Chapter 74: Moved

Juliana looked up at old Mr. Leach and asked, "Grandpa, is there anything else?"

Old Mr. Leach saw that Juliana was calm. Although he had doubts in his mind, he could not help but want to believe her because of her aura.

Old Mr. Leach looked at Benson, who was still sleeping, said "Nothing", and went out.

Juliana and Benson were left in the room.

Juliana looked at Benson sleeping and then his arm with blood all over it and felt quite upset.

Oh, Benson.

She was moved by him.

"Benson, what kind of a person are you?"

Juliana muttered in a low voice and began to clean Benson and dress the wound.
