

## **Got Busted 1521**

Chapter 1521 Marriage-

Juliana Lewis was married happily.

See Su Han lead red eyes, tears can't help but fall.

"Brother, don't cry."

Juliana Lewis's eyes flushed and his voice choked.

Su Han nodded and squatted down in front of Juliana Lewis: "Sister, the auspicious time has arrived, I will carry you to the wedding car."

Juliana Lewis lay on Suhan's back.

Su Han cited her by heart in a very documented way.

There are many firecrackers outside.

Relatives and friends are talking and laughing, holding mobile phones in their hands, shooting all kinds of pictures.

What do you think, this is a very lively marriage.

Su Hanyin walked slowly with Juliana Lewis on his back.

"Sister, after getting married, you are a member of the Li family. You must be a good wife, but you must be yourself."

"If your brother-in-law bullies you, you will come back and your brother can afford you."

"If you are unhappy, come back."

"However, being a wife is different from being a daughter in your mother's family. Marriage is maintained by both parties..."

Su Hanyin said what the elders taught him.

At some point, his eyes turned red and tears rolled down.

Think about it, my sister married, and she will be a member of the Li family in the future, so she is really reluctant.

Juliana Lewis choked, too, and tears blurred his sight: "Well, I will."

"I will come back often."

Su Hanyin put Juliana Lewis on the wedding car, and then said to Benson Leach, "Brother-in-law, treat my sister well, or I will be impolite."

Benson Leach: "No one can bully wine."

Because Su Hanyin is a family member, according to custom, he can't get on the bus together.

He watched the wedding motorcade and left slowly.

Su Hanyin couldn't help it anymore. Tears flowed fiercely and began to smoke.

Jiang Tiantian stood beside him: "Sister Lu married very close, don't cry."

Xia Yunzhu quickly smiled and said: "Dad, you think too much, where can I?"

"In any case, I am also the mother of Beicheng. How dare I do anything?"

"I'm just a little unhappy. They didn't ask me to go up and say something, and should I change my mouth?"

Xia Yunzhu felt old Mr. Leach's unhappy eyes and took out a red envelope: "I have prepared a change fee for the small wine, a lot."

Old Mr. Leach said lightly: "She is not rare in small wine, so there is no link to change her mouth."

"When you used to leave Beicheng cruelly, you should be prepared for him not to recognize you."

Xia Yunzhu corners of the mouth pulled, Shan Shan to take back the red envelope.

She looked up at Benson Leach, with her mouth in her mouth and a gentle and affectionate smile.

This made her suddenly remember the scene of marrying his father.

In fact, Xia Yunzhu can't remember what her ex-husband looked like, and even forgot what the wedding was like.

But at this time, she suddenly remembered his appearance.

Even, when I think of getting married, my ex-husband looked at her with a smile, and her eyes seemed to be spoiled.

"Big aunt, what's the matter?"

Li Baiqing felt Xia Yunzhu's mood and turned to ask her.

Xia Yunzhu was a little depressed: "Nothing, just thinking of some things."

Li Baiqing asked her: "Such a scene, what the big aunt thinks of, must be very beautiful and happy?"

Xia Yunzhu slightly Leng, the expression on his face, no longer trance, but some pain.

Is it beautiful?

Happy?

Xia Yunzhu never felt this way because she didn't like Benson Leach's father.

At that time, she was forced to marry his father, and at that time, she had a very loving boyfriend.

Because of the power of Li's family, she was forced to separate from her boyfriend and marry into Li's family.

The birth of Benson Leach is not the crystallization of love!

Benson Leach looked at Zach Harding. "Does this need a reason?"

Zach Harding looked at Benson Leach in consternation: "Don't tell me, you don't know his thoughts on Chengsao."

Benson Leach nodded. "I know."

Zach Harding was even more appalled: "I know, why do you still..."

And invited Timothy Greene to be the best man.

Is this not appropriate?

Benson Leach hooked his lips: "I am afraid that he will rob the marriage, so I am not afraid if I arrange it under my eyes."

Zach Harding: ...

Benson Leach glanced at him: "Besides, Timothy Greene is just persistent. Seeing and participating in this wedding with his own eyes, there is no obsession."

"Without obsession, you can let go and like other people."

Zach Harding listened to Benson Leach's words, and some guilty put aside their eyes and replied, "What Cheng Ge said is reasonable."

"No one can give Cheng the happiness he wants except Cheng Ge."

Timothy Greene is obsessed.

He also has obsession.

However, Zach Harding knew very early that it was impossible.

That feeling can only be hidden in the bottom of my heart.

Never known, he once had such unknown feelings for Juliana Lewis.

As long as you see with your own eyes, Juliana Lewis is very happy, that's enough.

Then you can put it down.

Zach Harding watched Landing wine holding hands with Benson Leach. They didn't know what they were talking about. They were laughing.

A match made in heaven.

Juliana Lewis is with Brother Cheng, and he can rest assured.

"Willful?"

Suddenly a man stood beside him and suddenly heard such a question.

Zach Harding paused and turned to look at Li Baiqing standing beside him: "What did you say just now?"

Baiqing smiled and said, "My third brother and third sister-in-law are really happy, aren't

She asked, "What about you and Sebastian Yates?"

Hou Chaosi said: "Nothing, Sebastian Yates helped me clear."

Juliana Lewis raised his eyebrows and asked Hou Chaosi in a low voice: "Why don't you consider Sebastian Yates?"

Sebastian Yates is fine, too.

Although the Moonshine Club was opened, the female companions around me were changed.

But she is a bystander, and it can be seen that Sebastian Yates likes Hou Chaosi very much.

However, Sebastian Yates hid this feeling deeply and did not show it.

As long as those female companions, Sebastian Yates did not further develop, but only held their social status and acted.

Hou Chaosi looked shocked and shook his head fiercely: "No, I don't have the heart to talk about feelings now, I just want to work hard."

Juliana Lewis stared at Hou Chaosi and said, "That's all right."

She added: "But do you know that Timothy Greene and Li Baiqing have retired?"

Hou Chaosi nodded and then said, "It has nothing to do with me, I don't want to know."

Juliana Lewis looked at Hou Chaosi's attitude of putting an end to knowing Timothy Greene's information and raised his eyebrows slightly.

She sent Hou Chaosi to the car and then talked to Sebastian Yates alone.

Juliana Lewis asked Sebastian Yates: "What are your thoughts on Hou Chaosi?"

Sebastian Yates said helplessly: "I think my mind has been obvious."

Only Hou Chaosi doesn't know.

He was afraid she would know.

Once you know it, you can't even be a friend.

Juliana Lewis asked him, "What do you think?"

Sebastian Yates was helpless: "The little monkey's temper, you know, is also persistent, unless she turns around herself."

"I think this is very good now, at least it is still a friend."

"If I talk about it, I won't even see her in the future. I can only watch it on TV and watch the billboards on the roadside."

Sebastian Yates glanced at the car that followed slowly and frowned. "What is he doing here?"

Hou Chaosi had already calmed down. When he saw this car, his heart was a mess again: "Maybe on the way."

After all, the road faces the sky and goes on its own side.

Sebastian Yates didn't think Timothy Greene was on his way.

In order to test, Sebastian Yates deliberately took a disorderly route.

Although, Timothy Greene's car didn't follow them around.

But the route to Hou Chaosi is the same.

Sebastian Yates clenched the steering wheel: "I also said that I didn't follow you. Is this on my way?"

Hou Chaosi said: "Who knows if you haven't arrived at the community? It may be on the way."

Sebastian Yates side head looked at the eye Hou Chaosi, didn't say anything.

The car drove to the gate of the community where Hou Chaosi lived.

Sebastian Yates stopped the car.

Timothy Greene's car in the back also stopped.

Sebastian Yates flameout.

Hou Chaosi asked him, "Sebastian Yates, what are you doing?"

"Nothing, you sit down."

Sebastian Yates said, getting out of the car and heading for Timothy Greene's car.

Hou Chaosi watched and quickly got off the bus: "Sebastian Yates."

Sebastian Yates has knocked on Timothy Greene's window, and soon the window will go down.

Timothy Greene asked Sebastian Yates indifferently and politely: "There are few clouds, something is wrong?"

Sebastian Yates said, "Get out of the car."

This, quite some orders.

Hou Chaosi quickly came over and said to Sebastian Yates, "Sebastian Yates, leave it alone, let's go."

Sebastian Yates asked Timothy Greene, "Mr. Gu, what does this mean?"

"Sebastian Yates!" Hou Chaosi reached out to pull Sebastian Yates.

Hou Chaosi went downstairs to his community and saw Timothy Greene standing.

Why is he here?

Don't say, he also lives in this building?

At the moment, Hou Chaosi didn't dare to flatter himself, and just as he didn't know Timothy Greene, he didn't look at it again, and lifted his feet and left.

She tested it from Timothy Greene's side.

"Isn't Miss Hou flattering herself this time?"

Behind him came the voice of Timothy Greene.

Hou Chaosi was slightly stunned, and his body paused a little, but ignored it.

Timothy Greene looked at her and followed her.

Hou Chaosi is waiting for the elevator, so is Timothy Greene.

Hou Chaosi didn't say a word as if he didn't know him.

Yes, it's all her love, so it's unnecessary.

Just ignore it.

The elevator door opened and Hou Chaosi went in.

Timothy Greene followed in.

Hou Chaosi pressed her floor, but Timothy Greene around her did not move.

Hou Chaosi has been very calm, very hard to suppress not much thought.

But Timothy Greene stood by her side, not far away.

She could smell a little bit of him, very light, but for her, it was very strong, and it was the same as wrapping her inside.

During that time, they lived together for a few days.

Hou Chaosi smelled his body and asked him, "Mr. Gu, what perfume are you wearing? It tastes very good."

She liked the clear smell of his body, not the smell of shower gel after taking a bath.

Anyway, it smells good.

As soon as he approached, she could smell him, and then her heart beat faster uncontrollably and she blushed.

At that time, Timothy Greene smiled: "I didn't wear perfume."

At that time, Hou Chaosi didn't believe it.

Timothy Greene frowned deeply at her wary appearance. He held the soup in his hand. "Sorry, I was drunk and said something bad just now."

"I cooked some sobering soup and brought it to you as an apology."

Hou Chaosi glanced at the soup bowl he was holding, still steaming.

She smiled and refused: "No, my boyfriend has prepared sober medicine for me."

Timothy Greene's face was slightly heavy.

Hou Chaosi watched his expression change and finally felt happy.

"Mr. Gu is quite right. People who have eaten and slept are naturally nothing rare."

"What someone has slept with is really dirty, and what he has touched is also dirty."

Words fall, Hou Chaosi let him give way, and then close the door directly.

Timothy Greene stood at the door with sobering soup and looked at the closed door.

Hou Chaosi leaned back against the door panel, and after being happy, it was endless pain.

Speaking hurts people, although happy, but at the moment, the heart seems to be pulled tightly, and the pain makes her breathe hard.

At this time, Hou Chaosi regretted those words just now.

It really hurts.

Forget it.

This is quite good, cutting off all her thoughts about Timothy Greene.

She has no way back.

...

On the second day of her wedding, Juliana Lewis didn't get up until noon. If she hadn't been hungry, she could have been tossed by Benson Leach.

After only a few days, Benson Leach was like a hungry wolf.

In the evening, they went back to their old house for dinner.

Old Mr. Leach smiled kindly: "I said I don't have to come back. You two have more than one place, so you don't have to run around."

Juliana Lewis: "If I miss Grandpa, I will come back."

Old Mr. Leach was coaxed into being happier.

Juliana Lewis also doesn't know what Yang Laotou said. One by one, she seems to be unable to give birth.

She's just temporarily unfit to be pregnant and have children.

It takes a long time to keep the body, five years and ten years.

Juliana Lewis saw that Benson Leach still had a smelly face and said, "Well, in another five or ten years, it will be born."

"In another ten years, I will only be in my early thirties, and I will have good prenatal and postnatal care."

"At that time, I will have a Shuang Bao, and the dragon and phoenix will be prosperous, and they will be swollen."

Benson Leach looked sideways at Juliana Lewis. Seeing that she could still talk and laugh, he said, "No more."

"Even if you can give birth in the future, you will not give birth. It is dangerous to have children, and your body is not suitable."

Benson Leach took Juliana Lewis in his arms. "Well, it's sour vinegar, but..."

Benson Leach said with a smile: "I am happier if one more person loves you and spoils you."

They went back to the hotel.

When Juliana Lewis got out of the car, a figure rushed over and almost collided with her.

A group of people behind are chasing: "Stop, don't run."

Chapter 1530 Intentionally

Juliana Lewis's eyes widened in shock when he saw the little madman's face.

That face is very small, very small, because it is very thin, and some eyes are sunken.

But to Juliana Lewis's shock, the face was covered with scars, large and small, and the wounds were not neat and some were split.

It doesn't look like it was cut by a knife.

Juliana Lewis can't tell what is used to destroy people into such a face.

Even the corner of the eye was cut, leaving a scar, which made people look at it, but it looked like cosmetic failure.

The little madman lowered his head in fear and didn't dare to look at Juliana Lewis.

She finally turned her back and her head was as low as quail.

Juliana Lewis put his hand on her shoulder. "It's clean and beautiful. Now put on your clothes and I'll blow your hair."

Her voice is still gentle.

The little madman turned around a little delighted and blinked at the landing wine.

On the contrary, Juliana Lewis felt that the little madman was a little ugly and cute.

"It's really clean and beautiful."

The little madman is a little shy, which is a rare emotion after fear.

Juliana Lewis blew the little madman's hair and helped her put on her clothes.

Juliana Lewis's clothes are size S, which is already very small.

But wearing it on a little madman, it is still a little loose.

Little madman is too thin, too thin, 1.7 meters tall, less than 80 pounds, skinny, skinny, but so much.

Juliana Lewis went to the kitchen, brought milk and bread, and put them in front of the little madman.

"Have some first."

The little madman shook his head wildly and looked at the milk with fear.

Juliana Lewis thought that maybe the little madman had never eaten hot food, so he said, "Shall I make you something to eat?"
