

## **Got Busted 95**

### Chapter 95: Coaxing Him

Juliana was able to infuriate someone without moving her hands.

Selene was pissed off but could do nothing about Juliana. She could only sulk herself.

Juliana laughed at her, "Right, you have to change in these clothes, otherwise, Grandpa will think that you dislike the Leach family and will be unhappy."

Selene was once again exasperated.

She had thought that she would rather wear her own dirty clothes than wear the maid's clothes.

But now that Juliana had said so, Selene dared not refuse to change.

She could see that old Mr. Leach didn't like her much, and if she was picky, her name would really be on the Leach family's blacklist.

Selene glanced covetously at the checkroom and then changed into the maid's clothes in frustration.

One day, she would make Juliana lose them all!

When Juliana arrived on the second floor, she met up with Jayden who had changed his clothes.

They met at the stairway so that they would have to go downstairs together.
