

Got Busted 38

Chapter 38: One Billion

As soon as he said that, other people didn't dare to bid anymore. They weren't short of money, but they wouldn't spend so much money just for a ring.

Many people complimented Selene enviously, "Miss Lewis, how happy you are! Mr. Hodges spent so much money to buy an engagement ring for you. The 'Destiny' will definitely be yours."

Selene lifted her chin and looked at the second floor proudly, showing off to Juliana.

Benson would not be willing to spend so much money for Juliana.

The "Destiny" diamond ring belonged to her for sure!

Benson took Juliana's hand and carefully checked it for injuries as he said without raising his head, "One billion."

"Wow!"

The whole audience gasped at the price and could not help but look up at the second floor.

Who was so generous to offer a billion dollars?

It was insane!

Juliana looked at Benson in shock as well, "It doesn't worth that much money."
