### Chapter 988 Disadvantages

Juliana Lewis also knows that Li Shilong is uneasy and kind. She asked anxiously: 'Then pay attention. If there is anything, our husband and wife will discuss it together. Don't resist everything by yourself in the name of being good for me.'

Benson Leach, who took time off from his busy schedule, saw the words of our husband and wife, and only felt that the exhaustion of the day and the tight mood and thoughts had been relieved.

Benson Leach replied to Juliana Lewis, 'I won't let him get what he wants for the rest of his life.'

In this way, Juliana Lewis felt a little relieved, and then asked Benson Leach if he would come back for dinner in the evening.

Benson Leach replied to Juliana Lewis that he would be very busy in the past two or three days, eating and living in the company, and would not go back, so let her pay attention to her own safety.

Juliana Lewis still asked Benson Leach uncomfortably: 'Ah Cheng, what do you think he is playing?'

Only when they know what Li Shilong is going to do can they take counter-attack measures.

Benson Leach: 'Pay attention to yourself, I should be fine here, and I will do more to you. After all, he knows what to do to stimulate my illness.'

'Today, several employees around me have more perfume, which is the taste of tuberose, and some are mixed with other tastes.'

'How are you? Are you
