

Got Busted 993

Chapter 993 Ink Night

After Juliana Lewis's message was sent out, the group was still silent.

-Moye: Really, have you all forgotten how we met at that time? I hit you four alone, and your original name is not called Night One. Later, I was recognized as the boss, and I was ranked like Night One and Night Two.

They didn't tell anyone about this kind of thing, did they?

Therefore, Juliana Lewis can only explain it in this way, hoping that they will believe it.

If she doesn't believe it, she can only shoot and beat them up.

Sure enough, the group was silent for a while, and soon someone spoke.

-Night 1: This matter is no secret.

-Night 2: You just stole our boss's number.

--Night 3: Everything else can be replaced, but the absolute technology of computer is not to say that it is fraudulently used. She is our recognized boss.

Night4: You pretend to be our boss, Juliana Lewis. We didn't intend to do anything to you, but now you come to you yourself, so we don't blame you.
