Chapter 1491 Beautiful-

Juliana Lewis smiled: "Who said that the child was born with my life, so I must love the child most."

Benson Leach is very overbearing: "That won't work either. I am the one who tried my best to protect you, so you must love me first, and then the child."

Juliana Lewis cut. "It sounds like we're going to have a baby."

"..."

The air suddenly quieted down for a moment.

Benson Leach changed the subject: "Do you want more pepper? The cook made new pepper oil. I tasted it. It tastes good. It is your favorite."

Juliana Lewis nodded. "Sure, more spicy."

Children's problems, just take it over.

Juliana Lewis thought it would be impossible for her to have children in her life.

Oh, it's all right.

Go back and let Hou Chaosi give birth quickly. She can be a dopted mother.

Old Mr. Leach smiled kindly at Juliana Lewis: "Okay, little wine, don't comfort me."

"When an old friend died, his family was so comforted."

Juliana Lewis said directly: "It is really not terminally ill, but similar to poisoning."

"I don't believe it, how could I..."

Old Mr. Leach froze for a moment, staring at the landing wine. "What did you say?"

Juliana Lewis said: "It's really not a terminal illness. Don't you feel familiar with your current situation?"

Old Mr. Leach stood there, as if he didn't understand Juliana Lewis's words.

Juliana Lewis had no idea how dangerous old Mr. Leach's thoughts were at this time.

However, old Mr. Leach really stopped being angry with Juliana Lewis.

The attitude is better than before.

Li Baiqing looked at them with mirth: "Grandpa, you are very kind to the third sister-in-law. My granddaughter is jealous."

Old Mr. Leach looked at her. "Am I bad to you?"

Li Baiqing spoiled: "Oh, grandpa, people are jealous."

Old Mr. Leach said, "You are different from Xiaojiu. Don't compare her with you. If there is no Xiaojiu, Grandpa will be gone long ago."

When old Mr. Leach said this, he was not exaggerating.

Before, before Benson Leach detoxified, he was ready.

When his grandson Benson Leach died, he did everything he had to do, and then went with him.

Now that Benson Leach is alive, he will live to this day.

He and Benson Leach have everything they have now, because of Juliana Lewis.

Juliana Lewis said with a chuckle: "Grandpa, there is no such exaggeration."

Xia Yunzhu rolled his eyes beside him.

Old Mr. Leach turned to Li Baiqing and asked, "What's the matter with you and Timothy Greene?"

Li Baiqing's smile on his face was a little stiff, and he soon relaxed: "Well, I am just friends with Ting Shen, and my engagement with him is just to let Grandpa Gu rest in peace."

"So, it's not a divorce."

Juliana Lewis looked at Li Baiqing in surprise, and she agreed so quickly?

In fact, she has never understood Li Baiqing very well.

No, this person is probably not Li Baiqing.

Li Shilong said unhappily beside him: "This person is also unreliable, and the old man's last words can also go back on his word."

"When he took Qingqing and promised his last words, he got a good reputation. As a result, he turned around and said that this was invalid."

Li Baiqing said with comfort: "Dad, it doesn't matter. It would be good to let Grandpa Gu go with peace of mind."

This is about his ex-girlfriend and first love.

Li relaxed and drank a sip of wine, and then played with the beer in his hand: "In fact, she doesn't like me drinking either."

Juliana Lewis said, "Then drink less."

These are Juliana Lewis's polite words.

Li relaxed his strength and said, "I seldom drink it, otherwise she will be angry when she knows it."

Juliana Lewis looked up at the sky. "She should be lucky, right?"

It's this time, and I can't forget my relaxation.

Well, lucky?

Li relaxed and shook his head: "I once thought that meeting me was the greatest luck in her life, but later I realized that meeting me was the greatest misfortune in her life."

Juliana Lewis listened quietly.

She thought and said, "Is it more unfortunate than Miranda Sanchez meeting Stewart Morris?"

If she hadn't met Stewart Morris, would her life be different?

However, how can there be a if in this life?

Li relaxed to look at her, thought about it, and said, "If she is here, she will definitely feel that Miranda Sanchez is worse than her."

"She has always been so kind."

The tragic death of Miranda Sanchez became a sensational event in the whole country.

But what about Xia Lu?

Xia Lu disappeared silently, until now, and there was no one until her and his affairs.

Events for a long time, he almost forgot, they had memories.

For a long time, it seems that summer reveals his world now, just an illusion of him.

Juliana Lewis shook his half-drunk beer bottle.

Needless to say, she knows that this kind of love has definitely been opposed by Li Shilong and Jiang Lisha.

Li relaxed his head to look at Juliana Lewis's expression and asked her with a smile: "Do you think my parents are against it?"

"Huh?"

Juliana Lewis was stunned again and asked him, "Isn't this the case?"

From Li's relaxed expression and disgust for Li Shilong, this is obviously what she thought.

Li relaxed and smiled: "At that time, Lulu thought the same way. She was also very embarrassed, so she always refused to come to my house."

"It took me a lot of effort to persuade her."

"After Lulu came home, my parents were very kind to her. When I heard about her family, I was also distressed."

"My parents told me not to bully her. My mother also took her out to buy all kinds of things and took her to see relatives. Everyone said that this is her prospective daughter-in-law."

Juliana Lewis listened quietly. Is this really the case?

Li relaxed and clenched the beer bottle in his hand. After a long silence, he said, "I caught rape in bed."

Juliana Lewis saw Li's relaxed and painful expression, which was very painful and hated.

Li relaxed and said: "I saw them naked and doing the closest thing in front of me."

"Even if I showed up, she didn't stop and even asked me if I wanted to come together."

Juliana Lewis listened with wide eyes and some couldn't believe it.

Li relaxed his head and looked at Juliana Lewis with a wry smile: "Didn't you expect it?"

Juliana Lewis nodded slowly. "Hmm."

However, she didn't comment too much on this matter.

Li relaxed and smiled again: "Do you know? Later, when she became pregnant, she came to me again, said that the child was mine, and asked me to give her money, but..."

He looked up at the sky: "With her, I respect her very much and never go to the last step."

Juliana Lewis didn't know what to say.

Because from what Li relaxed, Xia Lu is for money, but he is stupid to death.

With Li relaxation, do Li's wife, that is definitely more money than one million.

Clearly didn't do anything with Li relaxation, but silly looking for Li relaxation as a pan-taker.

This is simply stupid and money worshiping.

But is Xia Lu really such a person?

Li relaxed his elbow to support his thigh and lowered his head: "Xia Lu is really cruel, and her heart will be exhausted little by little, and even the beautiful memories will be exhausted."

"Finally, she sent me an invitation. She married an old man who could be her grandfather for money and went abroad. Since then, there has been no whereabouts."

He turned to Juliana Lewis and asked, "Is she so cruel?"

Juliana Lewis thought for a moment and said, "You believe in your heart that she is not such a person."

Otherwise, such a woman is not worth loving at all.

And he won't hate Li Shilong.

Juliana Lewis asked: "Is there something hidden in this?"

Juliana Lewis stopped and looked up at Li Baiqing: "I can't help you with emotional things."

"But the third sister-in-law is helping Hou Chaosi, isn't she?" Li Baiqing looked up at her: "Compared with Hou Chaosi, my sister-in-law is closer, isn't it?"

Juliana Lewis frowned and said, "I didn't help Sisi. I can't say anything about feelings."

"If Timothy Greene were with you, I would also tell him to be good to you and don't live up to you."

"But, obviously, he didn't choose you, but went against Grandpa's last wish and didn't want to be with you."

Li Baiqing is somewhat stubborn: "As long as the third sister-in-law says a word, I believe he will be with me, depending on whether the third sister-in-law helps me or Hou Chaosi."

Juliana Lewis was a little angry: "I don't have the final say in emotional matters, and I won't participate in other people's feelings."

"And what makes you think Timothy Greene will listen to me?"

Juliana Lewis looked at Li Baiqing unhappily: "See? This is the problem that you can't like. It's a matter of course to ask for it. I never thought about what you paid."

Say that finish, Juliana Lewis lifted his foot and left.

Li Baiqing walked behind her and said faintly, "But Timothy Greene will listen to what Miranda Sanchez said, won't he?"

Juliana Lewis paused and said coldly, "That's Miranda Sanchez, and I'm Juliana Lewis."

Li Baiqing smiled like a smile: "This is the case."

Juliana Lewis ignored it, but the breath all over him cooled down.

When Benson Leach came back, he saw Juliana Lewis sitting on the bed, absent-minded and cold with a small face.

He sat in front of her, stretched out his hand and pinched her little face: "Who is so blind and makes my little wife angry? I'll beat him."

"Li Baiqing."

Juliana Lewis looked up and said faintly.

Benson Leach was stunned and frowned and asked her, "What did Li Baiqing say?"

Juliana Lewis explained the matter, and then asked Benson Leach, "Do you think she knows, so she is testing me?"

Li Baiqing said that, Timothy Greene will listen to Miranda Sanchez.

This sentence is too tentative.

Benson Leach reached out and rubbed Juliana Lewis's head. "Don't think so much, no matter who you are, it will always be you."

#### Chapter 1498 Reaction-

When Juliana Lewis finished talking, Benson Leach looked up and asked Juliana Lewis, "What's the matter?"

Juliana Lewis looked down at his mobile phone: "Lin Yin had an accident and went to the hospital. I will go and have a look."

She never thought that something would happen to Lin Yin.

Lin Yin has always been very optimistic, and a person with three views is very positive will have an accident.

Lin Yin, who would rather be tepid, oppressed by snow and not accept hidden rules, turned out to be Mistress!

I was caught by the main room, stripped, photographed and sent to the Internet.

Now on the Internet, because of this incident, it is boiling up.

Juliana Lewis was very angry and wanted to ask Lin Yin what she was doing.

But when I arrived at the hospital, I saw Lin Yin sitting in a hospital bed dull, and her bright eyes were dim.

There are no questions.

Lin Yin looked up at Juliana Lewis, then lowered her head: "I'm sorry, Boss Wolfgang."

Juliana Lewis let her tone be gentle and concerned. She asked, "Lin Yin, can you tell me what happened? I believe you are not the kind of person who will destroy other people's families."

Lin Yin lowered his head, or only those three words: "Sorry."

Juliana Lewis couldn't get up in one breath when she looked like this.

Today's Lin Yin, besides these three words, won't say anything else at all.

Juliana Lewis said: "You have a good rest first. This matter has been dealt with by public relations. No matter what it is, as long as it is not your fault, I will help you to the end."

Lin Yin still lowered his head and only said that sentence.

Juliana Lewis didn't ask Lin Yin again. She was looking at her mobile phone.

Because I knew it late, I didn't have time to deal with it.

Lin Yin is a Mistress, Lin Yin destroys other people's families, and Lin Yin is kept in captivity.

Lin Yin was caught and raped in bed by the main room, and the stripped photos exploded rapidly on various platforms on the Internet.

Even if it is dealt with later, there are still a lot of hair, saying that there are resources and privacy.

On the Internet, Lin Yin is reviled.

"Have you ever wondered why?"

Lin Yin's hand, grasping the quilt of the hospital bed, white back of hand, blue veins suddenly and violently.

She seems to be restraining and suppressing something.

In the end, she said, "Boss Wolfgang, leave me alone. I deserve it."

Juliana Lewis:!!

Juliana Lewis was really angry and took a deep breath. "Suit yourself."

She turned out of the ward and slammed the door angrily.

There was a bang, and Lin Yin didn't respond.

Logan came to deliver food and saw Juliana Lewis standing in the corridor, kicking the wall one by one.

"Boss Wolfgang, if you kick again, a hole will be kicked in this wall."

Juliana Lewis was silent, but stopped kicking the wall.

Logan asked her, "Don't your feet hurt?"

Juliana Lewis looked at her. "I'm not stupid. I really kicked hard."

It's a hard kick. Her foot is already broken.

Is really not light by Lin Yin gas, a anger has no place to vent, just kick the corner.

If she had really kicked, there would have been a hole in the corner.

Juliana Lewis looked at the food box in Logan's hand: "Don't send it, she doesn't eat it, wasting food, I think she just doesn't want to live at all."

There are no more superfluous words.

Juliana Lewis went back to rest, while Logan stayed to take care of Lin Yin.

Lin Yin looked at the blue sky outside: "I want to go downstairs for a walk."

Logan was worried: "Yinyin..."

Lin Yin smiled: "It doesn't matter, I know, I always have to bear some first."

As Logan feared.

Lin Yin went out of the ward and went to the first floor. People coming and going looked at her.

Lin Yin is a very popular female artist recently, and she is well-known.

In addition, these days, the photos of Lin Yin and the incident of Lin Yin being Mistress were wildly exposed on the Internet.

Unless those who don't surf the Internet, they basically know who Lin Yin is.

Lin Yin didn't wear a mask either. Even if she was pale, people would recognize her at a glance.

"Is she that Lin Yin?"

Someone stared at Lin Yin and didn't shy away from asking the people around him.

"Yes, it is her, who specializes in Mistress, destroys other people's families, seeks life and lives in the hospital, and forces Lin Yin, who originally gave way."

"It doesn't look very good, but it is powerful to seduce people."

"Men like her this one? But how can she have the face to come out, and she doesn't wear a mask."

"People who are Mistress have no face. It is estimated that they will come out now and still want to find the next one."

"If I had been posted on the Internet like that, I would have quietly found a place to die. How can I have the face to come out and wander around?"
