Chapter 979 Opportunities

Juliana Lewis looked at the changes in the blood value above, and said with a red heart on his face: "Master Bao made it more accurately and better than before."

Li Shilong: ...

Old Mr. Leach asked in a hurry: "How about it? Come on, show it to me quickly."

Benson Leach said: "Grandpa doesn't have to worry, it will be fine soon, and the value will run away."

But old Mr. Leach is in a hurry.

Juliana Lewis handed the test board to old Mr. Leach, then showed him the value and said to him, "Look, it is below 0.5 now, and it is still changing at the moment."

Old Mr. Leach has presbyopia and can't see clearly, but he still stares at it.

Li Shilong was very calm when he heard the value of 0.5.
