

## **Got Busted 88**

### Chapter 88: Guests

Old Mr. Leach hurriedly called Juliana when he saw her, "Jill, come here."

Jayden looked up at Juliana. She was wearing a long beige dress, her thick, silky, and curly hair swaying like seaweed as she walked.

She elegantly came down from the spiral stair like a queen, noble and dazzling.

Jayden couldn't help but stare straight at her. Every time he saw her, he had a different kind of amazement.

Selene glanced at Juliana, then turned her head to look at Jayden, and gritted her teeth with hatred after seeing him staring straight at Juliana.

Juliana had Benson, but she still tried to seduce Jayden!

What a flirt! What a bitch!

Grandma looked at Juliana and smiled delightedly. Juliana was how a young lady should look like.

Juliana sat down next to Grandma, "Grandma, what brings you here?"

Before Grandma could say anything, Selene spoke up full of worry, "Jill, we heard that Benson was sick the day before yesterday and we were worried about you, so we came to visit you."
