Chapter 1531 Investigation-

Benson Leach looked at Juliana Lewis. "Yes, it's not that I don't eat, it's that she didn't leave me a bite."

Juliana Lewis looked at Benson Leach sideways: "You have escaped, are you exulting?"

Benson Leach smiled. "No, no."

You can't say if you have it.

Juliana Lewis ignored him and asked the little madman, "Is it really not difficult to eat?"

The little madman nodded: "Ah ah ah."

Juliana Lewis was a little embarrassed to see the little madman's reaction.

Because the little madman means, as if she still wants to eat. She finished eating all the terrible things, indicating that she still wanted them.

However, I was delighted.

Juliana Lewis looked sideways at Benson Leach again. "Look, her reaction is much more sincere than yours."

Juliana Lewis looked at Xiaoya and quickly asked, "How is it?"

Benson Leach's voice, some heavy: "Xiaoya's DNA is compared with mine, and the results show that we are related, within two generations."

That is, cousin relationship.

Juliana Lewis Silence said, "So, is she, is she really Li Baiqing?"

At this time, I can't go back to do DNA with Li Shilong.

Therefore, although there is an appraisal result, it can't be said that she is Li Baiqing, or she may be of other identities.

Benson Leach is not sure: "If that person in China is a fake, it is."

If you want to say that Xiaoya is really Li Baiqing, you must first make sure that Li Baiqing in China is fake.

However, this can't be determined.

Juliana Lewis thought this matter was a little bad and complicated.

Benson Leach said: "I'll go to the police station first to see what Xiaoya is like, and then go back."

Juliana Lewis: "Well, then pay attention."

Benson Leach: "OK, ask Xiaoya more and see what she can say."

Juliana Lewis hung up with Benson Leach.

She looked at Xiaoya, who was sitting there and still watching the movie starring Li Baiqing, and her mood was very complicated.

Is she Li Baiqing?

If Xiaoya is really Li Baiqing, who is Li Baiqing in China?

What's the purpose?

Juliana Lewis nodded: "Well, just how to do Xiaoya now? If you don't have an identity, you should take it with you."

They used to have honeymoon trips in many places.

Now that there is one more Xiaoya, it is impossible to leave her alone.

Xiaoya, in particular, has something to do with Benson Leach now, and it is probably true Libaiqing.

Benson Leach: "Well, check it out first, give her an identity later, and bring it back to China."

Juliana Lewis: "OK."

...

When Xiaoya woke up, Juliana Lewis looked at Xiaoya's eyes and explored some.

Xiaoya blinked to see the landing wine.

Juliana Lewis couldn't help but ask Xiaoya: "You, really don't remember anything?"

Xiaoya continued to blink.

Juliana Lewis sighed, afraid of irritating to Xiaoya, but didn't ask again.

"Do you want to talk? I should be able to help you."

Juliana Lewis also pointed to Xiaoya's face: "It can also help you remove the scar on your face and become beautiful."

There is no girl who doesn't like beautiful ones.

Even if Xiaoya doesn't understand anything, she can hear the word beautiful and nod her head.

"Then you are good, can I help you?"

Xiaoya continued to nod.

Juliana Lewis smiled. "Well, now I'll look at your mouth again. I need a flashlight, OK?"

Xiaoya still nodded.

Juliana Lewis got Xiaoya's consent, turned on the flashlight with her mobile phone, and took a tongue depressor to let Xiaoya open her mouth.

"Ah."

Juliana Lewis couldn't see clearly, so he said, "Open your mouth a little wider."

"Ah!"

Xiaoya tried very hard to open her mouth wide.

Juliana Lewis left the ward after reading Xie's rumors.

Xiaoya has also been checked, and some results will come out in a few days.

Juliana Lewis glanced at the present results, which were similar to her diagnosis.

Benson Leach said: "Her throat is a little burned, but it is not speechless. It is for other reasons."

Juliana Lewis said, "I can cure this. The problem is not very big."

Juliana Lewis said, "Go, I'll show you someone."

"Who?"

Juliana Lewis took Benson Leach to Xie Xuyan's ward.

Benson Leach also wondered: "You are here, and there are acquaintances."

"You'll know after you read it."

Benson Leach: "Do we know each other?"

When he arrived at the ward, Benson Leach saw Xie's rumors, frowning first, then frowning deeply, and then his face cooled down.

Juliana Lewis can feel the cold breath in him.

It's cold.

Juliana Lewis took Benson Leach's hand.

Benson Leach looked at Xie's slumber and asked, "Who is he?"

Juliana Lewis: "Thank you, my patient this time."

Of course, Benson Leach knew it was called Xie Xuanyan, but to his disbelief, Xie Xuanyan was similar to Xia Yunzhu by five or six points.

And he doesn't have any aunts and uncles at all.

So, such similarity is either a similar person in the world or another one.

Juliana Lewis could feel Benson Leach's emotion. She held his hand tightly. "Maybe we think too much, but we just look alike."

"How old is he?" Benson Leach asked her.

Juliana Lewis: "Thirty-one."

Two years older than Benson Leach.

Xia Yunzhu cried in a hurry: "How can I offend the carefree doctor? I have been looking for him for so many years, and I hope he can cure my son."

"I can't wait to give him up as an ancestor. How can I offend him?"

"Little doctor, are you mistaken? Tell me, what is wrong?"

Sebastian Yates: "Then I don't know."

Sebastian Yates just hung up the phone.

"Master is really willful. I don't earn a hundred million yuan. The meat hurts me."

But think about it, as far as Li's wealth is concerned, this money seems to be not so much.

Rich and willful master.

Xia Yunzhu was unwilling to see a little hope, but he was abruptly driven into the abyss of despair.

She tried to call back, but it was impossible to get through the phone again.

Only people from the ancient medical door can call. They can't get through the ancient medical door.

Xia Yunzhu was in a bad mood all day.

Li Baiqing saw it and asked her with concern: "Auntie is not in a good mood?"

Xia Yunzhu wants to turn over her supercilious look very much. The discerning person can see the problem. Do you have to ask this question?

Knowing how to ask is to insert a knife into people's hearts.

Li Baiqing held the cup: "Because of the leisurely doctor, don't you receive the consultation?"

Xia Yunzhu frowned and acquiesced.

Li Baiqing knows this matter.

The relationship between them is more complicated.

Li Baiqing drank water and said, "Is Sebastian Yates a little apprentice of ancient medicine?"

Xia Yunzhu frowned again: "Right?"

Just an insignificant apprentice.

It wasn't Sebastian Yates who called her, was it?

Li Baiqing said: "Sebastian Yates has a good relationship with Juliana Lewis. Do you think it is possible? He did not tell the leisurely doctor at all, but unilaterally fought for Juliana Lewis and refused to see you?"

Yunzhu frowned: "Impossible, they don't know who

Juliana Lewis asked him: "Is Li Baiqing's relationship with Xu Pingping very good?"

Benson Leach can find out more about this.

"Well, they have a good relationship and often play together. According to what I found, Xu Pingping seems to be a stowaway, and then Libai Green Gang helped her find a job."

"Xu Pingping has no place to live, and Li Baiqing let her live together."

"Later, Li Baiqing said that Xu Pingping died to save her, and she was very grateful."

Xu Pingping and Li Baiqing have been together for more than two years.

Benson Leach said to Juliana Lewis: "This Xu Pingping still needs to be investigated in depth. If you can't find it here, then check it in China."

Juliana Lewis nodded. "Well, you can always find something. Can I help you?"

Benson Leach: "Yes."

At this time, Juliana Lewis's phone rang.

It's Hou Chaosi.

"Sister wine, where are you?"

Juliana Lewis replied, "Honeymoon abroad. You are so free today that you don't sleep at night. Call me?"

She looked at the time. It should be at two o'clock in the morning in China.

Hou Chaosi was very anxious: "Sister Wine, you'd better take a look online, you are on the hot search again."

Juliana Lewis chuckled aloud: "I am an amateur, why am I always on hot searches? What is this time?"

When Benson Leach heard this, he immediately turned on his mobile phone and went to see the hot search.

Sure enough, as soon as it was opened, it was Juliana Lewis.

Hou Chaosi: "I don't know how to say it. Anyway, just take a look first."

Benson Leach leaned his cell phone together.

"Mr. Li, this is my photo. Can you have a look?"

Juliana Lewis was watching Benson Leach's dynamic comments, and almost smiled angrily when he saw this picture.

She took her mobile phone and showed it to Benson Leach: "A Cheng, come and have a look. There is a person here who has plastic surgery to look like me."

Benson Leach didn't look up. "Don't look."

Juliana Lewis raised his eyebrows: "Really don't look? It looks very similar to me and wears very little. Do you want to consider it?"

Juliana Lewis's mobile phone was suddenly taken away and thrown directly on the sofa.

Then, she was held in Benson Leach's arms and pressed against the bed.

Benson Leach kissed her lip. "I already have you. Look at the fake."

Juliana Lewis chuckled: "That's not because she wore less. She almost didn't wear it."

"Then you may not wear it."

With that, Benson Leach tore Juliana Lewis's clothes.

"Ah, Ah Cheng... Hmm."

The rest of Juliana Lewis's words were blocked back.

On the Internet, because Juliana Lewis won't have things, the noise is turned upside down.

In reality, Juliana Lewis and Li Beicheng love each other very much.

That night, Juliana Lewis was tossed late and tired, and didn't get up in the morning.

When she got up the next day, Xiaoya looked at her worried: "Ah ah ah?"

Xiaoya also pointed to Benson Leach and motioned for her fist.

Juliana Lewis understood.

Xiaoya is asking her, did Benson Leach hit her?

Juliana Lewis blushed and shook his head. "No."

Xiaoya expressed doubts: "Ah ah ah ah?"

Then why were you so loud last night and sounded so painful?

Old Mr. Leach didn't look up when he heard this. "Wait a minute."

Xia Yunzhu gave a sound and shouted again: "Relax, brother-in-law, Qingqing, eat."

The servant reminded Xia Yunzhu: "Miss Da is not at home."

Xia Yunzhu seems to be a little sorry: "This is the case."

After a while, Li Shilong and Li Songjin came over.

Old Mr. Leach is still sitting on the sofa.

Xia Yunzhu shouted again: "Dad, come and eat."

Old Mr. Leach is still poking at the screen with a finger bullet: "Wait a minute, it's almost ready."

Li relaxed downstairs, looked at it in the past, and watched old Mr. Leach play with one finger, writing comments by hand.

"Grumpy little old man: You don't care if others are born. When you are young, you can't manage it well. You also care about other people's little things and you can do it."

Li relaxed and looked at it and laughed out loud: "Grandpa, you are really..."

I don't know how to describe old Mr. Leach.

But I have to say that old Mr. Leach is really kind to Juliana Lewis.

Old Mr. Leach wrote the words, put down his mobile phone, took off his reading glasses, and rubbed his tired eyes: "People are old, can't keep up with this Internet age."

"If this is put in reality, I can scold him for three days and three nights, so that the sun will never dare again."

Li relaxed and smiled: "Didn't Grandpa shoot him directly?"

Old Mr. Leach thought about the prestige of his youth, smiled and nodded: "Yes, you are like me."

Li relaxed and looked at the elderly old Mr. Leach and lowered his head: "It would be nice to have a grandfather in this family before."

If Grandpa had been in charge.

So, there would be no tragedy of that year, would there?

Xia Yunzhu looked at them and urged: "I still can't eat, it's cold."

Old Mr. Leach stood up: "I am full of gas."

Those remarks on the Internet really made old Mr. Leach angry.

Chapter 1538 Poisoning-

Benson Leach is driving.

He pulled over because the ambulance was whirring.

Juliana Lewis looked at the ambulance in the direction of the old house. There were more than one ambulance: "What happened? Why are there so many ambulances?"

Benson Leach: "I don't think so. There are doctors at home."

Families like them are equipped with family doctors, especially those with elderly people, who live at home.

Just in case.

Juliana Lewis looked at him: "In the past, this direction is the old house. Whether it is at home or others, let's go back and have a look."

This side of the old house is not a villa in the whole area, but a whole single-family villa, which is also owned by others.

Juliana Lewis didn't think much about it. He just had a bad feeling when he saw so many ambulances.

Benson Leach was also upset. When the ambulance passed, he stepped on the accelerator and followed the ambulance.

At first, I was lucky.

But as we got closer and closer, we saw the ambulance parked at the door of the old house.

When the old house is noisy, it panics.

Benson Leach and Juliana Lewis got out of the car quickly.

When housekeeper Li saw them, he was very surprised: "Young master, young lady, you are back."

Butler Li is calm on his face, but his eyes are already red.

Juliana Lewis was about to go in, but the doctor stopped him.

Housekeeper Li quickly said, "It's my little lady."

Juliana Lewis just went in.

Benson Leach asked housekeeper Li, "What happened? There are so many ambulances at home?"

Benson Leach was in a hurry, but the more anxious he was, the more calm he had to be.

Housekeeper Li said: "I don't know. When they ate, they foamed at the mouth, like food poisoning. The doctor at home couldn't help it. He quickly called an ambulance."

Housekeeper Li came over and heard these remarks. He frowned and said in a heavy voice, "Don't talk indiscriminately, our young lady is saving people."

"Save people?"

Neighbors laughed out loud: "We know that Juliana Lewis is powerful, painting and design, and they are all very powerful."

"But this is saving people. What does she take to save people?"

"Studying medicine can't save people by reading two books and drawing a few pens?" ,

"Housekeeper Li, this is a human life. You can't make fun of it. Let's take your father to the hospital quickly."

Housekeeper Li smiled: "Our young lady has a sense of proportion. Please make way and don't pollute the air here. It is very bad for the patient's condition."

Housekeeper Li's words made them very angry.

"This old Li family is all fascinated by Juliana Lewis."

"When is this? I still don't send it to the hospital. We kindly advise and dislike us."

"I guess there will be some sorcery."

"But this Lijia is really unlucky. When Benson Leach couples go out to travel, they are almost killed."

"So, there is a big conspiracy in this, and I suspect that Juliana Lewis did it, just her as an outsider."

" ... "

Li Butler listened to these, and rolled his eyes speechless.

Here, Juliana Lewis and the family doctor have already made the most basic anti-toxin.

She stood up and said to Benson Leach, "Well, you can go to the hospital."

"To the hospital."

Benson Leach said, and saw Juliana Lewis fall back limp.

"Wine, wine."

Benson Leach quickly grabbed Juliana Lewis by the waist, but she fainted.

With Juliana Lewis so faint, Li's family is even more chaotic.

Chapter 1540 Decides-

Netizens were shocked.

"Juliana Lewis is pregnant, is it true?"

"The people in the Li family are fine, and Juliana Lewis is pregnant again. How do I feel that I have been slipped away?"

"Isn't it said that Juliana Lewis and Benson Leach are infertile? How did you get pregnant? Is one of these two people derailed?"

"I don't understand the world of the giants, but I deeply feel that there is no truth yet. When can I eat big melons?"

Hospital.

When Lu Jiu woke up, Benson Leach was next to her and looked at her anxiously: "Jiu Jiu, how are you? Is there anything wrong?"

Juliana Lewis shook his head. "I'm fine. What about Grandpa?"

Old Mr. Leach spoke quickly: "Xiaojiu, I'm fine, I'm fine. I heard Beicheng say that you saved us in time."

Juliana Lewis turned his head, saw old Mr. Leach lying in the hospital bed next to him, and remembered.

Benson Leach quickly gently pressed her shoulder: "Don't move the wine, pay attention to your body."

Old Mr. Leach nodded and echoed: "That is, don't move, I'm fine, or I'll get up and jump twice to show you?"

Juliana Lewis chuckled aloud: "No, grandpa, it's good to be fine."

She detoxified old Mr. Leach herself and knew he was okay.

Juliana Lewis looked at the intravenous injection on the back of his hand and remembered that he had fainted.

She asked Benson Leach, "What's wrong with me?"

Benson Leach looked at the landing wine and stopped talking.

Juliana Lewis looked at his reaction and was worried. "Benson Leach, you have something to say. Don't be so hesitant. I will think I have a terminal illness."

Old Mr. Leach hurriedly bah bah: "Crow mouth, don't talk indiscriminately, this..."

He paused, trying to land the wine's body, and hesitated: "It's a happy event."

Lewis looked at Benson Leach puzzled: "What
