Chapter 1501 Regret-

Logan told Lin Yin what Juliana Lewis said.

Lin Yin lowered his head: "Lu is always a good man."

Lu is always a good person. She can't hurt Boss Wolfgang.

...

Juliana Lewis found Cao Xi.

Cao Xi hid in a small villa in the suburbs.

He sat on the sofa, looking at those unknown netizens on his mobile phone, and denounced Lin Yin.

Hearing the doorbell, he got up impatiently to open the door. Without looking up, he was impatient: "Do you still want to..."

Look down and see small white feet, wearing high heels.

Cao Xi looked up in wait for a while and saw Juliana Lewis.

He froze. "Lu, Boss Wolfgang?"

Juliana Lewis nodded lightly and looked inside. "Talk?"

Cao Xi's face is very ugly: "My wife is away, and it is not very convenient for men and women to live in the same room."

This is a refusal.

Juliana Lewis smiled. "It doesn't matter, it will be convenient soon."

Cao Xi waited for two minutes.

Then I saw the property of this villa community, and two people, one man and one woman, had been sent.

They stood behind Juliana Lewis.

Juliana Lewis raised his eyebrows slightly: "Cao Zong, is this convenient?"

Even though Cao Xi at this time was in a bad mood, he couldn't help pulling the corners of his mouth when he saw Juliana Lewis's operation.

She's really good.

Cao Xi had no choice but to introduce people into the living room.

The people of the two properties, standing at the door, can see but can't hear.

Juliana Lewis stormed off.

From Cao Xi, there is no other statement, but it is even worse.

Cao Xi's character is really remarkable in the circle.

Juliana Lewis thought that the truth of the matter might be something else, but he didn't think that it was so disgusting to say it from Cao Xikou.

Benson Leach poured the warm water and handed it to her: "Don't be angry, it's just a scum. It's not worth it."

She wasn't so angry when Jayden Hodges and Stewart Morris were there.

Juliana Lewis drank the water in one gulp and then asked Benson Leach, "What would happen to you if a beautiful woman tried every means to seduce you in a thousand ways?"

Benson Leach raised his eyebrows at her. "I won't let them have this chance except you."

"It's not like you haven't seen it."

Juliana Lewis thought for a moment and finally remembered.

At the beginning, Lu Mingzhu was in Benson Leach's office, naked.

As a result, Benson Leach turned quickly and saw nothing.

I don't bother to watch it at all.

Juliana Lewis was in a better mood and asked him, "What if I drugged you?"

Benson Leach smiled helplessly: "There will be no such thing. Besides, I would rather die than give my Li Tai satrap a body like jade."

Juliana Lewis gave him a little bump on the arm. "That's no good. If there is such a thing, I don't care anything else, as long as you live."

Benson Leach didn't argue with her about it, but said, "Well, don't discuss these impossible problems."

Juliana Lewis said, soft nest into Benson Leach's arms: "You said, Cao Xi's words, what is the credibility?"

Benson Leach looked down at her: "What do you think Lin Yin's words are credible?"

Chapter 1503 Safety-

Juliana Lewis and Hou Chaosi found a place to listen to her talk about Lin Yin and Cao Xi.

Hou Chaosi didn't know the man's name was Cao Xi, and he was always replaced by love rat.

This is similar to what Juliana Lewis investigated.

Lin Yin went out for a walk at night, and then suffered from the harassment of hooligans. It was Cao Xi who passed by to help and send her home.

But Lin Yin refused.

Cao Xi drove and slowly followed Lin Yin to send her to the community.

Later, there was a movie in Cao Xi, and someone recommended Lin Yin.

When two people have cooperation, they will naturally have contacts.

Soon, Cao Xi chased Lin Yin, and soon, they fell in love.

Juliana Lewis remembered that once she took the elevator with Lin Yin, she saw the hickey on Lin Yin's neck.

At that time, I knew Lin Yin was in love, but I didn't expect it to be like this.

After Hou Chaosi finished speaking, he was very angry: "Where did love rat say that he was married? He also proposed marriage with Yinyin."

"Really, when love rat was exposed, it was always this kind of rhetoric, pushing all the charges to women, as if men were forced and strong."

Juliana Lewis listened to her indignant scold Cao Xi, she suddenly asked Hou Chaosi: "Sisi, you didn't fall in love?"

Hou Chaosi pulled the corners of his mouth speechless: "Wine sister, do you think I will fall in love now?"

Sister Wine is not ignorant. The person she likes is Timothy Greene.

But Timothy Greene and Li Baiqing had an engagement, and the old man's last words, such an engagement, was stronger.

Hou Chaosi has stopped thinking about Timothy Greene, and has been pulling away the distance between two people.

Otherwise, why is she okay, taking a completely closed ravine that can only take a mobile phone once every three or five days to make a movie?

Is to calm yourself down, not to pay attention to the outside, not to pay attention to Timothy Greene.

She wants to forget Timothy Greene completely.

Also because of this, she didn't know Lin Yin had an accident until yesterday, and hurried back.

Hou Chaosi only felt that his heart was severely grabbed. At that moment, he couldn't breathe.

It really hurts, it hurts.

It turns out that the pain of breathing is like this.

...

Timothy Greene and Li Baiqing entered the house.

Li Baiqing took the initiative to pack the things in the shopping bag: "Ting Shen, thank you, give me a good chance to get together."

Timothy Greene gave a casual huh.

Li Baiqing said with a smile: "I just want to eat a meal you cooked with your own hands. After taking care of Grandpa's will, it will pass."

Timothy Greene looked outside and said, "I'll cook."

Li Baiqing hid the little raincoat box, together with the receipt, in his hand and didn't let Timothy Greene see it.

Timothy Greene is cooking in the kitchen.

Li Baiqing quickly came in: "Let me help."

This is a small suite newly bought by Timothy Greene. The room is not big and the kitchen is not big.

As soon as Li Baiqing comes in, two people will be a little crowded.

He doesn't like it.

Timothy Greene refused: "No, you go out."

Li Baiqing insisted: "It doesn't matter. I have nothing to do when I sit outside. I will help wash the vegetables."

Timothy Greene's voice grew angry. "No, you go out..."

"Ah!"

Li Baiqing exclaimed, holding a basin of water in his hand, and all of them fell on her.

She was wearing close-fitting clothes, and when the water was poured, her concave and convex figure was displayed incisively and vividly.

Li Baiqing gently bit his lower lip and looked up at Timothy Greene with grievances: "I'm sorry, I just wanted to help, but I didn't expect to help."

Li Baiqing, who is so wet, is so wronged that he hooks people's eyes.

Li Baiqing couldn't help but ask Timothy Greene: "Do you have to disinfect it like this when you are downstairs after I leave?"

Now, she is really angry.

Timothy Greene nodded. "Well, cleanliness."

Li Baiqing shouted angrily at Timothy Greene: "Timothy Greene, I just let you cook the last meal. After eating, it will be good to get together and everyone will listen well."

"As for you... as for..."

Li Baiqing's eyes were red and his voice choked: "As for humiliating me so much?"

What Timothy Greene did just now was really humiliating to her.

She is a woman, a woman who adores him.

But it was disinfected and humiliated by him as a bacterium.

No matter how good your temper is, you shouldn't submit to humiliation.

Timothy Greene is holding a disinfectant spray in his hand. He looks at Li Baiqing in MoMo: "If you don't use those careful machines, we can finish eating and get together."

Li Baiqing's face turned white.

He knows everything?

That's right.

Women's scheming, in men's eyes, is just a trick of playing house.

Believe or not, it all depends on himself.

Look at his heart, who is more inclined.

Timothy Greene asked her, "All the dishes are ready except yam sparerib soup. Do you want to eat them?"

Li Baiqing knows the discretion and doesn't want to make it too ugly in front of Timothy Greene.

At least, she can't be too ugly in front of him.

Li Baiqing nodded: "Eat."

Tonight, Timothy Greene will promise to accompany her to the supermarket and cook her a meal with her own hands, just to cancel the engagement and stop seeing her in the future.

Providence is helping her. When they go shopping in the supermarket, they meet Hou Chaosi.

Is it equal to doing something when adults go up and sit?

Hou Chaosi doesn't understand.

But she knows that it is not good to be alone with men in the middle of the night, and it will be ambiguous.

She doesn't like this ambiguity.

But Lu Yuan didn't confess to her, and she couldn't explain it well, and refused.

Otherwise, it would seem that she is too narcissistic and romantic.

Lu Yuan chuckled: "OK, then you go up."

Hou Chaosi raised the milk tea in his hand and smiled: "Thank you for your milk tea."

She turned and left.

But as soon as she turned around, her arm was dragged by Lu Yuan and pulled back.

Hou Chaosi was forced to turn around and crashed into Lu Yuan's arms.

Hou Chaosi stared wide-eyed and wanted to struggle.

But Lu Yuan quickly let her go, bowed his head and said to her, "Sisi, I preview our next scene in advance."

Lin Yin voiced.

She made a long video.

Lin Yin in the camera didn't wear sick clothes, and even wore a light makeup.

She doesn't want to use her soft side to win sympathy.

Lin Yin faced the camera and began to slowly Xu Lai.

"I'm sorry, it took so many days to come out and respond to the Mistress incident."

"These days, I have been thinking about one thing. What did I do wrong?"

"Maybe I did something wrong in my previous life, and I have to go to this world and be punished in this life?"

"But I think I didn't do anything wrong or miss anything. What is wrong is the world and those who have hurt me."

"So, standing here today, I want to admit that my only mistake is to be deceived by Cao Xi, fall in love with him and be with him."

"Yes, the man you want to know, his name is Cao Xi, and he is a famous filmmaker."

"Cao Xi and I met at a cocktail party. At that time, it was only a shallow introduction by Boss Wolfgang, and there was no such shallow understanding as a business card."

"On one occasion, I went out to relax and encountered hooligan harassment. Cao Xi helped me solve it..."

Lin Yin began to tell the story of her acquaintance with Cao Xi to the end.

As for how to love and get along with each other, she didn't say anything.

Because, none of this matters.

Lin Yin emphatically said: "Cao Xi chased me. At that time, I didn't know he had a wife. If I knew, I would never be with him."

Chapter 1508 So-

Half past ten in the evening.

Juliana Lewis was almost asleep, and Logan called her: "Boss Wolfgang, look at the hot search, I can't sit still now."

Juliana Lewis clicked quickly to have a look.

On the homepage of popular recommendation, there are almost Cao Xi's statement, forwarding of various marketing numbers and analysis and forwarding of various bloggers.

Also, all kinds of curses against Lin Yin.

This time, I even brought Zhangbao Company and Juliana Lewis.

Juliana Lewis had a bad feeling. She clicked on Cao Xi's statement.

Small composition, without sending videos like Lin Yin, is full of small compositions with almost thousands of words.

Some netizens made a summary of the class representatives.

"Cao Xi's statement: 1. I met Lin Yin at the reception, which was introduced by Juliana Lewis, not a polite introduction, but an introduction that asked me to take care of Lin Yin.

2. It was an accident to meet Lin Yin again. As she said, she encountered hooligans, and then I was nearby to help out.

But people don't want to think about it. Why did I happen to be nearby and she happened to meet hooligans?

3. Since Lin Yin approached me, I told her clearly that I already have a wife and children, and I don't want to cheat.

I am a man, there are many temptations outside, and restraining my own desires is the best responsibility for my family.

But I can refuse a hundred times, but I can't refuse a thousand times, especially when I post it like Lin Yin.

4. I admit my mistake, but Lin Yin said at that time that she really loved me, didn't want my money, didn't want my name, and just wanted to be by my side, so after drinking wine once, I couldn't help having sex with her.

5. The next day, I was very surprised that I was a good drinker. Why couldn't I restrain myself? I went to have a physical examination and confirmed that I had taken medicine, so I was so excited and couldn't stand the temptation.

6. My secret work is very good. This time, I will be caught on the spot. It was Lin Yin who found my wife and found my wife several times before she came to the door.

7. I didn't want to come out and declare that we had a relationship, but I couldn't accept it. I kicked all the mistakes on me.

8. I am also wrong. I hope everyone will not scold Lin Yin alone, but I hope everyone will come at me. "

These are summed up by netizens and nearly 1,000 words published by Cao Xi.

"What's the matter?" Benson Leach sat beside her.

Juliana Lewis turned his head and asked Benson Leach, "Why do you think a man hates a woman and hates her by hook or by crook?"

Li Beicheng thought for a moment: "Love but not?"

Juliana Lewis shook his head.

Benson Leach: "Is it Lin Yin? Have you made new progress?"

Juliana Lewis nodded lightly: "Well, Lin Yin made a statement during the day, and at night, Cao Xi made a statement against Lin Yin..."

Juliana Lewis told Benson Leach what Cao Xifa had said.

"I already have the life of a fetus in my hand, and I don't mind having another one."

Lin Yinchao stretched out the pregnant woman's stomach.

The pregnant woman screamed with fear, so she didn't need anyone to rush. She quickly dodged sideways and then turned and ran.

Pregnant women also scolded while running: "Mistress is vicious, and I curse you for never having children in your life."

Logan sighed and asked Lin Yin: "If you do this, it will only make public opinion worse."

That pregnant woman bullied Lin Yin with her stomach.

Lin Yin bowed his head: "Anyway, this is the case, can't you still be bullied?"

"The stomach is the basis for her bullying me, but it is also her weakness."

The arrival of this pregnant woman is just the beginning.

Soon, the ward was knocked once every half hour, and people were still very gentle. They didn't beat or scold, just to ask, what time it was, and what to borrow a toilet.

Every time Logan just fell asleep, he was woken up, and the whole person was on the verge of runaway.

Lin Yin can't sleep, but it doesn't affect.

Later, she saw Logan fall asleep, and just after the next knock on the door, she walked out of the ward.

She stood in the corridor outside the ward, trying to knock on the door, but she was afraid and left in vain.

And that night, the pregnant woman accused Lin Yin of threatening her.

Lin Yin has also risen from a Mistress to a murderer, and the Internet is calling for her to be arrested and sentenced to death.

Lin Yin looked at the comments that scolded her ancestors for eighteen generations. She looked down at the first floor.
