

Got Busted 55

Chapter 55: Revealed

Grandma looked to Juliana, "What's going on?"

Jermaine, her son, was now lying in a hospital bed with his right leg broken and his palm still bandaged.

Being a mother, she was naturally heartbroken.

Juliana glanced at Suzanne, who was looking proudly at her.

Grandma valued filial piety a lot and would never allow such a thing as a daughter beating her father. If she knew what Juliana had done, she would dislike her.

Seeing everyone looking over, Selene hurriedly covered her mouth, "I was just guessing. It must just be a coincidence."

Although Jermaine's broken leg was not done by Juliana, it was Benson who did it for her to get revenge.

Selene was kind of telling the truth.
