Chapter 44: Master and Disciple

Billy did not notice that Juliana was displeased and was happy, "Juliana, I almost failed to recognize you dressed like this. You look so pretty. I'd believe it if you said you were in high school."

Seeing many men looking over and whistling at Juliana, Billy waved his fist and shouted, "You all behave yourselves. Juliana is my owner and I am her most favored boy!"

Juliana looked at Billy's skinny figure and snorted, "We don't have anything to do with each other from now on."

Billy was about to take her to the booth when he heard this and said in confusion, "Juliana, I don't understand."

Juliana frowned at him, "I have a husband and I don't want a toyboy. Besides, you're a weakling and not my type."

Billy froze for a while and finally realized Juliana was saying that he was weak and she wanted to break off their relationship.

"Juliana... you don't really remember me, do you?"

Billy asked with extreme caution as if he was afraid to lose his protector.

Juliana looked at Billy with doubt in her heart.
