Chapter 53: Beating Soundly

Grandma had wondered about Juliana's marriage and now she heard that Juliana had married Benson.

She was even more astonished, "Jill, you're married to Benson Leach?"

Juliana nodded, "Yes."

Grandma trembled slightly, "Is it that crazy Benson Leach in F City who is mentally ill and has beaten seven or eight women away in a month or so, making all the women in F City afraid of him?"

Juliana frowned and answered in a slightly cold voice, "Grandma, he's not crazy, and he's not mentally ill."

Selene also said, "Yes, Grandma, Benson is very nice to Jill."

Grandma got angry, "How nice can he be? Benson is a madman and a murderer. Even if he's nice to Jill today, he might do it to her tomorrow."

She took Juliana's hand and ordered directly, "Grandma does not approve of this marriage. Go and divorce him now! You must get a divorce!"
