

## Got Busted 54

### Chapter 54: Ripped Open

Grandma was so angry that she hit Jermaine on the upper part of his body with her cane, regardless of whether he was lying on the hospital bed or not.

Even Suzanne and Selene, who were trying to stop her, were beaten up.

After a few minutes, Juliana was afraid that Grandma would get too angry, so she went up to her and pulled her back, "Grandma, please stop, your hand will hurt."

Grandma was panting from exhaustion and her lips were trembling.

Juliana helped her sit down and poured warm water for her to drink.

Grandma eased up a bit and breathed a little smoother.

Selene, who had received a stick on her face and had half of her face swollen, was aggrieved, "Grandma, why can't you just ask before you hit us? I have clearly said I would marry Benson instead of Juliana, but she didn't agree to it!"

Suzanne touched the bump on her head and complained, "I wasn't even home the day Jill went to Leach's house, so I didn't know until I got back. I could not help it."

why she went out early, in order to
