu here?"

Timothy Greene saw Hou Chaosi's burned shoulder at a glance: "Pass by."

Hou Chaosi looked at him speechlessly.

Timothy Greene glanced at her and turned out.

Hou Chaosi only felt more depressed and speechless.

It seems that he is angry?

Hou Chaosi heard the sound of closing the door. Is this leaving?

Hou Chaosi's heart inevitably gave birth to a loss.

Soon, Hou Chaosi heard footsteps and turned to see that Timothy Greene was coming.

I wrapped some ice cubes in my hand.

"This is faster."

Timothy Greene put ice cubes on Hou Chaosi's shoulder.

The place burned by sulfuric acid is still boiling hot. When the ice cubes fall on the shoulders, the ice and fire mix, which makes Hou Chaosi tremble.

Timothy Greene pressed Hou Chaosi on the sofa and ordered her: "Sit down."

Hou Chaosi didn't move.

Timothy Greene leaned over, dipped her fingers in ointment, and then gently applied it to her.

Thick fingers, cold ointment, and the faint breath on his body.

Hou Chaosi couldn't help shivering.

Timothy Greene only had her injured part in her eyes. She touched the medicine with her finger and said, "I have asked the assistant to handle it, and people will catch it soon."

Hou Chaosi gave a cry.

Timothy Greene: "Apply the medicine and go to the hospital. It's sulfuric acid."

Fortunately, she handled it quickly.

"Hmm."

Timothy Greene frowned at her faint words.

She is really indifferent to him.

"Is this the only voice Miss Hou has? Is there nothing else to say?"

Hou Chaosi didn't know why he was angry. He looked up at Timothy Greene in confusion and confusion.

Hou Chaos looked down: "Miss Li is generous, but I can't have no scruples because she is generous. People can't be bullied."

Timothy Greene regretted saying that just now.

He has nothing to do with Li Baiqing.

Promise grandpa's last words, just don't want him to die unsatisfied.

A month after Grandpa died, he moved out of his old house, and never saw Li Baiqing again.

He also said that he had told Li Baiqing that he would not marry her, even if he had Grandpa's last words, he would not marry her.

But what I just said...

Juliana Lewis took Hou Chaosi to the police station.

The police first made a record with Hou Chaosi.

Hou Chaosi explained the process, and there was monitoring at her door.

Towards that position, you can see that the suspect threw sulfuric acid and tried to destroy her face.

Juliana Lewis listened nearby, and when Hou Chaosi finished the transcript, he frowned at her: "You really, why didn't you say that the man took my name and asked you to open the door before?"

Hou Chaosi is still defensive and will not open the door easily.

But because the suspect said that Juliana Lewis gave her something, he opened the door unprepared.

Hou Chaosi wronged Baba and looked at her: "People didn't expect it."

"Sisi..."

Hou Chaosi grabbed the arm of Lu Jiu and shook it gently. He was spoiled: "People have been injured. Don't be so fierce. I really know that I am wrong."

"In the future, the wine sister will come, and I dare not open the door in person."

Juliana Lewis is really helpless.

The police who made the transcript, looking at the two men, also endured to laugh.

Therefore, Hou Chaosi would rather calm down.

Juliana Lewis didn't bother to tell her. He turned to the police and said, "Do whatever you want. Even if it is a juvenile crime, there is his guardian."

"This matter will never give up."

The policeman looked at Juliana Lewis with admiration and asked, "Is Mrs. Li going to see the suspect?"

"He wants to see you."

Juliana Lewis refused: "If it's gone, just do what you want."

Juliana Lewis, they left the police station.

Because Timothy Greene came, he came with his luggage.

Juliana Lewis looked at Timothy Greene, and then at the suitcase he was holding, which was also a question mark on his face.

"Timothy Greene, are you?"

Hou Chaosi also stared at him with big eyes.

Li Baiqing said with a small smile: "Ting Shen has had poor sleep recently. He lives outside alone and has a bad rest, so I asked him to come and live for a few days."

Hou Chaosi heard this and quickly put aside his eyes.

Timothy Greene looked at Hou Chaosi's expressionless face and said faintly: "Mother said that I promised Grandpa that even if I don't want to do it, I will work hard."

"So, come and cultivate feelings with Bai Qing."

In the last sentence, Timothy Greene also emphasized his tone, as if he were afraid that people would not hear him.

Hou Chaosi nodded.

Juliana Lewis asked her, "You went,

Are you sure it's not a bigger light bulb? And she can protect you? You won't bring trouble to the young couple? "

Hou Chaosi grabbed his head irritably: "Then I will go to my brother, he can protect me."

Ji Xiangtong is in love, but both of them are artists of the same company.

The company has regulations that artists can't fall in love, at least for a short time, or the kind of contract that can't fall in love with the company.

If Hou Chaosi goes, it's really bad, and maybe it will bring trouble to their love affair.

When the time comes, she will be a sinner.

Juliana Lewis said: "Zach Harding has been busy with one thing recently and has no time to take care of you."

Hou Chaosi was discouraged: "Sister Wine, you said that I seem to have no place to go."

She feels so bad about herself.

Hou Chaosi is very frustrated just thinking about it.

Juliana Lewis asked Timothy Greene, "Why do you live here? It really means green?"

Timothy Greene: "Well, an hour ago, my mother called me and asked me to come and stay with Bai Qing for a few days to cultivate feelings."

"It is said that she has worked hard. If she still has no feelings, she will not force me."

An hour ago, Juliana Lewis had not asked Hou Chaosi to come and live.

So, is Timothy Greene really not here for Hou Chaosi?

But really want to give it a try with Li Baiqing?

Timothy Greene looked at her thoughtful face and chuckled: "Well, don't think about it, let it be."

Juliana Lewis said, "It's quite good."

Hou Chaosi in the room listened to their conversation and sipped his lips as if he didn't hear it.

Timothy Greene's words proved that she was right not to flatter herself.

Chapter 1429 Love-

Juliana Lewis took Hou Chaosi to see the aquarium and went to the zoo half an hour's drive, all of which were on this side of Li's old house.

Behind the old house, there is a sea.

Now the weather has gradually become hot, and it is noon, and it will not be cold at the seaside.

The weather is just right.

Hou Chaosi carried his shoes, stepped on the sand, looked at the endless sea, and listened to the sound of bursts of waves.

Hou Chaosi is in a good mood: "Sister Wine, you really refreshed my view of the rich once again."

She originally thought that the old house was really just a house, with a little more houses at most.

But I didn't expect that the facilities near the old house were so complete.

This beach is a private sea area, including zoos, aquariums, museums and libraries.

These are all privately owned by Li's old house.

Private!

Hou Chaosi really saw the moat of Li's family!

Juliana Lewis felt his eyes even with her eyes closed. She opened them and saw people not far away.

Juliana Lewis stopped humming and let out a casual cry.

Hou Chaosi, who was humming, was scared to choke with saliva when he heard Timothy Greene's name.

People also panicked. One didn't step on it firmly, and his left foot tripped over his right foot and sat on the beach.

A wave came and beat on her.

Throughout the body cold, still very embarrassed.

Juliana Lewis speechless Hou Chaosi to pull up: "Look at you worthless."

Just because Timothy Greene is here, that's it.
